QUALITY YOU DESERVE

WORLD CLASS REPUTATION

Yaşar University has been delivering globally recognised, prestigious degree programmes since 2001. With its CEA accreditation, award-winning student mobility programmes, and recognition by global scholarship awarding bodies, the University prides itself on its international reputation and the success of its professional graduates. The University has very strong links to the business sector and is thus able to offer its students the benefits of university-industry collaboration through its support of entrepreneurship and startup businesses.

Selcuk Yaşar Sports and Education Foundation decided to establish Yaşar University in 1999. Yaşar Group of Companies, known for their contribution and leadership in the Turkish economy, wished to establish a contemporary university. Yaşar Group, which continues its existence in sectors such as food, beverage, and paint, as well as tourism, hygiene paper, foreign trade, and energy, with its pioneering companies in their sectors, continues to grow with the strength it derives from its roots, striving to provide a better life for all its stakeholders.

INTERNATIONAL RELATIONS AND PROGRAMMES OFFICE

Yaşar University's International Relations and Programmes Office aims to coordinate and develop the university's internationalization vision, to recruit international students, to organize international events, to increase the opportunities of international education for students and to support and develop international and intercultural relations within the campus. The International Relations and Programmes Office is the representative of Yaşar University at international education fairs, international conferences and meetings and in relations with Non-Governmental Organizations and state authorities.

International Student Registration and Welfare

Currently, there are students from more than 50 different countries that are studying at Yaşar University as full time and exchange students. The International Relations and Programmes Office is the first unit to get in touch with students and help them through their registration process to the university. The office crew provides help and support to the students starting from their arrival in Izmir to the day of their graduation.

Global Partnerships and Exchange Programmes

Yaşar University has strong mutual ties with top universities from all over the world. These strategic partnerships create international opportunities for our students. Yaşar has collaboration agreements with over 600 different universities. Our student exchange opportunities are listed below:

1. Mutual Agreements - Dual Degrees

Currently, Yaşar University has exchange agreements from different countries that allow students to study abroad. For detailed information, our students can visit the office and get more information.

2. International Student Exchange Programme - ISEP

United States of America based ISEP gives the opportunity to our students to study at high ranked universities and in cities of their dreams. Yaşar University has agreements with universities across the globe. Students can study for a semester or two in U.S.A, Latin America, Canada, Australia, South Korea, Japan etc. for free by paying Yaşar University's tuition, dormitory and lunch fee. For detailed information students can come to the office and get more information about ISEP.

3. Erasmus Programme

Yaşar University aims for its students to benefit actively from the Erasmus Programme. The Erasmus Programme is coordinated by the International Relations and Programmes Office in our university. Yaşar University has Erasmus Exchange Agreements from different European Union countries. Yaşar University was awarded the Erasmus Success Story by the European Commission in 2010.

Within the Erasmus Programme, our students not only study in European universities for one or two semesters, but also are able to do internships at organizations and institutions. Besides student mobility, within the Erasmus Programme, academics from important universities across Europe are coming to Yaşar University to give seminars and lectures in order for our students to achieve academic and cultural outcomes.

Detailed information about the Erasmus Programme can be found at erasmus.yasar.edu.tr web address.
