# About UM

Founded in 1981, the University of Macau (UM) is a comprehensive research-oriented public university of international standing, with a multicultural campus and a system of whole-person education underpinned by faculties and residential colleges in an international education setup. Eighty per cent of its faculty members are from outside Macao. With English as the primary medium of instruction, the university is committed to cultivating innovative and socially responsible graduates who exhibit love for their home country and possess global perspectives and competitiveness.

Teaching units at UM include Faculty of Arts and Humanities, Faculty of Business Administration, Faculty of Education, Faculty of Health Sciences, Faculty of Law, Faculty of Science and Technology, Faculty of Social Sciences, Honours College, Graduate School, and Centre for Continuing Education. Research institutes include Institute of Advanced Studies in Humanities and Social Sciences, Institute of Applied Physics and Materials Engineering, Institute of Chinese Medical Sciences, Institute of Collaborative Innovation, Institute of Microelectronics, Asia-Pacific Academy of Economics and Management, and Centre for Macau Studies.
