WHY MMS: DUKE KUNSHAN?

Join the Global Community

BECOME BUSINESS BILINGUAL

Immersed in the cultures of both the US and China, you will experience first-hand the dynamics between the two countries and how cultures shape economies, allowing you to understand the many facets of global business.

Duke Kunshan University is a Sino-American partnership between Duke University, which consistently ranks in the top ten of all American universities, and Wuhan University, named among China's ten best universities by the Chinese University Alumni Association. Through Duke's singular commitment to bring its best resources and culture of excellence, Duke Kunshan delivers a Duke education in the global center that is China today.

EARN A DUKE DEGREE

You will earn a Master's degree from Duke University, one of the world's most respected educational institutions.

WORLDWIDE

Your Future Starts Here

When it comes to launching a career, we mean business. A strong business foundation plus global experience will set you apart from other job-seekers, and our proactive approach to career management equips you with the skills necessary to take the first steps toward your future.

Employers by Industry

CAREER RESOURCES

COACHES AND MENTORING

Meet with career coaches one-on-one to develop a tailored job-search strategy.

WORKSHOPS

Attend workshops hosted by the Career Management Center and learn about everything from resume development to relationship building.

CORPORATE VISITS

Visit companies on-site to get an inside look at a firm or industry.

RECRUITING

Meet with select companies on campus for interviews and recruiting.

ONLINE MOCK INTERVIEWS

Use resources like the Fuqua Global Talent System and online mock interviews to find postings and enhance your interview skills.

ALUMNI ADVISOR

Team up with an alumni advisor currently working in your industry of interest and get personalized advice.

“ To me, the Career Management Center is one of the most valuable parts of the MMS: Duke Kunshan program. It not only provided me with a lot of industry insights and conventions that are not usually taught in class, but also smoothed my transition from student to professional through one-on-one coaching and mock interviews. As a result, I felt much more prepared entering the intense recruiting season. ”

COURSES

100%
FUQUA FACULTY

World-Class Faculty

Fuqua's world-renowned faculty are eager to help you succeed in your coursework and beyond. Student-faculty interactions inside and outside the classroom provide ample opportunity to learn from and form relationships with some of the greatest business minds in the world.

Case Study Participation

Classes use real business cases as the basis for classroom discussions and team assignments, challenging you to understand business problems from a hands-on perspective. You will gain a new vocabulary, industry knowledge and an appreciation for the management and leadership challenges companies face every day.

Team-Based Learning

The class is divided into smaller learning teams. Each team is hand-picked to maximize diversity and the opportunity to learn from one another. You will participate in team-building activities where you discover how to work together effectively and develop problem-solving, communication and leadership skills.

“*The seamless blending of classroom learning with real-world applications is unparalleled. The MMS: Duke Kunshan program has given me the best of both worlds.*”
