

# INTERNATIONAL PROGRAMS

# the WAY to GOAL

## BECAUSE THAMMASAT...

Thammasat University (TU) was established in 1934 with strong aspiration to provide "an oasis that quenches the thirst of those who are in pursuit of knowledge", under the principle of freedom of education.

At present, to groom leaders of tomorrow, Thammasat focuses on developing integrated teaching under life goal-based Education, a new path to fulfill individual's life goals. Moreover, we aim to educate our students to be able to cope with changes, as well as to be responsible to environment and society. Thammasat has been cultivating public consciousness through service learning. Students will have a chance to involve in a community to learn and contribute there.

Through our multi-dimensional education, Thammasat has produced graduates with high skills, knowledge and adaptability, making Thammasat the university with highest employability in 2018 and high employers' satisfaction.

## ESSENTIAL GROWING STEP

Thammasat University is a learning community. We learn to respect social differences with high adaptability, supporting students to grow and ready to live in the world.

## RANGSIT, 24-HR NEVER SLEEP CAMPUS TOWN

Thammasat Rangsit Campus is the largest campus located in Pathum Thani Province, 40 km. north of Bangkok. Divided into various zones, academic, housing, and sports, the campus features a full set of facilities, such as learning centre and library, stadium, gymnasium, pool, X-Treme Plaza, climbing wall, and kayak pier. The campus is surrounded by restaurants and stores, some of which open 24 hours, making it "24-hr never sleep campus town".

## THA PRACHAN, CENTER OF CULTURE

Thammasat Tha Prachan Campus is located at the center of Bangkok along the renowned Chao Phraya River, surrounded by attractive and fascinating architectures and temples, especially the Grand Palace. Students will be fascinated with life style and various food in Tha Prachan and at the famous Khaosan Road, the popular tourist destination. Though Tha Prachan Campus is not that large, it is equipped with many facilities, such as library and fitness facilities.

### ACADEMIC CALENDAR

#### Semester 1

Orientation Week ----- First week of August  
- Basic Thai Language Session  
- Cultural trip to Grand Palace  
Semester starts ----- Second week of August  
Midterm Exam ----- 8th week of semester  
Final Exam ----- 16th week of semester  
(early December)

#### Semester 2

Orientation Week ----- Second week of January  
- Basic Thai Language Session  
- Cultural Trip to Grand Palace  
Semester starts ----- Third week of January  
University closed for ----- 13-16 April  
Songkran Festival  
Midterm Exam ----- 8th week of semester  
Final Exam ----- 16th week of semester  
(early May)

### REQUIREMENTS

- Being enrolled as a degree student at a TU partner university and having completed at least one academic year of study at the home university.
- Good English proficiency, namely TOEFL, IELTS, SAT, GRE, GMAT or TU-GET (TU General English Test). TOEFL (minimum internet-based total test score of 80 or computer-based total test score of 213), IELTS (at least 6.0), or TU-GET (TU General English Test - at least 550).  
\*Minimum language requirement depends upon faculty/program being applied for.  
\*\* English proficiency test scores used in applications must have been taken within two years of the application date.
- GPA not under 3.0 (out of 4) or the equivalent. If lower, please discuss options with the OIA.
- Nomination by the home university (an official coordinator's email address from the home university is required).
- Exchange students must enroll in at least three courses per semester.

### ADMISSION FOR EXCHANGE STUDENTS

Exchange students should apply through Thammasat's Office of International Affairs (OIA). International students may inquire directly to specific programs of their interest. OIA will assist with necessary visa letters and pre-arrival arrangements after TU program acceptance. Admission Criteria, requirements, and links to each TU international program, please check [www.oia.tu.ac.th](http://www.oia.tu.ac.th).

**How to apply:** Online application forms are available at [www.oia.tu.ac.th](http://www.oia.tu.ac.th). For further information, please contact the Division of Mobility at [mobility@oia.tu.ac.th](mailto:mobility@oia.tu.ac.th) or OIA coordinators.

### ADMISSION FOR DEGREE- SEEKING STUDENTS

Degree-Seeking Students should apply directly to the faculties through their websites. The websites contain admission criteria for submission of standardized test scores, online application forms, admission schedule and processes, standardized requirements such as high school transcript or its equivalent levels from high school i.e. Grade 12 from American-system schools and O-Level from British system, which is approved by the Thai Ministry of Education. (Thai M6; American Grad12; British O-Level or GED)
