

Taught PG programme

General entrance requirements

For admission to a Doctoral degree programme, you must possess a Master's degree. As for the Master's degree or Postgraduate Diploma, the basic requirement is a Bachelor's degree from an institution recognized by PolyU. In addition, you must meet the entrance requirements that are specified for individual programmes. PolyU may accept equivalent qualifications. The decision is made on an individual basis.

English language requirements

Unless otherwise specified by individual programmes concerned, requirements for those who are not native speakers of English and do not hold degrees of which the language of instruction is English and from a recognized university are:

1. TOEFL with a score of
 - 80 or above (internet-based test)
 - 550 or above (paper-based test)
 - 213 or above (computer-based test)
2. IELTS with an overall score of 6 or above
3. Chinese mainland's College English Test (CET) Band 6

Research PG programme

General entrance requirements

To register for the degree of MPhil, a student should hold a Bachelor's degree with first- or second-class honours from a recognized university, or other academic qualifications that are deemed to be equivalent.

To register for the degree of PhD, a student should normally hold a postgraduate degree containing a significant research component, such as a dissertation, conferred by a recognized university.

In exceptional circumstances applicants other than those stipulated above may be admitted directly to the PhD programme, for example, applicants holding a Bachelor's degree with first-class honours, or the equivalent. Such applicants may be required to pass an examination.

English language requirements

Requirements for those who do not have a degree from a recognized university, and of which the language of instruction was English, are:

1. TOEFL with a score of
 - 90 or above with a writing score of 23 or above (internet-based test)
 - 575 or above with a score of at least 4 out of 6 in the Test of Written English (paper-based test)
2. IELTS with an overall score of at least 6.5 or above (with score for the writing component at 6.0 or above)

Alternatively, consideration will be given to acceptable scores in other internationally-recognized public examinations, such as GRE or GMAT.

Pursue your Postgraduate Study @ PolyU

PolyU welcomes applications from quality candidates from around the world. You may be considered for admission if you satisfy our general entrance and English language requirements.

Application process

- For taught PG programme, please apply online via www.polyu.edu.hk/admission.
- For research PG programme, please apply online via www.polyu.edu.hk/rowas.

Credit transfer and exemption

If you have completed previous postgraduate studies that are relevant to your chosen programme, you may be eligible for a credit transfer or exemption. Please check with relevant department(s) for confirmation.

Scholarships and research studentships

Different scholarships and research studentships are available for eligible students. Please refer to the respective website for more information.
