A UNIQUE COLLEGE EXPERIENCE

Vibrant Student Life On-Campus

CUHK is the only university in Hong Kong that offers a collegiate system. The 9 Colleges offer a plethora of non-formal learning opportunities offered by the Colleges complement the formal curricula, nurture students' interpersonal skills and cultural sensitivity, and build up their confidence and sense of social responsibility.

Our Colleges

To many CUHK graduates, some of the fondest memories and lasting friendships originate from the Colleges. In these small communities, you will enjoy close interaction with your teachers and grow with your peers. All full-time undergraduates at CUHK can apply for affiliation with one of the Colleges. Each College is distinctive, but together they shape the character of the University.
