MAKE A DIFFERENCE

SOCIAL INNOVATION

We're proud to be regarded as Australia's most inclusive and engaged universities – ranked number one year-on-year in Australia for social equity from The Good Universities Guide.

In 2022, Social Traders certified CQUniversity as the only university in Australia that meets the criteria of a social enterprise. CQU is committed to changing the world through social innovation – to improve the lives of people and their environments through innovative solutions to complex social challenges.

Your CQU degree develops your confidence to create positive change, and equips you with job-ready skills including resilience, collaborative leadership, and creative problem solving. New ideas that tackle complex social challenges are significant drivers of economic growth, and your social innovation mindset will be in high demand with employers and governments.

We help you develop this mindset through dedicated units, assessments, projects, all relevant to your chosen discipline. Regardless of your field of study or career path, you will graduate ready to shape the world for the better.

OUR CAMPUSES

4 OF THE BEST STUDENT CITIES IN THE WORLD ARE IN AUSTRALIA

QS Best Student Cities 2022.

CQUniversity has 12 welcoming campuses, plus online study, for international students across four states, offering the largest footprint of any tertiary education institution in Australia with excellent accessibility and direct international airport links to major regional centres.

Live amongst our native wildlife and be surrounded by natural beauty or choose to study in our bustling, multicultural campuses with easy access to the best of city life. Your experience studying in Australia will be different depending on which of our campuses you choose to study.

ROCKHAMPTON

10–25°C

22–32°C

Our main and largest campus has lush gardens and lots of greenery, providing a tranquil and picturesque environment to study in. Our campus features over 30 academic buildings including engineering and allied health precincts, nursing, medical and paramedic science laboratories, a digital media studio, three-level library, café and lounges, and a major Community Sports Centre.

Live on campus at our student Capricornia College residence amongst our beautiful parkland grounds where a family of kangaroos are often found lazing around.

#5 FOR SKILLS DEVELOPMENT

The Good Universities Guide 2022 (Postgraduate).

OUR POSTGRADUATE DEGREE STRUCTURE

Our postgraduate courses are a great option if you have completed a bachelor degree or in some cases have relevant professional experience and are looking to complete further study to advance your skills and knowledge.

COURSEWORK DEGREES

GRADUATE CERTIFICATE

Provides specialised study in a specific subject area with the opportunity to progress to a graduate diploma and/or masters upon completion.

GRADUATE DIPLOMA

Enables you to develop skills in a specialised area or equip you with the knowledge to undertake a new career direction.

MASTERS BY COURSEWORK

Comprises a series of specialist courses designed to extend your professional understanding in a particular subject area, or provide you with the opportunity to move in a new professional direction.

RESEARCH STUDY OPTIONS

Our master by research and doctoral courses are based on a research project carried out by the candidate, under supervision of well-qualified, active researchers from amongst the University's academic staff.

You can choose from a diverse range of disciplines across the University's priority research areas. Specific topics can be chosen from the published list available at cqu.edu.au/research/research-higher-degrees/projects.

Or, you can suggest your own topic area, provided the University agrees that the project is feasible, and there is appropriate support available in terms of supervision, facilities and other necessary resources.

MASTER OF RESEARCH

Enables you to undertake original research in a particular area of interest under supervision and resulting in the submission of a thesis.

DOCTOR OF PHILOSOPHY (PhD)

Awarded on the basis of a thesis prepared under supervision that makes an original, significant and extensive contribution to knowledge and understanding in the relevant field of study, as judged by independent experts applying accepted contemporary international standards.

DOCTOR OF EDUCATION

A specially designed doctoral degree suitable for professionals working within the education and training sector. The degree offers candidates a supported entry, with structured research tasks followed by a thesis component.

DOCTOR OF PHILOSOPHY (INDUSTRY)

A uniquely designed higher research degree designed for people who aspire to a doctoral degree and who have significant professional experience without a formal qualification in research.

Combining preparatory studies, advanced coursework and a research project (dissertation component), the PhD (Industry) enables graduates to bring high-level research analysis and critical thinking skills to bear on their existing leadership and/or management roles in industry and academic settings.

ENTRY REQUIREMENTS

For entry to CQUniversity courses, you must meet minimum academic and English proficiency requirements.

Some courses may include prerequisite study in certain subjects.

* Variation to term availability, check Handbook for more details.

Total fees may vary depending on chosen major.

^ Duration extends to 3.5 years full-time for Term 2 commencement.

Duration PT – Part time available for online courses. Duration is in years, unless otherwise stated.

Intake T1 – Term 1 (March), T2 – Term 2 (July), T3 – Term 3 (November).

Please note the following important information:

- » Fees are in Australian dollars A\$.
- » Fees are indicative only and do not cover additional costs such as textbooks, accommodation, visa applications, OSHC, general living etc.
- » Fees are based on a full-time study load and the final fee payable will be determined by your selection of units and if any credit was awarded for recognition of prior learning.
- » The University reserves the right to amend fees at any time during the course. Fees are reviewed annually and may increase in the following year to enable CQUniversity to continue to provide quality services and facilities to students.
- » Courses are subject to change at the discretion of the University.
- » It is your responsibility to make yourself aware of the entry requirements and prerequisites of the courses you wish to undertake.

- » The typical annual fee shown provides an estimate of the tuition fees for the first year of the course in 2023. This estimate assumes a full time study load of 24 credit points per term (based on two terms) with no indexation from our 2022 fees, as we have retained the same course fees, providing an additional saving of approximately 4% if you commence your study at CQUniversity in 2023.
- » International students holding an Australian Student Visa can only undertake courses online from an overseas location.
- » International students studying on-campus in Australia may only take 33 per cent of their entire course by online education, and this option cannot be taken in its entirety during a compulsory term (Term 1 and Term 2). Students must study at least one unit face-to-face each term.

GRADUATE GUARANTEE

CQUniversity guarantees the employability of graduates from our undergraduate courses with the unique Graduate Guarantee program.

'We are in a partnership with our students that shouldn't end when they finish their course. We are committed to ensuring they make a successful transition to employment. More than that, we want to guarantee it,' says University's Vice-Chancellor and President, Professor Nick Klomp.

The Graduate Guarantee provides free access to a Graduate Certificate in Leadership and Entrepreneurship (online) for graduates who aren't in employment within six months of finishing their CQU degree.

RESEARCH AND DEVELOPMENT

CQUniversity Australia prides itself on its track record of successful partnerships to drive research impact and outcomes and the Indonesian region will be no exception. The University has partnered with Bappenas, Ganesha University of Education, Buleleng District Bali, and Trade and Investment Queensland to deliver research, development, study, industry engagement and supply chain management to help improve the sustainability of the beef industry across the region.

CQUniversity also has an agreement to deliver the Master of Business Administration, majoring in Public, Private Partnerships (PPP's) and Data Science (again taught in partnership with Bakrie University) to high-ranking officials from Indonesia's civil service.

ACCOMMODATION

It is important to find the right place to live so you can focus on your studies. As an international student, you may choose from a range of accommodation options to suit your needs and budget.

HOMESTAY

Homestay involves staying with a family in their home with meals, internet and utilities covered by your host – a great way to enjoy a true Australian experience.

Our preferred homestay provider is Australian Homestay Network at our metropolitan campuses who will facilitate the arrangement and ensure you have a welcoming, safe and enjoyable experience.

For more information visit homestaynetwork.org.

MANAGED STUDENT ACCOMMODATION

Student accommodation providers are large centres full of apartments of varying size where you will get a fully furnished bedroom, shared amenities and 24-hour support. Utilities and internet are usually included, be sure to check this before you sign up.

Scape is an endorsed provider of student accommodation to CQUniversity students in Brisbane, Melbourne and Sydney.

For more information visit scape.com.au.

StudentOne is the preferred accommodation provider for CQUniversity students in Brisbane. Our students can choose from Adelaide Street, Wharf Street or Elizabeth Street.

For more information visit studentone.com/cqu.

For additional off-campus student accommodation options visit cqu.edu.au/off-campus-accommodation.

PRIVATE ACCOMMODATION

Renting an apartment or a house with housemates is ideal for meeting new people and reducing your costs. If you decide to live alone, you will have to pay for all costs. Rentals come either furnished or unfurnished and you can find these through property websites such as realestate.com.au and domain.com.au.

CAN I ORGANISE ACCOMMODATION BEFORE I ARRIVE?

Depending on your choice of accommodation, it is possible to organise where you will live before you arrive in Australia. Living at one of our student residences, managed student accommodation and homestay are easy to organise beforehand using our preferred providers.

Be wary of organising a private rental from overseas as in most cases you do need to view a property in person before applying.

LIVING COST

The cost of living varies depending on the location, accommodation type and lifestyle you choose. The table below reflects basic living costs and does not include tuition fees, air tickets, student visa application fees, medical examinations for student visa application, OSHC and study related costs, such as textbooks.

When you first arrive, you will need to consider establishment costs such as bond payment, advance rent, furniture and other household items. If you have a car, you will need to consider vehicle registration and maintenance costs.

LIVING EXPENSES FOR A SINGLE STUDENT	AVERAGE PER WEEK (A\$)
Accommodation	90 – 440
Groceries and eating out	140 – 280
Gas and electricity	15 – 30
Public transport	30 – 60
Phone and internet	15 – 30
Car (after purchase)	150 – 260
Entertainment	80 – 150

Source: Study Australia.

There are financial requirements you must meet in order to receive a student visa for Australia.

The 12 month indicative living cost is:

- » you – A\$21 041
- » partner or spouse – A\$7362
- » child – A\$3152

For more information visit homeaffairs.gov.au.

STUDENTS UNDER 18

If you are under 18 years old when you start your studies, you are required to have an approved guardian until you turn 18 and reside in a CQUniversity approved accommodation.

For more information visit cqu.edu.au/studentvisas.

STUDENT ESSENTIALS

STUDENT VISA

If you intend to study in Australia, you will require a student visa for the duration of your studies. Once you have received your visa, there will be conditions you need to meet to ensure your visa remains valid.

The Department of Home Affairs website provides all information in relation to student visas.

For more information visit homeaffairs.gov.au.

TEMPORARY GRADUATE VISA

If you complete two years of a bachelor degree, masters degree or PhD in Australia, you could be eligible for a Temporary Graduate Visa, which allows you to live and work in Australia for two or more years.

For more information and options visit homeaffairs.gov.au.

OVERSEAS STUDENT HEALTH COVER (OSHC)

The Department of Home Affairs requires all student visa holders to have OSHC for the duration of their visa length. CQUniversity has a preferred arrangement in place with Allianz Global Assistance – a recognised health insurance provider for international students in Australia.

For more information and a quote visit allianzcare.com.au/en.

WORKING WHILE STUDYING

A temporary relaxation of working hours for student visa holders was implemented since 2022 until further notice to address workforce shortages. This means student visa holders are able to work more than 40 hours a fortnight in any sector of the economy.

Students must ensure they are aware of any changes to visa conditions, including work rights.

All people working in Australia have basic workplace rights and protections, including minimum pay and conditions. You will need to obtain a Tax File Number (TFN).

For more information visit immi.homeaffairs.gov.au, ato.gov.au and fairwork.gov.au.

GETTING AROUND

Public transport is an affordable, convenient option and is available at all our campus locations. Options include a bus, train, tram or ferry, depending on where you live. Some states provide discounted concessions for international students.

BRINGING FAMILY

If you wish to bring your family, you must provide evidence that you will be able to support them financially while they are in Australia. There are costs associated with schooling, childcare and health insurance.

AUSTRALIAN CURRENCY

The Australian currency is the Australian Dollar (AUD). Visit xe.com/currencyconverter to check your currency conversion.

RESIDENTIAL SCHOOLS

Residential schools may be compulsory or recommended, and vary in duration. They are usually conducted at a CQUniversity campus where an intensive block of classes allows you to obtain practical hands-on experience and network with lecturers, other students and in some cases industry specialists.

RECOGNITION OF PRIOR LEARNING

If you have previously studied at another university or institution within the last ten years, or have professional experience, you may be eligible for recognition of prior learning (also known as advanced standing, credit exemption and credit transfer).

Recognition of prior learning must be applied for at the time of applying for your course. Your qualifications and professional experience will be assessed on a case-by-case basis. Confirmation of approved credits will be made when you receive an Offer of Admission.

STUDY MODES

ON CAMPUS

If you are in Australia on a student visa you must study full time on campus. While in Australia, you are able to undertake some units within your course online provided it is: no more than 33 per cent of your entire course; approved by the University; and not entirely online in a compulsory term.

ONLINE

We have a strong record in delivering courses and units in highly advanced and innovative online environments, including Moodle, Zoom, online live classrooms and other online tools to maximise staff and student interaction.

By choosing to study online, you'll have the flexibility to study a world-class Australian qualification and graduate with the same qualification, all from the comfort of your home. If you choose to study online, you may choose part time or full time to study at your own pace. This is a perfect option if you need to balance work or family commitments or upskill to get ahead in your career. Some courses require you to attend a residential school in Australia for a short period of time.

Note: studying online is only available to international students who hold a temporary visa or do not live in Australia.

cqu.edu.au/international-online.

Take a look at
what online
study looks like.

Benefits of studying online:

- ✓ Graduate with the same qualification
- ✓ Flexible study load
- ✓ No student visa required
- ✓ Professional recognition will not be affected
- ✓ Save on Australian living expenses
- ✓ 24/7 access to online learning tools and study materials, including recorded lectures
- ✓ Receive feedback on your writing or help with a study question within 24 hours via Studiosity
- ✓ Study groups and online discussion forums
- ✓ Online video Ask-a-Librarian consultation sessions
- ✓ Learn highly desired attributes: time management, motivation and being an independent learner
- ✓ Shape your studies around your lifestyle and existing commitments

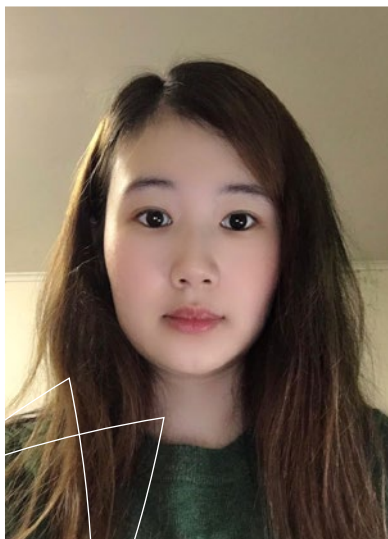

STUDY FULL OR PART TIME

FULL TIME

For an undergraduate or postgraduate coursework degree, a standard full-time load consists of 24 credit points per term. You can expect a maximum of 16 hours on campus each week, consisting of four hours per unit.

PART TIME

Part-time study is only available to international students who hold a non-Student Visa that allows study or do not live in Australia and are studying online. A part-time load consists of fewer than four units per term.

'Although most of my course was online, due to the pandemic, I was still able to learn and be ready for my future profession, thanks to the preparation provided by CQU.

I was employed right after my internship. I would not have the knowledge or skills if it were not for my choice with CQU.'
