Why study at Essex?

Find out if studying at Essex is right for you.

Students love it here: We are ranked 2nd in the UK for student satisfaction among mainstream UK universities (NSS 2015).

A successful future: Over 90% of our international graduates are in graduate-level jobs or further study within just six months of graduation (DLHE Survey 2014).

International community: With students from over 130 nationalities, Essex is the world in one place. We’re among the top 25 most international universities in the world (THES 2016).

Location: Close to London, low living costs, English history, beautiful countryside and beaches, safe and connected to Europe. Essex offers all this and more.

Flexibility and choice: Build the degree that suits you with a wide variety of elective courses, joint honours degrees, study abroad options and placement years in industry.

Global careers: Our internationally relevant curriculum, international staff, professional accreditations, and language and study abroad options mean our graduates are prepared for careers in global organisations.

English and foundation courses: Our International Academy helps international students get the best preparation for their degree and we get excellent results. Our undergraduate pathways consistently have progression rates between 75% and 80%.

Lifestyle: Exciting campus nightlife, an active and supportive Students’ Union and more than 40 competitive sports clubs. London is nearby and the low-cost airports at Stansted and Southend mean Europe is easy to reach.

Accommodation: Our on-campus accommodation is guaranteed for international students, and offers variety, safety and high quality with affordable costs.

We are Essex

No university experience is the same and Essex is not the same as any other university. Our students don’t just listen but learn to ask the difficult questions and then find the answers – learning how to lead, not just follow. An Essex degree is about choice, relevance and developing you as a person. With us, you’re not just a student, you’re a member.

Essex introduces you to people from every corner of the planet to create networks that last for life. We are a genuinely global community that lives, works and plays together. You’ll have the opportunity to study an internationally relevant curriculum, are encouraged to live and study abroad, become part of our diverse community, and are taught or supervised by academics whose research has global impact. We give you the best chance to compete in a global economy.

At Essex you can expect to develop professional skills alongside critical and analytical thinking skills, independence and intercultural communication. We also help you develop a research mindset through research-led teaching from some of the world’s top academics. These are real skills that employers want and which you can transfer across industries.

Welcome to Colchester

A dynamic academic environment set just outside the oldest recorded town in Britain, our Colchester Campus offers extensive facilities and support services to ensure you achieve the most from your studies.

Life in Colchester
Diverse and cosmopolitan with a population of around 180,000 people, Colchester is a great student town, offering a rich mix of bars, restaurants, theatres and music venues. Further afield, the surrounding countryside of Essex and Suffolk is one of the hidden gems of England. Enjoy walking, cycling or rowing through this beautiful landscape or perhaps just stop for a picnic.

Sport
We offer opportunities for all abilities and levels to participate in sport right on campus. Our Evolve gym has 130 fitness stations, and we also have a variety of both indoor and outdoor pitches and courts, an indoor sports hall, squash courts and a climbing wall. The Essex Sports Federation has over 40 teams, offering you the chance to join an active community and compete in both local and national fixtures. Colchester itself offers everything from bowling and roller discos to swimming pools and even a laser tag centre.

Arts
Colchester Campus has its very own art gallery, Art Exchange, and our Lakeside Theatre hosts international artists as well as student productions for an exciting mix of theatre, dance and music. Colchester is home to the Firstsite visual arts centre and the smaller Minories gallery. For live music and comedy there’s Colchester Arts Centre, and the Mercury Theatre next door offers student prices for everything from Shakespeare to modern musicals.

Shopping, food and nightlife
Colchester’s Culver Square and Lion Walk are home to a fantastic range of familiar shops and high-street fashion. What makes our town really distinctive however are all of the specialist and unique shops on offer. Stroll down Sir Isaac’s Walk or Eld Lane, two of the quirkiest streets in the town centre, and you’ll find a mixture of retro clothing boutiques, old-school sweet shops, furniture shops, jewellers, and independent health food stores. You can also find everything from American candy to Korean noodles and Russian delicacies in and around the town centre. There’s a huge range of restaurants with student-friendly prices offering local and international cuisines. Colchester also has a great selection of bars, pubs, nightclubs and live music venues to cater for all tastes. On campus you’ll find a range of restaurants and food outlets, including a wide range of halal, vegan and vegetarian options.

Travel
Colchester has great travel connections for both the UK and abroad. We’re an hour away from London Stansted Airport which offers low-cost flights to many European destinations, and London’s other airports are also easily accessible by public transport. Travelling in the UK is easy with London and its connections only an hour away by train.

Things to see and do
- The Colchester Castle museum is a great introduction to the town’s Roman history
- Colchester Zoo is home to over 270 species of animals and offers a great day out close to the town centre
- Mersea Island under an hour from campus offers some of the tastiest seafood around, including the famous Mersea oysters

WHY ESSEX?
- Our brand-new Silberrad Student Centre is a hub for all your services and support needs
- Colchester combines Roman history and modern entertainment
- Great transport links to London, rest of the UK and beyond
- Wide variety of sports, arts and entertainment both on campus and in the local area

Welcome to Southend

Located in the heart of Southend-on-Sea, our newest campus offers specialist resources and state-of-the-art facilities in a vibrant and exciting seaside town. Enjoy a rich cultural and educational experience, where everything is modern and spacious, and leisure is only ever a few minutes away.

Life in Southend
The town is a lively centre for shoppers and watersports enthusiasts alike. Once a British holiday destination, Southend has evolved into a thriving cultural centre of music, theatre, comedy and cuisine – whilst retaining all the charms you would expect from a traditional English seaside town. Our beautiful seafront encompasses seven miles of award-winning beaches, a lively hub for a variety of watersports and the longest pier in the world. Southend is located less than an hour away from the attractions of Central London, and is ideally placed for short-haul trips to Europe.

Our campus
Our Southend Campus, opened in 2007, offers contemporary learning and teaching spaces. Our latest addition to campus - the Forum building - offers a spacious ultramodern learning environment, with an in-house library, gallery and café. The Gateway Building houses a GP and dental practice and multi-faith chaplaincy, while Clifftown Theatre and Studios, a converted church, provides an inspiring setting for our East 15 students housing specialist rehearsal studios and a 200-seat theatre.

Students’ Union (SU)
Our SU has plans to become the world’s most student-centred organisation, shaping their services around you. The SU organises and facilitates an array of activities and sports in Southend, from yoga lessons to nights out in town. The SU has two bespoke spaces on our Southend Campus, including a new social venue that is run by students. This is your home-from-home for studying, having a cup of coffee or a snack, playing video games or just socialising with friends between classes.

Location
Southend-on-Sea’s location means there’s plenty to see and do. Sail or cycle along the coast and stroll to the end of the pier. Well-known attractions abound, from Adventure Island and amusement arcades to the famous Rossi ice-cream parlour.

The town holds the Purple Flag: the gold standard for a fun and safe night out. Southend is also a great gateway: London is just 50 minutes away by train, while London Southend Airport is only three miles from campus, offering budget flights to a range of European destinations.

Sports, arts and leisure
If you like to be active, join our Evolve gym or take advantage of the sports on offer through our My Essex Sport programme. If you prefer spectating to participating, there is a thriving live music and arts scene, with two theatres, numerous art galleries, and festivals throughout the year. If food is your thing, you are spoilt for choice with over 300 places to dine in the town, from independent Portuguese and Thai restaurants to popular franchise outlets.

WHAT OUR STUDENTS SAY

“Southend is really good for shopping. There’s lots of variety, with the shops on the High Street, shopping centres, and markets, selling everything from handmade chocolates and bread, to fresh fish and meat. If you’re a fan of windsurfing, powerboating, jet skiing or canoeing, try the Marine Activities Centre.”

Student support

Make the most of your life at Essex with our award-winning student support services. Benefit from academic skills support, mentoring and general guidance. Find space for worship, meditation, prayer and quiet reflection or just have a friendly chat.

Welfare and support
As an international community we understand the needs and concerns of international students, and do our best to provide you with excellent support facilities. This led to our being named winner of the Times Higher Education (THE) Award for Outstanding Support for Students in 2013.

Our support and welfare services include healthcare, immigration advice, religious worship facilities and assistance with improving your academic skills, as well as places you can go if you just need to talk to someone.

Support and guidance
Student support office
Our student support office can help with your general wellbeing and provide funding advice. The student support team also has facilities and advice available for students with disabilities and those battling with exam anxiety.

Immigration
UK immigration advice is regulated, so can only be provided by authorised officers. Please visit www.essex.ac.uk/int17/immigration for further information and an enquiry form to be referred to the relevant officer.

Health and wellbeing
Health services
There is a health centre on our Colchester Campus which offers appointments with male and female doctors, as well as specialist services and counselling. Our Southend Campus has dental and GP training practices, supported by the local Primary Care Trust, on site. It is important to register with the health centre as soon as you can so that you receive treatment when you need it.

Nightline
Nightline is an award-winning, student-volunteer-run advice and support service, which is available overnight throughout term-time. The volunteers are able to provide a listening ear and impartial advice, or a cup of tea and a friendly talk if you’re just feeling homesick.

Religion
Our Multi Faith Chaplaincy operates worship and contemplation areas at both Colchester and Southend campuses.

Support with your studies
You may find studying at a UK university very different to your home country, and it may be the first time you’ll be studying in English. We aim to ensure that you can get the most out of your education by providing a range of academic and English language support classes.

Talent Development Centre
Our Talent Development Centre can help with your academic English language skills. They can also help with study techniques and exam preparation.

Mentoring
Our academic departments also provide their own support services, with most departments running student mentoring schemes, and our lecturers and professors offering office hours for one-to-one guidance with your studies.

Students with families
It is important that you’re aware of the additional costs and implications of bringing your family with you to the UK. Please visit www.essex.ac.uk/int17/families for further information for students with dependants.

All undergraduate and taught postgraduate students are allocated a personal tutor
Receive advice, information and support on a range of health and wellbeing issues
Specialist disability advisers to provide you with advice and guidance on a range of disability support services
The Talent Development Centre can help you identify your talents and strengthen those areas you need to develop.

WHY ESSEX?

www.essex.ac.uk/int17/support
Our Students’ Union

Hello wonderful person. We’re the Students’ Union. We’re made of 14,000 members.

When you come to Essex, you’re not just a member of an SU, you’re part of an unconventional family.

A family that has people from every background, belief and interest imaginable.

A family that’s always got your back. Because we believe that together we can do amazing things, to be whoever or do whatever.

What do we do?

We’re making four promises to you and we won’t rest until we’ve made them happen.

1. We promise to help you get an amazing degree and job
   The two most important things to you are the two most important things to us.
   We’re here to inspire and motivate you, to cheer you on as you walk into exams and to help you beat the competition in interviews and land your dream job.

2. We promise to give you an amazing membership
   We will give you a Students’ Union experience that’s good enough to make all your friends who aren’t at Essex jealous.
   We’ve given students the tools to set up over 100 societies.
   And if you’re into sport – we run more than 40 sports teams.

3. We promise to shape everything around you
   You choose what drinks we serve in our bar and what products we stock in our shops, just write it on the wall and we’ll do our absolute best to get it in stock for you ASAP.
   All you need to do is text, Tweet or Facebook us, and we’ll get on it.

4. We promise to benefit all students
   At Essex the Students’ Union is here for everyone, no matter your age, gender, nationality, faith, sexuality, year of study, or shoe size.
   In our family there’s no pretentious cordoned-off VIP area, we’re open to everyone.

10 reasons why the SU is one of the best things about Essex

Sports clubs – over 40 teams and all free to join
VTeam – Volunteering opportunities for everyone!
SU Advice – from legal advice to filling in forms, we provide advice on anything and everything
The Store – a mini supermarket on campus
The Salon – from haircuts and colours to manicures and pedicures, the Salon offers it all
Frango’s – a Portuguese restaurant and bar serving your chicken needs
SU Heirloom – every student at Essex gets their own customisable handmade charm to pass down
Cine10 – your very own cinema on campus, showing blockbusters on huge screen with surround sound
SU Lets – our very own letting agency right on campus
SU Market – held every Thursday on campus, selling food, fruit and veg, vintage clothing and more

This is just the start… We could go on and on, but hopefully we’ve given you a good idea of how we help you have a great time at Essex.

Hello there! I am Saffy, your VP International. Welcome to the Essex family!

Entering University marks another phase of your life and I understand the whole rollercoaster of excitement and anxiety, high hopes and aspirations.

But worry not as here at Essex you are in good hands. We, the Students’ Union, always work our hardest in ensuring that you get one of the best experiences whilst at University.

Therefore, you are on the right path for getting not just an amazing degree, but having one of the greatest times of your life! I look forward to an amazing time together!

Saffy Allayna, Malaysia

Careers and employability

An Essex degree is not just about academics, we also focus on developing you towards your future career. Our focus on your employability has helped over 90% of our international graduates to start their careers or further study within six months of graduating.*

(*DLHE survey 2014)

These are just some of the ways we are helping you get on the career ladder:

- Essex Employability Award – recognition for any extra-curricular volunteering and work experience
- Volunteering through the SU vTeam with hundreds of opportunities available
- Frontrunners – our award-winning student internship programme offers over 200 paid placements in graduate-level projects across the university
- Study abroad opportunities – most courses offer study abroad and many destinations don’t include additional tuition fee costs
- www.essex.ac.uk/int17/abroad
- Learning languages at Essex – we make language-learning easy. All our students can learn a language to develop new language skills and get an edge when applying for jobs. At Essex, there are four ways to learn
- www.essex.ac.uk/int17/languages
- Placement years – spend a year or one term gaining work experience (where available). Your placement can take place in the UK or abroad and can kick-start your future career
- www.essex.ac.uk/int17/placements
- Part-time work – international students on a Tier 4 visa can normally work up to 20 hours per week during term-time
- Dedicated international careers advisers and support available during your studies and after you graduate, helping you look for graduate-level work both in the UK and abroad

Alumni activities

Our global alumni network means you will be connected to an existing network of professionals in your home country and abroad, which can be the key to unlocking your future success. Our alumni stay in touch years and even decades after leaving Essex. The alumni office holds networking events for our past students around the world. Recent events include alumni receptions in Mexico, Hong Kong, Malaysia and Singapore. You can find out more about our past students and find contact details of alumni from your country through our website.

International Academy – undergraduate pathway courses

The International Academy – your route to an Essex degree

Our International Academy offers programmes that offer you the chance to enter an Essex degree even if you do not currently meet our entry requirements. We offer pathways that lead into our degrees at both undergraduate and postgraduate level. We also offer a range of English language programmes that help you improve your English and which can provide a pathway to your degree by helping you meet your English language condition in your offer.

We have been running university pathways for international students for over 25 years and our International Foundation Programme is one of the most established in the UK.

Every year over 600 international students start their journey at Essex with our International Academy and we have a long history of supporting them to achieve their goals. Here are some of the reasons why students choose us:

- successful completion guarantees entry to a range of degrees at Essex
- approximately 75% progression from our undergraduate pathways
- over 95% progression from our pre-sessional programmes
- a range of pre-sessional options to suit different needs including subject-specific pathways
- tailored pathways that follow your chosen subject
- you are taught entirely at the University of Essex by our staff
- you can apply directly and/or via UCAS
- January start dates are available for our International Foundation Programme and four-year degrees
- we organise trips and events to help you settle into life in the UK

Undergraduate pathways

Our pathway programmes are ideal if you wish to study at university but do not have the standard qualifications required to enter the first year of our undergraduate degrees. International Academy programmes are specially designed to take into consideration your high school achievements, English language capabilities and desired area of study.

International Foundation Programme

Our International Foundation Programme enables you to reach the required academic level for undergraduate study. You will study this course for one year and successful completion guarantees entry to Year 1 of a relevant undergraduate degree meaning you should graduate in four years.

The course includes three or four subject-based modules, as well as an English language and study skills module. As well as improving your English and academic skills, you gain the necessary experience of living and learning in a university environment. As with all our pathways, you study specialist modules that provide the best possible preparation for your degree, rather than a generic foundation programme.

Admission requirements – Graduating from high school with a good academic record. Requirements vary by country.

English language – UKVI IELTS 5.0 with at least 4.0 in each component.

Pass marks – 40% in all modules.

Start date – October or January.

Four-year degrees (Year Zero)

Our courses have been designed principally to assist students who have not yet reached the required academic level for undergraduate study and to improve academic skills and subject-specific knowledge. The first year is similar in content to our International Foundation Programme and when taken as part of the four-year degree this year is known as ‘Year Zero’. Successful completion of Year Zero automatically leads on to Year 1 of the degree, followed by Years 2 and 3.

While the International Foundation Programme offers flexibility and the option to apply to us directly, the four-year degree is designed to enable you to complete your degree in three years. We also focus on developing your English proficiency, academic literacy and employability skills.

Admission requirements – Graduating from high school with a very good academic record (A-levels – CDD, or equivalent in UCAS tariff points; IB – 25 points). Requirements vary by country. You also need GCSE Mathematics at grade C or above (or equivalent).

English language – UKVI IELTS 5.5 with at least 5.0 in writing and 4.0 in speaking, listening and reading.

Pass marks – 40% in all modules.

Start date – October.

SUBJECTS

Our International Foundation Programme and four-year degrees (Year Zero) offer pathways into the following subject areas:

Accounting
Actuarial sciences
Art history
Banking and finance
Business management
Computer science
Criminology
Drama
Economics
Electronic Engineering
English language
Entrepreneurship
and business

Our International Year One in Business offers a pathway to the following degrees:

- BSc Accounting and Finance
- BSc Accounting and Management
- BSc Banking and Finance

- BSc Business Management
- BSc Finance
- BSc Financial Management
- BSc Management and Marketing

Your pathway to a Masters degree

Our pre-Masters courses provide a high quality pathway into a Masters degree at Essex. Pre-Masters courses start in October and run for nine months until the following June.

If you are a diploma holder or a graduate but do not yet meet the admission requirements for a Masters at Essex, a pre-Masters might be the best option for you. A pre-Masters can also help you if you need to improve your subject knowledge or English language before starting your Masters as each of our courses contains an English for Academic Purposes module to help develop your English skills.

Admission requirements – A first degree or higher diploma from a recognised institution. Requirements vary by course.

English language – IELTS 5.5 overall with 5.5 in each component, or equivalent.

Pass mark – 40% in all modules. To progress to an Essex degree our progression mark is 60%. Some departments require 60% overall or 60% in a specific or each module.

Start date – October.

WHY CHOOSE A PRE-MASTERS?

Choice: we offer specialist pathways into 11 academic departments and 53 Masters degrees

Quality: we include subject-specific modules and options taught in different departments

Staff: all modules are taught by University staff, including international leaders in their fields

English: embedded academic English modules support your learning throughout the year

Guaranteed progression: successful completion guarantees entry to a relevant Masters course

“...The Graduate Diploma in Politics with EAP course is excellent. If you feel that you do not have a strong background knowledge in the subject you wish to study at Masters-level, or think that your English skills are not enough to achieve the best outcomes in your future studies, this course enables you to overcome these anxieties and solve such problems.

Your English modules give you an insight into how you can manage your coursework, while you reinforce your academic background by studying relevant subject-specific modules in your future department."

Shimpei Kato, Japan
Graduate Diploma in Politics with EAP
Pre-sessional English pathways

Our pre-sessional English language pathways offer you the chance to improve your English and meet any English language conditions on your offer letter without having to retake IELTS. At Essex, we have several types of pre-sessional programmes for you.

Pre-sessional Academic, Language and Study Skills (PALSS) programme provides you with integrated preparation in academic English and study skills. PALSS runs for 25, 15 and 10 weeks. These programmes are also offered in Bangkok through Assumption University.

Pre-sessional English Language (PEL) programme focuses on enhancing your English language skills. You will be taught further grammar and vocabulary development, as well as additional reading, writing, listening and speaking skills. PEL runs for 10 and 5 weeks. These programmes are also offered in Bangkok through Assumption University.

Subject-specific pre-sessional English language programme offers two subject-specific pre-sessional programmes for students entering the School of Law and Essex Business School.

Which pre-sessional pathway do I need?

Having so many pre-sessional options is great, but how do you pick the best one for you? Our table on the next page is a good indication of which options are available based on your current IELTS and our English language requirements. Use our pre-sessional finder tool to help decide which options are best for you.

Please note: If you have an offer for MSc International Management, MSc Management, MSc Marketing Management, MSc Marketing and Brand Management or MSc Human Resources Management, you will be required to take PALSS. All other Essex Business School courses accept PEL or subject-specific. The Department of Sociology only accept PALSS.

Essex English Language Programme

Our International Academy also offers our Essex English Language Programme (EELP). Our EELP teaches general English from elementary level to advanced level and academic English from upper intermediate level to advanced level. EELP is designed for you if you want to go on to study an undergraduate or postgraduate course or want to come for a short period of English language study.

EELP consists of four modules which will provide you with English language preparation in line with the Common European Framework of Reference for Languages (CEFR).

To join EELP, you do not need to have previously taken an English language test, on arrival you will be tested and placed in the class which best suits your level. The programme runs throughout the year in five-week terms. You can choose to study for any period from 5 to 40 weeks (in five-week blocks), with entry points in October, January, April, July and August. Students who study consecutively for ten weeks or more are eligible for a free IELTS test at the end of their studies.

The current fee for a five-week block is £1,475.

Studying at Essex is really a brilliant experience. It gives me opportunity to develop my own ideas and interests, as well as engaging with global thinking. On campus, I can feel the mixture of excitement, enjoying the academic atmosphere and communicating with my friends from all around the world. I can learn advanced knowledge from my teachers and I think it is like a new journey to me.

Even though I miss my country, I do not feel lonely. There are facilities and support that we can rely on. I’ve made use of the Sports Centre, the library, the IT services, and Employability & Careers. They’ve helped me not only enjoy my time at Essex but also to plan for the future.

**I have always had a keen interest in science, thus choosing a degree within that subject was rather easy for me. I only applied to the University of Essex and luckily I was accepted. The University appealed to me due to its good reputation and its campus life. My course offered me a range of interesting subjects and topics. The lectures were stimulating and I gained a fascination with the subject. I am truly grateful for everything that I experienced at the University.**

“Several reasons made me choose The University of Essex as my home for the next three years. I love London, and now I’m only 50 minutes away, which is perfect. Essex is one of the best universities for research in the country, and it provides great opportunities both now and for the future. I’m doing the Bachelor course Business Administration at the Southend Campus, which is really nice. Even if it’s a steep learning curve coming to university, we got all the support we could ask for. We also got a brand new building with top modern equipment that gives us the best possible conditions to learn and develop.”

When I thought of undertaking postgraduate studies in human rights, almost every programme I came across was located in the faculty of law. What I was looking for was a programme that would be multi-disciplinary in its approach. I was clearly aware of the limitations in a narrow and single-discipline approach to human rights. I did not know such a programme existed anywhere in the world, until I came across the human rights programme at the University of Essex.

*What made Essex my first and only choice was the fact that they offered this unique Masters program - an MA in Translation, Interpreting and Subtitling. The course offers a great deal of variety and practicality. I was able to acquire skills and knowledge through preparing speeches and interpreting at student-led conferences, engage classmates in translation challenges, attend seminars and network with industry professionals. State-of-the-art facilities such as interpreting booths and specifically tailored computer labs only added to the authentic feel of a translator/interpreter setting.*

My year at Essex was both challenging and exciting. To achieve good results I had to study a lot but it was so amazing to obtain new knowledge, broaden my experience, and find new friends.

The friendly atmosphere, supportive and very professional staff were the main advantages of the Department of Mathematical Sciences. The structure of my course was excellent, combining very useful financial modules (financial modelling, risk management, etc) and mathematical subjects (portfolio mathematics, research methods etc), which complemented each other and gave full understanding of the mathematical tools applied in the financial sphere.

Our undergraduate courses in modern languages have a triple focus on developing language proficiency, cultural awareness and professional skills. We are the only UK university that offers you the chance to study up to four languages.

### WHY STUDY ABROAD?

Study abroad is extremely worthwhile and enjoyable both socially and educationally.

As well as experiencing life in another country, your study abroad experience can help you in your future career, showing that you are naturally outgoing and adventurous, open to new ideas and methods of working. More and more students are enjoying spending a period of study in another country as part of their studies.

After your year abroad, you will be able to present future employers with evidence of your capacity for inter-cultural understanding, self-reliance and independence.

There were two main reasons for deciding to come to Essex. The first was the reputation of the Department of Government, the best department in the study of politics in the United Kingdom and one that is also widely recognised overseas. The second reason was because I had heard the University was one of the most internationally diverse, and I was looking forward to sharing my academic experiences with people from different contexts and backgrounds. This has been, undoubtedly, a very fulfilling experience and I would recommend for anyone who is interested in politics to study here.

MY ULTIMATE CAREER GOAL IS TO WORK WITH REFUGEE CHILDREN AND PROVIDE THERAPEUTIC SERVICES. WHEN I WAS RESEARCHING GRADUATE COURSES I CAME ACROSS THE MA REFUGEE CARE OFFERED AT THE UNIVERSITY OF ESSEX. THIS COURSE WAS DIFFERENT FROM ANY OTHER REFUGEE STUDIES PROGRAMMES THAT I HAVE SEEN. IT FOCUSED ON THE ESSENTIAL ISSUES RELATING TO REFUGEES AND THE REFUGEE EXPERIENCE, AS WELL AS EMPHASISING THERAPEUTIC PRACTICES.

FROM THE FIRST DAY ON CAMPUS I MANAGED TO MEET A LOT OF GRADUATE STUDENTS FROM VARIOUS MAJORS. I AM VERY MUCH ENJOYING THE SOCIAL EXPERIENCE AT THE UNIVERSITY.
