At VinUniversity, we believe that addressing today's and tomorrow's global challenges requires research that is both interdisciplinary and collaborative.

To advance this vision, VinUni has established its **RISE Hubs** (Research, Innovation, Sustainability, Excellence), with 3 core pillars - the 3P RISE Framework: **People, Planet, and Prosperity.**

3P RESEARCH ARCHITECTURE

VinUniversity has been officially designated by UNESCO as the first UNESCO Chair in Vietnam, operating under the Research and Training Center model, with a focus on Environmental Leadership, Cultural Heritage, and Biodiversity.

VinUniversity is very proud to be chosen to host Vietnam's first UNESCO Chair. The Chair provides an opportunity to train future environmental leaders, collaborate with ethnic minority communities to recognize their environmental expertise, and advance scientific knowledge of Vietnam's biodiversity.
