Welcome to your Future

ESSCA is a global-triple-crown Business School. We are future creators, empowering and inspiring our ethically-minded students to express their talent. ESSCA is where responsible leaders develop the critical and creative thinking skills to excel in some of the most dynamic sectors of modern-day business.

Why Choose ESSCA?

Great things happen at ESSCA: our commitment is to inspire our students to achieve their goals while enabling them to make memories that last a lifetime.

Pioneering courses with expert input: at ESSCA we believe in bringing research and the world of practice into the classroom. We integrate real-world expertise into all our programmes, with partner business organizations involved in the design and delivery of the courses.

As part of the ESSCA ODYSSEÉ 20/24 strategic plan, we expect to welcome 8,200 new students by 2024, of which 20% will be from overseas.

Award-winning teaching innovations

ESSCA has received numerous awards from industry and education experts for the quality of our online teaching initiatives.

International Learning Environment

Our international Faculty deliver a unique, panoramic view of current issues of business and management, bringing different perspectives and guiding students to put their theoretical learning into practice through national and international work placements and internships.

Join a Vibrant Community that cares

We pride ourselves on being a dynamic, supportive, global community with nearly 18,000 alumni present world-wide. ESSCA counts nearly 7,000 students on our campuses in France, Hungary, and China, including a vibrant community of international and exchange students.

We have learnt from experience that studying abroad can be a daunting experience, so we provide support to international students before and on arrival to our campuses.

ESSCA has recently been awarded the Campus France “Bienvenue en France” certification for the quality of the international student experience.

Student Life

At ESSCA, your involvement in student clubs and societies is an integral part of the educational project. We are highly committed to ensuring our students' well-being, and will encourage you to play an active role in our vibrant student community. Our aim is to help you develop new skills through rewarding and inspiring projects.

With over 70 clubs and societies at ESSCA, you'll have plenty of opportunities to get involved in extracurricular activities. International students are particularly welcome to join a club or society, actively experiencing what makes studying at ESSCA such an unforgettable experience.

Getting involved in student life will provide you with learning experiences that go beyond the classroom. You'll develop key business skills such as project management, solidarity, teamwork, learning to manage responsibilities and the fundamental pleasure of working together and being useful. Actively participating in student life will also give you the opportunity to put internal democracy into practice, with consensus building and debates on campus enabling you to develop into an active, responsible member of Society.

Thanks to the practical, hands-on learning methods, ESSCA has allowed me to try myself in various fields of the business industry. During my internships and semester abroad experience, I was not only able to advance my existing skills but prepare myself for future challenges in the corporate world. Furthermore, ESSCA has an amazing community with friendly classmates and dedicated staff, who help us succeed along our journey at university. Through the community programs everyone is involved in the daily life of the school and therefore, ESSCA feels like a second home to many of us.

ESSCA was the perfect choice of school for me. Triple-accredited and internationally renowned, the school offers international students the choice of pursuing a career either in France, or in their own country. The programme gave me the opportunity to carry out a business internship and an academic semester abroad, which was extremely valuable for putting theories into practice, and allowed me to significantly improve my English language skills. For all these reasons, I highly recommend ESSCA as a great place for learning, growing and trying out new experiences before jumping into the job market equipped with the real-world skills required by business.

benefit from learning alongside world-leading professors, whose research is changing the face of responsible business and management practice. And backed by our personal development programme, we'll give you opportunities to put your knowledge from the cutting edge to good use during 4 mandatory internships carried out either in France or overseas. You'll also be encouraged to take your intercultural skills to new heights with periods spent at our Budapest and Shanghai campuses, or through study abroad programmes at one of our international university partner destinations.
