

## Campus Life

### On-Campus Housing

International students have priority access to dormitory space.

### Dining

Several facilities on campus offer a variety of types of food, including buffet, set menus, noodles, snacks and special foods.

### Sports Facilities

Sports facilities include tennis courts, table tennis, billiards, fitness equipment, a gym and an indoor swimming pool.

### Network Services

Wired and wireless networks are provided on campus.

### Free Mandarin Chinese Language Program (CLP)

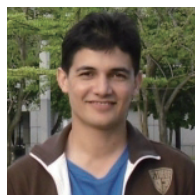

CLP focuses on daily conversation on various topics and is offered by the Continuing Education Center; detailed information on courses and application can be found at [www.cec.ntust.edu.tw/course.aspx](http://www.cec.ntust.edu.tw/course.aspx).

#### Erick Yusuf Kencana – Department of Construction Engineering

“I chose Taiwan, especially Taiwan Tech to fulfill my dreams. What would I say about this tiny island...Kindly people, lovely school, friendly environment, good research team and pleasant weather, so what else are you searching for? Join me!!”

Tel: 886-2-2733-3141

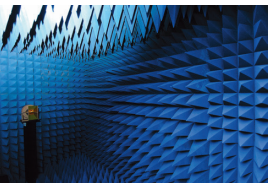

# Key Features

- 18 English-Taught Programs recommended by the Higher Education Evaluation and Accreditation Council of Taiwan
- One of the top 12 universities in Taiwan sponsored by the Ministry of Education
- The 1st and the Best Technical University in Taiwan
- 2012 THE Top 100 World Universities under 50 Years Old Rankings : 55
- 2011-12 THE World University Rankings : 301-350
- 2011-12 THE Asia University Rankings : 45
- International students enrolled accounting for 5% of total students
- No.1 in the reddot Design Award in the Asia-Pacific region of the world’s universities
- No. 1 in the iF Concept Design Awards University Ranking 2011 & 2012

# Outstanding Research Centers

- Intelligent Robot Center
- E-Learning Research Center
- Automation and Control Center
- Taiwan Building Technology Center
- Nanotechnology Engineering Center
- Color, Imaging & Illumination Center
- Power Electronics Technology Center
- Center of Internet of Things Innovation
- Taiwan Information Security Center
- The Material Science and Technology Center
- Opto-Mechatronics Technology Center
- Construction Occupational Health and Safety Center
- Solar Energy and Energy Efficient Building Research Team
- The Center for the Study of Lotteries and Commercial Gaming
- Ecological and Hazard Mitigation Engineering Research Center
- Wireless Communication and Electromagnetic Compatibility Research Center
