UNIVERSITY OF
PLYMOUTH

Advancing knowledge. Transforming lives.

At the University of Plymouth, it is in our nature to innovate – be that in our teaching or in our research. We strive for the highest quality in all that we do – pushing boundaries, isn't just encouraged, it is expected. We've just been ranked 2nd in the UK in The Times Higher Education Global Young Universities Rankings 2018 and we're building on our strengths.

We have 20 academic roles across a broad range of disciplines where we are seeking people who can contribute to our journey. If you are eager for a fresh challenge and want to build your career with a University which has ambition then you could be who we are looking for.

Times Higher Education has helped to foster another important dimension of diversity at Harvard: international diversity. The exposure of Harvard's faculty positions on THEuniJobs, since we embarked on our subscription package in October 2015, enhances our outreach efforts to a global community and showcases our institution as a destination of choice for academics around the world. Working with the *THE* team has also been a pleasure, and has enriched the conversation around international recruitment and retention.
