Why Choose Hofstra for Your Graduate Studies?

Thank you for taking the time to consider Hofstra University for your advanced studies. You have many options when looking at graduate schools, and we are confident that you will find one that meets your needs here. With master’s, doctoral and postgraduate programs, Hofstra will help you develop your mind, satisfy your curiosity, and advance your career.

At Hofstra, there is no one-size-fits-all curriculum. Each program is tailored to help students succeed in a particular field, whether that means a focus on theory, hands-on practice, or a combination of the two. Your classmates will come from culturally and intellectually diverse backgrounds, and your professors will be leaders in their disciplines. We strive to blend state-of-the-art campus facilities with strong community connections and our proximity to New York to ensure your success after graduation.

Hofstra is 25 miles east of New York City: incredible companies, culture ... everything!

Miles to Hofstra University from:
- Boston, MA: 220
- Chicago, IL: 825
- Dallas, TX: 1,580
