

Subject: You Are Invited – Oct 11: College Essay Feedback Workshop (Virtual)

Dear Admissions Partners,

Hello! I hope you are having a great start to your travel season! Many of you participated in Santa Cruz Cooperative School's virtual college essay workshop back in May. The event was an overwhelming success; thank you again to all of you who participated in the last workshop! **I am reaching out to you today to ask if you are interested in another opportunity to support SCCS students. Here is the opportunity:**

October College Essay Feedback Workshop on Wednesday, October 11 from 9 am - 11 am

Bolivia time (GMT-4): This will be our third bi-annual virtual essay workshop! The two last year were overwhelmingly positive and helpful experiences for students. Here are the details for this event:

- **What:** Each of the 50 seniors at SCCS will be matched with an admissions expert (you!) for one-on-one feedback on a near-final draft of their college essay.
- **When:** Wednesday, October 11 from 9 - 11 am Bolivia time (same as EST). You can sign up for one or two hours.
- **Format:** 25 minute one-one-one feedback sessions.
- **Where:** If you happen to be in the area, we would love to host you on our campus. Most of you will probably meet with students virtually (e.g. Zoom).
- **Why:** 1) To give students feedback on their essays from admissions experts before they submit their applications. 2) To help students see that admissions representatives are kind, caring people who are looking for reasons to admit students, not deny them. 3) To give students the confidence to move forward or the feedback to change directions.
- **The Ask:** If you sign up, I will match you with up to four students for 25 minutes each to give them quick feedback on their essay from an admissions expert's perspective. You would have 5 minutes between appointments. Students will send you their essays two days before the workshop. You do not need to be available for the entire two hour block to participate.

How to Sign Up for this Event: If you would like to sign up to share your expertise at this event, [please follow this link](#).

Thank you for your partnership. If you have any questions, please don't hesitate to reach out.

Warmly,
Adam
