

Social Policy Research

@ Lingnan University

**COMMITTING
TO SOCIETY**

**REVITALISING
HERITAGE**

RESEARCH AT
LINGNAN UNIVERSITY

**IMPACT
WITH CARE**

**ADVANCING
ENTREPRENEURSHIP**

**EMBRACING
SUSTAINABILITY**

At Lingnan University, we strive to innovate for society, especially for those who are in need. We conduct Research and Knowledge Transfer for promoting social innovations with high social impact. Our School of Graduate Studies, Department of Sociology and Social Policy and research centres house social policy and policy studies experts. Our research teams conduct comparative and international research in social development and policy studies from interdisciplinary, multidisciplinary and transdisciplinary approaches. We welcome regional and international research collaborations.

Major Policy Studies Units @ Lingnan University

- School of Graduate Studies
- Department of Sociology and Social Policy
- Centre for Social Policy and Social Change
- Asia Pacific Institute of Ageing Studies
- Lingnan University-South China University of Technology
Joint Research Centre for Greater Bay Area Social Policy
and Governance
- Lingnan University-Wuyi University Joint Research Centre
for Ageing in Place
- Asia Pacific Higher Education Research Partnership

School of Graduate Studies

**Our Social Policy /
Policy Studies Research Team**

Professor MOK Ka Ho, Joshua

Dean, School of Graduate Studies

Lam Man Tsan Chair Professor of Comparative Policy

Key research areas:

- International Higher Education and Governance
- Policy and Comparative Development Studies
- Greater China and East Asian Studies

Recent projects:

- UK International Students and Graduates from East Asia: Careers, Earnings, Jobs and Mobility (UK ESRC)
- A Study of Contracting out Social Services and Changing Welfare Governance in China (General Research Fund)
- One Country, Diverse Employment Systems: Measuring Employment Regulations in Sub-national China Based on Employment Protection Legislation Index (EPLI) (LU)
- LU Jockey Club Gerontechnology and Smart Ageing Project (Jockey Club)

Selected publications:

- Mok, K.H., & Qian, J.W. (2019) A new welfare regime in the making? Paternalistic welfare pragmatism in China. *Journal of European Social Policy*, 29(1), 100-114. doi: 10.1177/0958928718767603

- Zhu, A.Y.F., & Chou, K.L. (2018). Financial literacy of Hong Kong adolescents: Testing the validity of a scale and evaluating two conceptual models. *Youth & Society*. doi: 10.1177/0044118X17753813

The image features a large, vibrant green geometric shape, resembling a stylized 'V' or a large triangle, which serves as a background for the text. This green shape is set against a lighter background that shows a blurred, low-angle view of a classical building with white columns and a pediment. In the top right corner, there is a small, light pink triangular shape. The overall composition is modern and academic.

Other Faculty Researching on Social Policy / Policy Studies

Professor LUI Hon-Kwong

Professor

Key research areas:

- Higher Education Policy
- Poverty and Inequality
- Housing Policy

Selected publications:

- Jiang, J., & Lui, H.K. (2019). Higher education expansion and college earnings premium: A comparative study of two systems in one Country. Paper presented at The 16th Annual Conference of the East Asian Social Policy (EASP) Research Network. Taipei, Taiwan. 02 July 2019
