UNIVERSITAS INDONESIA

EXCELLENT AND IMPACTFUL

2026

RECTOR'S FOREWORD

For over 160 years, Universitas Indonesia has been committed to cultivating leadership. As Indonesia's leading university, we have been engaging with today's global challenges to ensure our community is prepared for a rapidly evolving world.

We provide an academic environment spanning 14 faculties, a vocational school, and a graduate school, alongside numerous research centers. Our strength lies in the collaborative relationships between faculty and students, reflected in the ranks as knowledge meets mentorship.

Positioned at the heart of ASEAN, we have established global partnerships to expand opportunities for research, learning, and innovation. Our focus remains on developing individuals amidst technological advancement and globalization, aligned with the problems current society faces.

Success requires effort, resilience, and creativity. At Universitas Indonesia, ambitions are nurtured, and potential is transformed into achievement. Here, your aspirations are realized and envisioned.
