# Hong Kong

## Asia's World City

Hong Kong is one of the most vibrant cosmopolitan cities in the world. It is a leading international financial centre and ranks number one in the world for economic freedom. With its safe and convenient living environment, Hong Kong is a great place for education and career development.

## The Heart of Asia

The city is ideally located within 4 hours of flight from the region's key financial markets, and 5 hours from half the world's population.

## The Great Outdoors

Not only is Hong Kong famous for its endless skyscrapers, it is also a place of great natural beauty, where people can go hiking in the magnificent countryside, relax on pristine beaches, and visit any of the charming outlying islands.

## Culturally Diversified

The city is fast-paced and exciting with over 7.5 million people. In this thriving East-meets-West metropolis, western life style mingles with ancient Chinese culture, and old traditions co-exist with the new.

## Campus Life at CityUHK

CityUHK is home to over 15,000 non-local students from over 90 countries/regions. Conscious efforts have been made to enhance student integration and help exchange students gain the best out of their learning experience at CityUHK.

At CityUHK, exchange students have access to:

- Pre-arrival support
- Student visa assistance
- Peer support by International Friends Club (IFC)
- Orientation programmes
- Academic advising
- Counselling services
