Who are ELTS?

ELTS are accredited by both the British Council and BALEAP, gaining 29 points of excellence in our last British Council inspection. All members of the ELTS team are qualified professionals with many years' experience of delivering high quality English language learning and training to students from all over the world.

As well as offering a fantastic range of programmes to improve your English language and academic study skills before starting your degree, we are also able to tailor programmes to suit groups and offer a range of exciting Summer Programmes.

ELTS is located in the heart of the Singleton Park campus which offers a wide selection of facilities. As a fully enrolled member of the University, all ELTS students have access to university facilities including the library, IT services and the sports centre.

Our English Language Programmes

English for University Studies (EUS)

An academic 10 week preparatory programme for all subjects, offered at language levels from elementary to advanced. These year-round programmes are ideal if you need more time to develop your English language and academic study skills to the required level for university entry for foundation, undergraduate (Bachelors) and postgraduate (Masters and PhD) study.

Academic Skills for Business Pre-sessional (ASBP)

A specialist 10 week preparatory programme at two different levels for Business and Management students. The ASBP programme is ideal if you need to develop your business English and academic skills to the required level for university entry.

Summer Pre-sessional Programmes

We offer summer academic pre-sessional programmes as 6, 10 and 12 week courses depending on your English language level. These programmes are ideal if you need to develop your English language and academic skills as a condition of entry to Swansea University. These programmes are also suitable if you have already met the university's English language conditions but want to be as well prepared as possible before starting your degree programme at Swansea.

General English Summer Programme

We offer 2, 4 and 6 week full-time General English Summer Programmes, which are perfect if you want to improve your level of General English and have a fantastic summer visiting places of interest in the UK and making friends from around the world.

Tailor Made Programmes

ELTS has many years of experience in the design and delivery of tailor-made programmes for groups of adults or young adults.

We work with agents, group leaders, schools, universities and training organisers to create courses which meet your specialist needs. The content and duration of your bespoke programme can be specified by you or designed in collaboration with us. A typical programme will normally include English language tuition, activities, social events and excursions to local places of historic and cultural interest.
