招生簡章
Postgraduate Prospectus
Founded in 2000, Macau University of Science and Technology witnesses the 19th Anniversary in 2019.

M.U.S.T. endeavors to cultivate students' expertise in various disciplines. M.U.S.T. has rapidly developed into the largest multidisciplinary private university in Macao.

M.U.S.T. has been authorized by Macao SAR government to grant academic degrees at doctoral, master and bachelor levels in more than ten faculties and research institutes. Currently, there are over 11,000 students studying at the university, including more than 3,300 postgraduate students. To cater to different interests from different students, M.U.S.T. offers dozens programs conducted mainly in English, along with some of them are conducted in Chinese, Portuguese or Spanish.
M·U·S·T. is one of the youngest Top 50 universities in the Greater China. For seven consecutive years till now, M.U.S.T. is ranked among the Top 100 Universities in the "Ranking of Top Universities in Greater China" which is released jointly by the Center for World-Class Universities at Shanghai Jiao Tong University and Shanghai Ranking. From 2015 to 2018, M.U.S.T. was ranked among the Top 50 Universities in the Greater China, rising from 46th in 2015, 32nd in 2016, 28th in 2017, to 21st in 2018. M.U.S.T. is gaining wider recognition and developing rapidly as a high-quality comprehensive university. Therefore, M.U.S.T. is an ideal place for students to pursue higher education learning and research.
顶尖科研
Excellent Scientific Research

2018年，澳门科技大学在科学和技术奖励中，共有4个项目获奖，2016年共有8个项目获奖。澳门科技大学自2012年起颁发奖项，每年颁发一次。四次颁奖共评出3个一等奖，其中澳门科技大学获得2个，分别是为了中医疗和太空科技领域获得的自然科学一等奖，这标志着澳门科技大学在上述研究领域的水平和成果已居于同领域研究的领先水平。

In 2018, four research projects of M.U.S.T. won prizes from Macao Science and Technology Awards; while in 2016, its eight research projects won this award. The Macao Science and Technology Awards is held once every two years, starting from 2012. This is the fourth time the Awards gives out awards and there were three first prizes have been granted in total. M.U.S.T. has won two of them, including the Natural Sciences Awards in Traditional Chinese Medicine and Space Science respectively. These prizes demonstrate that M.U.S.T. is endorsed with leading position and excellent research outcomes in these fields.

世界冠军
World Champion

澳门大学子屡次于世界性赛事中获得佳绩，包括参加全球「企业管理挑战赛」，于2007年及2016年两次勇夺世界冠军殊荣。于2017年度的分区分赛中，澳门大学商学院学生更是包揽世界管理挑战赛澳门赛的冠亚季军。

世界管理挑战赛是一项一年一度全球最大型的策略管理模拟赛事，澳门大学学生两次摘取了世界管理挑战赛国际总决赛冠军，表现卓越。

M.U.S.T. has obtained remarkable achievements in several worldwide competitions, including the Global Management Challenge from which M.U.S.T. has won the championship in 2007 and 2016 respectively. In the Global Management Challenge 2017 Macao Final, students from the School of Business have won the championship, runner-up, and 2nd runner-up. The Global Management Challenge is the annual largest-scale strategic management simulation contest. This finely reveals M.U.S.T. students’ outstanding academic performance and achievements.

就業發展
Career Development

為协助学生顺利就业，增进他们与用人单位的交流和沟通，澳门科技大学每年均会举办校园招聘会。2018年校园招聘会就有165家企业和机构参加，其中包括30家来自海外、香港及内地企业，突破历年的数字，提供了超过4,000个职位空缺供毕业生选择，行业包括：广告、设计、工程、金融、博彩、政府及公共机构、信息科技及电信、会展等。

To actualize students’ career aspirations and enhance their communication with Corporations, M.U.S.T. launches Career Day every year. In 2018, there are more than 4,000 job vacancies offered by 165 firms and organizations, including 30 companies from mainland China, Hong Kong and overseas; the number of participating companies has overwritten the record of previous years. Covered industries include: Advertising, design, engineering, finance, gaming, government and public institutions, information technology and telecommunication, exhibition, etc.
In 2017, M.U.S.T. took the lead and completed institutional quality audit by the Quality Assurance Agency for Higher Education, U.K. (QAA). The QAA Panel gave positive commendations and affirmations to the University's educational provisions, which demonstrates that the quality assurance systems, mechanisms and outcomes for higher education at M.U.S.T. have reached international standards. The Master of International Tourism Management program, Master of Science in Accounting program are accredited by International Institutions.

M.U.S.T. adheres to the “Going out” and “Coming in” two-way diversified communication techniques. We offer a variety of international exchange programs every year, with profound educational and communicative outcomes generated. Up to 2017, more than 1,200 students from M.U.S.T. participated in the Summer Exchange Program and Exchange Student Program. In Academic Year 2016-2017, M.U.S.T. students conducted short-term study in 18 universities in 12 countries, which enables them gain valuable multicultural and international experiences.

Moreover, many international students worldwide exchange to and study in M.U.S.T. every year, including those who come from world-renowned universities in France, Germany, Spain, Denmark, Sweden, Korea and other countries. This educational mobility creates fine opportunity for M.U.S.T. students to immerse and experience different cultures and visions.
