15 REASONS TO CHOOSE SAKARYA UNIVERSITY

► 1. The Only University with European Excellence Award

Sakarya University is the only university in Turkey that has the European Quality Award which is one the most respected awards in the world. It has reached its quality development projects peak with EFQM European Excellence Award advancements that have been started in the 2000s.

► 2. Prominent and Internationally Recognized Academic Staff

Maintaining the equal and qualified education for all students, Sakarya University is developing its academic cast both in quantity and quality-related terms. Sakarya University emphasizes internationalization as most of its academic staff has experienced a study abroad.

► 3. Internationally Recognized Degree

Sakarya University alumni obtain a commentary document which is recognized internationally.

► 4. Double Degree Opportunity

Qualified students in terms of GPA and other conditions have the opportunity to take courses from two different programs simultaneously and have a double degree.

► 5. International University-Wide International Student Portfolio

There are 3000 foreign students from 105 different countries which is a part of Sakarya University's internationalization process. Sakarya University is one of the most welcoming universities of foreign students in Turkey through this number. Students of Sakarya University share a potential of developing their world-view through their colleagues who come from various parts of the world.

► 6. Strong Informatics Infrastructure

Sakarya University offers Wi-Fi and computer labs accessible to students throughout the campus. Moreover, students have the opportunity to borrow laptops with their IDs. Sakarya University students can rapidly register, reregister, and see their grades and other on-line services through SABIS (Sakarya University Information System)

► 7. Limitless Access to Knowledge-7/24 Open Library

Targeting a student population that spends its leisure time with books and (online) resources that are accessible without time limitations, maintains an open Central Library for the whole day. With a study environment made useful with computer labs that provides internet access, Central Library provides students with limitless reach to knowledge.

Sakarya University Central Library, serves 1300 people simultaneously 24/7 in a 10000 m2 area. Sakarya University students have limitless full-text access to over 250.000 hardcover books and millions of electronic resources.

► 8. Applied Education and Sectoral Lectures – Start Worklife One Step Ahead

Through the 3+1 and 7+1 Applied Education Model which Sakarya University developed in collaboration with industrial establishments and applied for the first time in Turkey by itself, students begin to work one step ahead. Thanks to a model that integrates theoretical knowledge with implications students both acquire necessary knowledge and skills to their fields. Also, sectoral lectures are included in the program so that the students can get a lecture from the professionals who have in-depth knowledge about the relevant sector. As a consequence of this model, Sakarya University stands among the universities from which its graduates most easily find their jobs.

► 9. A Unique Peaceful Campus

Every possible opportunity is provided for the students of Sakarya University which has a green campus with a panorama of Sapanca Lake. Students have their education in a calm atmosphere right next to Istanbul without its bustling city life. They also benefit from post and bank offices in the campus. Students have access to various lunch opportunities in the central cafeteria and numerous cafes in the campus. All of the campuses of Sakarya University have Wi-Fi connection and computer labs accessible to students. Students have access opportunities to millions of resources in the Library 24/7.

► 10. Leader in Student Exchange

Erasmus, Mevlana and Farabi student exchange programs are available at Sakarya University. Students exchange with universities in European countries with the Erasmus program. Sakarya University is ranked first in terms of the number of the students benefit from Erasmus program in Turkey. Mevlana Exchange Program allows students to exchange with universities in the Middle East, Far East and African countries. Farabi program is a program that provides student exchange among the universities in Turkey. This program allows students to study at any university in Turkey for one semester.

► 11. Appealing Program Variety

Sakarya University, with its 13 faculties, 1 college, 2 vocational schools, 6 institutes and 438 different departments, is among the universities with the richest program diversity among the universities in Turkey. Many of Sakarya University's programs have been accredited by impartial national and international organizations. Sakarya University is the leader in terms of accreditation, which is one of the most important indicators for the international recognition and competence of a university. Sakarya University is the university with the most accredited programs in Turkey.

► WHO CAN APPLY

International students who have graduated or expecting graduation from a high-school may apply for the undergraduate programs at Sakarya University.

► VALID EXAMS

The valid exams for applying undergraduate programs of the Sakarya University is disclosed through the website of International Student Center (studyinsau.sakarya.edu.tr/en). Sakarya University also organizes its own International Student Exam (SAKARYA YÖS) in different countries and centers. The candidate students who have scores from SAKARYA YÖS exam have advantage because 100% of the exam scores are included into their total scores.

► APPLICATION CALENDER

Applications for graduate programs start in June or July. Applications must be made online results will be announced in September.

► APPLICATION REQUIREMENTS

International student applicants must maintain at least a 2.5 grade point average out of 4 in undergraduate or master degree. Within the boundaries of the quotas determined, institute board makes a decision depending on average grade point without any further examinations.

Photocopies of the following documents are requested at the time of application and original documents must be submitted during the final registration;

- Diploma or graduation certificate (translated copy)
- Transcript (translated copy)
- Passport (for application) passport with education annotated visa (for registration)
- Turkish language proficiency certificate (Those who do not hold a certificate are required to attend TÖMER school of Turkish language.)
- A document indicating that a second language is known from the program languages (for the Middle East Institute)

Foreign students who complete their undergraduate education in Turkey are required to take the ALES examination.

For every student applying online for the Middle East Institute, the interview exam will be held online. In addition, at the Institute of the Middle East, the program is to teach and certify at least two languages of the program languages for teaching three languages (Turkish, English, Arabic).

► APPLICATION EVALUATION

Students who apply for graduate programs are evaluated on the basis of the grade point average (GPA) in the transcripts they have taken from the undergraduate programs and students who apply for doctorate programs are evaluated on the basis of the GPA in the transcripts they have taken from the graduate programs.

*** The application requirements are subject to change by the relevant Institutes. For the updated application requirements for master and PhD programs please check the website of the relevant Institutes.**

LIVING CAMPUS

► **Transportation**

The majority of faculties are located in Esentepe, where the main campus of Sakarya University is located. Esentepe Campus, which sees Sapanca Lake, is located in Serdivan, the new attraction center of the city.

► **Accommodation**

There are many options for student accommodation in Sakarya. Apart from state dormitories, there are many private dormitories near the campus. The total capacity of state dormitories is about 15 thousand students.

► **Food**

The dishes served at the student cafeteria are prepared under international standards by calculating the calorie needs under the supervision of expert dietitians and announced monthly. Students can eat for very reasonable prices in the dining halls where they can use their student cards for eating. There are various restaurants and cafes on the campus center and there are canteen at each faculty.

► **Health**

There is a Medico Social Center in the Esentepe Campus of Sakarya University which serves all the day. This center can be used for emergency cases and polyclinic services are provided in various branches. All students with general health insurance benefit from health services free of charge.

► **Library**

The Central Library of Sakarya University serves 1300 people at the same time with an area of 10 thousand square meters. It is possible to reach more than 200 printed sources and approximately 6 million electronic resources, 7 days and 24 hours.

► **Information Services**

Sakarya University offers Wi-Fi and computer labs accessible to students throughout the campus. Moreover, students have the opportunity to borrow laptops. Sakarya University students can rapidly register, reregister, see their grades and use other on-line services through SABIS (Sakarya University Information System).

► **Sports Facilities**

There are a variety of sports facilities within the campus area for students to be able to have their extracurricular time more effectively. Indoor Sports Hall, StepAerobic Hall, Fitness Center, Tennis Courts, Turf Football Field, Basketball Field, Sand Volleyball Field, Running Track, and Climbing Wall are among some of these facilities.

Various student groups in the university have activities in various sports such as football, American football, basketball, volleyball, handball, karate, taekwondo, judo, wrestling, table tennis, badminton, mountain climbing, rowing, boxing, scouting and tennis. Football, basketball, volleyball, billiard, table tennis, and chess tournaments are organized each year where students and staff can participate as athletes or audience.

► **Banking and Post Office Services**

At Esentepe Campus there are ATMs of various banks which serve 24/7. There is also a branch of Garanti Bank, İş Bank and Ziraat Bank and PTT.

► **Tuition Fees**

Sakarya University is a state university. Education fees are determined by the state. Educational fees are very affordable compared to private universities. Tuition fees for night-time and distance education undergraduate programs and nonthesis graduate programs may vary. Tuition fees are paid in Turkish Lira. Prices may vary according to current exchange rates. Students who study in Turkey with 'Turkiye Scholarships' do not pay tuition fees.

Scan the QR Code:

► **Language of Instruction**

The language of instruction at Sakarya University is mainly Turkish. Applicants must certify their proficiency levels in Turkish. Documents from Yunus Emre Institute and TÖMER centers of the universities are accepted. Turkish proficiency levels of candidates who cannot submit these documents are determined according to the result of Turkish Proficiency Exam which will be held by Sakarya University TÖMER. There are 4 undergraduate and 11 graduate programs offered in English

► **English Prep- School**

English Prep-School at Sakarya University is optional. English Prep-School consists of two semesters. Students enrolled in English preparatory classes follow a computer-assisted intensive language training program for the acquisition of reading, listening, writing and speaking skills on different levels. Prep-School carried out by the Department of Foreign Languages teach students the foreign language skills they need both in academic and business life.

► SELECTION

Turkiye Scholarships applications are assessed on the basis of academic success, extra-curricular activities and other professional credentials of the candidate.

1.Preliminary Assessment

All applications are reviewed based on basic criteria such as minimum academic grades, age limit, required documents etc.

2.Evaluation

Applications of eligible candidates are carefully reviewed by expert committees based on a broad set of criteria including academic standing, previous qualifications, academic interests, career goals, consistency of choices, clarity of letter of intent, participation in social activities etc. after which a list of qualified candidates is shortlisted for interviews.

3.Interview

The shortlisted candidates are interviewed in more than 100 countries by interview committees including academicians and experts.

How are Interviews Conducted?

Qualified applicants are invited for an interview in their own countries. In some cases, applicants are interviewed online or by telephone. Interview committees usually consist of at least one representative of Türkiye Scholarships and one academic staff from Turkish universities. Interviews usually last 15–30 mins. and are conducted in the following format:

- Welcome and introduction
- Document check
- Candidate's motivation for applying
- Academic knowledge and career goals
- Ending and questions to the committee

4.Selection

Interview results of applicants nominated by the interview committees are evaluated by a selection committee and a list of applicants to be awarded a scholarship are formed.

5.Admission

Candidates who are found eligible to be awarded with a scholarship following evaluation in the interviews are sent an acceptance letter through the Türkiye Scholarships Application System (TBBS) and through e-mail and are informed regarding the admission process. Awardees are then required to complete their Scholarship Agreement procedures before their arrival in Turkey.
