

KNU will devote all of its resources to the success and happiness of students.

Student-Centered University

Scholarship reception rates **64.5%**
Total amount KWR **74** billion

• The number of scholarship recipients (Year: 2019)

35,046 (64.5%)

On-Campus Scholarships

KRW **23** billion

Off-Campus Scholarships

KRW **51** billion

• Scholarship Application Period

On-Campus Scholarship
: 1st Semester (October~January), 2nd Semester (May~July)
Off-Campus Scholarship
: 1st Semester (November~December), 2nd Semester (May~June)

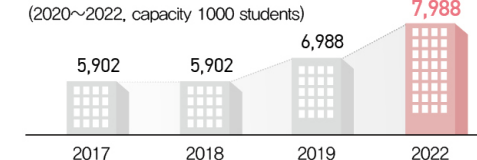

KNUPIA mobile application for KNU students

- **85%** of KNU students use KNUPIA
- KNUPIA provides Mobile Student ID feature
- Students can take online surveys
- KNUPIA provides access to campus facilities with a QR Code feature
- Announcements can be made via push notifications and banners

Increased dormitory capacity

• The completion of the 2nd BTL Nuri-gwan (2019. 10. 1)

• 3rd BTL building program (2020~2022, capacity 1000 students)

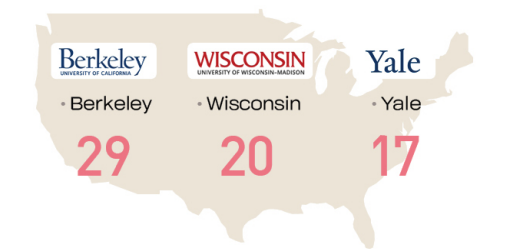

Healthy and safe campus life

- KNU is the only national university that has a hospital-level health care center
: **12** kinds of vaccination and **3** kinds of examinations available
*Students receive medical treatment from specialists
- Expanded Student Medical Co-op Plan
: KNU students can get up to **two** medical check-ups for free

Exchange Student Program at prestigious Universities

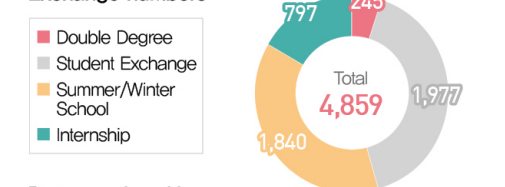

• All expenses including tuition are covered by KNU (Year: 2019)

* 2020: outbound exchange programs were conducted online due to COVID-19
* 2021: Planned 20 students to Yale University, 15 Students to the University of Wisconsin, 15 Students to Berkeley

KNU cultivates **Global Leaders** for the next generation

• International Student Exchange numbers (Year: 2016~2020)

• Partner universities : **68** countries **565** universities (2020. 11. 1.)

* 80 North America, 303 Asia-Pacific, 166 Europe, 16 Middle-East and North Africa

KNU fosters a student-friendly environment

- Cheomseongin Student Futures Support Bldg (KRW **2.2** billion, 2020.7.)
- Agricultural Life Science Bldg (KRW **25.9** billion, 2020.7.)
- Guryungpo HRD Center Student Bldg (KRW **3.4** billion, 2020.6.)
- Remodelling of Sangju Campus Library (KRW **1.4** billion, 2020.4.)

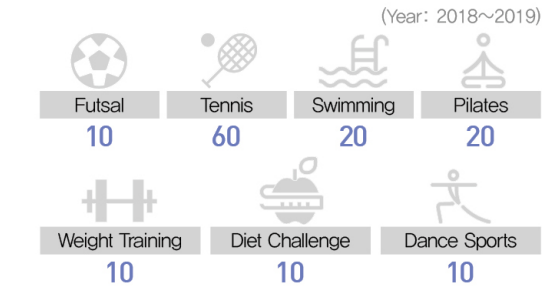

Overseas volunteer activity and culture experience

- Overseas volunteer activity : Earn credits over summer vacation
- Global Challenge : Every year March, summer vacation
- Exploring Korea : Eco-tour of Dokdo · Ulleungdo Island

KNU will act as a transmitter of knowledge and information for the local community by expanding our lifelong education services.

Knowledge Sharing University

Free Sports Training Program for Local Residents

The education programs provided at KNU Lifelong Education Center have received a **99%** satisfactory rate

• University-government cooperative programs : **4** local institutions, **26** programs

Daegu City Office	Buk-gu Office	Goryeong-gun Office	Gunwi-gun Office
4	6	7	9

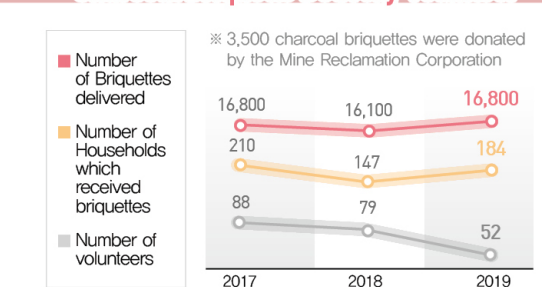

• University programs: **77**

Self-improvement	Language	Health	Finance	Art	Certification etc
6	13	8	5	18	27

Talent Donation

- Mentoring for marginalized students : online education support for elementary/middle school students in Daegu
- **4 Local Universities Joint Concert**: Local youth invited for free musical performances
- Mural creation for juvenile delinquency prevention

Continued participation in **Charcoal Briquette Delivery Volunteer**

KNU is committed to becoming a global research-oriented university and reinforcing our globally advanced research capacity.

Highly Acclaimed University

- QS World University Rankings 2021
- THE World University Rankings 2021
- U.S. News & World Report Global University Ranking 2021
- THE Impact Rankings 2020 (**99th** in the world)
- Academic Ranking of World Universities 2020
- Center for World University Ranking 2020
- Leiden Ranking 2020 Number of top 1% publication
- The largest number of 2020 Global Korea Scholarship recipients (**24** students from **19** different countries)

- 21 education research groups and 7 education research teams at KNU have been selected for the BK (Brain Korea) 21 FOUR Project: (2020~2027, KRW **117** billion grant)
- BK21 FOUR Graduate School Innovation Support Project: (2020~2027, KRW **28** billion grant)
- Distance Education Support Center for the Daegu-Gyeongbuk region will be set up at KNU: (2020~2025, KRW **8.4** billion grant)
- KNU received an A grade on the University Basic Competency assessment by the Ministry of Education (2019~2021, KRW **6.7** billion grant)
- 2 research centers at KNU have been selected for the HuStar Project (KRW **7.8** billion grant)
- KNU has been selected for the Leading Regional University Support Project (2019~2023, KRW **1.1** billion grant)
- KNU has been selected for the High School Education Contributing University Support Project for the sixth year in a row (2015~2020, KRW **5.7** billion grant)

National/Local Government
Undertakings

KNU Ranks in the Top **10** in Brand Preference and in Number of CEO Alumni

- KNU ranked **7th** on University Brand Preference Ranking in March 2020
- **4** KNU alumni ranked on The Economist's 100 CEOs of Large Companies in Korea
- The **10th** most preferred University in the Korean job market employers (2019, JoongAng Ilbo)
- **27** KNU alumni are CEOs of Kosdaq-listed companies (2019)

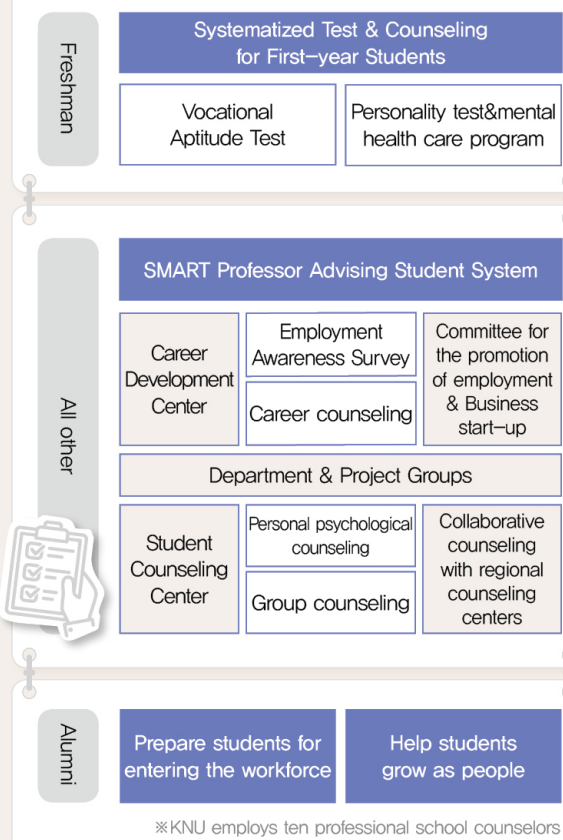

With our organized career development and counselling, KNU invests in cultivating leaders with Multidisciplinary Convergence Skills.

University Cultivating Leaders with Multidisciplinary Convergence Skills

The newly established ITA Convergence Departments

- Bachelor & Master's Accelerated Degree Program (5years)
- ITA majors: Artificial Intelligence, Biomedical Convergence Science & Technology, Robot and Smart System Engineering, Hydrogen & Renewable Energy
- Open to students who have completed 4 semesters
- Launching of the program: 2021 1st semester
- ITA Convergence Graduate School (established in 2019, 5)

Systematization of student career development & counselling

Business start-up incubator

- Startup Hub Center (Global Plaza 1st floor)
- Startup Square (Global Plaza 1st floor)
- Startup Village (Dormitory D-block)
- Marketing mentoring program for Startups

Intensive promotion in the field of convergence education & research

Research ITA (Artificial Intelligence, Biomedical Convergence Science & Technology, Robot and Smart System Engineering, Hydrogen & Renewable Energy), AIR (Light Convergence Global Leaders, Data Science Technology, Agricultural Life Convergence, NBIT Convergence High-tech Materials)

Education Convergence Promotional Project (Agricultural Development in North Korea, International Education, Northern Asian Culture & Trade), preexisting Interdisciplinary Studies (Business Administration, Psychology, Food Science and Nutrition, Computer Science and Engineering)

▶ Project Budget KRW 3.6 billion

Four-step action plan to increase the employment rate of students

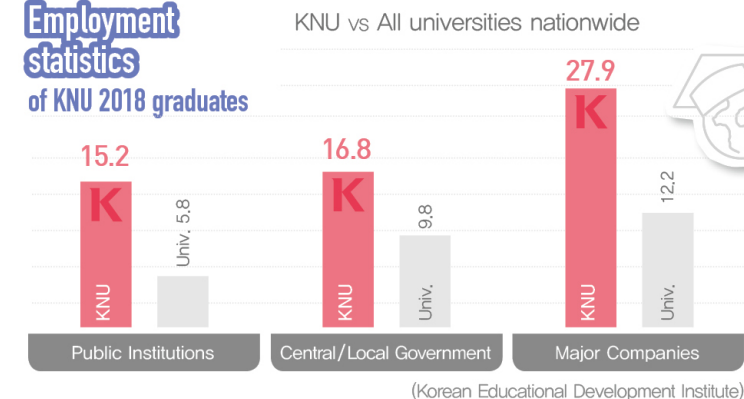

Student Futures Support Center

- Run Drop-out Prevention Program
- Provide Designated Academic Adviser Service for Freshman
- Run Outreach Program involving student counselling
- Established in 2020 Oct
- Cheomseogin Student Futures Support Bldg. 1st floor

KNU takes responsibility for our students and supports them in finding high quality jobs and fulfilling their dreams of starting businesses.

Employment statistics of KNU 2018 graduates

Employment rates for each types of employer (2018)

Major companies (27.9%)	667
Central/local government (16.8%)	402
Public Institutions (15.2%)	363
Medium Enterprises (10.5%)	251
Small Enterprises (22.4%)	536
Other (7.1%)	169
Total	2,388

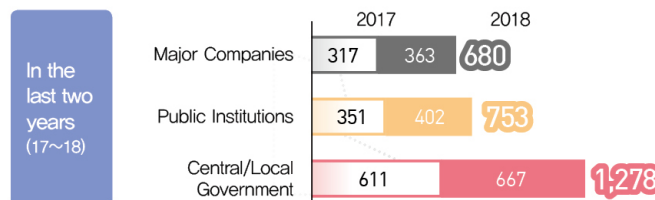

Expansion of employment opportunities for local leaders

- The number of graduates who were hired by public institutions relocated to Daegu-Gyeongbuk region : 2016 (66), 2017 (65), 2018 (74)

Quality job prospects for graduates

Highest retained employment rate among regional hub national universities

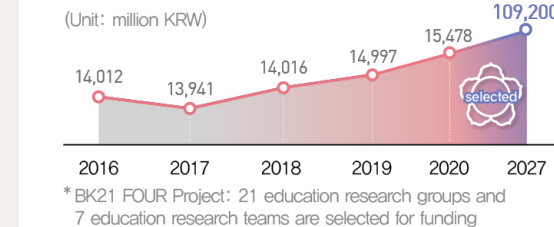

Expanded education for startups

KNU will endeavor to improve operational efficiency by securing government support projects.

University Where the Government Invests

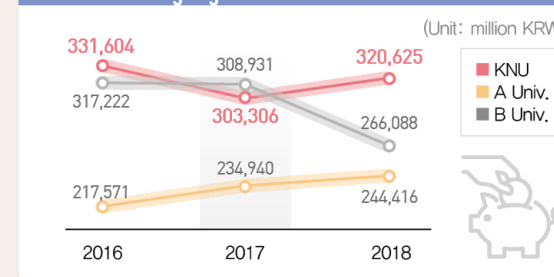

BK (Brain Korea) 21 Human Resources Development Projects

The highest level of Governmental Funding

Local University Specialization Project (Creative Korea-1)	2014~2018	KRW 28,266 million
Initiative for College of Humanities' Research and Education (CORE)	2016~2018	KRW 8,642 million
Program for Industrial Needs - Matched Education	2016~2018	KRW 12,406 million
SW-focused University Support Project	2015~2020	KRW 10,600 million
Leading Regional University Support Project	2014~2023	KRW 7,955 million
National University Support Project	2019~2022	KRW 47,472 million
University Innovation Support Project	2019~2021	KRW 22,332 million
Total amount		KRW 22,332 million

KNU has the most government support project funds among regional hub national universities

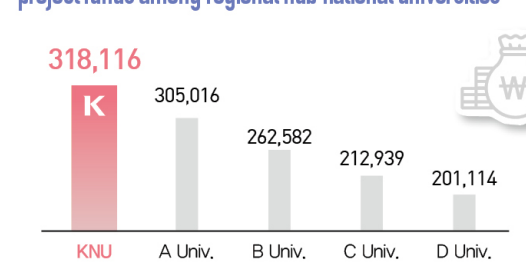

Launching of large scale R&D projects

20 projects 231,760 million KRW grant

ERC Leading Research Center	KRW 24,409 million	Humanities Korea Plus	KRW 8,750 million	Development of Base Technology for SW Convergence Industry	KRW 14,214 million
Agriculture, Food and Rural Affairs Research	KRW 14,987 million	MRC Medical Science and Engineering Research Center	KRW 18,036 million	Specialized Research Center Support Project	KRW 1,560 million
Smart Venture Campus	KRW 3,250 million	Development of Disaster Management Technology	KRW 63,370 million	Development of Bio Base/Convergence Technology	KRW 5,001 million
Agricultural Biotechnology Research Center	KRW 23,506 million	Priority Research Centers Program	KRW 22,854 million	Leading Universities for Start-up Business Program	KRW 2,350 million
HuStar Daegu-Gyeongbuk Innovation Leader fostering project	KRW 14,440 million	Local Linking Demonstration Program	KRW 9,966 million	University ICT Research Center Fostering Project	KRW 5,067 million

KNU has the most government support project funds among regional hub national universities (2017, Daily Korea)

KNU is committed to finding and nurturing leading researchers who conduct world-class scientific research.

World-class researchers

- Top 1% of Highly Cited Researchers (2018~2020, Clarivate Analytics)

Dr. Sang Moon Lee
School of Electronics Engineering

Dr. Sung Hwa Jung
Department of Chemistry

- Researchers published papers in Nature and Science (2017~2019, IF top 1%)

Dr. Hong Joo Kim
Department of Physics

Dr. Sang wook Lee
School of Materials Science & Engineering

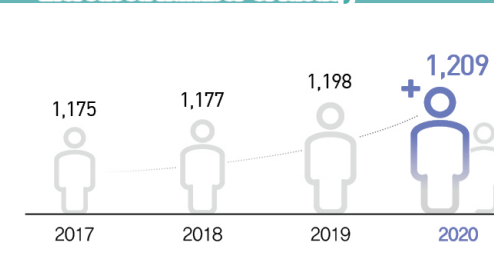

Dr. Ji Won Oh
Department of Medicine

Dr. Sun Young Park
School of Earth System Sciences

Researchers published papers in 2020 JCR top 1% journals

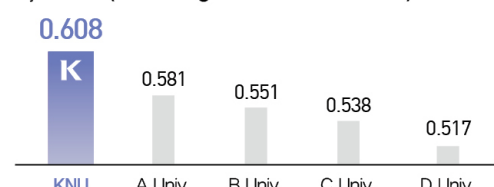

Hye Jin Lee Department of Chemistry	Sang Il Choi Department of Chemistry
Bon Gwan GU School of Energy Engineering	Hyun Woong Park School of Energy Engineering
Hak Rin Kim School of Electronics Engineering	Kalyana Chakravarthy Veluvolu School of Electronics Engineering
Yong Hyun Jang Department of Medicine	Myeong Jin Kim Department of Hydrogen and Renewable energy

Increased number of faculty in full service

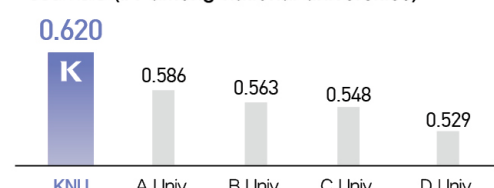

Researcher's individual publication rate

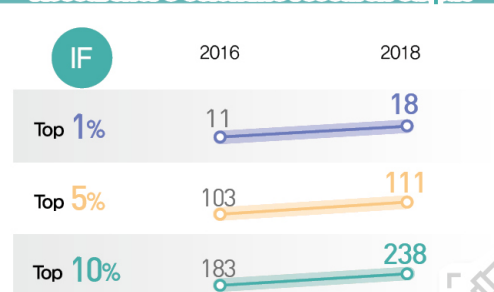

- The number of research papers in SCI-grade journals (#1 among national universities)

- The number of research papers in International Journals (#1 among national universities)

Researcher's scientific research output

Increased number of inventions, patents, and technology transfer made by researchers
