# APPLYING TO ECU

## THE FOLLOWING ADMISSION INFORMATION OUTLINES ADDITIONAL PATHWAYS FOR APPLYING TO ECU

### UNIVERSITY PREPARATION COURSES (UNIPREP)

Our range of UniPrep courses provide an admission pathway to many of our undergraduate courses and are available to all prospective domestic students. Australian citizens, holders of a Permanent Humanitarian Visa, Permanent Residents and New Zealand citizens are eligible to study in a Commonwealth Supported place, making the UniPrep course FREE. Visit [ecuworldready.com.au/uniprep](http://ecuworldready.com.au/uniprep) for more information.

### HIGHER EDUCATION STUDENT APPLICANTS

(includes study at a university or a non-university higher education provider)

You may meet the minimum admission requirements for study at ECU. International university qualifications may also satisfy academic requirements; however you may be required to successfully complete a recognised English test.

Apply direct to ECU via our online Applicant Portal at [ecuworldready.com.au/apply](http://ecuworldready.com.au/apply)

### VET STUDY APPLICANTS

If you have completed a Certificate III from a registered training organisation (RTO), you may be eligible to commence your ECU studies starting off with our UniPrep course. This is a great option for those who have had extended time away from studies or wish to build their confidence in university-level study by teaching them the required skills for academic success.

Alternatively, if you've completed a Certificate IV, you can apply direct to us for an undergraduate course. Applicants must also meet English competency dependent on the course they are applying for.

### SPECIAL TERTIARY ADMISSIONS TEST (STAT)

Available to anyone who is 20 years of age before 1 March in the year in which they wish to commence studies. The STAT is a national test for mature age people designed to assess aptitude for learning in a tertiary environment. For more information and to book, please visit [tisc.edu.au](http://tisc.edu.au)

### EXPERIENCE BASED ENTRY SCHEME PATHWAY

ECU's Experience Based Entry Scheme pathway assesses an applicant on a variety of measures including academic history, relevant experience including work and life skills.

As an applicant, you are asked to provide:

- Your academic records
- Two written references with at least one being a recent professional/work/school reference
- An introductory letter
- Your resumé

You may be offered a place in the course of your choice or the UniPrep course.

Our Experience Based Entry Scheme pathway is only available to domestic applicants and is not available for all courses.

### ABORIGINAL AND TORRES STRAIT ISLANDER STUDENTS

At ECU, we help Aboriginal and Torres Strait Islander people and their communities to achieve their dreams and aspirations through further education. Our Centre for Indigenous Australian Education and Research, Kurongkurl Katitjin, is committed to assisting students with choosing a university entry pathway and in understanding and adapting to university life.

### ABORIGINAL UNIVERSITY READINESS ASSESSMENT (AURA)

Administered by Kurongkurl Katitjin, AURA aims to provide a holistic and personal approach to commencing the university journey. By establishing important support networks early, the transition for Aboriginal and Torres Strait Islander people into an enabling or undergraduate course at ECU, ensures that you are well supported and well connected right from the start.

ECU's Aboriginal Recruitment Coordinator will discuss your entry options and course application process, including any further assessment of core skills if you don't meet minimum entry requirements.

Kurongkurl Katitjin's Student Success Team will also reach out with tailored support and information once you have made the decision to join us here at ECU.
