**Research & Cultural Programs**

To take part in a world-class research team, students will improve research skills and knowledge during this intensive five-week program. Upon completion, students will earn 3 credits. For the updated faculty list and the application information, please refer to the link below and our website.

**Field Trips & Cultural Activities**

Through a series of field trips and cultural activities, students are expected to gain in-depth knowledge about different environmental, historical, and cultural facets of Taiwan. Students will understand how Taiwan’s past has shaped its current state, and the subtle ways Taiwan forms foreign cultures with its own.

**Feasible Staff & Student Advisors**

All programs at NTU Max Academy have student advisors who are carefully selected to assist students to enhance their study abroad experience since we value student-to-student engagement. Our dedicated and friendly staff will collaborate with student advisors to help you throughout the program.

**Housing**

Participants will live in student dormitories or affordable hotels or hostels near NTU campus.
