159 000 CZK / academic year (approx. € 6,500)

Studying at NEWTON taught me that success is not only about achievements, but also about the person you choose to become along the way. One of my most memorable experiences was the opportunity to attend the Oxford summer programme, where I saw how far hard work can take you and met many inspiring people. During my studies, I also realised that growth begins where your comfort zone ends. I am proud not only of the degree I earned, but also of the person I became throughout this journey.

— **Bc. Ágnes Rummer**
Graduate of the Global Business and Management programme

The Global Changemaker Scholarship

Outstanding students can apply for financial support to make their studies at NEWTON even more accessible.

The Global Changemaker Scholarship provides financial support to exceptional individuals who are prepared to represent its values of **personal mastery, innovation, practicality, community, and professionalism.**

Coverage: Full tuition for first year, for subsequent years depending on ambassadorial and academic performance.

*NEWTON University also offers merit-based and social scholarships

NEWTON in Oxford Summer School

Become part of a NEWTON Family and you'll have this unique opportunity to be an Oxford student for a week.

Global Leaders Academy

Experience the best of NEWTON in an intensive two-week programme in Prague.

As my alma mater, Oxford has profoundly shaped me. I am proud that our students can now immerse themselves in its atmosphere of shared excellence, curiosity, and resilience through the NEWTON in Oxford Summer School.

— **Anna Plechatá Krausová, DPhil.,**
Chancellor of NEWTON University
