Campus Events

January

Chinese New Year Party For International Students

March

Arts Festival

An annual exhibition, the NTNU Arts Festival proudly features artwork, music, photography, and theatrical productions. The festival is held on a large scale every year and offers a host of diversified activities. The festival is strongly supported by the community and is one of the most acclaimed events at NTNU.

International Cultural Festival

Our annual internationally-themed event, the International Cultural Festival brings together cultures from around the world. The festival is a chance for students to both experience and introduce different foods and traditions. With activities including Chinese song singing competitions, the Festival helps local and international students come together to experience culture at its most lively!

May

Sports Exhibition

The sports exhibition is one of our proudest traditions at NTNU. Held each year before summer break, it is the most popular sporting event held on campus. From Taekwondo to ballroom dancing, a diverse set of performances showcase the strength and grace of NTNU's athletes.

June

Anniversary/Watermelon Festival

Each year on June 5, NTNU celebrates its anniversary with the Watermelon Festival. On this day, men send watermelons to women—red watermelons to express their love, yellow watermelons to show their friendship. With some students too bashful to express their affections directly, students came up with the idea of using watermelons instead, a clever play on words as a transliteration of watermelon can mean “my fair lady.”

September

Welcome Party for International Students

November

Sports Day

December

Christmas Party

With a heavily internationalized campus featuring students from around the world, NTNU offers students a chance to celebrate one of the world's most important holidays. Coming together with their classmates and peers, students find this Christmas party one to remember.

International Degree Students Application

Fall 2020/Spring 2021

Semester	Application Deadline	Semester Begins	Semester Ends
Fall Semester (1 st Semester)	Jan. 2-Mar. 16 2020	September	January
Spring Semester (2 nd Semester)	Mar. 2-Apr. 30 2020	February	June

Fall 2021/Spring 2022

Semester	Application Deadline	Semester Begins	Semester Ends
Fall Semester (1 st Semester)	Aug. 3-Nov. 16 2020	September	January
Spring Semester (2 nd Semester)	Mar. 1-Apr. 30 2021	February	June

*If different, please follow the dates published in the Admission Prospectus.

- Summer break: June to September
- Winter break: January to February
- Online application only. For admission prospectus download, application eligibility, admission procedures, and individual program requirements, please refer to the NTNU application website: <https://ap.itc.ntnu.edu.tw/istudent/apply/>

Scholarship Opportunities for Degree-Seeking International Students

Taiwan Scholarship

Please contact the nearest ROC diplomatic mission in your home country for information on fees & funding, application eligibility, and application methods

<https://taiwanscholarship.moe.gov.tw/>

NTNU International Students Scholarship

Fees & Funding

Full Tuition Waiver
Bachelor's program: 1 year
Master's program: 2 years
Doctoral program: 3 years
(For second & third year, Master's or Doctoral students should be recommended by their departments or institutes.)

Eligibility

Students seeking admission to NTNU degree programs as first-year students and those who have not been awarded any scholarship by organizations of the Taiwan government.

Application

New students should apply for the scholarship while applying for NTNU admission.
The application deadline for the scholarship is the same as the deadline for admission applications.

Come and join us at NTNU!

Taiwan has **beautiful nature** with impressive hills and lots of green even in the middle of the capital city. **Taiwanese people are very friendly and willing to help** in any situation and local food is just delicious!

—Kateřina Sychrová, exchange student from the Czech Republic

Through the activities of NTNU's clubs, I have met friends who come from a wide range of departments and universities. If you have the time and energy, I strongly recommend joining a club. **The clubs really add to the quality of student life at NTNU.**

—Koichiro Toda from Japan, student at the Institute of Taiwan History

NTNU is located between **MRT** stations and can be reached quite conveniently. The area around the university is amazing. There is a **night market** just a few minutes away from NTNU with lots of good food, interesting shops, clothing stores and much more.

—Antonia Müller, exchange student from Germany

NTNU has a **great student library with lot of resources**, including lots of online material. It is a great environment for those long study days and has been extremely helpful in my research.

—Jose Salomon Nazar Villalta from Honduras, student at the Institute of International Human Resource Development

The combination of lectures and research is extremely useful for students coming from different educational backgrounds and cultures in helping them complete their studies. **Courses that are up to date**, taught by excellent professors, and supported by adequate facilities have been the rule rather than the exception during my studies here.

—Bevo Wahono from Indonesia, student at the Institute of Science Education

Here you will find **an assembly of different ideas on education, as well as passionate and driven students**. Students help one another and share valuable experiences. I have met people from all walks of life who are just as committed to education as myself. In the process, I have also seen abundant professional growth.

—Tien-Jun Lim from Malaysia, student at the Institute of Curriculum and Instruction

Chinese Learning— NTNU Mandarin Training Center (MTC)

- A wide variety of class levels and programs are offered: seasonal programs, short-term programs, summer camps for young learners, MTC online learning, and elective language and culture courses.
- Scholarship opportunities: Taiwan Scholarship, Huayu Enrichment Scholarship (HES) and MTC scholarships.

Seasonal Program Dates, Application Deadline, and Tuition (1 US\$ = 30 NT\$)

Term	Dates	Application Deadline		Tuition		
		Need a Visa*	No Need for Visa**	Regular Class	Intensive Class	Customized Class
Spring	Mar. 1-May 31	Jan. 15	Feb. 14			Please contact MTC for organizing customized classes
