If you're joining us from a province or territory outside of Ontario, or a country other than Canada, you'll need to show evidence that your education is equivalent to the Ontario Secondary School Diploma (OSSD), with six Grade 12U/M courses. We'll consider all Grade 11 final marks and Grade 12 interim/final marks in our assessment (where applicable).

Canadian secondary schools

For a full list of prerequisites and equivalencies for Canadian secondary school systems, please visit torontomu.ca/canadian-requirements.

International secondary schools

For more detailed information about key international systems of study, including American School System/Advanced Placement, British-Patterned Education (GCE), Caribbean (CAPE), China, French-Patterned/Baccalauréat, International Baccalaureate (IB), India (CBSE/CICSE), Türkiye and others, please visit torontomu.ca/international-requirements.

TRANSFER STUDENTS

Post-secondary transfer students

If you've completed some post-secondary education, you may be eligible for transfer credits toward your TMU degree. We also offer tailored degree completion pathways with upper-year entry points in some disciplines. To learn more about transfer options, visit torontomu.ca/transfer-requirements.

Advanced secondary transfer credits

The following advanced secondary courses may be considered for transfer credits:
A Levels (GCE), Advanced Placement (AP College Board), Caribbean Advanced Placement Exam (CAPE), French-Patterned/Baccalauréat, International Baccalaureate (IB) and CEGEP. Conditions and limitations apply to transfer credits. For more information, visit torontomu.ca/transfer-credits.

International students

International students are a vibrant part of the diverse and inclusive TMU community. With more than 4,450 international undergraduate students from 123 countries and counting, TMU has the experience and the resources to support the transition to university and to Canada.

Additional information for international students looking to apply to TMU can be found at torontomu.ca/international/admissions, and a dedicated team of international staff is ready to answer your questions at international@torontomu.ca. Email us for a direct response from our team, or schedule a one-on-one virtual meeting with a dedicated international recruitment officer for your region to get answers to all your questions.

ENGLISH LANGUAGE PROFICIENCY

If you're required to provide proof of English language proficiency, see the minimum requirements outlined in the chart below.

Visit torontomu.ca/english-requirements for full details.

PROGRAM	TOEFL	CAEL	IELTS	PTE	DUOLINGO	CAMBRIDGE ASSESSMENT ENGLISH
All Engineering and Science programs except Computer Science and Architectural Science	83+ iBT	60	6.5	60	400	180 and above on
All other TMU programs, including Computer Science and Architectural Science	92+ iBT	70	6.5	60	120	C1 Advanced and C2 Proficiency

TMU ENGLISH LANGUAGE INSTITUTE (ELI)

If you're academically qualified for TMU, but need to meet our English proficiency requirements, ELI offers university pathways to get you there. Our eight- or 16-week English Boost pathways strengthen your academic English just in time to start your undergraduate studies. For more intensive support, our ESL Foundation programs offer four- or eight-month options (based on your placement score), and you can earn up to three credits toward your degree. Our tailored programs support your confident transition into all TMU undergraduate programs. Learn more at torontomu.ca/english-language-institute.

JANUARY ADMISSION

Select TMU programs offer winter admission, with a January start, to international students. For more information, visit torontomu.ca/international/admissions/winter.

TORONTO METROPOLITAN UNIVERSITY INTERNATIONAL COLLEGE (TMUIC)

Located on campus in downtown Toronto, TMUIC offers pathways into undergraduate programs at TMU for international students who need support to meet TMU academic requirements. TMUIC offers multiple start-term options, with the ability to progress into university-level programs in Arts, Business Management, Creative Industries, Engineering, Economics and Finance, Professional Communication and Science. UTP Stage II courses prepare students for entry into second-year studies at TMU. Learn more at torontomuic.ca.

Apply to TMU

Before you apply, check the admission requirements for your chosen program(s) on the TMU website (torontomu.ca/requirements) and make sure you've taken (or plan to take) the prerequisite courses to satisfy these requirements. Some programs have more competitive (higher) admission averages. Generally, you need an overall average of 70% in six Grade 12U/M courses (or their equivalent), and all programs require a Grade 12 English course (or equivalent).

Step 1: Submit your application

When you're ready to apply, visit the Ontario Universities' Application Centre (OUAC) website at <u>ouac.on.ca</u>. If you're not studying full time in an Ontario secondary school, you can check <u>torontomu.ca/apply</u> for other available application methods.

Step 2: Upload required documents

We'll acknowledge your application via email; then you can activate your TMU Online Identity and get access to the ChooseTMU Applicant Portal. This is where you can upload supporting documents, non-academic requirements and other information.

Note: If you're a current Ontario secondary school student, your grades are submitted by your guidance counsellor directly to the OUAC.

Step 3: Apply for scholarships and awards

Once you have access to the ChooseTMU Applicant Portal, you can also log in to AwardSpring (torontomu.awardspring.ca) to apply for scholarships and awards. Many scholarships have application deadlines.

Step 4: Check your status and watch your email

Log in to your ChooseTMU Applicant Portal (torontomu.ca/choosetmu) to check the status of your application and to view official documents (such as your Offer of Admission). When communications from us remain unread, we'll send you an email reminder.

Important date for fall 2026 admission

February 1, 2026, is the guaranteed consideration deadline. Complete applications received by this date will receive equal consideration for fall 2026 entry. Non-academic requirements are also due by February 1 or within 10 days of the application, whichever is later (see individual program web pages for more details).

FAOs

When will I receive an Offer of Admission?

Most programs make offers on a rolling basis. Generally, early offers are based on very strong Grade 11 and/or first-semester Grade 12 academics. Programs with non-academic requirements may make offers later depending on their evaluation of the various elements (auditions, portfolios, etc.).

What does it mean to be on a wait list?

Some popular programs receive many more applications than there are available spaces. If you apply by February 1, you'll be notified by late May if you've been placed on a wait list. If you're placed on a wait list, you may be contacted at any time up to the beginning of classes regarding an offer, subject to space availability.

Paying for your education

SCHOLARSHIPS AND AWARDS

We have a wide range of scholarships and awards available to you and we strongly encourage you to apply for them. To apply for an application-based scholarship or award that recognizes leadership, diversity, financial need or other factors, log in to AwardSpring (torontomu.awardspring.ca) after applying to TMU. For details and deadlines, check out torontomu.ca/scholarships.

SCHOLARSHIPS AND AWARDS	VALUE
President's Entrance Scholarship	\$10,000 per year up to a total of \$40,000 (plus a guaranteed residence room)
Terence Grier Entrance Scholarship	Full tuition (for first-year studies)
International Student Leadership Award	\$10,000 (for first-year studies)
Ted Rogers Legacy Scholarship	\$25,000 per year up to a total of \$100,000 over 4 years
Other TMU scholarships, awards and bursaries	1,400+ awards totalling \$20,000,000+ across all levels of study

GUARANTEED AND RENEWABLE SCHOLARSHIPS*	FINAL ADMISSION AVERAGE
\$3,000 per year up to a total of \$12,000	95%+
\$1,500 per year up to a total of \$6,000	90-94.99%
\$750 per year up to a total of \$3,000	86-89.99%

TUITION, FEES AND LIVING EXPENSES**

FACULTY	ONTARIO STUDENTS	OUT-OF-PROVINCE Students	INTERNATIONAL (STUDY PERMIT) STUDENTS
Arts	\$7,287-\$7,312	\$8,826-\$8,851	\$36,818-\$36,843
Community Services	\$7,387-\$7,860	\$8,955-\$9,548	\$36,806-\$38,169
