Postgraduate Prospectus **2025/2026**

About UM

Founded in 1981, the University of Macau (UM) is an international public comprehensive university in Macao, with a multicultural campus and a system of whole-person education underpinned by faculties and residential colleges in an international education setup. 80 per cent of its faculty members are from outside Macao. With English as the main medium of instruction, the university is committed to producing creative and socially responsible graduates with a global mindset and international competitiveness.

Teaching units at UM include Faculty of Arts and Humanities, Faculty of Business Administration, Faculty of Education, Faculty of Health Sciences, Faculty of Law, Faculty of Science and Technology, Faculty of Social Sciences, Honours College, Graduate School, and Centre for Continuing Education. Research institutes include Institute of Advanced Studies in Humanities and Social Sciences, Institute of Applied Physics and Materials Engineering, Institute of Chinese Medical Sciences, Institute of Collaborative Innovation, Institute of Microelectronics, Asia-Pacific Academy of Economics and Management, and Centre for Macau Studies.
