Lancaster University

Faculty:
Science and Technology

Closing date:
16 October 2014

Reference:
A1068

Dean of the Faculty

The role of Dean offers an excellent opportunity to lead a distinctive area of excellence and play a key role in enhancing Science and Technology at Lancaster.

The major duties of the post are:

With an internationally distinguished record of academic achievement, you will work with colleagues across a range of functions to encourage excellence in teaching, research and engagement and promote the faculty both nationally and internationally. The faculty's strategic plan focuses on: Education, Internationalisation, Research, National and International Enterprise, Engagement and Impact, Postgraduates, Employability and Marketing. You will apply your excellent interpersonal and ambassadorial skills to manage and develop these areas, as well as being encouraged to continue some personal academic activities. The development of the Faculty as a structure that facilitates departmental aspirations and centrally plays into the vision of the University is crucial.

The role of Dean is offered for an initial five year period overlying an indefinite academic appointment.

If you are interested

UNIVERSITY OF
LIVERPOOL

Vice-Chancellor's Office

Pro-Vice-Chancellor for Education

Salary Negotiable

The University of Liverpool – ranked in the top 1 percent of universities worldwide – wishes to appoint a leading academic to develop and implement a sector-influencing, research-led Learning and Teaching strategy.

Our new PVC for Education will join a talented team led by the University's new Vice-Chancellor, Professor Janet Beer.

This is a key role. The PVC will help to set the academic direction of the University as well as have responsibility for the Institution's quality and academic standards, work closely with the student body through its Guild of Students, and ensure that our curriculum is transformational and promotes citizenship, employability, enterprise and inclusion.

As a research-intensive Russell Group university we are planning to achieve growth in quality and scale across five areas: enhancing the student experience; improving research performance; positioning ourselves as a global university; driving knowledge exchange and innovation; and continuing to widen participation.

Liverpool is an ambitious and spirited institution and a rewarding place to work and study.

Informal interviews will be held on 11 November 2014
with formal interviews on 19 November 2014

To arrange an informal discussion about the role with Patrick Hackett, Deputy Vice-Chancellor, please call Rebecca Reason on +44 (0) 151 794 2017, or email: rebecca.reason@liverpool.ac.uk

Director of Undergraduate Admissions and Outreach

Salary: Competitive

The University of Oxford seeks a new Director to lead the work of its Undergraduate Admissions and Outreach Office, and to provide advice and guidance on strategy and policy in this area. We are looking for an outstanding individual with strong management and communications skills, who can help shape the future development of one of the key areas of Oxford's work, and speak for Oxford to external audiences of all kinds.

You are likely to have extensive relevant experience of higher education, with an outstanding record of organisational and resource management, excellent interpersonal skills and the ability to work successfully with academic colleagues and senior officers in shaping policy and strategy. Strong communication, management and leadership skills are essential, as well as experience in applying IT-based solutions to admissions and recruitment work. This full-time post offers an excellent opportunity to be able to contribute to the development of one of the world's leading teaching and research universities. For details go to: www.ox.ac.uk/jobs and search for Vacancy ID 115018.

Closing date: 12.00 noon on 29 September 2014.

Please upload a CV and supporting statement as part of your online application.

THE UNIVERSITY
of ADELAIDE

CRICOS Provider Number 00123M

Faculty of Health Sciences (Ref:492491)

Dean & Head of School of Dentistry

The School of Dentistry at the University of Adelaide has a long and distinguished history. For over 90 years we have built an international reputation for the quality of our research and produced dentistry graduates ready to make an impact on the world. With committed investment in our staff and new state-of-the-art infrastructure soon to be completed, the School now seeks an exceptional individual to provide leadership in the next stage of its development.

Motivated by the opportunity to shape a contemporary, outstanding School of Dentistry, the Dean will bring a vision to shape a long-term strategy that will enhance and expand the School's reputation as a local, national and international partner of choice. With an understanding and proven track record in dental education and research, and the associated complex stakeholder environment, the Dean will bring significant leadership and management experience to the role. The Dean will oversee the development of an innovative portfolio of programs and the continued delivery of world-class clinical, dental and oral health research. Registrable as a Dentist in South Australia, the Dean will also have substantial involvement with the new state-of-the-art University Dental Clinic currently being built in the heart of Adelaide.

To learn more about the University and this unique leadership role, please contact our advising consultant, Alun Parry, at Crown & Marks on +61 2 9225 7400 or aparry@crowmarks.com

DEAN OF THE FACULTY OF SCIENCE

The University of Portsmouth is one of the UK's leading modern universities, with a strong reputation for teaching excellence and staff and student satisfaction, alongside internationally recognised research strengths. Situated at the heart of a historic city on a vibrant waterfront, the University contributes significantly to the regeneration of the city, raising aspirations and encouraging future generations to consider university education.

Following the appointment of Professor Paul Hayes as Pro Vice-Chancellor, this is an exciting opportunity for a new Dean to lead the Faculty of Science and to join the University Executive Board, led by the new Vice-Chancellor, Professor Graham Galbraith, to deliver the University's ambitious strategy.

The Faculty comprises the departments of Geography, Sport and Exercise Science and Psychology, the schools of Biological Sciences, Earth and Environmental Sciences, Health Sciences and Social Work and Pharmacy and Biomedical Sciences, along with the Dental Academy and the cross-departmental Institute for Biomedical and Biomolecular Science. The Faculty is proud of the quality of its taught programmes, which are underpinned by an excellent and expanding research base and by advanced professional practice. Research delivered by staff from within the Faculty has been submitted to REF 2014 under eight Units of Assessment. The Faculty has strong partnerships with the local NHS and employers more generally and hosts University networks on the Environment and Ageing.

Energetic and driven, the Dean will be highly regarded in a relevant discipline with a sound understanding of the higher education sector. A natural leader with a track record of successful delivery in a senior role, they will articulate a clear and inspiring vision for the development of the Faculty, and be able to build vibrant internal and external networks to further build on its success.

Salary will be commensurate with the senior responsibilities of the role. For further information including how to apply, please visit www.minervasearch.com/portsmouth. The closing date for applications is Friday 10 October 2014.

GOVERNMENT OF BERMUDA
The Cabinet Office
Department of Human Resources
Ministry of Education & Economic Development

COMMISSIONER OF EDUCATION
PS44 \$157,497 (=US\$ equivalent)
Department of Education
Job Number: DHR00505 (170001)

Under the direction of the Permanent Secretary of the Ministry of Education, the Commissioner of Education is accountable for the administrative and instructional leadership and transformation of the Department of Education; including all public schools for the purposes of ongoing student achievement and improved student outcomes. The Commissioner of Education ensures the effective provision of academic, human resources and fiscal leadership through the implementation of innovative and high quality educational programmes, services and activities for principals, teachers and students that support the mission of teaching and learning in the public education system. These programmes, services and activities include curriculum development and support, assessment, special education, school improvement, leaderships and professional development, and accountability for meeting educational and other performance standards. In addition, the Commissioner of Education provides professional support to the Minister and Permanent Secretary of Education, to enable them to discharge their duties and responsibilities in respect to leading and managing the educational priorities of Government in an efficient and effective manner. The Commissioner of Education also prepares materials for the Board of Education and the Boards of Governors of schools on curriculum for schools; undertakes financial and human resources leadership; performs public relations and advisory duties within the Department; and liaises with the Board of Governors of schools and facilitates communication and cooperation among them, and between them and the Department.

The post-holder must possess a Masters Degree or equivalent in Educational Administration together with a professional qualification in an education discipline. The post-holder must be registered with the Bermuda Educators Council or be eligible to be registered. The post-holder must possess a minimum of fifteen years relevant experience including ten years at a senior management level or equivalent experience is required for the post.

This position is being offered on a three-year term contract. Qualified persons wishing to be considered for the post may apply online at www.govtcareers.gov.bm by the closing date of **8th October 2014**.

**THE GLASGOW
SCHOOL OF ART**

Senior Project Manager – Estate Redevelopment

Salary circa £50,000 per annum

The new post of Senior Project Manager – Estate Redevelopment, is being introduced to lead the formulation, implementation and management of the Estate Strategy on behalf of The Glasgow School of Art.

As Senior Project Manager – Estate Redevelopment, you will:

- Oversee the continued redevelopment of The Glasgow School of Art's Garnethill Campus;
- Lead the exploration of estate needs and opportunities, develop proposals for corporate approval and implement the agreed strategy on a phase-by-phase basis;
- Ensure that agreed estate plans meet the School's future needs and aspirations and that implementation is delivered on time and within budget.

Closing date for completed applications: 13 October 2014.

University of
St Mark & St John
Plymouth

www.marjon.ac.uk

Plymouth

Britain's Ocean City

With its 175 year heritage and outstanding reputation for learning and teaching in distinctive subject areas, the University of St Mark & St John is investing in a major new growth strategy to develop its identity, portfolio, culture and impact.

The University's outstanding campus is located in the waterfront city of Plymouth on the stunning coast of south Devon, bordering Cornwall and next to Dartmoor National Park.

Investment in our staff is designed to deliver our ambitious strategy and we are looking for exceptional leaders and academics who are skilled communicators committed to the growth and development of the University.

Dean of the Faculty of Culture and Language Sciences

This new faculty combines existing strengths in language, literature and linguistics, including a well-regarded BSc in Speech and Language Therapy in partnership with the NHS, with programmes in acting, journalism, media and sound production.

The Dean is responsible for the strategic growth of these existing areas together with the development of new provision in tourism and events management within a Faculty that offers programmes at undergraduate and postgraduate levels together with growing research provision. As a member of the University's Senior Management Team the Faculty Dean will also engage in additional areas of cross-university responsibility.

Interview date: Thursday 6th November 2014

Senior Lecturer/Lecturer in Speech & Language Therapy

Salary: £31,342- £45,954

The successful candidate will be an experienced speech and language therapist (SLT) with experience of working in Higher Education. S/he will contribute to teaching in the area of adult acquired communication disorders and will develop research to inform their teaching.

Senior Lecturer/Lecturer in Sports Therapy & Rehabilitation (2 Posts)

Salary: £31,342- £45,954

The successful candidates will teach modules in sports therapy and rehabilitation at undergraduate level, develop postgraduate teaching and research and practice-based sports therapy and rehabilitation support for a range of clients and elite athletes.

Closing date for all roles: Friday 17th October (noon)

For an informal discussion about these opportunities, please contact Human Resources to arrange.

CELEBRATING
175
YEARS

School of Electronics, Electrical Engineering and Computer Science

The School of Electronics, Electrical Engineering and Computer Science (www.qub.ac.uk/school/eeecs) has an international reputation due to its far reaching research activities and many successes at both undergraduate and postgraduate level. With over 50 academic staff and over 1000 undergraduates, the School of Electronics, Electrical Engineering and Computer Science is accomplished in both research and teaching.

Spanning seven research clusters, the School's research-led ethos is evidenced by its creation and development of a number of major interdisciplinary research centres, including the Institute of Electronics, Communication and Information Technology (ECIT www.ecit.qub.ac.uk), a £40m world-class centre for research, incorporating the £30m UK Innovation Knowledge Centre for Secure Information Technologies (CSIT www.csit.qub.ac.uk).

Applications are now sought for the following positions from outstanding individuals with the desire and potential to contribute to the further development of the School:

Professor of Image and Vision Systems

Ref: 14/103508

This role will be required to provide strong leadership and create impact through research, teaching and industrial collaboration, and to grow the Cluster's research programme in IVS. We particularly encourage applications from researchers working in video surveillance, video analytics, video search and retrieval and biometrics.

Informal enquiries may be directed to Professor Ji Ming, email: j.ming@qub.ac.uk or telephone: +44 (0) 28 9097 1705.

Lecturer, Senior Lecturer, Reader

Ref: 14/103506

A number of posts are available in the areas of High Performance and Distributed Computing (HPDC), and Knowledge and Data Engineering (KDE). We particularly encourage applications from researchers working in the following areas.

- HPDC: cloud computing; parallel programming languages and systems; and foundations of parallel and distributed computation.
- KDE: Machine Learning/Data Mining (big data), and/or with applications in social networks, large-scale sensor networks, autonomous systems, anomaly detection, public health/connected health, and business intelligence.

Doctoral Fellow

Ref: 14/103507

This newly created, two-year post aims to provide a career development opportunity for applicants who are at a relatively early stage of their academic career but who have demonstrated the potential to generate high quality research. The expectation is that the Fellows will undertake research that will lead to high quality publications during their tenure and contribute to the teaching duties within the School.

Applications are welcomed from any discipline aligned with the School's Knowledge and Data Engineering (KDE), High Performance and Distributed Computing (HPDC), Secure Digital Systems (SDS) and Speech, Image and Vision Systems (SIVS) Research Clusters; preference will be given to applicants who can contribute to the teaching of Computer Science.

Informal enquiries for the Lecturer/Senior Lecturer/Reader/Doctoral Fellow posts may be directed to Professor D Crookes, email: d.crookes@qub.ac.uk or telephone: +44 (0)28 9097 1724.

Please see <http://www.qub.ac.uk/schools/eeecs/> for further information.

The University is a diverse and international institution which is strongly committed to equality of opportunity and to section on merit. It therefore welcomes applications from all sections of society and particularly welcomes applications from women as females are underrepresented in these areas.

FACULTY OF EDUCATION, HEALTH AND WELLBEING

The University of Wolverhampton is the University of Opportunity. Formation of our new, vibrant multidisciplinary Faculty of Education Health and Wellbeing, offers the opportunity to build on success and invest significantly in the leadership of our dynamic community. Our strategy is ambitious we are committed to growing high quality education and research that informs and working with our expanding network of partners locally, nationally and internationally. To share in our ambition we are seeking candidates for the following Professorial and Principal Lecturer appointments.

For all Professorial appointments, applicants should have a track record of internationally recognised publications and impact and demonstrate recent success in securing external project funding. They will be team players and have demonstrated previous ability to lead, motivate, inspire and to develop others.

Professor in Genomics and Physical Activity

£57,758 - £65,154 pa

You will help to develop research in different aspects of genomics according to your previous research background. You will have the opportunity to make your mark and grow this field of research and its infrastructure. With potential to work with our network of partner organisations in health and sport. A start-up package may be available subject to negotiation. **Ref A6334**

Professor of Psychology

£57,758 - £65,154 pa

The areas of psychology that we are broadly interested in appointing from are: Developmental Psychology, the Psychology of Learning and Educational Psychology. However, other research profiles, which fit our portfolio, will certainly be considered (please refer to our web page <http://www.wlv.ac.uk/default.aspx?page=22955> for further details). **Ref A6335**

Professor of Education (2 posts)

£57,758 - £65,154 pa

The faculty has an extensive network of partner schools and colleges, offering exciting opportunities for applied and integrated research. We are broadly interested in colleagues with expertise in one or more of the following: applied/practitioner research, lifelong learning, professional/teacher development, pedagogy, social justice/inclusion, and/or early years. We currently have two research centres within the Institute of Education. **Ref A6336**

Candidates will be expected to develop coherent plans for future research and contribute to doctoral programmes.

For an informal discussion about the Professor posts, please contact Professor Linda Lang, Dean of Faculty or Karen Bill, Associate Dean of Research and Enterprise, telephone 01902 518623 or 323211.

For the following Principal Lecturer appointments, applicants will be expected to make significant contribution to the provision of high quality teaching, research and income generation and have an excellent track record of teaching and are committed to enhancing the student experience and contributing to the performance and development of the wider faculty. You will ideally have a record of research and/or publication (or the capacity to achieve this) and hold a minimum of a Master's level qualification and possess or be working towards/willing to undertake a doctorate qualification.

Head of Childhood & Family Studies

£48,743 – £56,482 pa

The Head of Childhood and Family Studies subject area will provide strategic leadership and management of the Children and Families academic team and curriculum. You will manage approximately 10 staff and will have a strong commitment to developing children and families awards and continual professional development programmes. The team is highly motivated and has developed an excellent reputation and has achieved 100% NSS student satisfaction in some areas. The team is innovative and has recently developed a new undergraduate and graduate Early Years Initial Teacher Training programme to commence September 2014. **Ref A6435**

Head of Education Partnerships

£48,743 – £56,482 pa

The Head of Education Partnerships will work in conjunction with other colleagues to secure, nurture and grow relationships with both primary and secondary schools in order to provide placement opportunities for trainee teachers. You will have good negotiation skills and interpersonal relationships, which will facilitate important partnerships with external agents. **Ref A6436**

For an informal discussion about the Principal Lecturer posts, please contact Dr Jill Williams, telephone 01902 518820 or email J.Williams4@wlv.ac.uk

Closing date for all posts: 16 October 2014.

For more information about these posts and to apply online, go to our website www.wlv.ac.uk/jobs

Shape our Research Strategy @SPRU

Founded in 1966 by Christopher Freeman, SPRU (Science Policy Research Unit), part of the School of Business, Management and Economics (BMEc) at the University of Sussex, was one of the first interdisciplinary research centres in the field of science and technology policy and management. Today, with over 50 faculty members, SPRU remains at the forefront of new ideas, problem-orientated research, inspiring teaching, and creative, high impact engagement with decision makers across government, business and civil society. Our research addresses pressing global policy agendas, including the future of industrial policy, inclusive economic growth, the politics of scientific expertise, energy policy, security issues, entrepreneurship, and pathways to a more sustainable future.

As SPRU looks ahead to its 50th anniversary in 2016, it is embarking on an ambitious, new research strategy, focused on long-term transformative change and innovation. As part of this strategy, we are looking for a number of dynamic, innovative and highly respected academic leaders to join our team and to help shape the next stage of SPRU's development. Within energy, the new Professorship will also lead the influential Sussex Energy Group within SPRU, which boasts over 20 researchers and 14 doctoral students, focused on policy analysis and social-technical transitions to a low-carbon future.

SPRU Leadership positions are offered in the following areas:

- **Professor of Sustainability Transitions** (Ref: 742)
- **Professor of Innovation and Evolutionary Economics** (Ref: 743)
- **Professor of Energy Policy** (Ref: 744)

In addition, the Research Centre on Innovation and Energy Demand (CIED), led by the Sussex Energy Group at SPRU, is seeking to appoint in the following positions:

- **Senior Research Fellow in Innovation and Energy Demand** (Ref: 745)
- **Research Fellow in Innovation and Energy Demand** (Ref: 746)

(Both fixed term initially for 3.5 years)

Informal enquiries can be directed to SPRU's Director, Professor Johan Schot (email: j.w.schot@sussex.ac.uk).

For enquiries related to the Energy Research Fellow position, please contact, Dr Steve Sorrell, Director of CIED, SPRU (email: s.r.sorrell@sussex.ac.uk).

Closing date: 3 November 2014

FACULTY OF ARTS

Our coat of arms carries the motto 'Innovation and opportunity' – something which is as true today as all those years ago when we were established in the mid-1800s. Our staff contribute to our success so we can continue to be a major stakeholder in the UK higher education sector, achieving knowledge transfer, economic development, wealth creation and social justice. As 'The University of Opportunity', we remain a beacon for creativity, empowerment, equality and wellbeing.

Principal Lecturer in Commercial Income and Entrepreneurship

£48,743 - £56,482 pa

We are seeking an experienced practitioner for this exciting new post, which carries the responsibility for leading significant development of income generation across the Faculty. You will have a strong track record of generating external income, and will demonstrate the enthusiasm and credibility to build capacity in others in the areas of entrepreneurship and commercial income. You must also be able to teach in one of the Faculty's subject areas at undergraduate and postgraduate levels. You will have a Master's level degree (preferably a doctorate), and an emerging profile in research. **Ref A6437**

Interviews to be held on Monday 17 November 2014.

SCHOOL OF CREATIVE ARTS AND DESIGN

Lecturer/Senior Lecturer in Fine Art: Art in the Public Sphere

£33,242 - £47,328 pa

We are seeking to appoint an intellectually ambitious practising artist with an established knowledge of art as social practice and with a proven track record in artistic practice within the public sphere. We are looking for applicants with a broad range of international art practices, which claim social and aesthetic objective. You will be able to engage critically with various theoretical developments in relation to social practice within the arts and to interrogate critically concepts such as site-specificity, community, participation, collaboration and affectivity in relation to specific practices. This expertise can have been acquired through practice-based experience and/or academic research. An interest in current theory and criticism is essential. **Ref A6438**

Interviews to be held on Friday 12 December 2014.

Lecturer/Senior Lecturer in Fashion

£33,242 - £47,328 pa

We are seeking to appoint a practising designer with an established knowledge of the contemporary fashion industry. We are looking for applicants with a broad expertise in fashion and fashion related subjects and with industry level expertise in pattern cutting and design realisations. This expertise can have been acquired through industrial experience and/or academic research. You will be able to relate across fields of practice beyond fashion design to students studying textile design, surface pattern and accessory design. **Ref A6439**

Interviews to be held on Wednesday 3 December 2014.

For an informal discussion regarding these posts, please contact Patricia Dillon, Head of Visual Arts, telephone 01902 322656 or email P.A.Dillon@wlv.ac.uk

Lecturer/Senior Lecturer in Fine Art (Printmaking) (0.7FTE)

£33,242 - £47,328 pa pro rata

We are seeking to appoint a practising artist with demonstrable expertise in printmaking, to work closely with the rest of the Fine Art team. You will have a strong understanding of the exploration of visual representation allied to the materials, processes and formats of established and developing technologies in contemporary printmaking. This expertise can have been acquired through practice based experience and/or academic research. An interest in current theory and criticism is essential. You will be able to relate across fields of practice beyond Fine Art Printmaking to inspire students studying Fine Arts in its broadest sense. You should have a relevant Master's degree and preferably a PhD, plus a relevant track record of publication/exhibition. Excellent interpersonal and team working skills are also key attributes for the post. **Ref A6442**

Interviews to be held on Friday 28 November 2014.

SCHOOL OF PERFORMING ARTS

Reader in Music

£48,743 - £56,482 pa

The Department of Music & Music Technology is the largest in the Faculty of Arts and is seeking to expand its research through this newly created post. Applicants may be from any specialism currently taught in the Department: Music, Popular Music, and Music Technology.

You will have a PhD and a growing publication list. An experienced academic, you will have proven experience of developing your own research and building the research capacity of others. You will contribute to the Department's undergraduate and postgraduate teaching, as well as the supervision of a growing number of doctoral students. You will lead further the Faculty's research cluster in performing arts and other developments in the subject area as required. **Ref A6440**

Interviews to be held on Tuesday 2 December 2014.

Lecturer/Senior Lecturer in Music and Musical Theatre (0.5FTE)

£33,242 - £47,328 pa pro rata

Our numbers in Music and Musical Theatre are expanding and we are seeking to appoint a new colleague in this growing area.

You will be an excellent pianist and have a broad experience of Music and Musical Theatre. You will have a strong academic background and an ability to demonstrate a thorough understanding of scholarship in Music and/or Musical Theatre. You will contribute to the Department's undergraduate and postgraduate teaching and project supervision, teaching on practical and theoretical modules as required. You should have a relevant Master's degree and preferably a PhD, plus a relevant track record of performances. **Ref A6441**

Interviews to be held on Thursday 20 November 2014.

For both posts, you will have strong interpersonal skills and an enthusiasm for the Faculty's commitment to creating a positive working environment for staff and students.

For an informal discussion regarding the Reader and Lecturer/Senior Lecturer in Music and Musical Theatre, please contact Dr Paul Johnson, telephone 01902 322807 or email Paul.Johnson@wlv.ac.uk or Prof Dew Harrison, Chair of the Faculty Professoriate on 01902 321941 or email Dew.Harrison@wlv.ac.uk

Closing date for all posts: 16 October 2014.

THE UNIVERSITY OF HONG KONG

香港大學

Founded in 1911, the University of Hong Kong is committed to the highest international standards of excellence in teaching and research, and has been at the international forefront of academic scholarship for many years. The University has a comprehensive range of study programmes and research disciplines spread across 10 faculties and over 140 academic departments and institutes/centres. There are over 27,800 undergraduate and postgraduate students who are recruited globally, and more than 2,000 members of academic staff coming from 50 countries, many of whom are internationally renowned.

Post-doctoral Fellowships and Research Assistant Professorships

Applications are invited for a number of positions as Post-doctoral Fellow (PDF) and Research Assistant Professor (RAP), at the University of Hong Kong. Appointments will be made for a period of 2 to 3 years and the appointees must be in post on or before July 31, 2015.

PDF and RAP posts are created specifically to bring new impetus and vigour to the University's research enterprise. Positions are available from time to time to meet the strategic research needs identified by the University. Positions are available in the following Faculties/Departments/Schools/Centres:

- Real Estate and Construction
- School of English
- Faculty of Dentistry
- Faculty of Education
- Civil Engineering
- Electrical and Electronic Engineering
- Mechanical Engineering
- Centre for Cancer Research
- School of Chinese Medicine
- Research Centre of Heart, Brain, Hormone and Healthy Aging
- Medicine
- Microbiology
- Pathology
- Public Health Research Centre
- Centre for Reproduction, Development and Growth
- School of Biological Sciences
- Chemistry
- Physics
- Sau Po Centre on Ageing
- The State Key Laboratory of Emerging Infectious Diseases
- The State Key Laboratory for Liver Research

Post-doctoral Fellows

PDFs are expected to devote full-time to research. Applicants should be doctoral degree holders having undertaken original research that has contributed to the body of knowledge. A highly competitive salary commensurate with qualifications and experience will be offered. Annual leave and medical benefits will also be available.

Research Assistant Professors

The main focus of an RAP's duty is research. RAPs can however be assigned some teaching duties, up to 50% of the normal teaching load. Applicants should be research active and have a proven publication record. A highly competitive salary commensurate with qualifications and experience will be offered, with a contract-end gratuity and University contribution to a retirement benefits scheme (totalling up to 15% of basic salary). Annual leave and medical benefits will also be offered.

Procedures

Prospective applicants are invited to visit our webpage at <http://jobs.hku.hk/> to view the list of the Faculties/Departments/Schools/Centres and their research areas for which PDF/RAP positions are currently available. Before preparing an application, they should contact the Head of the appropriate academic unit to ascertain that their research expertise matches the research area for which a vacant PDF/RAP post is available.

Applicants must submit a completed University application form, which should clearly state **which position they are applying for**; and in which academic discipline. They should also provide further information such as details of their research experience, publications, research proposals, etc.

Application forms (341/1111) can be downloaded at <http://www.hku.hk/apptunit/form-ext.doc>. Further particulars can be obtained at <http://jobs.hku.hk/>. **Closes October 15, 2014.** The University thanks applicants for their interest, but advises that only shortlisted applicants will be notified of the application result.

The University is an equal opportunities employer and is committed to a No-Smoking Policy
