二、国际合作

中山大学迄今已与超过31个国家和地区的逾200所院校签署了校级合作协议，开展了近50个联合培养项目和200多个交换生项目。

重点合作项目

- 中山大学-美国约翰·霍普金斯大学：在临床与转化研究领域的长期合作项目
- 中山大学-美国卡内基梅隆大学：成立中山大学——卡内基梅隆大学联合工程学院
- 中山大学-法国民用核能工程师教学联盟：成立中法核工程与技术学院

国际暑期班

- 举办时间：每年7月(始于2010年)
- 教学特色：生源多样、学生专业背景涵盖广泛、全英教学、中外学生共同参与

2. INTERNATIONAL COOPERATION

By now, Sun Yat-sen University has established international cooperation with 200 universities across more than 31 countries in nearly 50 joint programs and over 200 exchange programs.

KEY JOINT PROGRAMS

- SYSU-Johns Hopkins University (JHU) Joint Collaboration on Clinical & Translational Research
- SYSU-Carnegie Mellon University (CMU) Joint Institute of Engineering
- Sino-Grenoble Institute of Technology and 4 other universities: Sino-French Institute of Nuclear Engineering & Technology

校园生活

中山大学的三个校区位于广州，校区同时延伸至风景如画的海滨城市珠海。四个校区均拥有完善的教学科研设备和公共服务体系，是大型的综合学习生活社区。

学校图书馆总建筑面积10万余平方米，拥有正式出版书籍490.7万册、电子图书数字资源量8964GB。学校食堂经营百余种美食，涵盖中国八大菜系。清真餐厅则按照伊斯兰教习俗烹调食物，为穆斯林同学提供一个放心就餐的民族餐厅。学校体育设施完备，满足学生的课余生活。

漫步于珠江江畔，或是穿梭于历史建筑间，你皆能感受这所百年名校的深厚底蕴。令人心醉的是，这种深沈却激发着你无限的灵感与活力，鼓励着你享受美好的生活。因为，这里，总有一些新事物期待你去探索。

THE SPECIAL MAJORS FOR INTERNATIONAL STUDENTS

1 · Chinese Language Programs

The School of Chinese as a Second Language (SCSL), Sun Yat-sen University is one of the first institute to teach Chinese as a Second Language. Since 1980s, more than 10,000 students from 100 countries and regions have studied in SCSL. It is also an official testing center for the Chinese Proficiency Test (HSK). Every year it receives about 1,000 international students to study Chinese language.

SCSL runs multi-level Chinese language programs, including non-degree courses in Chinese language, undergraduate courses for international students, graduate (MA and PhD) courses in TCFL/TCSOL, and training courses for overseas Chinese teachers.

At SCSL, 70% of teachers have overseas teaching experience and 90% of those hold graduate-level degrees. To date, SCSL achieves a high pass rate of HSK, a testament to the quality of higher education at Sun Yat-sen University.

2 · English-taught Undergraduate Programs

• MBBS

Duration of Study: 6 years, Degree: MBBS

Sun Yat-sen University is among the Top 5 medical universities in China. It has 60 affiliated and teaching hospitals, six of which are evaluated by the Ministry of Health as first-grade hospitals of China - the First, Second, and Third Affiliated Hospitals, the Ophthalmology Hospital, the Hospital of Stomatology, and the Cancer Hospital.

First established as Boji Medical School in 1886, Zhongshan School of Medicine (SYSU-SOM) is the oldest school of Western medicine in China. SYSU-SOM ran its English-taught MBBS program for international students in 2006. At present, the program has been accredited by the Medical Councils of India, Thailand, Nepal, Sri Lanka, Mauritius, and others, meaning that graduates can attend the Medical qualification examination in their home countries.

• Computer Science and Technology

Duration of Study: 4 years, Degree: Science

The School Of Information Science and Technology cultivates students with applied skills in computer science and technology. The faculty members who are involved in this English-taught program for international students are all doctoral degree holders, and have graduated from world renowned universities with extensive experience working in universities and research institutes abroad.

SIST offers both intensive, cutting-edge research in computer science. The labs have contributed to pioneering work in the fields of digital image and video, internet of things, and big data, on both international and domestic levels. Students conduct research and study with experts in computer science to solve problems with a variety of practical applications, such as on-line shopping, e-commerce, and data analysis behind home digital media.

3 · English-taught Master Program

• International Master of Business Administration (IMBA)

Duration of Study: 2 years, Degree: MBA

IMBA has an elite reputation and attracts top-tier students from both in and outside China. Currently, it is run by both Sun Yat-sen Business School (SYSBS) and Lingnan (U) College.

SYSBS is one of the China's first institutes for MBA education and research and is one of the nation's leading business schools. SYSBS has outstanding faculty, 92% of whom hold doctoral degrees and have overseas study, research, and work experience. SYSBS invites elite international and domestic economists, managers, and entrepreneurs as the guest lecturers and visiting professors. SYSBS is the first business school in South China awarded with triple international accreditations, which includes AACSB/EQUIS/AMBA. Only the most elite 5% of business schools are AACSB accredited worldwide.

The MBA education at Lingnan (U) College is among the Top 10 in China. It is established on a basis of international and domestic experience, with 96% of the faculty holding doctorate degrees. Additionally, students are instructed by professors from top international universities, international political dignitaries, domestic economists and outstanding business leaders. Lingnan (U) College was accredited by AMBA and EQUIS in 2010.
