MEDİPOL  
ÜNİVERSİTESİ

## Introduction

❖ **Medipol University, one of the youngest and the most modern universities in Turkey, was founded on 7 July 2009 by Turkey Education Health and Research Foundation (TESA).**

A large, modern, multi-story building with a glass facade and a prominent Medipol logo on the roof. The building is surrounded by greenery and trees. The sky is clear and blue. The text 'MEDİPOL' and 'MEDİPOL ÜNİVERSİTESİ' are visible on the building's facade.

## Medipol University

- ❖ Kavacık Campus is on the Asian side of Istanbul where most of the facilities, dormitories, sports areas, and research laboratories are located.
- ❖ The university is equipped with modern classrooms, laboratories, library, and other facilities in both campuses.
- ❖ The university cooperates with one of the biggest private health care providers, Medipol Mega Hospitals Complex.
- ❖ Istanbul Medipol University Halic Campus is located on the Golden Horn Peninsula, one of the oldest regions in Istanbul, and started education in 2010.

UNIQUE

Laboratory for Each  
Department

# ◆ International School of Medicine

The Medipol ISM, which enables its students to research at the international level, is the unique school which has 3 characteristics required for raising successful students:

- ❖ an infrastructure which enables them to be scientists,
- ❖ English language education which brings them to a native speaker level,
- ❖ possibility to have experience abroad and to have network with the professionals abroad.

**Medipol students, who complete the 4th year of education with great success, can continue their internship period and can be observers in the researches at Harvard University, within the scope of the agreement signed by our universities.**

# ◆ School of Medicine

- ❖ Medical research principles and practice merge in Medipol faculty of medicine thanks to REMER, one of the best research centers in Turkey, and Medipol Mega University Hospital.
- ❖ Further English language education is made possible by the institutions in the US based on the MOU inked in between. In so doing, researcher physicians academically devoted to IMU are targeted to be trained by the faculty.

## ◆ School of Dentistry

- ❖ The dental education model is approved by the Association for Dental Education in Europe (ADEE).
- ❖ The most important purpose of this education model is to help the IMU students develop research and individual learning skills in both theory and practice during the academic year.

## ◆ School of Law

❖ The School of Law aims to train professionals who are equipped with a solid insight of law and legitimacy and can contribute to society as lawyers, attorneys, prosecutors, and judges.

❖ The law education lasts for four years with the language of education to be 30% English and 70% Turkish. Interested students are also offered integrated intensive English language training courses.

ADALET MÜLKÜN TEMELİDİR

## ◆ School of Pharmacy

- ❖ Our academic staff have prominent educational backgrounds holding national and international merits and credentials.
- ❖ The faculty of pharmacy trains interrogator, investigator, analyzer pharmacists who take effective responsibility at every stage from production to consumption of the medicine, contributing to the well-being of the society.

# ◆ School of Fine Arts Design and Architecture

The programs offered at the school of Fine Arts Design and Architecture:

- Industrial Design
- Visual Communication Design
- Urban Design and Landscape
- Gastronomy and Culinary Arts
- Architecture
- Arch. & Environmental Design

## Language School

- ❖ In the Istanbul Medipol University the medium of instruction is Turkish and English. The ratio of the medium of instruction depends on the faculty and department.
- ❖ The students of all the departments which have no compulsory preparation program, have the right to register at the English Preparation Program optionally.
- ❖ The English Preparation Program which consists of four level, serves for the students who are taught in English.

## INTERNSHIP INSTITUTIONS

**CAMPUS LIFE**  
**Health, Culture and Sport**

## Dormitory Facilities

- ❖ The girls' and boys' dormitories with the capacity of 2.500 students, which are located at the Kavacık North and Kavacık South Campuses, are equipped with smart building systems like all other education buildings in these campuses.
- ❖ Dormitory rooms are equipped with study tables, bookshelves and cabinets, and clothes cabinets with password locks.
- ❖ There is a bathroom, WC, mini fridge and shoe cabinet, and free wi-fi service.

❖ The dormitory has its own dining hall, mini kitchen, canteen; and the sport saloon is also provided for our students.

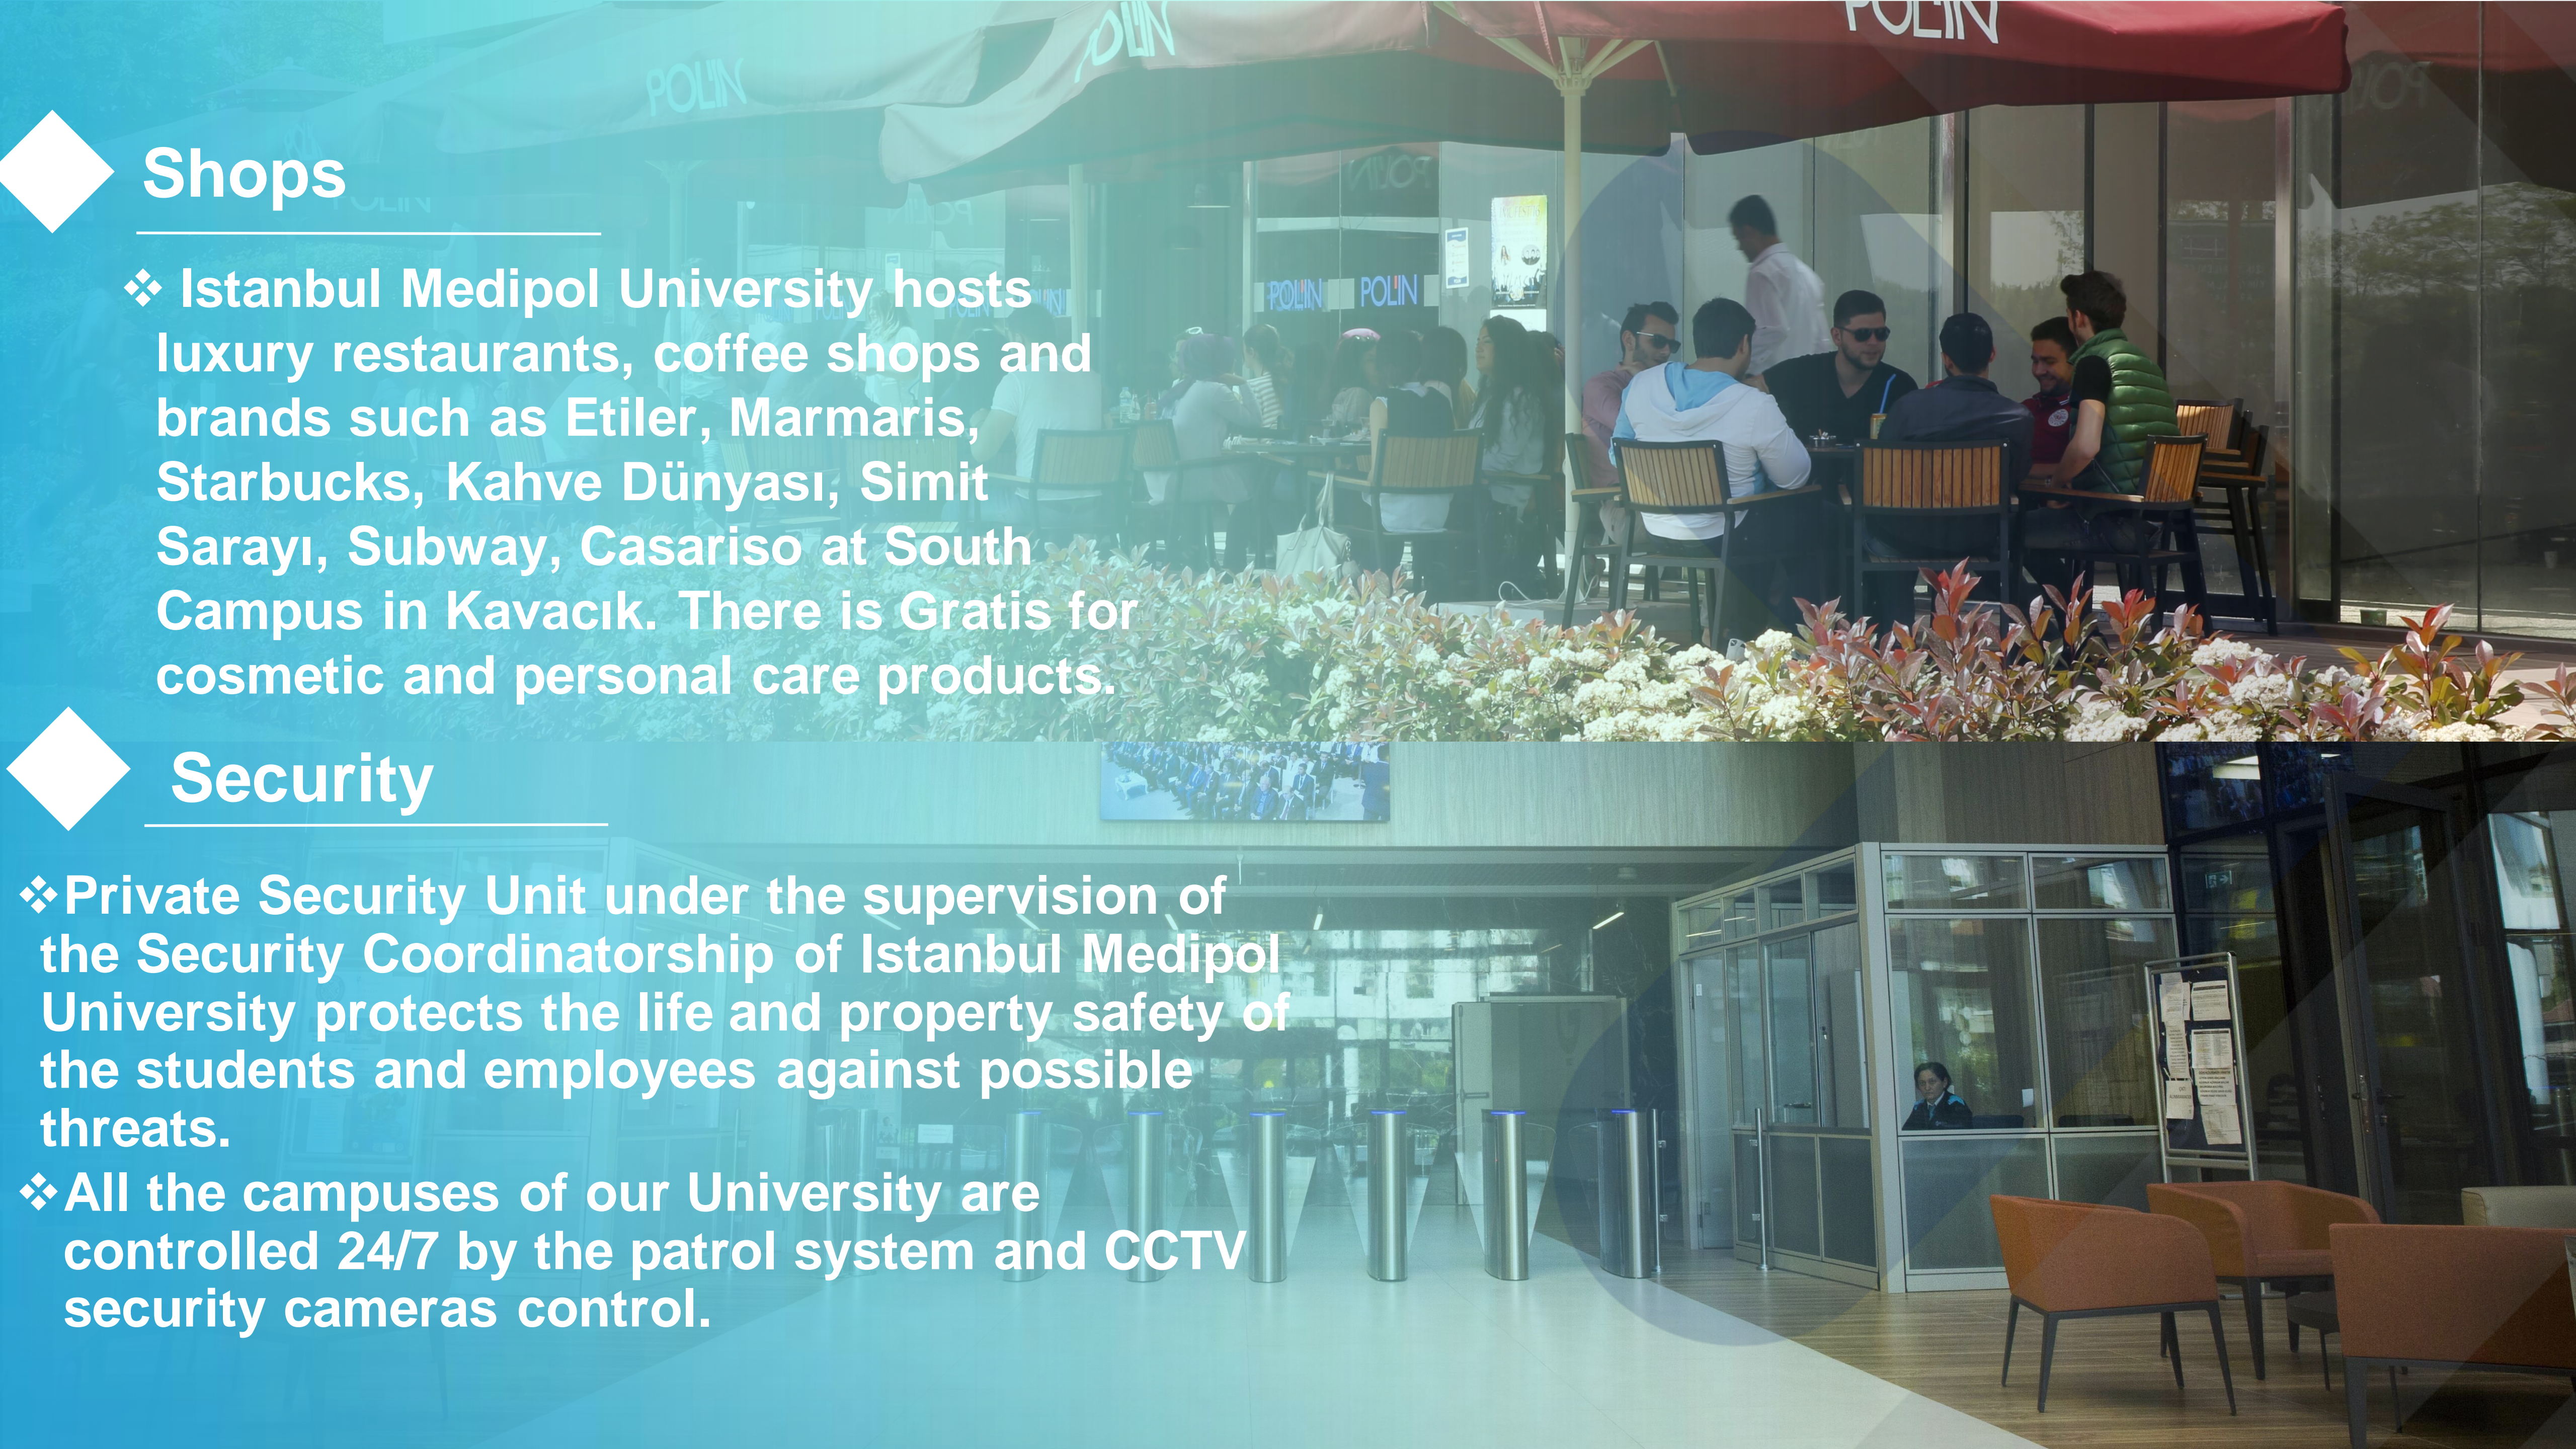

## Shops

- ❖ Istanbul Medipol University hosts luxury restaurants, coffee shops and brands such as Etiler, Marmaris, Starbucks, Kahve Dünyası, Simit Sarayı, Subway, Casariso at South Campus in Kavacık. There is Gratis for cosmetic and personal care products.

## Security

- ❖ Private Security Unit under the supervision of the Security Coordinatorship of Istanbul Medipol University protects the life and property safety of the students and employees against possible threats.
- ❖ All the campuses of our University are controlled 24/7 by the patrol system and CCTV security cameras control.

A photograph of a library interior. In the foreground, several students are seated at long white tables, focused on their work. Some are looking at laptops, while others are writing in notebooks. The background is filled with tall bookshelves packed with books. The lighting is soft and even. A large, semi-transparent blue circle is overlaid on the right side of the image. A white arrow-shaped banner points from the left towards the center of the image.

# LIBRARY

# ◆ ERASMUS

- ❖ 78 Bilateral Agreements with 21 Different Countries
- ❖ The students are able to complete one or two semester of the academic year or at least two months of their internship at any agreed higher education or business institutions.
- ❖ Students don't pay educational fee at the universities.
- ❖ The students can apply for Erasmus grant in order to be supported for their living expenses at abroad.
