# 1. JIANGSU UNIVERSITY

## 1.1. INTRODUCTION

Jiangsu University (JSU) is ranked among the top 100 universities out of over 2,000 higher educational institutions in China. JSU is one of the oldest educational institutions in China, and its origin can be traced back to 1902 when it was first established as Sanjiang Normal College. JSU was then founded out of the initial college by combining the former Jiangsu University of Science and Technology (a national key university), Zhenjiang Medical College and Zhenjiang Teachers' College with approval from the Ministry of Education, China in August, 2001.

Currently, JSU is a teaching, research and community oriented comprehensive institution with emphasis on engineering and allied disciplines. It is one of the first groups of universities that offered doctoral programs for students. At the moment, JSU has 26 schools offering bachelor, master and PhD degree programs in 9 academic fields namely: Engineering, Science, Medicine, Literature, Economics, Law, Management, Education and History. In addition, 4 disciplines (namely engineering, chemistry, materials and medicine) rank top 1% in the World ESI Ranking System presently.

JSU enjoys a national reputation of being among the top research based academic institution for engineering sciences with several innovative achievements and patents rights for its achievement and contribution to the economic growth of China and world economy. Other academic disciplines have also witnessed astronomical growth in their research faculty and quality of graduates they turn out yearly. This has continually made the University to enjoy an influx of international students from all continents with resultant increased growth in linkages and exchange programs with other educational institution around the world.

Since 2005, JSU started to enroll a complete batch of degree learners. Presently, over 1,200 international students from more than 80 countries are studying in JSU. The University internationalization drive has been yielding the desired results through extensive learning and research work.

# 2. BACHELOR PROGRAMS

## What makes JSU's Bachelor Programs Unique?

### **Hands-on Experience:**

We take education out of the classroom and into the professional world by placing our education in experiential learning and internships.

### **Better Understanding:**

Our students learn basic and advanced professionalism and the impact of education on an organization's profitability and sustainability.

### **Responsible Best-practices.**

The importance of ethical, social, moral and personal responsibility is integrated throughout the coursework. It's embedded in our classrooms and within our experiential learning activities.

### **Global Perspective:**

We delve into the global environment impact on study fields. Our courses impart knowledge about how practices differ in other countries and cultures.

### **Integrated Curriculum:**

We establish principles for each major, and these become themes that are pursued through the curriculum and any experiential experiences. It is part of our effort to help students retain what they're learning and to offer them a foundation to draw upon throughout their collegiate career and beyond.

## 2.1. BACHELOR PROGRAMS IN ENGLISH MEDIUM

Program	Duration	Seats in 2 Intakes	
		March (Spring)	September (Autumn)
Accounting	4 years	10	15
Business Administration	4 years	10	20
Clinical Medicine (MBBS)	6 years	0	100
Chemical Engineering and Processes	4 years	10	20
Chinese Linguistics & Literature	4 years	10	15
Civil Engineering	4 years	10	30
Computer Science & Technology	4 years	10	30
Food Science & Engineering	4 years	10	15
International Economics & Trade	4 years	10	20
Mechanical Engineering	4 years	10	15
Pharmacy	4 years	10	20

## 2.1.1. ACCOUNTING

### Program Introduction

Accounting provides relevant information to decision makers, managers, investors, creditors, labor unions, government regulators and others interested in the financial wellbeing and future of an entity of economic activity. Students mainly study the basic theory and methods in accounting and business administration that focus on learning basic theory, basic skills and basic methods in accounting. After graduation, students can deal with the relevant business, such as accounting management, auditing practice and financial management, in enterprises, institutions, governmental sections as well as various CPA business affairs in CPA firm.

### Key Courses

Principles of Management; Micro Economics; Macro Economics; Economic Law; Fundamental Accounting; Financial Accounting; Financial Management; Management Accounting; Auditing; Accounting Practice of Informatization; Cost Accounting

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 18,000 CNY per Academic Year

**JSU Program Code:** ACC

**College or Department:** School of Finance and Economics

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** BAcc

## 2.1.2. BACHELOR OF BUSINESS ADMINISTRATION

### Program Introduction

The graduates who can master the knowledge of Economics, Management, Economic Law, as well as the basic skill and method on Business Management. To be familiar with the rule of operation, trade and the knowledge of business economic benefit analysis. To be engaged in management, teaching and researching in a business unit, government department, or research institute.

### Program highlights

Expert Faculty, teaching resources and on -field training in big Chinese enterprises  
Learn with international students from all over the World.  
Develop analytical business skills in the World largest country

### Key Courses

Principles of Management; Operation Management; Principles of Economics; Human Resource Management; Operational Research; Organization Behavior; Management Information System; Business Operation Strategy; Business Statistics; Economic Law; Accounting; Business & Ethic; Financial Management; Management Communication; Marketing; International Trade

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 18,000 CNY per Academic Year

**JSU Program Code:** BBA

**College or Department:** School of Management

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** B.B.A

## 2.1.3. CLINICAL MEDICINE (MBBS)

### Program Introduction

JSU's Medical School has first-class facilities on campus, purpose built for learning. The teaching and learning buildings are well-equipped with excellent seminar facilities and dedicated problem based learning rooms. The University's Affiliated Hospital, is a state-of-the-art building offering a superb teaching environment with a dedicated clinical skills teaching area for the students. It possess excellent clinical and surgical facilities all of which each student gets chances to learn and work in.

### Key Courses

Histology; Organic Chemistry; Organic Chemistry; Regional Anatomy; Pharmacology; Surgery; Paediatrics; Emergency Medicine; Internal Medicine; Radiodiagnosis; Otorhinolaryngology; Ophthalmology; Geriatrics; Oncology; Neurology

**Program Duration:** 6 Years

**Intake:** September

**Tuition:** 34,000 CNY per Academic Year

**JSU Program Code:** MBBS

**College or Department:** School of Medicine

**Graduation Requirements:** Collect all credits; Finish graduation project and defense; Pass HSK level 4; Complete 1 year internship.

**Degree Awarded:** M.B.B.S

## 2.1.4. CHEMICAL ENGINEERING AND PROCESSES

### Program Introduction

For students who aspire to a professional career with chemical engineering, our undergraduate courses in Chemical engineering provide a firm and broad-based education, with a provision for a substantial amount of specializations in the elective courses. Basic theory, skills and research methods of chemical engineering will be carried out. After four-year education, the students should have the ability to serve the fundamental industry with modern scientific technology of chemistry and engineering, be able to do scientific research, product and process design, technical administration and so on.

### Course Highlights

Provincial Key Course: Organic Chemistry.

### Key Courses

Inorganic and Analytical; Chemistry Organic Chemistry; Physical Chemistry; Chemical Engineering Principles; Basic Chemical Equipment Mechanical; Chemical Meters and Automation; Chemical Reaction Engineering; Chemical Engineering Thermodynamics; Chemical Technology; Fine Chemical Technology; Industrial Catalysis; Separation Engineering

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 20,000 CNY per Academic Year

**JSU Program Code:** CEP

**College or Department:** School of Chemistry and Chemical Engineering

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** B.Sc Ch Eng

## 2.1.5. CHINESE LINGUISTICS AND LITERATURE

### Program Introduction

The program focuses on developing advanced proficiency in Chinese with the goal of carrying out linguistic or literary studies. While achieving proficiency in Chinese, undergraduate majors are exposed to the major works of Chinese literature ranging from classical texts of the earliest periods to recent works of modern fiction, as well as to the linguistic approach to analyzing and understanding the features of the Chinese language.

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 16,000 CNY per Academic Year

**JSU Program Code:** CLL

**College or Department:** School of Humanities and Law

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** B.A in Chinese Linguistics and Literature

## 2.1.6. CIVIL ENGINEERING

### Program Introduction

The core courses will provide students with a solid professional knowledge in Mechanics and Civil Engineering as well as practical skills in geotechnical experiments, computer applications, construction supervision, and engineering structural tests.

### Key Courses

Engineering Mechanics; Steel Structure Design Principles; Structural Mechanics; Construction Equipment; Bridge Engineering; Foundation Engineering; Road Surveying and Design; Civil Engineering Materials; Civil Engineering Surveying; Civil Engineering Construction; Concrete Structure Design Principle; Engineering Economics; Engineering Geology and Soil Mechanics; Architectural Structure Design; Architecture and Planning

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 20,000 CNY per Academic Year

**JSU Program Code:** CE

**College or Department:** Faculty of Civil Engineering and Mechanics

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** B.Sc CE

## 2.1.7. COMPUTER SCIENCE & TECHNOLOGY

### Program Introduction

Computer Science program provides a strong technical background for students planning to begin careers upon graduation and for those interested in graduate study in computer science. Emphasis is placed on developing both the software programming and hardware design necessary to begin and enhance an individual's career. Graduates of this program are well prepared for immediate employment in either the computer industry or many other businesses that increasingly rely on computer science.

### Key Courses

Programming in C++; Database Principle; Discrete Mathematics; Computer Architecture; Digital Logic Circuit Design; Principles of Microcomputer and Interfacing Technology; Data Structure; Digital Image Processing; Computer Organization; Computer Networks; Operating System; The Design and Analysis of Algorithms; Software Engineering

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 20,000 CNY per Academic Year

**JSU Program Code:** CS&T

**College or Department:** School of Computer Science & Communication Engineering

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** B.Sc CST

## 2.1.8. FOOD SCIENCE AND ENGINEERING

### Program Introduction

Food Science and Technology is the application of science and engineering principles to the design, analysis, processing, packaging, production, preparation, evaluation and storage of foods, food ingredients, and beverages.

### Course Highlights

"Food Processing Machinery and Equipment" and "Modern Food Detecting Techniques" have been certified as "National Quality Courses".

### Key Courses

Microbiology; Biochemistry; Organic Chemistry; Principle of food engineering; Food Chemistry; Modern food Detection Technology; Food Processing Machinery and Equipment; Food Analysis; Food Engineering Principle Curriculum Design

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 20,000 CNY per Academic Year

**Program Code:** FSE

**College or Department:** School of Food and Biological Engineering

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** B.Sc.FST

## 2.1.9. INTERNATIONAL ECONOMICS AND TRADE

### Program Introduction

This program aims at the cultivation of advanced, specialized and interdisciplinary talents for doing business and management in foreign economic & trade sectors and multinational companies and for doing research on teaching in teaching & research institutions. Graduates will have a good mastery of the fundamentals of economics, basic theories and practice of international trade, the development of modern international economics & trade, the social, economic, and cultural conditions of major trading partners, and the present status of modern science & technology and future trends with proficiency in English. Graduates will be familiar with the prevailing rules and practices of international trade as well as China's foreign economic & trade policies and regulations.

### Key Courses

Principles of Management; International finance; Microeconomics; Theory of international trade; Macroeconomics; Practice of international trade; Accounting; International marketing; Statistics; World economy; Money & banking; Commodity studies of foreign trade; Econometrics; Multinational management; International technology trade; International business negotiation

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 20,000 CNY per Academic Year

**Program Code:** IET

**College or Department:** School of Finance and Economics

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** B.Sc. IET

## 2.1.10. MECHANICAL ENGINEERING

### Program Introduction

Combined with the common knowledge education, professional education, engineering science education and industrial practice training, the main objectives of this multidisciplinary undergraduate program (mainly covering the fields of mechanics, mechanical science, materials, electronics, electromechanical control technology, detection technique, computer-aided engineering) aim to develop; improve the students' ability and support; benefit their future career development (e.g., senior engineers and technicians, outstanding researchers and scholars, etc.) due to the solid and interdisciplinary engineering background, the creative inspiration and ability, as well as the strong ability for actual engineering applications through studying at the School of Mechanical Engineering, Jiangsu University.

### Key Courses

Mechanical engineering; Mechanics; Fluid Dynamics; Basics of Mechanical Manufacturing Technology; Fundamentals of Control Engineering; Electrotechnics & Electronics; Engineering Graphics; Electromechanical Transmission Control

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 20,000 CNY per Academic Year

**Program Code:** MECH

**College or Department:** School of Mechanical Engineering

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** B.M.E.

## 2.1.11. PHARMACY

### Program Introduction

The four-year B.S. in Pharmaceuticals program prepares students for technical positions in the pharmacy production, control, and development sectors of the pharmaceutical industry or for graduate studies in pharmaceutics, medicinal chemistry, pharmacognosy, analytical chemistry etc.

### Key Courses

Physical chemistry; Chemical engineering principle; Medicinal chemistry; Pharmaceutical analysis; Pharmacology; Pharmaceutical polymers; Industrial pharmacy; Biopharmaceutics and Pharmacokinetics; Process design workshop

**Program Duration:** 4 Years

**Intakes:** March and September

**Tuition:** 22,000 CNY per Academic Year

**Program Code:** PS

**College or Department:** School of Pharmacy

**Graduation Requirements:** Collect all credits; Finish graduation project and defense;  
Pass HSK level 4.

**Degree Awarded:** B. Pharm

## 2.2. BACHELOR PROGRAMS IN CHINESE MEDIUM

### Science & Engineering

Applied Chemistry  
Agricultural Electrification  
Agricultural Mechanization & Automation  
Architectural Environment & Energy Application  
Engineering  
Automation  
Biomedical Engineering  
Biotechnology  
Chemistry  
Chemical Engineering and Processing  
Civil Engineering  
Communication Engineering  
Composite Materials & Engineering  
Computer Science & Technology  
Electric Engineering & Automation  
Electronic Information Engineering  
Electronic Information Science & Technology  
Energy & Power Engineering  
Engineering Management  
Engineering Mechanics  
Environmental Engineering  
Environmental Equipment Engineering  
Food Science & Engineering  
Food Quality & Safety  
High-polymer Materials & Engineering  
Industrial Engineering  
Information & Computing Science  
Information Safety  
Inorganic Nonmetal Materials Engineering  
Internet of Things Engineering  
Materials Shaping & Control Engineering  
Mathematics & Applied Mathematics  
Measurement & control Technologies  
Mechanical Design, Manufacture & Automation  
Mechatronics Engineering  
Metallic Materials Engineering  
Metallurgical Engineering  
Network Engineering  
New Energy Science & Engineering  
Optoelectronic Information Science & Engineering  
Physics  
Safety Engineering  
Software Engineering  
Traffic Engineering  
Traffic & Transportation  
Vehicle Engineering

### Finance & Economics

Accounting  
Energy Economy  
Finance  
Financial management  
Insurance  
International Economy & Trade  
Public Finance  
Statistics

## Arts & Social Sciences

Animation	Ideological & Political Education
Chinese International Education	Industrial Design
Chinese Linguistic & Literature	Japanese
Digital Media Arts	Law
Education Technology	Product Design
English	Public Arts
Environmental Design	Visual Communication Design
Fine Arts	

## Business & Management

Business Administration	Logistics Management
E-Commerce	Marketing
Human Resources Management	Public Administration
Information Management & Information Systems	

## Medicine & Pharmacy

Clinical Medicine	Laboratory Medicine Technology
Hygienic Examination & Quarantine	Pharmaceutical Engineering
Medical Imaging	Pharmaceutics
Nursing	Pharmacy

---

**Program Duration:** 4 Years (MBBS 5 years)

**Intake:** September

All Chinese medium bachelor programs are open to overseas students. Students with good Chinese language proficiency (HSK 4 or above) can apply for Chinese taught programs and join classes with Chinese students.

# 3. MASTER PROGRAMS

## Science & Engineering

Agricultural Engineering

Biology

Chemistry

Chemical Engineering & Technology

Computer Science & Technology

Control Science and Engineering

Ecology

Electrical Engineering

Environmental Science and Engineering

Food Science and Engineering

Information & Communication systems

Instrument Science & Technology

Materials Science and Engineering

Mathematics

Mechanical Engineering

Mechanics

Optical Engineering

Power Engineering & Engineering Thermophysics

Software Engineering

Traffic Engineering

## Finance & Economics

Accounting

Applied Economics

Statistics

## Arts & Social Sciences

Fine Arts Studies

Foreign Linguistics & Applied Linguistics

Library Information & Archives Management

Pedagogy (Education)

Theories of Marxism

## Business & Management

Business Administration

Public Administration

Management Science and Engineering

MBA (2-year program)

## Medicine & Pharmacy

Basic Medicine

Clinical Medicine

Pharmaceutical Science and Engineering

Chinese Materia Medica

# 4. PHD PROGRAMS

Agricultural Engineering

Clinical laboratory & diagnostic Medicine

Computer Applied Technology

Control Science & Engineering

Environmental Science and Engineering

Food Science and Engineering

Management Science and Engineering

Materials Science and Engineering

Mechanical Engineering

Power Engineering & Engineering Thermophysics

Power Electronics and Power Drives

Solid Mechanics

Traffic Engineering

---

*All the above master and PhD courses are ENGLISH TAUGHT three-year programs. For graduation, students will have to meet all requirements relating to article publishing, thesis writing, defense, etc.*

# 5. NON-DEGREE PROGRAMS

## 5.1. CHINESE LANGUAGE LEARNING

JSU's Chinese language programs have been designed by students and teachers together, and offer a unique charm. The programs are geared for students with no or little exposure to China and Chinese language. During their stay, teachers will guide students into developing a secure foundation of the language in an immersive Chinese ambience. Classes are medium-sized and taught by enthusiastic, bilingual and professional teachers.

### Duration & Fees:

One Semester Program: 7,800 CNY

One Year Program: 15,000 CNY

### Intake:

March and September

## 5.2. SUMMER/WINTER CAMPS

Enjoy your vacations in a deep culture experience in China. The language classes strive to develop student's speaking and listening skills. Students will also undertake dozens of cultural activities and excursions to gain sensitivity to the world's oldest standing civilizations. Please check our website for detailed itinerary.

### Duration & Fees:

One-Week Camp: 900 CNY

Two-Week Camp: 1,600 CNY

One-Month Camp: 3,000 CNY

Extra Classes: 700 CNY / Week

### Intake:

Winter Camp: January/February

Summer Camp: July/August

JSU offers a variety of short-term programs for the interested. The Following short-term programs (5.3 and 5.4) can be customized according to the request by applicants.

**Duration:** Customized

**Fees:** Same as summer camp

**Intake:** All-round year (group of minimum 5 students must sign-in)

### 5.3. CHINESE BRIDGE COURSES

This course is designed to cultivate the students' skills of listening and speaking and enlarge the vocabulary and its usage in a short term. What's more, students can participate in interactive role-playing performances, which contain various real Chinese communicative scenes. Such practical oral Chinese training with rich content will encourage students to speak with confidence. Teaching plan will be worked out according to the study goal and registration is welcome at any time.

- 🌀 Basic Survival Chinese
- 🌀 Chinese for Tourism
- 🌀 Business Chinese
- 🌀 Medical Chinese

### 5.4. TOUR STUDY

Special tour study programs offered by JSU are a wonderful choice for you to experience face-to-face with Chinese Culture. The following are some of the popular tour study programs organized by JSU.

- 🌀 Wu Culture Appreciation Program
- 🌀 Chinese Painting and Calligraphy Appreciation Program
- 🌀 Pearl S. Buck's Literature Appreciation Program
- 🌀 Probing into Chinese Business Environment Program
- 🌀 Acupuncture and Moxibustion Training Program
- 🌀 Chinese (Zhenjiang) Vinegar Culture Appreciation Program

## 5.5. SUMMER SCHOOL - ENGINEERING

JSU's summer school offers a unique experience in Engineering, regardless of your education background. Applicants receive one week intensive Chinese Language Training. For the following 3 weeks of the programs. Students are free to choose any of one our workshop and get indulged in creativity and innovation @ JSU. The following are the list of workshops:

- ④ Nondestructive Detection of Food & Agri-product quality
- ④ Materials Forming
- ④ Programmable Logic Controller (PLC)
- ④ Application and Development of Internet
- ④ High Performance CFRP Structure & Eco-concrete Technique

**Duration:** 1 month

**Fees:** 3,000 CNY

**Intake:** July/August (Can also be organized any time for group applicants)

## 5.6. VISITING STUDENTS & INTERNSHIP PROGRAMS

All the schools of JSU can accept either long-term or short-term programs of visiting scholars abroad, including English-taught Bachelor Training or Practice Programs, PG research cooperative programs, and Senior Visiting Programs for professors or doctors.

**Duration:** Flexible

**Fees:** 3,000 CNY per month (Arts); 4,000 CNY per month (Science)

**Intake:** Flexible

## 5.7. PRE-UNIVERSITY FOUNDATION PROGRAM

Prepare for your college study in a dynamic, supportive environment. JSU offers non-credit pre-university courses, and are designed as refresher courses for students who need improvement in the subjects considered essential for related first-year courses at JSU. In the end of the course, students who wish to take bachelor degree courses at JSU will have to apply for "Admission Entrance Exam for Overseas Students". Students who score well in this exam will be admitted to the next intake for bachelor degree students.

**Subjects:** Mathematics

Physics

Chemistry

English or Chinese Language

**Duration:** 1 semester

**Fees:** 7,800 CNY

**Intake:** March and September

## 5.8. DISCOUNTS AND OFFERS

1. Special discounts are applicable for large groups who apply for short term programs.

Groups with >10 Students: 10% Discount

Groups with >20 Students: 20% Discount

Groups with >30 Students: 30% Discount

2. Language students ( $\geq 1$  year) who take degree courses at JSU can get a 50% refund of their language program's tuition fees.

---

*FOR CUSTOMISING YOUR SHORT-TERM PROGRAM, PLEASE CONTACT THE ADMISSION OFFICE AT LEAST TWO WEEKS AHEAD OF YOUR ARRIVAL.*

# 6. SCHOLARSHIPS

JSU offers many kinds of scholarships to international students. For more details about scholarships, please visit our website: <http://oec.ujs.edu.cn/pub/eng/Scholarship/GS/>  
Overseas Education College (OEC) of JSU keeps the right to explain all scholarships.

## 6.1. CHINA SCHOLARSHIP COUNCIL (CSC)

**Funds by:** Chinese Government

**Scholarship type:** Full Scholarship (Tuition + Accommodation + Living Expenses)

**Applicants:** Students of bachelor, master and PhD programs

The agency number of  
Jiangsu University is 10299.

**Application time:** After January (Approx.)

Visit CSC website: <http://www.csc.edu.cn/laihua/> for more details

## 6.2. CONFUCIUS INSTITUTE SCHOLARSHIP (CIS)

**Funds by:** Confucius Institute

**Scholarship type:** Full Scholarship (Tuition + Accommodation + Living Expenses)

**Applicants:** Chinese language learners

**Application Time:** After February (Approx.)

Visit CIS website: <http://cis.chinese.cn> for more details

## 6.3. JIANGSU PROVINCE JASMINE SCHOLARSHIP

**Funds by:** Jiangsu Provincial Government

**Scholarship type:** Full Scholarship, Partial Scholarship

**Applicants:** Students of bachelor, master and PhD programs provided by Jiangsu University

**Application Time:** March to May (Approx.)

Visit CIS website: [www.studyinjiangsu.org](http://www.studyinjiangsu.org) for more details

---

Age limit for above scholarships: undergraduate (25 years), PG (35), PhD (40)

## 6.4. JIANGSU UNIVERSITY PRESIDENTIAL SCHOLARSHIP

In order to further develop the education of international students, Jiangsu University provides scholarship for international students getting registered for English-taught degree education at Jiangsu University.

**Funds by:** Jiangsu University

**Scholarship type:** Partial Scholarship (Discount on tuition)

**Applicants:** All master and PhD students and some bachelor\* students

**Application time:** During admission

**Scholarship Amount:**

PhDs: Full tuition

Masters: 15,000 CNY per year

Bachelors\*: 10,000 CNY in first year

\*Bachelor programs covered under Presidential Scholarship:

- Accounting
- Chinese Linguistics and Literature
- Food Science and Engineering
- Mechanical Engineering

**Terms and Conditions:**

1. Only applicable to overseas students who take English-taught degree programs.
2. The JSU Presidential Scholarship to graduate students will be awarded once a year after annual assessment of the student's performance.
3. Transferring of major by bachelor students who availed JSU Presidential Scholarship in the first year, shall be approved only after the student compensates the scholarship amount back to the university.

## 6.5. JSU SCHOOL/DEPARTMENT SCHOLARSHIPS

No.	School/Faculty	Candidate	Funding Period	Coverage (RMB)	Funding Quota
1	School of Materials Science and Engineering	Master	Schooling	5,000~ 15,000	10%
		Ph.D	Schooling	6,000~ 24,000	5
2	School of Finance and Economics	Bachelor	Schooling	1,000	10%
		Master	1-time	1,000	All
		Ph.D	1-time	3,000	All
3	School of Electrical & Information Engineering	Short-term	Schooling	Tuition + Accommodation	5
		Ph.D	1 <sup>st</sup> year	5,000	2
		Ph.D	2 <sup>nd</sup> year	5,000 ~10,000	2
		Ph.D	3 <sup>rd</sup> year	5,000 ~10,000	2
4	School of Management	Ph.D	Schooling	3,000	80%
		Master	Schooling	1,000	20%
5	School of Chemistry and Chemical Engineering	Bachelor	Schooling	1,000 ~ 5,000	10
		Master	Schooling	1,000 ~ 5,000	All
		Ph.D	Schooling	1,000 ~ 5,000	All
6	School of Mechanical Engineering	Bachelor	Schooling	3,000 ~ 5,000	10
		Master	Schooling	3,000 ~ 5,000	All
		Master	Schooling	10,000	1 per each supervisor
		Ph.D	Schooling	3,000~ 5,000	All
		Ph.D	Schooling	20,000	1 per each supervisor
7	School of Computer Science & Telecommunications Engineering	Bachelor	Schooling	1,000 ~ 5,000	20%
		Master	Schooling	1,000 ~ 5,000	40%
		Ph.D	Schooling	1,000 ~ 5,000	All
8	School of Teacher Education	Master	Schooling	20,000	1

9	Faculty of Science	Master	Schooling	3,000 ~ 5,000	3~5
		Ph.D	Schooling	6,000 ~10,000	3~5
10	Research Center of Fluid Machinery Engineering and Technology	Exchange	Schooling	Tuition+Accommodation	All
		Master	Schooling	15,000 ~20,000	All
		Ph.D	Schooling	20,000 ~ 25,000	All
11	School of Energy & Power Engineering	Short-term	Schooling	10,000	5
		Bachelor	Schooling	6,000	5
		Master	Schooling	8,000	5
		Ph.D	Schooling	10,000	3
12	School of Agricultural Equipment Engineering	Ph.D	Schooling	(Accommodation + Research Allowance) (up to 24000)Yuan/year	All
13	School of Automotive and Traffic Engineering	Short-term	Schooling	Tuition + Accommodation	5
		Bachelor	Schooling	5,000	10
		Master	Schooling	5,000	5
		Ph.D	Schooling	10,000	5
14	Institute of Life Science	Master	Schooling	5,000	All

## 6.6. A&W SCHOLARSHIP

A&W Enterprise of Shanghai introduces its scholarship fund in benefit of foreign students of Jiangsu University. A&W desires strengthening of Sino-foreign relationships and sharing love and resources in a global scale. This fund is made available to selected undergraduate and postgraduate students with outstanding academic results, good conduct and students facing financial problems. Students who actively participate in social events are given priority.

**Funds by:** A&W (Shanghai) Woods Co., Ltd.

**Scholarship type:** One-time scholarship of 5,000 CNY

**Applicants:** Students of bachelor, master and PhD programs provided by Jiangsu University

**Application time:** Beginning of every academic year

## 6.7. OEC SCHOLARSHIP FOR EXCELLENT STUDENTS

To encourage students with good academic performance, Overseas Education College (OEC) of JSU awards top scorers. During the beginning of every academic year, an annual assessment will be made and a fair selection will be published.

**Funds by:** Jiangsu University

**Scholarship type:** One-time scholarship

Prize	Amount	Ratio (acc. to class rank) % of Total Students
First Prize:	3,000 CNY	3%
Second Prize:	1,000 CNY	8%
Third Prize:	500 CNY	17%

**Benefiters:** All bachelor students

**Evaluation time:** Beginning of every academic year

## 6.8. JSU SCHOLARSHIP FOR SOCIAL CONTRIBUTORS

The Overseas Education College of JSU encourages students to entertain overall-personal development, apart from academic excellence. Students who make special contribution in social and extra-curricular activities will be chosen and appraised every year.

**Funds by:** Jiangsu University

**Scholarship type:** One-time scholarship of 500 CNY

**Benefiters:** All overseas students

**Evaluation time:** Beginning of every academic year

## 6.9. JIANGSU UNIVERSITY HSK SCHOLARSHIP

Chinese language learning and promotion is one of the top priority in internalization of JSU. Every year, top rankers among students who take HSK Exam (Chinese Language Proficiency) every year will be awarded with a cash prize. Students of Elementary, Intermediate and Advanced classes should take HSK level 4, 5 and 6 respectively.

**Funds by:** Jiangsu University

**Scholarship type:** One-time cash prize

Prize	Amount	Ratio (acc. to class rank) % of Total Test Takers
<b>First Prize:</b>	7,000 CNY	5%
<b>Second Prize:</b>	5,000 CNY	10%
<b>Third Prize:</b>	3,000 CNY	15%

**Benefiters:** Language students only ( $\geq 1$  year program)

**Evaluation time:** End of student's 1 year program.

---

*NOTES: Students who receive CSC, CIS or Jasmine scholarships are not entitled for other scholarships.*
