MEMORIAL UNIVERSITY OF NEWFOUNDLAND

As one of the premiere universities in Atlantic Canada, Memorial offers more than 100 degree programs to a student population of over 18,000. Students can expand their horizons at any one of our four campuses.

ST. JOHN’S CAMPUS is located in the heart of Newfoundland and Labrador’s capital city, St. John’s. Our largest campus is home to roughly 15,000 students who flourish in a diverse and cosmopolitan environment. Whether it’s shopping on Water Street, enjoying the music on George Street or hiking to historic Signal Hill, there’s rarely a dull moment.

mun.ca/undergrad

MARINE INSTITUTE, our second campus in St. John’s, is one of the largest and most comprehensive marine educational and applied research facilities in the world.

mi.mun.ca

GRENFELL CAMPUS is located in Corner Brook on Newfoundland’s west coast. With 1,300 students, Grenfell is considered more of a home than an institution by many of its students. The campus is personal, interdisciplinary and full of adventure, with downhill skiing, cave exploration and kayaking mere minutes away.

grenfell.mun.ca

HARLOW CAMPUS in England gives students a chance to study abroad, providing a unique learning experience.

Bachelor of Business Administration student

“When I arrived on campus in the winter semester of 2014, I was shocked! I left home in 30 degree weather, and had never in my life seen snow. You can imagine my surprise to land in St. John’s to meters of snow and freezing temperatures. However, I quickly began to appreciate Newfoundland and Labrador, in general, for everything the province has to offer. The coastal scenery is beautiful, and as someone who enjoys hiking I always have something to do. No matter where I go, or what I do in St. John’s I meet welcoming people, who are eager to chat with me to find out more about me, and where I come from.”
NEWFOUNDLAND AND LABRADOR

Home to the most easterly point in North America, Newfoundland and Labrador, Canada, is surrounded by the Atlantic Ocean and features some of the oldest rocks and fossils in the world. The rugged terrain, amazing vistas, and sprawling coastline are unique, to say the least.

This is a province steeped in history and culture. Here you can experience vibrant urban environments, historic outport communities, and serene national parks across our vast and varied landscapes.

Newfoundland and Labrador is the perfect place to enjoy outdoor adventures like hiking, kayaking, and whale watching. Not to mention, it’s one of the best places in the world to see icebergs.

The people here are as unique as the terrain. The kindness, humour and character all drive a refreshing approach to life. Visitors are welcomed like old friends and there’s always someone willing to lend a hand. This is truly a place like no other.

newfoundlandlabrador.com
St. John’s is our province’s historic capital and home to over 200,000 people. Founded more than 400 years ago, it is one of the oldest cities in North America. Today, St. John’s perfectly combines tradition with sophistication and is a safe, cosmopolitan city.

Our proximity to the Atlantic Ocean heavily influences the climate. It can be windy, rainy or foggy in St. John’s on any given day – but that can change quickly to blue skies and sunshine. During the summer months, there’s always an ocean breeze to keep you comfortable. Winters are generally mild, with sometimes cool and brisk temperatures, but great for your favourite outdoor activities.

Speaking of activities, the options here are endless. Explore our rich history at The Rooms. Take in art and plays in one of our many galleries and theatres. Visit historic Quidi Vidi, a village within the city. Ski or jog the trails in Pippy Park. Hike Signal Hill and the East Coast Trail. Check out the St. John’s Farmers Market. Eat at some of Canada’s best restaurants. Take part in numerous festivals throughout the year.

No matter your interests, there is something for everyone in St. John’s.
ST. JOHN’S CAMPUS

People tell us Memorial is a community within a community. Here you’ll find state-of-the-art study and research facilities, alongside on-campus residences and a wide variety of academic programs. You’ll also have access to countless extracurricular activities on campus and throughout the city.

If campus is a community, then the Smallwood University Centre (also known as the UC) is the center of campus life. Here you’ll find medical care, stores, a food court, study corners and hangouts. From the bookstore to career and wellness centres, there’s almost nothing you can’t find here.

STUDENT SUPPORT

The Academic Advising Centre serves prospective, first-year and undeclared students. Academic advisors will help you navigate degree requirements, select courses, and find a program that fits your goals.

Academic Help Centres provide students with free tutoring
and subject-specific assistance. These centres are open throughout the week and are staffed by university employees and senior students.

The **Career Development Centre** is Memorial’s one-stop shop for career support and guidance. Services include meetings with career advisors, career-preparation workshops, and many other career-focused events on campus.

The **Student Wellness and Counselling Centre** provides students with a wide range of on-campus health and wellness services, including doctors and counsellors.

The **Glenn Roy Blundon Centre** provides services that enable students with disabilities to maximize their educational potential, organizes learning accommodations, and aims to increase awareness of inclusive values among all members of the university community.

The **Aboriginal Resource Office** provides resources, programs and services for all self-identified Aboriginal students. The office coordinates several on-campus events to raise awareness of Aboriginal culture and identity.

The **Internationalization Office** provides support to international students attending Memorial, as well as Memorial students participating in exchange programs.
COMMUNITY

Clubs and Societies serve a wide range of interests and help students connect with each other. With over 100 student-run groups on campus, there’s something for everyone.

Resource Centres act as a peer network, meeting space and information resource within the university community. Resource centres support students from diverse backgrounds, including those who identify as Aboriginal, having a disability, international, LGBTQ+, older than average, student parents and marginalized genders.

The Student Volunteer Bureau is Memorial’s student-run volunteer referral service. Get connected with volunteer opportunities on campus and in the community, and participate in our volunteer recognition program.

Leadership Programs at Memorial provide students with essential skills for academic, personal and professional success.

The Students’ Union, MUNSU, helps provide programs and services on campus, like the campus radio station, WalkSafe and SafeDrive.

Athletics at Memorial gives students many opportunities to compete, socialize and be physically active while completing their degree program. The Sea-Hawks varsity teams compete across Canada in men’s and women’s cross-country running, curling, basketball, soccer, swimming, and track and field, as well as women’s volleyball. Several other club and intramural sports are also available.

FACILITIES AND SERVICES

The Works is Memorial’s comprehensive recreation, fitness, aquatics and sporting facility. All students have a membership to The Works included in their recreation fee.

Queen Elizabeth II Library is equipped with the latest technology and some of the best holdings in Atlantic Canada. It is the largest research library collection east of Montreal.

The Ocean Sciences Centre houses Memorial’s Cold-Ocean
Deep-Sea Research Facility and provides a state-of-the-art space for the study of aquatic organisms.

Online Learning provides students on- and off-campus with the flexibility to schedule courses that fit your lifestyle. Choose from multiple degree options and over 450 courses.

The Centre for Social Enterprise works to nurture social entrepreneurs on campus, strengthening social enterprise in Newfoundland and Labrador by creating links between students, faculty, community and company leaders for networking and mentorship opportunities.

The Centre for Entrepreneurship acts as a starting point for any member of the Memorial community interested in entrepreneurship, supporting students, faculty and staff in the development of their startup ideas.
STUDENT RESIDENCES

LIVE ON CAMPUS Paton College is home to approximately 900 students living in nine residence hall-style buildings. Macpherson College provides accommodations for 500 students in two-bedroom suites. Burton’s Pond consists of five buildings and offers a more independent, apartment-style setting for students beyond their first year of studies as well as family apartments.

In most of our residences, you’ll find community social spaces and group study areas, as well as wi-fi, laundry facilities, and best of all, access to the MUNnel indoor tunnel system.

Plus, you’ll never go hungry with our “all you care to eat” meal plans. Students can choose from five or seven day unlimited meal plans, plus flex dollars that can be used at a variety of cafés around campus.

For more information or to apply, visit mun.ca/residences.

ADMISSIONS

Memorial has three semesters per academic year:

- Fall (September)
- Winter (January)
- Spring (May)

Applicants should note that direct entry into some programs is offered in the fall semester only. New international students are normally admitted only in the fall or winter semesters.

All applicants must meet the minimum general admission requirements as outlined below. Admission to some programs is selective and may require a higher admission average and/or additional qualifications. General admission, with an alternate program of study, may be offered to qualified applicants in advance of a decision regarding admission to a competitive or limited-entry program.

International applicants are advised to apply early. Application deadlines for general admission and for admission to specific programs do not account for any additional time it may take to complete the process of supplying documentation to the Government of Canada for a study permit. For more details, visit cic.gc.ca/cometocanada.

HIGH SCHOOL / SENIOR SECONDARY SCHOOL APPLICANTS

For general undergraduate admission, applicants need to successfully complete an acceptable high school or senior secondary school program with an overall average of at least 70 per cent or equivalent in the following subject areas at the senior level:

1. English
2. Mathematics
3. A laboratory science
4. A social studies or modern/classical language
5. One other subject area (elective)
NOTE: One subject from areas 2, 3 or 4 above may be waived if further study in that subject is not required for the requested program of study. Students who are missing two or more subject areas at the senior level should contact the Office of the Registrar.

Supporting Documents Required

INTERIM TRANSCRIPT (official or unofficial) if currently completing high school/senior secondary school requirements

CONFIRMATION OF CURRENT HIGH SCHOOL COURSE REGISTRATION (if not included on the interim transcript)

FINAL TRANSCRIPT OR CERTIFICATE (official) only - upon completion of final exams and release of results

PROOF OF ENGLISH PROFICIENCY (see p. 22 for details)

For more information on admission requirements for each Canadian province and territory, many countries, and common international curricula, visit mun.ca/undergrad.

POST-SECONDARY TRANSFER APPLICANTS

If you are attending, or have attended, another post-secondary institution, you will be considered for admission as a transfer student. Declare any/all other institutions attended on your application for admission, regardless of whether you wish or expect to receive transfer credit. To be eligible for general admission, transfer students must be in clear academic standing at the last institution attended.

Supporting Documents Required

HIGH SCHOOL TRANSCRIPT (official)

INTERIM POST-SECONDARY TRANSCRIPT (official) required for applicants who are enrolled at a post-secondary institution at the time of application

FINAL TRANSCRIPT(S) (official) for all institutions previously attended, including any current institutions, as soon as final grades are available

PROOF OF ENGLISH PROFICIENCY (see p. 22 for details)

For more information on admission requirements, visit mun.ca/undergrad.
PROOF OF ENGLISH PROFICIENCY

English is the primary language of instruction at Memorial University. All students applying for admission must prove their proficiency in English through one of the methods outlined below.

ENGLISH LANGUAGE HIGH SCHOOL At least three years of full-time instruction at an English language high school that is recognized by Memorial, including the successful completion of courses at the senior high school or equivalent level in English (not including ESL courses). Additional proof through submission of a recognized English proficiency test-score may be required.

ENGLISH LANGUAGE POST-SECONDARY The equivalent of 30 credit hours (approximately 10 courses) at a recognized college or university where English was the primary language of instruction. The 30 credit hours must include six transferable credit hours in English language/literature courses.

INTENSIVE ENGLISH PROGRAM (IEP) Completion of Memorial’s IEP, along with an acceptable score on the CAEL administered at Memorial. For more information visit mun.ca/esl or grenfell.mun.ca/esl.

INTERNATIONAL ENGLISH LANGUAGE TESTING SYSTEM (IELTS)* A minimum overall band score of 6.5, with at least a band 6 in reading and writing.

TEST OF ENGLISH AS A FOREIGN LANGUAGE (TOEFL)* A minimum score of 550 on the paper-based test, or 79 on the Internet-based TOEFL (iBT) with a minimum score of 20 in reading and writing, and not less than 17 in listening and speaking.

CANADIAN ACADEMIC ENGLISH LANGUAGE (CAEL) ASSESSMENT* Minimum band scores between 50 and 60 in each of the four skills tested (reading, writing, listening and speaking), with at least two band scores of 60.

CAMBRIDGE ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)* A minimum of grade “B” in the Certificate of Advanced English (CAE) or a minimum grade of “C” in the Certificate of Proficiency in English (CPE) are required.

PEARSON TEST OF ACADEMIC ENGLISH (PTE ACADEMIC)* A minimum score of 58 in each of the reading, writing, listening and speaking components of the PTE is required.

* For standardized tests, final results must be sent directly by the official testing authority to the Office of the Registrar, Memorial University.

ABIGAIL LUSH
GANDEER, NEWFOUNDLAND AND LABRADOR
Bachelor of Commerce (Co-op) student

“One of the reasons I decided on Memorial University was because of the flexibility and range of courses I was able to take as electives, even beyond my first year. I remember still feeling nervous about my decision because I was going to be so close to home (I live three and a half hours away) and I was worried I wouldn’t get the experience and the freedom I was looking for as part of my university journey. I couldn’t have been more wrong. St. John’s has a culture different than any other place on the island, and to fully appreciate it, you have to live here.”
Cost should not be the sole factor you consider when choosing a university. By comparison to other Canadian universities, however, you will find that a Memorial University education offers great value.

Below are sample costs for two semesters of a bachelor’s degree program for 2018-2019.

“I decided to come to Memorial University because of a family friend who was my role model growing up. He became one of my best friends, and still is to date. He’s five years older than me, and he’d have great stories about how close he became with everyone while living in Rothermere residence in Paton College. Living in residence, you don’t just make friends, you become a part of a family. It’s hard for me to express how much living as a Resident Assistant in Hatcher House meant to me. It was life changing. I truly wish that other students get to experience residence life at Memorial.”
