WE'RE LOOKING FOR WORLDLY PEOPLE.

Head, Deakin Graduate School of Business

Faculty	Faculty of Business and Law
Reference number	130141
Applications close	Friday 31 May, 2013
Salary range	Attractive remuneration package will be negotiated with the successful candidate
Location	Melbourne Burwood Campus

Deakin University is one of the largest, fastest growing universities in Australia, with more than 39,000 students and 3,200 staff. The University has a very strong financial base and burgeoning research culture. It is committed to advancing its goal of occupying a distinctive place in the sector.

The Deakin Graduate School of Business (GSB) is one of five Schools in the Faculty of Business and Law. With over 45 academic staff and almost 3000 students in postgraduate coursework and research degrees, the School offers a comprehensive range of postgraduate and executive education programs.

The Head reports directly to the Pro Vice-Chancellor of the Faculty of Business and Law and works closely with Heads of School and Associate Deans within the Faculty. Key responsibilities including leading the strategic direction of the GSB and facilitating research links between the School, industry, professional bodies, government and other areas at Deakin.

In particular, the new Head should be capable of:

- Building the reputation and profile of the Graduate School of Business
- Strengthening research, industry engagement and internationalisation
- Renewing curricula
- Enhancing the student experience and alumni engagement

The University is seeking to appoint a strategic and creative leader with a strong track record of management and scholarship. The role offers great scope for innovation and change in a well resourced, growing and successful faculty and institution.

For a confidential discussion please contact Bill Kett at Heidrick and Struggles on +61 3 9012 3043. To obtain an information pack or apply please email deakinheadgsb@heidrick.com by Friday 31 May 2013. For further information about the University please visit www.deakin.edu.au

Deakin University is proud to be recognised as an organisation that offers a friendly and supportive working environment in which our staff are committed to making a difference by contributing to excellence in education. Our professionally diverse staff are afforded a great deal of variety in their work, and enjoy the physical location and natural surrounds of our working environments.

Equal Opportunity
is University Policy

Opportunities in Sport, Exercise and Physical Education

Under a new leadership team and in the context of a major new investment in posts and sporting facilities at the University, we are pleased to offer the following posts at our Bedford campus.

Head of Department of Sport and Exercise

c.£60,000 Ref: ACEC4965

As an experienced and capable leader, you will have a vision for how sport can thrive in the evolving context of higher education. A strong commitment to the embedding of sport and exercise in community and education is required. Improving the quality of the student experience is a key priority, but there are a number of opportunities to grow and develop this forward-looking department in all aspects of its work: portfolio, research, enterprise and international. You will also become a member of the Faculty Executive and make a significant contribution to wider strategic development. A doctorate and a record of publication in an appropriate discipline are essential.

Professor of Sport and Exercise Sciences

c.£60,000 Ref: ACEC4966

The Department of Sport and Exercise and the Institute for Sport and Physical Activity Research (ISPAR) are keen to offer opportunities for internationally established academics in sport and exercise sciences to progress our research in this field. As well as attractive remuneration and career development, you will also benefit from a committed institution keen to ensure the continued development of an applied research environment. Individuals with an international track-record of research, funding and publication in any area of sport and exercise sciences will be considered. A successful record of doctoral supervision is also essential.

Senior Lecturer

(Grade 8) £38,522 Ref: ACEC4967

We are seeking a senior lecturer to take on the co-ordination of one of our most successful courses: BA/BSc Sport and Physical Education. An experienced academic and excellent role model, you will work with colleagues to continue to improve the students' experience of the course. A doctorate and a record of publication in an appropriate discipline are essential as is a specialism in one of the subjects detailed below.

Lecturers

(Grade 7) £31,331 Ref: ACEC4968

We are seeking enthusiastic lecturers in a number of sport-related areas notably bio-mechanics and motor-performance, sports psychology, sport development, physical education and sport pedagogy, coaching and coach education. Whether you are an early career academic or more experienced, you should have a demonstrable and enthusiastic commitment to teaching and the student experience. You should already hold a doctorate and be publishing your research.

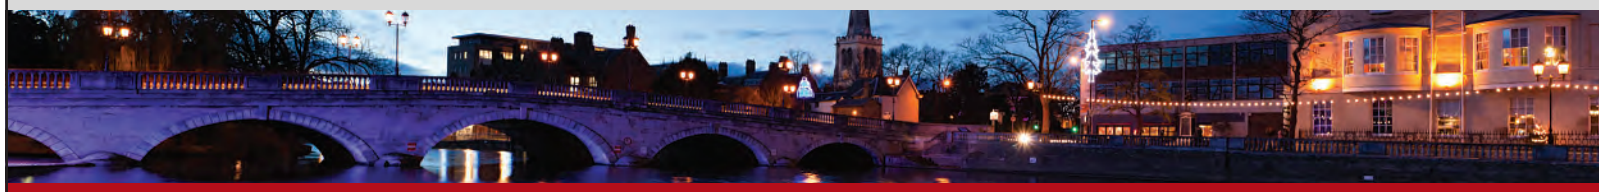

For an informal discussion regarding any of these opportunities, please contact Dr Sally Bentley, Dean of Education and Sport, at sally.bentley@beds.ac.uk or 01234 793428.

The University is committed to equality of opportunity and values the diversity of all its workforce and student population.

To apply for any of these roles please download job details and the application form from www.beds.ac.uk/jobs

Please quote reference number and job title in correspondence. CVs will only be accepted in addition to a fully completed application form.

Closing date: noon on Tuesday 7 May 2013. Interview date: week commencing 20 May 2013

Skoltech

Skolkovo Institute of Science and Technology

Provost

Skoltech is a private, graduate research and innovation-based university close to Moscow in Russia. Established in 2011 in collaboration with MIT, Skoltech will employ a model for its degree programs in which research, education and innovation are seamlessly combined to educate coming generations of researchers, innovators and entrepreneurs; to advance scientific knowledge; and to foster technological innovation, addressing critical issues facing Russia and the world. Applying international research and educational models, the Institute integrates the best Russian scientific traditions with twenty-first century entrepreneurship and innovation. Although it is a Russian institution, Skoltech will be an international university, with English as the language of instruction, and degrees based on the Bologna model. Skoltech admitted its inaugural class of MSc candidates in 2012 and is attracting applications from all over the world for 2013.

To promote and encourage a truly interdisciplinary environment the Institute will seek to develop new educational models erasing the traditional divisions organized around departments and colleges. Instead Skoltech will focus on five main areas of science and technology: Biomedicine; Energy; IT; Nuclear; and Space. Activities in these areas will take place through the Centers for Research, Education and Innovation, of which there will be 15 by 2018. The CREIs will function as interdisciplinary, international research, education and innovation initiatives following novel approaches to solve important problems. Each CREI will work closely with one or more Skoltech educational programs, to develop and deepen new graduate degree tracks at Skoltech that support, leverage, and advance education and research in the CREI focus area.

In the context of a rapidly globalizing and changing environment for the world's leading universities, Skoltech demands a leadership that is focused and determined in pursuit of its ambitions and academic goals. The creation of the role of Provost is a significant step forward for the Institution, establishing a model of academic leadership in which the Provost, working alongside the Senior Vice President for Research and Innovation, and reporting directly to the President, will enable the Institution to rapidly develop and maintain a global reputation for academic excellence.

Skoltech and MIT will be supported in this appointment process by the executive search firm Perrett Laver. Perrett Laver will support the search committee in the assessment of candidates against the requirements for the role and to identify the widest possible field of qualified candidates. Both applications and nominations are invited. Applications should consist of a full curriculum vitae along with a covering letter of application addressing the role and person specification. Completed applications should be uploaded at www.perrettlaver.com/candidates quoting reference number 1234. The closing date for applications is noon (BST) on Wednesday 22nd May 2013. Applicants are asked to provide suitable daytime and evening contact details.

Making excellence and aspiration our business

Director of MBA Programmes

The Times Higher Education recently described the University of Exeter as 'a rising star among research-intensive institutions' and it is The Sunday Times University of the Year 2013. The result of the 2008 Research Assessment Exercise, in which two-thirds of our research was assessed as world-leading or internationally excellent, confirmed Exeter's position as one of the UK's leading research-intensive universities.

The University of Exeter Business School is one of the UK's top schools with a vision to replicate that achievement internationally. Nationally, all three of our main subject areas rank in the top 10 and our One Planet MBA has been positioned by the Aspen Institute USA in their biennial Beyond Grey Pinstripes Rankings and has been placed 2nd in the UK, 9th in Europe and 47th in the world.

The School continues to be ambitious and the role of Director of MBA Programmes is central to the drive in raising the profile of the Exeter MBA programmes, taking them into the international rankings and playing a central part in the School's application for accreditation by AMBA, EFMD (EQUIS) and AACSB.

Applications are invited from academics with international reputations for their inspirational teaching and world-leading research, who will be responsible for achieving sustained success and constant, innovative development of the Exeter MBA programmes.

The successful applicant will have substantial experience in an academic management role, with a track record of strategic development and implementation. They will be able to demonstrate outstanding communication skills and an understanding of the role of MBA programmes in the development and positioning of an outstanding Business School. Knowledge of the MBA market, ranking and accreditation processes will be essential.

The role will start as of the 1 September 2013 and the starting salary for this post will typically be from £51,939 up to £65,436, depending upon qualifications and experience; a salary outside this range may be considered for exceptional candidates.

For further details of this exciting opportunity please visit www.exeter.ac.uk/jobs searching under reference **P44497**.

You may also wish to consult our website at **business-school@exeter.ac.uk** for further information on the Business School.

Birkbeck is a world-class research institution, a vibrant centre of academic engagement and excellence and the UK's leading provider of part-time, evening education for mature students.

External Relations

Deputy Director of External Relations

This is a new senior post that will have operational responsibility for running Birkbeck's award-winning External Relations department that has four highly integrated teams:

- Development and Alumni
- Media, Communications and Events
- Home and International Marketing and Recruitment
- Widening Access and Retention

The post-holder will work closely with Director Tricia King and enable her to balance her dual role as Pro Vice Master and Director of External Relations. As part of Birkbeck's succession planning, the postholder must have the clear potential, drive and initiative to ultimately take on the role of Director and head up the department

At a time of change and challenge in the HE (Higher Education) sector, this post will ensure that External Relations delivers the service the College needs to survive and thrive and operates both effectively and efficiently. The postholder will work at the interface between Birkbeck's institutional strategy and the departments fully integrated operational activity. The postholder will ensure that the department delivers clear value for money and return on investment.

Candidate requirements

The postholder must have strong communication skills with the ability to build and maintain relationships of influence across the college, inspire and motivate a team, lead with vision and integrate the work of a series of different professional teams. The postholder must have excellent time management and organisational skills, with proven ability to plan, organise and prioritise own and departments workload.

A thorough understanding of the marketing, recruitment, communication, fund raising, alumni, retention and widening access profession within HE. Understanding of the English, UK, EU and global HE environment.

The ideal candidate must have at least five years experience of leading a large team in a relevant HE environment and experience of delivering against target, on budget and on time.

Salary: £57,802 per annum inclusive of London Allowance.

The closing date for completed applications: Friday 17 May 2013

Interview date: Tuesday 4 June 2013

For an informal discussion, please contact Tricia King, email: t.king@bbk.ac.uk

To apply for this post and for further information please visit: www.bbk.ac.uk/jobs (**Search using reference number 10932**)

If you have difficulties accessing this site please email, humanresources@bbk.ac.uk, quoting the appropriate reference in the subject header.

Birkbeck is an equal opportunities employer and encourages applications from all candidates irrespective of gender, ethnicity, age, disability, religious belief and sexual orientation.

CENTRAL SCHOOL OF SPEECH & DRAMA

UNIVERSITY OF LONDON

The Royal Central School of Speech and Drama, established in 1906 and based in London, is an acknowledged world presence in vocational theatre training. It is the UK's only higher education specialist drama college with a full range of opportunities for undergraduate and postgraduate study in theatre.

DIRECTOR OF DEVELOPMENT AND EXTERNAL AFFAIRS

Management position Circa £65k

Central employs 140 staff, over 400 part-time visiting professionals and has just over 850 students studying degree courses from performance techniques and genres, to theatre production and design. About one third of students study acting; two thirds study courses that will enable them to work as lighting designers, stage managers, producers, drama therapists and teachers. Central is the national leader in its courses for Applied Theatre in Education, it is the home of Voice training and, in 2007 was designated as a Centre for Excellence in Training for Theatre by the Higher Education Funding Council for England. Central was ranked sixth in the 2009 UK National Student Survey for student satisfaction. You will find Central alumni all over the world - front of stage and back stage, in film, television, working in grass roots aid organisations in Africa and community centres in Edinburgh. They range from Laurence Olivier to Graham Norton, Michael Grandage (also Central's President) to the Controller of BBC Radio 7.

The Director will be responsible for all marketing, communications, fundraising and alumni relation activities. They will lead in the defining, distilling and projecting Central's distinctiveness to a range of stakeholders. In addition they will provide overall leadership and marketing direction to ensure that student recruitment targets are met.

Candidates will have significant experience of developing and implementing a robust marketing strategy against agreed targets and be able to demonstrate a flair for producing successful creative marketing campaigns.

To discuss the role in more detail, please contact Professor Gavin Henderson CBE, Principal/CEO on 020 7559 3904.

For further information and application details, please visit www.cssd.ac.uk/jobs

Closing date for receipt of application forms is **17 May 2013 at 5pm**. Interviews are scheduled to take place on **7 June 2013**.

Successful candidates will be expected to be available to commence employment as soon as reasonably possible.

The Royal Central School of Speech & Drama is dedicated to Equal Opportunities in employment and seeks to achieve diversity amongst its staff to reflect the community it serves.

The University of Edinburgh

UNIVERSITY OF EDINBURGH Business School

The University of Edinburgh is an exciting, vibrant, research led academic community offering opportunities to work with leading international academics whose visions are shaping tomorrow's world.

Inspire. Influence. Advance.

Director of MBA Programmes

As part of the extensive programme of investment in the School, we are seeking to appoint an outstanding Director to lead the development of our MBA and EMBA programmes. This is a newly created, full-time position and reflects our commitment to being in the top tier of teaching and research institutions with flagship MBA programmes to match.

With the enthusiastic support of the Dean, and the benefit of the University of Edinburgh's standing as a leading international centre of excellence located in a globally renowned city, you will develop pioneering programmes that are a byword for quality, creativity, and student satisfaction.

An outstanding record of programme delivery and development is essential, as is the ambition to break new ground in MBA and EMBA provision. In return, we offer you the opportunity to play a leading role in developing the School's profile at a time of change and growth, taking full advantage of Edinburgh's renowned academic, commercial, and cultural networks.

Salary will be negotiable depending on track record and experience.

To find out more, and to view the candidate brochure, please visit our website www.business-school.ed.ac.uk For a confidential discussion please contact Christopher Lake or Sabine Tilly at Sylogism by emailing: recruitment@sylogism.co.uk or calling 0203 417 6076.

Apply online, view further details or browse more jobs at our website. Closing date: 17:00 GMT on 20 May 2013.

Academic appointments in the Faculty of Health & Social Care

The Faculty delivers excellent practice-related curriculum, underpinned by leading edge research. As part of the faculty's commitment to a high quality student experience and research excellence, we are seeking to make two full-time appointments. You will possess strong academic leadership skills and will join a highly motivated team, committed to designing innovative and flexible distance learning material as well as producing high impact research in health.

Lecturer/Senior Lecturer – Health

£37,382 - £53,233 Ref No: 8891

Based in Milton Keynes

You will have a strong understanding of the evolving needs of the healthcare sector, as well as national policy and best practice. Your experience of working or teaching in the areas of health, health science, and health policy will reflect this.

Lecturer/Senior Lecturer – Mental Health

£37,382 - £53,233 Ref No: 8892

Based in Milton Keynes

You will have a strong understanding of the relationship between individual mental health and mental health care and policy. Your experience of working or teaching in the field of mental health, and your understanding of the needs of practitioners, service users and carers will reflect this.

For further information and how to apply go to www.open.ac.uk/employment, or email the Recruitment Co-ordinator on HSC-Recruitment@open.ac.uk quoting the reference number. Closing date: Midday on 16 May 2013. Interviews will take place in June 2013.

We promote diversity in employment and welcome applications from all sections of the community.

Lecturer/Senior Lecturer in Environmental Science

£30,424 - £45,941 Ref: 1328004

An ambitious university, UWE Bristol is committed to advancing knowledge, inspiring people and transforming futures.

In this role you will contribute to the department's teaching of the environmental sciences. You will have experience in lecturing/teaching the environmental sciences (especially in relation to energy from waste; carbon mitigation strategies; renewable energy and other energy technologies) and/or data analysis to HE undergraduate students, and a commitment to enhancing teaching quality and standards.

You will have an active research or professional practice profile in the environmental sciences which can contribute to the teaching and development of research programmes. Your responsibilities will include acting as an academic and personal tutor to students including the supervision of undergraduate and postgraduate project students, PhD students and research staff, and applying for external funding for research and knowledge exchange activities.

You will have a PhD in a related discipline.

Newly qualified applicants are encouraged to apply and will be offered appropriate support and mentoring

Closing date: 26th May 2013

UWE is committed to equality and values diversity; to work for an employer that regards the diversity of its staff as one of its greatest strengths, please visit:

**NORWICH
UNIVERSITY
OF THE ARTS**

Norwich University of the Arts (NUA) is a successful specialist university, offering high quality education at undergraduate and postgraduate levels. NUA is a dynamic, contemporary and creative provider of arts, design and media courses delivered from a unique campus in the heart of Norwich. Graduate employability and student satisfaction are key factors in our success and national profile.

You will join a team of academic staff working across the undergraduate and postgraduate provision at the University and will need to demonstrate excellent team working and organisational skills. Your strong understanding of the business, professional and contextual issues relevant to the curriculum area and your ability to provide effective learning will enhance student employability.

SENIOR LECTURER: ILLUSTRATION

£37,382 - £44,607 p.a.

Due to the success of BA (Hons) Illustration at NUA, we are expanding our team to include a full-time Senior Lecturer post whose duties involve acting as a year tutor and developing and delivering curriculum content across year groups. The successful candidate may also be involved in teaching at postgraduate level.

You will be able demonstrate a comprehensive understanding of contemporary illustration practice. Experience of digital content development including web-based media is desirable. An ability to help students locate and develop an independent approach to illustration is essential. You are expected to be able to demonstrate a working knowledge of the histories and theories that surround illustration to support students developing written projects. You will also have a good understanding of preparing students for roles in the creative industries.

The role requires a proactive approach to curriculum design, organisation, delivery and assessment together with significant experience with Higher Education and proven ability to contribute to the management of the course in collaboration with the Course Leader.

Closing date: 16th May 2013.

Interview date: 11th July 2013.

SENIOR LECTURER: FASHION

£37,382 - £44,607 p.a.

We are looking for a senior lecturer with a good understanding of our course ethos in bringing together high level tailoring skills with advanced creativity in design. You will have a strong understanding of contemporary and directional fashion design and be able to demonstrate significant professional experience and expertise in creative pattern cutting, professional garment construction and couture levels of craftsmanship and/or design.

The role includes acting as an undergraduate year tutor under the guidance of the Course Leader and taking an active role in the development and delivery of MA Fashion.

The successful candidate will demonstrate a proactive approach to curriculum design, organisation, delivery and assessment together with significant experience with Higher Education and proven ability to contribute to the management of the course in collaboration with the Course Leader.

Closing date: 16th May 2013.

Interview date: 14th June 2013.

LECTURER: GRAPHICS

£30,424 - £36,298 p.a.

We are seeking to appoint a full-time Lecturer in Graphics to contribute to the delivery and development of the BA (Hons) Graphic Design, BA (Hons) Graphic Communication and MA Communication Design programmes.

You will have proven strengths in contemporary graphic design practice and an understanding of digital content and its applications. Relevant professional experience and an awareness of strategies to enhance student learning through industry-related projects is essential together with the ability to clearly communicate the relationship between studio practice and its contexts.

The successful candidate will have an understanding of delivering and developing innovative learning and teaching strategies at degree level, together with skills in team-working and organisation and a commitment to promoting student employability.

Closing date: 16th May 2013.

Interview date: 18th June 2013.

Application packs and further details for the above posts are available at www.nua.ac.uk/jobs email jobs@nua.ac.uk or telephone 01603 756243.

Committed to equality and valuing diversity

SCHOOL OF SPORT, PERFORMING ARTS AND LEISURE

Following the recent opening of the Performance Hub at the University's Walsall Campus, Dance, Drama and Music now boast some of the most impressive facilities in the UK. Applications are now invited to work in this dynamic and empowering team to support teaching and research. You should be thoroughly conversant with current trends and approaches in the subject areas, demonstrate good interpersonal skills, and be committed to a student-centred approach to learning and teaching.

Lecturer/Senior Lecturer in Musical Theatre

£32,267 to £45,941 pa

With a background in Musical Theatre you will have taught at undergraduate level, and will have a PhD in a relevant area of research. Drawing on your practical experience in the discipline, you will be expected to work across the performing arts. Expertise in Dance in relation to Musical Theatre would be an advantage.

POSITION OPENINGS

www.kustar.ac.ae

Khalifa University of Science, Technology, and Research (www.kustar.ac.ae) is a new, U.S. style coeducational institution sponsored by the Abu Dhabi government in the United Arab Emirates. Due to Khalifa University's continuing growth, The University is now hiring for the following academic positions:

DIRECTOR, STRATEGIC PLANNING AND ACADEMIC DEVELOPMENT

The successful candidate will be responsible for representing the Provost in Academic Affairs strategic planning through collaboration with Deans and academic program leaders. The Director provides guidance and coordination with academic leadership in design and development of new academic programs and enhancement of existing academic programs, as well as oversight of budget associated with these programs. A Ph.D. in relevant field from an accredited institution is required.

AEROSPACE ENGINEERING FACULTY

The Department of Aerospace Engineering is seeking candidates for four faculty positions: the desired research areas for these positions are 1) computational mechanics of composite aerospace materials, 2) experimental aerofluids, 3) space dynamics and control, and 4) flight mechanics/design. A Ph.D. in Aerospace Engineering or a closely related field is required. The appointments could be at the Assistant, Associate, or Full Professor level, commensurate with qualifications.

ASSISTANT PROFESSOR (ENGINEERING DESIGN)

The successful candidate will be involved in developing and teaching courses that expose freshman engineering students to the breadth of engineering disciplines, and introduce them to the fundamentals of design thinking and the design process. A Ph.D. in Engineering is required. A Ph.D. in Engineering Education is most desirable.

ASSISTANT PROFESSOR (INNOVATION AND ENTREPRENEURSHIP)

The successful candidate will be involved in developing curriculum and teaching courses that introduce students to the principles and practices of innovation and entrepreneurship in engineering design, as well as the techniques that managers use to manage innovation effectively. A Ph.D. in Engineering is required.

CAPSTONE DESIGN PROJECT SUPERVISOR

The successful candidate will work with faculty from the various engineering departments and with final year engineering students to coordinate and monitor progress on capstone design projects. A minimum Master qualification in any engineering discipline and 2 years of industrial experience are required. Experience in project management is desirable.

COMPENSATION

Khalifa University offers an attractive compensation and benefits package, commensurate with the successful candidate's background and experience.

THE APPLICATION PROCESS

The Search Committee will begin reviewing candidates immediately and will continue until the position is filled. For complete position descriptions and to apply online, please visit:

<https://khalifauniversity.peopleadmin.com/>

School of Geography, Politics and Sociology

Lecturer/Senior Lecturer in Sociology

Applications are invited for two posts in Sociology. For the first post (Lecturer), applications are welcome from candidates with a PhD in Sociology (or Social Anthropology). You must show outstanding research potential in any area of Sociology and have a record of publication commensurate with your career stage. You will be expected to make a substantial contribution to Sociology's undergraduate and postgraduate teaching programmes. For the second post (Lecturer/Senior Lecturer), applications are welcome from candidates with an excellent record of published research in any area of Sociology. You should have particular expertise in teaching quantitative and qualitative research methods. Successful applicants for both posts will be expected to participate in the supervision of research postgraduates and to make a strong contribution to one of Newcastle Sociology's three research clusters: Social Transformations, Health and Life Sciences, and Identities.

Job reference: B588A (Post 1)
B587A (Post 2)

Closing date: 10 May 2013.

Lecturer in International Political Economy

You will join a Politics unit that is committed to achieving excellence in research and teaching as demonstrated by our very strong performance in the 2008 RAE and our outstanding NSS scores. Applications are welcome from candidates with an excellent record of published research or outstanding research potential in any area of International Political Economy. You will be expected to contribute to the teaching of undergraduate programmes, will be required to lead our Masters programme in Globalisation, Poverty and Development and will participate in the supervision of research postgraduates.

SCHOOL OF LANGUAGE AND
COMMUNICATION STUDIES

Lecturer in Japanese Language

£30,424 to £36,298 per annum • Ref: ATS587

Applications are invited for this new post designed to further strengthen the existing Japanese Sector.

The School of Language and Communication Studies wishes to appoint a Lecturer in Japanese language for an indefinite term. You will be expected to play a full role in the School, including carrying a formal administrative role, advising students, and undertaking enterprise and engagement work. You will be teaching degree level Japanese language and culture to beginner, intermediate, and advanced students, and contribute to fostering exchange programmes with Japanese Universities.

This full-time indefinite post is available from 1 September 2013.

Closing date: 12 noon on 23 May 2013.

Further particulars and an application form are available on our website: www.uea.ac.uk/hr/jobs/ or Tel. 01603 593493.

Pursue your **Ambitions**

Department of **Engineering**

At Leicester, we're going places. Ranked in the top 20 universities in Britain, our aim is to climb further. A commitment to high quality combined with an inclusive academic culture is our hallmark; we are "elite without being elitist".

We wish to appoint two Chairs or Readers to join our lively Department of Engineering, which has an international outlook and recognised strengths in research and teaching.

You will have an outstanding academic record including an excellent publication record and a reputation for attracting funding to support your research. You will be expected to provide strong leadership to deliver our ambitious research plans.

Chair or Reader in **Electrical Engineering (Supergrids/Smartgrids)**

Ref: **SEN00342**

A strong preference will be given to candidates with research strengths in Supergrids and/or Smartgrids but other specialisms will be considered.

The closing date for this post is midnight on **28 May 2013**.

Visits to the Department are expected to take place on **24 June 2013**.

Formal interviews are expected to take place on **25 June 2013**.

Chair or Reader in **Neuroengineering/BioSignal Processing**

Ref: **SEN00339**

A strong preference will be given to candidates with research strengths in the analysis, recording or modelling of biological signals, particularly those related to neural activity, but other specialisations will be considered.

The closing date for this post is midnight on **20 May 2013**.

Interviews and visits to the Department are expected to take place on **28 June 2013**.

**2012 Business
School of the Year
WINNER**

ULSTER BUSINESS SCHOOL

With over 6000 full- and part-time students and approximately 140 academic staff, the Ulster Business School is one of the largest business schools in Britain and Ireland. An innovative and dynamic School that has recently become a member of the Harvard Business School's Micro Economics of Competitiveness Affiliate Network, it is committed to realising the University's vision of "leading in the provision of professional education for professional life". A wide range of high quality taught programmes is offered at undergraduate and postgraduate levels. An extensive range of executive education and PhD programmes is also offered. The School has underpinned its academic activities by establishing strong partnerships with relevant professional bodies. With a very strong regional presence, and as a major contributor to the development of the Northern Ireland economy, a recent independent review has confirmed the School's position as Northern Ireland's leading business school.

The University is now making a major investment in the future of teaching and research in the School through a range of appointments at Lecturer level.

Lecturer in Accounting

Ref: 1328351/E

Base: Jordanstown

The post is based in the Department of Accounting, Finance and Economics which offers a wide range of undergraduate and postgraduate courses in accounting, finance and economics and research in these areas has both an applied and policy orientated focus. Whilst applicants with demonstrable expertise in any of the main areas of accounting are encouraged to apply, preference may be given to those with expertise in one or more of: financial accounting, management accounting or business finance. Preference may also be given to applicants with research outputs eligible for inclusion in REF 2014, possibly as an early career researcher.

Lecturer in Finance

Ref: 1328340/E

Base: Jordanstown

Also based in the Department of Accounting, Finance and Economics, the postholder will teach finance related subjects, at both undergraduate and postgraduate levels, as well as contributing to research and academic enterprise activity. Whilst applicants with expertise in any of the main areas of finance are invited to apply, preference may be given to those with interests in one or more of: corporate finance and governance, financial markets or derivatives. Preference may also be given to applicants with research outputs eligible for inclusion in REF 2014, possibly as an early career researcher.

Lecturer in Business Enterprise

Ref: 1328370/E

Base: Coleraine

The post is based in the Department of Business and Enterprise which offers a range of courses at undergraduate and postgraduate levels combining the core areas of business studies with a number of specialist subjects including business enterprise. The Department is actively engaged with local, national and international businesses which helps to inform course design and the development of its research agenda. The Department has strong research expertise in various areas including business enterprise and retailing, small business and entrepreneurship and e-business. The postholder will play an important role in securing the success of students in the area of business enterprise by contributing to the teaching, research and academic enterprise activities of the Department. Preference may be given to applicants with research outputs eligible for inclusion in REF 2014, possibly as an early career researcher.

Lecturer in Travel and Tourism Management

Ref: 1328376/E

Base: Coleraine

The post is based in the Department of Hospitality and Tourism Management which is a leader in its field and is in the top two UK Universities for Travel, Transport and Tourism (The Guardian University Guide, 2012). The Department is located on both the Belfast and Coleraine campuses. At the Coleraine campus, where the post is located, the Department specialises in travel, tourism, leisure and events management. The postholder will engage in teaching, at both undergraduate

and postgraduate levels, and will contribute to the research, academic enterprise and administrative activities of the Department. The postholder must have expert knowledge of current topics and trends in tourism and travel in both applied and theoretical contexts. Preference may be given to applicants with research outputs eligible for inclusion in REF 2014, possibly as an early career researcher.

Lecturer in Hospitality Management (Marketing)

Ref: 1328374/E

Base: Belfast

Also based in the Department of Hospitality and Tourism Management, the post will be located on the Belfast campus which specialises in hospitality and culinary arts. The postholder will enhance the existing team by bringing expertise in both hospitality and marketing. S/he will engage in teaching, at both undergraduate and postgraduate levels, and will contribute to the research, academic enterprise and administrative activities of the Department. The postholder must have knowledge of current topics and trends in hospitality management in both applied and theoretical contexts. Preference may be given to those candidates who can demonstrate expertise in hospitality marketing and to applicants with research outputs eligible for inclusion in REF 2014, possibly as an early career researcher.

Lecturer in Marketing

Ref: 1328385/E

Base: Magee

The post is based in the Department of International Business which provides a wide range of undergraduate and postgraduate programmes, has a strong research base and extensive international links. The Department is a major contributor to the University's North West Development Plan. The postholder will contribute to the teaching, research, academic enterprise and administrative activities of the Department. Whilst applicants with demonstrable knowledge and expertise in any of the principal areas of marketing are encouraged to apply preference may be given to those with expertise in one or more of: consumer behaviour, advertising, marketing communications, and/or SME development. Preference may also be given to applicants with research outputs eligible for inclusion in REF 2014, possibly as an early career researcher.

Lecturer in Organisational Behaviour

Ref: 1328394/E

Base: Jordanstown

The post is based in the Department of Management and Leadership which has a well-established research profile and focuses on three broad specialisms: operations management, organisational behaviour and human resource management. The postholder will contribute to teaching, at both undergraduate and postgraduate levels, as well as contributing to research and academic enterprise activity. The postholder must have previous experience of teaching organisational behaviour and/or management modules at university level. Preference may be given to applicants with research outputs eligible for inclusion in REF 2014, possibly as an early career researcher.

The salary scale for posts at the level of Lecturer is £32,285 to £45,967

All posts are available from 1 September 2013 or as soon possible thereafter.

The closing date for the receipt of applications is 24 May 2013.

We prefer to issue and receive applications via our on-line recruitment website at www.ulster.ac.uk/jobs

Hard copy applications can be obtained by telephoning **028 7012 4072**

The University is an equal opportunities employer and welcomes applicants from all sections of the community, particularly from those with disabilities. Appointment will be made on merit.

West Suffolk College is a rural Further and Higher Education College and our primary purpose is to provide excellent education and training, developing skills that contribute to the success of the individual and the economy.

Programme Leader BA (Hons)/ FdA in Business Management

Up to £35,859 Full Time

You will provide high quality teaching and learning across most levels of Business, predominantly at HE degree level and level 3. You will lead and co-ordinate the BA (Hons) suite of Business Management pathways, liaising with University Campus Suffolk (UCS) partner organisations. As a highly motivated team player you will collaborate with colleagues on course development and curriculum planning.

You will hold a good first degree in Business Management or related topic as well as a Masters or MBA. With strong experience in delivery and course management of HE programmes you will be able to demonstrate teaching experience in principles and functions of management and strategic and human resources management; with experience of delivering international management and economics being advantageous.

Lecturer in Engineering and Mathematics

up to £35,859 Full time

You will teach and assess on a range of Engineering/Mathematics programmes at Level 3 and above as well as Services to Business short courses. A central focus for the engineering topics will be electrical, electronic and mechanical.

You will have sound knowledge and industrial experience within an Engineering field and a relevant higher level professional qualification. A teaching qualification and experience of AS level Mathematics would be advantageous.

Programme Leader BA (Hons) in Music Production

Up to £35,859 pro-rata Part Time (17.5 hpw)

You will lead and co-ordinate the BA Hons in Music Production programme liaising with University Campus Suffolk (UCS) partner organisations.

With experience of higher education teaching, you will have a degree or equivalent in Music Technology, audio engineering, music performance or related discipline. You will also have experience of working as a professional musician within recording studio environments and live settings.

Closing date for above posts: 9 May 2013.

Lecturer in Philosophy

Faculty of Arts

£30,424 - £44,607, Ref: 8920

Available immediately

Based in Milton Keynes

We are seeking to recruit a colleague to join our team of academics within the Department of Philosophy.

You will have a good honours degree in Philosophy or a related subject and a record of published research or evidence of forthcoming publications in one of the following areas: History of Philosophy (from the Middle Ages to the 19th century inclusive); Philosophy of the Social Sciences; Continental Philosophy; Feminist Philosophy.

You will be expected to contribute to the undergraduate and postgraduate teaching of the Department, supporting teams responsible for the presentation, assessment and quality assurance of our modules.

The Faculty has a strong commitment to collective working in teaching and research and we encourage applications from those who want to work in such a culture.

For detailed information and how to apply go to www.open.ac.uk/employment, call Donna Elstob on 01908 653370 (24 hour answer phone) or email Arts-recruit@open.ac.uk quoting the reference number. Closing date: noon on 16 May 2013. Interviews will be held on 17 June 2013.

We promote diversity in employment and welcome applications from all sections of the community.

Vice Chancellor's Office

Clerk to Council

Location: Highfield Campus

Salary: £35,244 to £44,607

Full Time Permanent

Closing Date: Thursday 09 May 2013

Interview Date: Thursday 16 May 2013

Reference: 227413PK

The University of Southampton is looking to appoint a Clerk to Council. You will have the skills and experience to provide outstanding support to Council and its committees. Working closely with the Chair of Council, the Vice-Chancellor, the Registrar and other staff across the University, you will ensure the University's governance framework operates effectively in support of the University's ambitious strategy.

You will lead a team which supports the Council and the University Executive Group.

You will be educated to degree level (or relevant professional qualification) and have excellent communication, analytical and influencing skills with an interest and ability in continuous improvement of processes. Knowledge of the governance procedures and experience of corporate governance are essential.

The closing date for this post is Thursday 09 May 2013. Interviews are expected to be held on Thursday 16 May 2013. Please apply online through www.jobs.soton.ac.uk or alternatively telephone 023 8059 2421 for an application form. Please quote vacancy reference number 227413PK on all correspondence.

At the University of Southampton we promote equality and value diversity.

School of Nursing and MidwiferyTechnology Supported
Learning Officer

2 Year Fixed Term

Post Ref: ALC13/12

Starting Salary: Grade 7 £30,424 or Grade 8 £38,522 (dependent on qualifications and experience)

This is an exciting opportunity to join our Nursing & Midwifery team who are highly dedicated and are committed to delivering cutting edge education in partnership with students and our NHS partners. The team has a range of talents in research, education and clinical specialities. This post is to support our innovative learning and teaching strategy. We are looking to recruit an enthusiastic and inspiring technologist. In particular, we are looking for someone working at a senior level with a creative flair and advanced technology skills to join our team within the School of Nursing and Midwifery. The focus of this newly created role is to promote pedagogic innovation throughout our Curriculum. The role will combine technical understanding, software development and the dissemination of technological enhancements both within the curriculum and through collaboration with academic colleagues. Experience of working within a Healthcare or Higher Education setting would be advantageous but not essential.

For further information about this post, please contact: Pauline Walsh, Head of School, email: p.n.walsh@nur.keele.ac.uk or telephone: 01782 679608.

We currently have the following vacancy:

Academic Registry

Student Centre Manager

£54,488 - £60,194 pa

This is an exciting opportunity for a highly motivated, enthusiastic and talented individual to join a university where the student experience forms the core of our values.

The Student Centre is an efficient and accessible one stop shop where our UK and international students can get specialist help, advice and guidance about applying, registering, arranging accommodation, sorting out finances and managing life and study at the university.

You will fill a key managerial post within the Student Centre which is part of the Academic Registry. You will be supported by a number of Section Heads who are responsible for the operational management of their areas. Within the Registry a collaborative approach to management is taken and you would be expected to deal with issues requiring immediate attention in the absence of peers.

You will have strong leadership, management and communication expertise and an impressive record in customer service, change management and operational excellence.

The interview day will include a presentation, an interpersonal skills exercise and a formal panel interview.

Informal enquiries to the Student Centre Manager, Sharon Harrison-Barker, Tel: 01707 281092, Email: s.harrison-barker@herts.ac.uk

Closing date: 6 May 2013
Interview date: 31 May 2013

Ref: 011338TH

The University offers a range of benefits including a final salary pension scheme, professional development, family friendly policies, child care vouchers, waiving of course fees for the children of staff at UH, discounted memberships at the Hertfordshire Sports Village and generous annual leave.

Under current UKBA regulations, the University is only able to support a very limited number of work permit applications. Please indicate on your application if you have the right to work in the UK (and the basis for this) or if you will need a Work Permit.
