

INSPIRING ACHIEVEMENT

Established in 1966, we are building on 50 years of achievement with a **vision** to be internationally recognised as a world leader in research, an innovator in contemporary education, and the source of Australia's most enterprising graduates.

With core **values** of integrity, courage, innovation and excellence, and an underlying ethos of being student centred, Flinders University has a bold **mission** of *changing lives and changing the world*.

Flinders University was named after the famed navigator Matthew Flinders, who in an 1804 letter explained why he was embarking on his adventurous life of discovery:

I HAVE TOO MUCH
AMBITION TO REST IN
THE UNNOTICED MIDDLE
ORDER OF MANKIND.
SINCE NEITHER BIRTH
NOR FORTUNE HAVE
FAVOURED ME, MY
ACTIONS SHALL SPEAK
TO THE WORLD.

GEOGRAPHIC FOOTPRINT

Headquartered in Adelaide,
South Australia, we offer exceptional
teaching on campus and online, with
a physical presence extending across
multiple locations.

RESEARCH EXCELLENCE

NINETY PERCENT OF OUR RESEARCH IS RATED WORLD-STANDARD OR ABOVE.*

Research is a fundamental cornerstone of our mission as a University. Through research and research-led teaching, we build and develop knowledge that enhances society as a whole.

Major research areas include:

- archaeology
- autonomous vehicles
- clean technology
- creative arts
- criminology
- health and medical
- health technologies: medical devices and digital health
- labour and industry transformation studies
- marine and maritime research
- nanotechnology and analytical chemistry
- neuroscience, psychology and mental health
- palaeontology
- water and the environment.

With 25 research centres and institutes, we're focused on making a positive difference, improving people's lives, and creating a better world.

* Flinders rating 89.7%, rounded up to 90% (Excellence in Research for Australia, 2018)

MEETING THE NEEDS OF INDUSTRY

WE WORK CLOSELY WITH BUSINESSES AND THE COMMUNITY TO MEET INDUSTRY NEEDS AND TO ENSURE OUR RESEARCH IS ALWAYS RELEVANT.

New Venture Institute

The New Venture Institute is the centre of innovation and entrepreneurship at Flinders. For industry, it is the door to all that Flinders has to offer, ensuring creativity, innovation and entrepreneurial thinking are at the core of everything you do.

Medical Devices Partnering Program

The Medical Device Partnering Program supports the development of cutting-edge medical devices through unique collaborations between researchers, industry, end-users and government.

Tonsley Manufacturing Innovation Hub

Located in the award-winning Tonsley Innovation Precinct, the Tonsley Manufacturing Innovation (TMI) Hub is driven by Flinders University, the South Australian Government and the Manufacturing Co-operative Research Centre. It taps into the work of mature global companies, local enterprises and start-ups already located at Tonsley including Siemens, Zeiss Vision, ZEN Energy and Sage Automation.

EXPERIMENT AND EXPERIMENT BRAVELY.

Flinders University
Founding Vice-Chancellor
Professor Peter Karmel

INNOVATIVE EDUCATION

AT FLINDERS,
INNOVATION IS NOT
JUST SOMETHING
WE SAY, IT'S
SOMETHING WE DO.

It's in our cutting-edge research that informs what students learn, and our connections to industry that keep our courses relevant. It's in our state-of-the-art facilities and dynamic approaches to teaching.

But beyond that, innovation at Flinders is about preparing students for the future. It's about giving them the skills to think outside the box and recognise opportunities to do things better. That's where the jobs of tomorrow lie, and Flinders prepares students for this reality.

That's where our innovation and enterprise program comes in. Our innovation and enterprise topics are available to all students who want to know how to enhance their creativity, understand and embrace innovation, and think like an entrepreneur.

INDUSTRY PARTNERSHIPS

FLINDERS HAS FORGED STRONG RELATIONSHIPS WITH INDUSTRY PARTNERS LOCALLY AND INTERNATIONALLY.

Some of the many important industry and project-based partnerships Flinders has formed include:

Australian Fashion Labels

Australian Fashion Labels is a top fashion apparel company based in Adelaide, with over 3,000 stockists worldwide and international offices in Los Angeles and Shanghai. Flinders Business students can undertake work placements and gain hands-on experience in public relations, social media, international marketing and accounting.

Cisco Australia

Cisco, a worldwide leader in networking and the provider of the state-of-the-art network infrastructure at Flinders, supports high quality research in innovative health technologies. Flinders and Cisco have also established a Cisco Academy at Tonsley, which equips students for the jobs of the future. Developments in this field has the potential to radically change how people interact with health services, and how they manage and maintain their health throughout life.

SA Health

Flinders works in partnership with SA Health to provide clinical training placements to our medicine, public health, nursing and health sciences students in hospitals and health services across South Australia. These placements ensure our students are well equipped to apply the theory they learn to patients and communities in a variety of health service settings.

Flinders Medicine is co-located with Flinders Medical Centre – a major South Australian hospital. Our medical and other health students have the opportunity to be exposed to authentic, patient-centred clinical experiences from early on in their courses.

Rural placements are also a focus of our degrees, exposing students to a professional multidisciplinary environment where patients present a wide range of needs.

CDW Studios

Flinders offers courses in collaboration with CDW Studios, providing training in visual effects and entertainment design. Students learn from leading industry professionals who have worked with companies such as Disney, Blizzard Entertainment, Rising Sun Pictures, WETA, Wizards of the Coast and Lego. Flinders and CDW Studios' School of Visual Effects and Entertainment Design was ranked No. 1 Digital Illustration School 2017 and 2018*.

Defence

Flinders University's South Australian location places us at the heart of Australia's defence industry. To support current and future defence programs, we've developed a range of international industry and academic partnerships. Our agreements with leading defence companies such as BAE Systems, Thales, Northrop Grumman and Naval Group provide cutting-edge training for our engineering students and opportunities for collaborative research, as well as a number of internships for our students.

WORLD-CLASS FACILITIES

FLINDERS OFFERS INNOVATIVE TEACHING FACILITIES AND LEARNING SPACES THAT BRING TOGETHER THE BEST THE WORLD HAS TO OFFER. AND THEY'RE NOT JUST FOR OUR STAFF AND STUDENTS.

A wide range of venues and facilities is available for hire across our various locations. We welcome booking enquiries from business partners and the community.

Plaza and Student Hub venues

Hosting your event in the Flinders Student Hub at Bedford Park provides:

- highly adaptable spaces
- an iconic setting showcasing spectacular views
- a quality food and beverage experience
- premium audio-visual equipment.

Café Alere and Function Centre

Flinders Café Alere is a casual and relaxed space located on level two of the Student Hub on Bedford Park campus. The Alere Function Centre provides a uniquely adaptable space, perfectly suited to hosting weddings and celebrations, and corporate cocktail and dinner events.

The Tavern

The Flinders Tavern by Burger Theory is the perfect venue for hosting 18th or 21st birthdays, corporate functions, engagements and other celebrations. It is available for takeover hire on weekends and partial venue hire on weekdays.

Lecture theatres

Lecture theatres are available for hire outside teaching hours. They have fixed seating for up to 250 people, include audio-visual and computer facilities, and have disability access.

Sport and fitness facilities for hire

We have a number of indoor and outdoor sport facilities for hire including the sports hall, squash courts, outdoor ovals, and tennis courts.

EXPERTISE

People search

Flinders provides a searchable database of subject matter experts for media commentary and/or research expertise.

WORK WITH US

Tenders

The Flinders University E-Procurement Portal advertises tenders and other purchasing requirements to the market and manages the procurement process. Register with us online.

Access student talent

If you're looking to host a Flinders student in a work placement or project, employ enterprising and creative career-ready graduates, or develop your employees, we'd like to hear from you.
