A Foreign Affair that Founded Symbiosis

The journey of a thousand miles begins with a single step. But, it is the first step that involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale.

"It was an afternoon on a hot day. I was standing near the window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the window of the boys’ hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot. So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low. I was puzzled." "When I turned to the boy for an explanation, he said, 'Sir, I have an attack of jaundice & I’m feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys’ hostel, she hands over the tiffin box through the window.' I was stunned. After all, it wasn't the type of ‘affair’ I had expected. I was very much pained & decided something had to be done about this. That was the instance, the golden moment that Symbiosis was born. “Symbiosis is a term in life science, meaning 'living together of two different organisms, for the benefit of each other'. Dr. Mujumdar, himself a professor of botany, thought this name apt for the institution. Thus the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included - accommodation, meals, medical care, guidance, coaching, information about the city, etc.

Symbiosis has come a long way since then. Today it is home to students from more than 80 different countries. These students are offered the best learning resources, industry exposure, a strong international students’ alumni network, a global recognition, and above all, a truly enriching Indian experience.
Chancellor’s Message

I am delighted to welcome you to the Symbiosis International (Deemed University). The University, founded on the guiding ideal of international understanding and excellence in education, is a proud member of the larger Symbiosis family.

I have no doubt that as you become more familiar with the University, you will find yourself presented with an abundance of possibilities in academics and more. The University is firm in its belief that academics is but one segment of education. You will discover the most progressive choices in teaching-learning, extra-curricular activities, wellness-recreation facilities, and all round infrastructural support. We take tremendous pride in our talented teaching staff, many members of which are academics of international standing. I am confident that as you begin to settle down, you will find your experience at Symbiosis to be rewarding and to be equal to the expectations you might have of an international institution.

Our end goal is to meet and exceed your higher education goals, of course, but also to prepare you to be leaders as you join the workforce, and, most importantly, to be responsible members of global citizenry. As you embark on your journey of higher education at Symbiosis, you will find yourself in the company of students from over eighty-five countries and from all over India.

I do hope that your association with Symbiosis will provide you with endless opportunities to harness your capabilities and put them to good use.

May God bless you!

Prof. Dr. S. B. Mujumdar
Chancellor
Pro Chancellor’s Message

It is my delight to welcome you to the new academic year at the Symbiosis International (Deemed University). We, at Symbiosis, are confident that you will find all that you are looking for in an institution. You will discover a world of opportunities, both academic and otherwise, at Symbiosis. I have not the least doubt that, as a student, you will be amazed with our offerings within the classroom and also outside: library, sports grounds, recreational facilities, and an endless variety of extra-curricular activities. You will benefit from all this at your institute and beyond: At Symbiosis, we are a big family indeed, and we encourage cross-exchange of ideas.

Of particular significance are our achievements related to internationalization. The University’s commitment to internationalization is an institutional mission. The institution owes its origin to the guiding ideal of Vasudhaiva Kutumbakkam—the world is one family. Internationalization is an organizational focus across the length and breadth of our pursuits.

Part of this obligation is our pledge to prepare graduates to succeed as members of the global workforce. We believe that higher education must contribute to the human resource base by arming students with career-preparedness capabilities. At Symbiosis, we offer every leading-edge possibility to strengthen the academe-industry interface, which we consider to be the cornerstone of job-readiness skills. The successful track record of our alumni speaks to our efforts towards aligning classroom knowledge with industry-oriented skills training.

Above all of this we hold our responsibility to foster the values of global citizenship, social responsibility, and volunteerism. As members of the Symbiosis family, you will learn to see yourself as responsible contributors to the civic life on the global platform.

I welcome you to the University, and wish you every success in your endeavors!

Dr. Vidya Yeravdekar
Principal Director, Symbiosis Society
Pro Chancellor, Symbiosis International (Deemed University)
Executive Director, Symbiosis Centre for International Education
Dear Students,

Symbiosis International (Deemed University) is one of the most sought-after destinations for Indian and International students, which has gained reputation for commitment to high quality learning and teaching. The beautiful sprawling 350 acres campus at Lavale, several campuses in Pune and other cities attract students from different regions, ethnicity and cultures and provide a vibrant and symbiotic ecosystem.

UGC has awarded Category I status to the University, and the National Institutional Ranking Framework (NIRF) 2019 has ranked the University 56th in Universities Category. On the International front, the University has been ranked 109 by QS World Ranking Agencies. It is the only Indian university to have received the Asia Pacific Quality Label.

At Symbiosis, enquiry, investigation and innovation are encouraged and nurtured. SIU offers high quality academic programmes in contemporary disciplines of Law, Management, Computer Studies, Health Sciences, Media and Communication, Humanities and Social Sciences, Engineering, and Architecture and Design. The academic programmes aim at imparting interdisciplinary knowledge with a broader vision, compassion, value systems and critical awareness of national and global issues. With collaborative networks of several Universities from different parts of the world, SIU provides very conducive, interactive, inspiring environment to create true global citizens who are ready to contribute to their respective countries and humankind.

Continuously building innovative technologies in the teaching learning and evaluation process, enhancing research, encouraging innovation, empowering students to become entrepreneurs, and offering a holistic environment as a Health Promoting University, SIU now has established the Symbiosis University and Hospital Research Centre (300 bedded charity hospital) which offers free medical treatment to the needy and is looking forward to the Symbiosis Medical College for Women which will commence in 2020.

I invite you to experience, explore, learn, play, work and get motivated to meet the challenges to shape your career and to meet the challenges of the new exciting world!

Welcome to the Symbiosis family!

Dr. Rajani Gupte
Vice Chancellor

Global Representation at Symbiosis

INTERNATIONALISATION IS IN THE DNA OF SYMBIOSIS

We have students from more than 85 countries
The University

Prof Dr. S. B. Mujumdar established Symbiosis in 1971 on the principles of the Vedic thought of “Vasudhaiva Kuttumbakam”, i.e. the world is one family. With changes sweeping across India's higher education scenario, Symbiosis International (Deemed University) established need based Constituent Institutes / Departments across the eight faculties of Law, Management, Computer Studies, Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering, Architecture and Design.

The University was given “Deemed to be University” status by the Ministry of Human Resource Development in 2002. Symbiosis International (Deemed University) offers doctoral, post graduate, under graduate, diploma and certificate programmes in Law, Management, Computer Studies, Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering and Architecture & Design. The University has been awarded Category-I status by UGC, and an ‘A’ grade by NAAC with a score 3.58 on 4. In the residential campuses category, Symbiosis International (Deemed University) has been ranked #1 in the country in the ‘Swachh Campus Rankings 2018’, #43 by NIRF 2020 in India under the Universities Category, #109 in BRICS QS World ranking 2018-19, and is the only Indian university to have received the Asia Pacific Quality Label.

Today the university has 37 Constituents, 7 Research Centres, 9 Support departments and 11 Departments of Skills & Continuing Education across four states and 6 cities in India. All the university campuses epitomize the Symbiosis vision, ‘Promoting International Understanding through Quality Education’ and are a beehive of international students from all across the globe, being privy to Indian culture and hospitality.

The establishment of every institute of Symbiosis has some history. Some institutes were established for a certain cause and some out of the needs of the industry and society at large. Every institute has created its own identity and has become a choice for students wanting to pursue higher education. Symbiosis has a rich heritage of cutting-edge innovation and enterprise, and of quality through pursuit of Educational excellence. The University offers various programmes at Doctoral, Postgraduate, Under graduate and Diploma levels under the faculties of Law, Management, Computer Studies, Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering, Panning, Architecture & Design. Access to several learning resources via the library, availability of housing facilities on several campuses, scholarship programmes to promote academic excellence, a health centre to promote Preventive and Curative care and events organised by the University Sports Board have facilitated well rounded overall development of students. Cutting edge technologies, smart classrooms and modern infrastructure positively impact the delivery of world class education. Diversity in the classroom and faculty rooms, service learning projects, internships and value added activities lead to a more holistic development of students. The University has academic collaborations with reputed foreign universities like Nanyang Technological University in Singapore, University of Houston in USA, Berlin School of Economics and Law in Germany and others. The Symbiosis Centre for International Education (SCIE) promotes internationalization and invites international students to the University for a Semester Abroad Programme. The University is actively involved with student and faculty exchange programmes and has also introduced the Scholar-in-Residence Programme. SCIE conducts intensive ‘Study India’ programme for the benefit of international students from over 85 countries that study here. A variety of activities are organised where international students of Pune city are able to meet on a common platform and display their many talents. Health and wellness are vital issues relevant to the academic success of students at Symbiosis. Symbiosis Centre of Health Care (SCHC), the in houses health care centre for the entire Symbiosis family makes conscientious efforts for the overall development of its staff & students by providing preventive, curative and health promotion programs to enhance optimal health, reduce risk of disease and injury and promote healthy lifestyle choices.

Recently, the University has established the Symbiosis Medical College for Women. The medical college and its attached Symbiosis University Hospital and Research Centre have state-of-the-art infrastructure and facilities.

Symbiosis International (Deemed University) is committed towards generation of knowledge, innovations and its contribution towards the development of the Nation. In addition to this, Symbiosis Centre for Research and Innovation (SCRI) at the University is promoting high quality research and encouraging the faculty to undertake more research activities. In tune with Institutional Social Responsibility (ISR), students of various Institutes of Symbiosis International (Deemed University) have been providing education and some related resources like school fees, uniforms and books to the underprivileged children around their campuses.

Symbiosis International (Deemed University) is committed towards generation of knowledge, innovations and its contribution towards the development of the Nation.
The University has the following Professor Emeritus and Chair Professors in various Faculties:

**Academic Programmes of the University**

SYMBIOSIS CENTRE FOR RESEARCH AND INNOVATION (SCRI):

Symbiosis Centre for Research and Innovation (SCRI) was established in 2009 with an objective of achieving high standards of research at SIU that result into quality contribution to the knowledgebase of the disciplines of Law, Management, Computer Studies, Health and Biomedical Sciences, Media, Communication and Design, Humanities and Social Sciences and Engineering.

SCRI acknowledges that the role of a University is to stay connected with the community by the way of understanding its major issues and problems and to suggest means to resolve them. Universities are expected to make meaningful contributions to the dialogue around the development of policies that impact the society. SCRI is a facilitator to the research journey of the academic fraternity of SIU. The department provides intellectual, academic and administrative support to the research endeavours of the members of the Faculties and students of SIU.

SCRI offers SIU’s Ph.D. Programme, Doctoral Fellowships, Research Funding and support for Collaboration and Publication to the researchers at SIU. The department is a nodal unit for enabling the research activities of SIU fraternity. Continuous improvement in quality of research at SIU is facilitated by the University’s research collaboration with the organizations such as Indian Council for Medical Research (ICMR), Larsen and Toubro Ltd., Society for Development Studies, Lupin Research Park, Chest Research Foundation, Serum Institute of India Ltd., KEM Hospital Research Centre and many more.

The collective research experience at SCRI has supported the scholarship of the Faculty members of SIU in terms of attracting prestigious research grants from the Government (such as DST-SERB, DBT, NABARD, ICSSR) and Non-Government agencies (such as ABTL, HUVE pharma, IBM, TCS) in addition to the internal funds provided for research to the Faculty and students by SIU. Every year, SCRI holds “SIU Anveshan Student Research Convention”, for showcasing students’ research projects from which the selected teams are sent to regional and further to national level convention organized by the Association of Indian Universities. SIU is empanelled research agency for conducting evaluation studies for the Government of Maharashtra. Doctoral research of SIU’s 500+ Ph.D. Scholars in different disciplines is facilitated by SCRI.

With commitment, focus and determination, SCRI is tirelessly contributing to the enhancement of research activities at SIU and strengthening its culture of good quality research.

Main focus of SCRI

- To develop institutional research agenda and to formulate policies to reflect a conscious effort for creating a congenial and scholarly climate that nurtures the quality research culture in the University.
- To establish the minimum standards for research activities at SIU that leads to good quality contribution to the existing knowledge.
- To build research capacity and mentor the researchers to translate their effort into high quality research outcome.
- To set up a systematic procedure for administration of research programmes.
- To facilitate the research endeavours of the researchers at SIU.

SYMBIOSIS CENTRE FOR NANOSCIENCE AND NANOTECHNOLOGY (SCNN):

Symbiosis Centre for Nanoscience and Nanotechnology has been recently established keeping in mind that Nanoscience and Nanotechnology will fundamentally transform science, technology, and society in the future. The Centre envisions promoting basic and applied research in the fields of Nanoscience and Nanotechnology, with potential applications towards fulfilling national strategic needs.

The main research focus of the Centre includes Synthesis advanced functional nano-materials, Fabrication of nano-micro devices, & Multidisciplinary applications in field of Energy, Environment and Biomedical. The objectives of the Centre include opportunities for international exchange of scientists and students, and
make collaborative arrangements; to conduct seminars / workshops / conferences/extension lectures to promote Nanoscience & Nanotechnology; establish joint collaborative programs with the up-coming industries in the field of Nanotechnology and promote interdisciplinary/ multidisciplinary scientific research.

SYMBIOSIS CENTRE FOR STEM CELL RESEARCH (SCSCR):

The centre is unique, as it is the only research centre in Pune that will perform research exclusively on stem cells. Research in Experimental Hematology at a cellular and molecular level will be carried out with respect to aging of stem cells, microenvironment - mediated regulation of hematopoietic stem cells, leukemia/lymphoma biology, development of 3D cultures, mesenchymal stem cell biology with special focus on exosomes and micro-vesicles and signal transduction. Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India has identified Stem Cell Research as one of the most exciting fields of life science in view of its potential clinical applications. With this understanding Symbiosis Centre for Stem Cell Research will serve in strengthening research in one of the targeted areas as identified by DBT’s Medical Biotechnology programme.

SYMBIOSIS CENTRE FOR WASTE RESOURCE MANAGEMENT (SCWRM):

Symbiosis International (Deemed University), Pune has established a centre called “Symbiosis Centre for Waste Resource Management (SCWRM)” with an objective to develop Centre of Excellence in Waste Management Practices to achieve Swachh Bharat mission by implementing the measures. The centre is currently conducting (i) awareness and training programmes for environmental sustainability and (ii) research in broad areas viz. (a) Biogas & Biocomposting; (b) Solid waste management and (c) waste water management. The centre also works towards developing academic curriculum for undergraduate and post graduate levels. The centre is committed to advancement of knowledge in the field of sustainable waste management for the benefit of the society and environment at large. The Centre also has the capacity to develop insights in diverse sectors of industry, economy and society which will deal with the waste generation and its management. Furthermore, SCWRM will be committed to interdisciplinary approach to build awareness and
seek to identify, analyze and implement key issues and challenges to waste management and sustainability involving all levels of stakeholder’s viz. Government, statutory bodies, policy makers, corporates, academia, research institutes, civil society and many others. Currently, the SCWIRM has coordinated projects with Pune Municipal Corporation (PMC) on diverse aspects of municipal waste management viz. Environmental Impact Assessment (EIA) and efficiency of biogas plants in PMC region; training and awareness; etc. The centre has successfully implemented a DRDE funded project on “mobile toilets” during Kumbhamela in 2016 at Nashik. The centre has also initiated international collaborations with University College London to work on Health, education, environment and engineering (HEEE) in urban and rural areas in and around Pune.

SYMBIOSIS CENTRE FOR MEDICAL IMAGE ANALYSIS (SCMIA):
In recent years there has been an increased thrust to understand and quantify the complex information conveyed by medical images. Developing modern computational techniques that offer the potential for extracting diverse and complex information from imaging data and applying these to a plethora of clinical studies is crucial. These techniques not only support precise quantification but also overcome the limitations of subjective visual interpretation. Furthermore, these methods can facilitate finding specific markers that relate to pathologies as well as aid in treatment planning. Building on this background, the objectives of this center are as follows: (1) development of novel computer-based image analysis methods and their application to a wide variety of clinical research studies (2) Translating the techniques to the clinic thereby aiding early diagnosis and understanding of the underlying pathology.

Currently, the center focuses on neuroimaging (MRI) and breast imaging (ultrasound). Image analysis methodologies include volumetric analysis, diffusion MRI processing and analysis, structural and functional connectomics, statistical learning in imaging, radiomics, population based analysis and deep neural networks for image classification. In future, the center plans to diversify research to image analysis of various organs and include multiple modalities in imaging.

SYMBIOSIS CENTRE FOR APPLIED AI (SCAAI):
Symbiosis Centre for Applied AI (SCAAI) is established in May 2019 and is affiliated to Symbiosis Centre for Research and Innovation (SCRI). The primary aim of this centre is to spearhead the advancement and novel developments in various application areas and promotion of the advanced research and education in the field of AI. Along with this SCAAI engages in interdisciplinary research to address pertinent issues that could involve a huge spectrum such as finance and banking to healthcare.

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR):
Acting as think tank to Government: membership and consultation to law Commission, the centre has conducted National Consultation on Civil & Criminal Justice Deliverance System, provided inputs to National Commission for Women, provided inputs on 9 pending bills to be discussed in the Lok Sabha, provided recommendations for Justice Verma Commission on Rape laws, and also provides Corporate consultation.

SIU’s Engagement with Europe:
Symbiosis has partnered with European Universities in different consortiums under the Erasmus + Program with an intention to enhance cooperation for facilitating students, faculty mobility and Strategic Partnerships for capacity building exchange of best practices. Partnerships with Universities in Germany under the DAAD- DIES (Dialogue on Innovative Higher Education Strategies) and DAAD-A New Passage to India have facilitated mobility and workshops for promoting internationalization of higher education. In addition, we have organized Annual Leadership Series & Conferences on the contemporary issues focusing on the European Union and its relationship with the world. These forums have witnessed think tanks, diplomats and Ambassadors share their insights with our students and faculty.

SYMBIOSIS TEACHING LEARNING RESOURCE CENTRE (STLRC):
The Symbiosis Teaching Learning Resource Centre (STLRC) of the University is a department which works dedicatedly for the professional and personal development of the faculty members. Its aim is to act as catalyst to inspire and mentor the faculty in their roles as teachers, researchers and more so as educational parents.

STLRC strives to complement the academic mission of the University by improving the teaching effectiveness and enhancing research ability of the faculty. The prime agenda of the centre includes taking care of all the faculty development initiatives that advance educational excellence. The centre provides opportunities to faculty members to contribute innovatively in the field of training, which in turn gets reflected in their teaching and thus the students’
achievements.
The spectrum of programmes offered by STLRC includes workshops, seminars, focused group discussions, panel discussions and others. STLRC has a rich repository of resource people of both international and national repute in the chosen fields of study. Research, Innovations in Teaching - Learning, Integrity and the use of Technology remain the driving forces of STLRC, and attaining excellence is the ultimate goal.
SCEW provides the students with a safe and confidential space where they can come and share their problems without the fear of being judged.
During the students' academic tenure with Symbiosis, SCEW will be conducting a series of lectures or workshop to help develop their Emotional resilience in order to prepare them to face the challenges in Society and help them become successful individuals.

Learning Resources:
Library:
Symbiosis International (Deemed University) is one of the country's Premier University and an educational hub of 42 institutions spread over different campus, imparting quality higher education in different areas like Management, Information Technology, Bio-Medical science, Engineering, Liberal Art, Health science and legal education.
All these institutions are having their own library, serving and catering to the need of students, faculty members, as a creative and innovative partner for supporting teaching, learning, scholarship and research activities of the University.
With the changing scenario e- resources are emerging rapidly and these libraries are well equipped with the state of art facilities to adapt these new technologies. Along with this the collection in the form of books, journals / periodicals is increased and all the libraries are trying to fulfil the information need through these resources, to the entire Symbiosis community.

KOH integrated library software – installed in all the constituents’ libraries.
OPAC (Online Public Access Catalogue) consists of all the books ((http://symbiosis-koha.informindia.co.in) and the same are accessible along with other reading material from any location.
SIU Central Library is housed in a newly constructed independent spacious state of art building with high quality amenities and facilities located at Lavale campus. The ambience of the building is beautiful with beautiful landscape around the building.
The pleasant environment and well-furnished area inspire the student to learn, conduct research and enhance their knowledge.
Central library has adapted the emerging new technologies for information retrieval.
SIU Central library subscribe number of online databases for faculty members, students and researchers. Some of them are EBSCO, Emerald, Scopus, Science Direct, SAGE Journal, JSTOR, Frost and Sullivan kluwer etc.
The Central Library is a member of the INFLIBNET Centre and has active part in submitting the research thesis to shodh ganga and also member of DELNET.
Symbiosis International (Deemed University) Library total book collection above 372470.
Print journals in Central Library 49 national and International Journals and 63 Magazines
E-journals in Library more than 47143
Symbiosis International University Library has above 181430 e books.
The Library portal is to provide access to its e-resource for all. (http://www.library.siu.edu.in/index.php
Symbiosis Centre for International Education (SCIE)

The Symbiosis Centre for International Education (SCIE) is an integral part of the University, providing leadership and support to internationalize the campus and the curricula. International students from over 85 countries pursue their undergraduate and postgraduate studies at Symbiosis. Students and faculty are provided with opportunities to pursue their international academic interests to the fullest, be it through academic exchanges, or exposure to international conferences, seminars, workshops and other resources.

Internationalization at Symbiosis works on multiple tracks, for which the Symbiosis Centre for International Education has three departments:

- International Student Admissions & Student Events
- International Initiatives and Collaborations
- International Promotions and International Student Relations

International Student Admissions & Student Events

International Students’ Admissions: Admissions of international students are centralized for all the constituent institutes of Symbiosis International (Deemed University) and routed through the SCIE. The procedure for applying for admissions at SCIE is designed taking into consideration the requirements and difficulties faced by international students. The online admission procedure has made it accessible to each and every student to apply from different parts of the world and in the comfort of their homes. The student needs to come to India only when the applicant is shortlisted for a particular program chosen by the student. Software has been tailor-made to suit the admission procedure. The admission procedure is simplified in easy steps starting from the basic eligibility, checking of important documents to be submitted until the final payment, and confirming the admission. Through the system of online admissions, students are also able to make all their payments online and check the admission status online.

International Student Events: Apart from all admission related activities, SCIE organizes a variety of activities where international students of Pune city are able to meet on a common platform and display their many talents. As a part of enriching students’ international experience, SCIE organizes the International Food Festival, the Flag Hoisting Ceremony, NGO visits, Blood Donation Camps, Tree Plantation, Iftar Party, Christmas Party, Diwali Party, Dance Competitions and Sports activities like football tournaments and many more.

SCIE also organizes the International Students’ Convocation Ceremony. The convocation ceremony is an important landmark in a student’s life. It is normally organized by universities in India during the month of December. But since most foreign students have already left India by this time, they are deprived of this wonderful memory. SCIE aims to fulfill a students’ dream of walking down the aisle with a robe and cap by organizing the International Students Convocation Ceremony.

SCIE is assisted in such activities by the International Students’ Council. The International Students’ Council is an elected body for the smooth functioning of the activities and events of international students.

International Initiatives and Collaborations:

At Symbiosis International (Deemed University), our every endeavor is to look at ways to promote international understanding through quality education. The university believes that internationalisation imparts broadened knowledge and understanding of other nations, cultures, and global issues for students, strengthens research and knowledge production, the diversity of faculty and staff assists in bringing innovative pedagogies and enhances the teaching learning process. To achieve these objectives the university has international collaborations across the globe and framed policies for encouraging student and faculty mobility and designed programs for increasing and ensuring sustainability.

Student Programme:

Study India Programme: SCIE offers two to four weeks customized program imparting international students an unparalleled opportunity to experience a combination of academic content and cultural activities. This program is designed to give the students understanding of the socio-economic, cultural, political, technological aspects of India. The program also includes visits to NGO’s, Cultural heritage sites.

Global Immersion Programme: Under this initiative students from Symbiosis get an opportunity to experience semester abroad, Semester Exchange program, attend Summer School, undertake short term internships. The university accepts the credits earned by students who undertake these programs.
Symbiosis encourages the collaborating universities to send their students for a semester at any of its institutes and transfers the credits earned by these students. The students have the flexibility to choose courses across disciplines.

**Faculty Programs:**

**Scholar-In-Residence:** This program was developed to share best academic practices, developing in house global competencies and international links. Through this program international faculty is encouraged to visit Symbiosis on short/long term engagement. The main activities envisaged are to conduct guest lecturers / workshops / Symposia, teaching, reviewing and internationalizing the curriculum, conducting faculty development programs / seminar, conceptualizing, contributing and editing research journals, joint paper presentations in international conferences.

**Distinguished Visiting Professor:** This is an initiative taken to attract distinguished academicians/ personalities to Symbiosis International (Deemed University) for short term period to teach courses in their area of expertise, conducting special course / expert workshops, developing grant projects.

**Faculty Exchange:** SIU is actively involved in sending Faculty to foreign Universities on short term. This encourages the faculty to get an opportunity to teach at international partners. The faculty gets an opportunity to learn new methods of teaching, conducting joint research with faculty having similar research interests and imparting knowledge to the international students while focusing on the Indian or comparative perspectives.

**Lecture Series:** SCIE organizes lectures by eminent faculties of International repute at different institutes of Symbiosis.

**International Promotions and International Student Relations:**

**International Promotions:** This department has the dual goal of ensuring student comfort while at Symbiosis International (Deemed University) and also communicating with foreign students in their home countries. SCIE has undertaken the exercise of planning promotional campaigns in Africa and Asia. This includes participating in Educational Exhibitions / fairs and also visiting schools and educational counsellors.

**International Student Relations:** Understanding the importance of ensuring a fulfilling experience, both academic and social, this department will focus totally on assisting foreign students to adapt to their new home. The students are encouraged to contact this department when faced with problems – academic, administrative, and even issues that are not directly related to the University, such as dealing with formalities at the Foreigners’ Registration Office (FRO).

We have “buddy” system, which refers to the practice of assigning a mentor to each international student. The “buddy” will be a domestic Indian student, who is familiar with the city of Pune. The “buddy” will be encouraged to help the student overcome challenges big and small – that are related to the institute and the University, as well as everyday problems related to settling down in India.

The department will conduct periodic meetings with international students in their individual institutes. The informal meetings are aimed at providing an opportunity to the students to share their experiences, both good and bad, giving an opportunity to solve these by initiating changes either in policy or regular activities.

**Foreigners’ Registration**

Every foreigner coming to India must have a valid Passport and Visa to enter and to continue his /her stay in India.

The foreigner should always carry identification documents, namely:

1. Passport with an endorsed visa
2. Certificate of Residence issued by the concerned Police Station
3. Residential Permit issued by FRRO/FRO

The foreigner is under obligation to produce the above documents to any Police Officer on demand for inspection.

Foreigners entering India on a long term visa i.e. for a period more than 180 days, on a Student Visa, Employment Visa, Research Visa, Medical Visa and Missionary Visa are required to get themselves registered within 14 days of their arrival with the concerned FRRO/FRO. Students arriving on short term Provisional Student Visa (Valid for 180 days or less) must also register and confirm their admission within the stipulated visa period to avoid deportation. Upon confirmation of admissions, the students on short term Provisional Student Visa should approach the concerned FRRO/FRO for registration and extension.

The above rules will not be applicable to Pakistani, Bangladeshi and Afghani nationals.

- Pakistani Nationals must report within 24 hours of their arrival
• Afghan Nationals must report within 7 days of their arrival
• Bangladesh Nationals on Student Visa must report within 7 days of their arrival, and within 24 hours of their arrival for other visas

SUPPORT DEPARTMENTS
SYMBIOSIS CENTRE FOR CORPORATE EDUCATION (SCCE):

The Symbiosis Centre for Corporate Education (SCCE) understands business and is equipped with the right resources, knowledge of skills and tools required to train executives to face challenges and meet opportunities at the workplace across various sectors like, IT, FMCG, Manufacturing, Telecom, Logistics, BPO, KPO, and Services Industries. SCCE is dedicated to the task of partnering with organizations desirous of providing facilities and a chance to their employees to enrich their careers. SCCE is aware that organizations are relying on their own employees to take up new roles in the same organization to move ahead. To upgrade their work capacities to the required expertise, ‘training and development’ are key words.

Symbiosis Centre for Corporate Education (SCCE) under the Symbiosis International University offers various formal education programs with different specializations as well as short term programs like ‘Finance For Non Finance Professionals’, ‘Leadership Modules’, ‘Project Management’, ‘Cross Cultural Communication’ to the corporate fraternity. These programs can be offered at the client site as well as in- house. SCCE prides itself on having in its team a panel of distinguished faculty who are recognized as authorities in their field of study.

SCCE has been conducting programs for more than a decade for various corporate clients like Wipro Corporation, Godrej Group of Companies, Deutsche Bank, Tata Group, BMC Software, Tyco Electronics, Thermo Ltd, Avaya India, McDonalds India, Mahindra & Mahindra, eClerx, Amdocs Development Center Ltd, WNS Global Services, Mphasis, Zensar Technologies and many more. Symbiosis has also entered the global market by offering long term programs to organizations in the Middle East.

SYMBIOSIS CENTRE FOR HEALTH SKILLS (SCHS):

The border line is often blurred between the work of health professionals and service providers and the work of partners who are outside the health sector. Therefore, specialist health care and community services training helps to meet industry skills gaps and improve the lives of people in healthcare to make a difference.

Symbiosis Centre for Health Skills was established with the following objectives:

To provide high-tech simulated and virtually created hospital set-up for teaching and training & assessment for all health care professionals in clinical and related management skills (including communication skills).

To ensure delivery of high quality healthcare services to the community by providing highly competent and safe practitioners trained and tested by simulation techniques.

To offer academic programmes on Health Skill already launched Academics programmes are launched in Health Skills.
SYMBIOSIS CENTRE FOR INTERNATIONAL EDUCATION (SCIE):

The University is one of the few universities in India to have a dedicated office, the Symbiosis Centre for International Education (SCIE), to take care of and foster internationalisation. It has been created to cater to the needs of international students and international collaborations. SCIE promotes linkages with international universities for joint research, student and faculty exchange, scholars in residence programmes, etc. Cultural programmes and a special graduation ceremony are also organised for foreign students.

SYMBIOSIS CENTRE FOR ENTREPRENEURSHIP AND INNOVATION (SCEI):

Government has declared 2010-20 as ‘India’s Decade of Innovation’ and the industry is increasingly expecting its employees to have an entrepreneurial mindset. In addition, there is also an increase in the number of management graduates eventually taking the entrepreneurial plunge. It is becoming increasingly clear that managers who can conceive and execute innovative projects that add to the organisations’ top and bottom lines will only be put in the leadership pipeline.

The Symbiosis Centre for Entrepreneurship and Innovation was formally inaugurated in the month of July 2014 in the presence of our Chancellor Dr. S. B. Mujumdar and Dr. R. A. Mashelkar who is the Mentor of this Centre. The overreaching goal of this Centre is to create innovation led entrepreneurs and contribute in strengthening entrepreneurial ecosystem within India. The main activities of this Centre include:

- Incubating startups at SIU in partnership with other organisations
- Conducting research in the area of innovation and entrepreneurship from both Indian and global context
- Providing training and education to the students at SIU and corporate employees in the areas of innovation and entrepreneurship
- Provide policy recommendation at the national and state level.

The Centre has been successful in designing, developing and delivering India’s first 2 year full-time MBA course on Innovation Entrepreneurship at Symbiosis Institute of Business Management (SIBM). Now Centre is embarking on starting an incubation lab for the students of SIU and other institutions.

SYMBIOSIS COMMUNITY OUTREACH PROGRAMME AND EXTENSION (SCOPE) ACTIVITIES:

Universities and policy makers are increasingly recognizing the enormous potential of higher education to impact positively on the health and well-being of students, staff and the wider community through education, research, knowledge exchange and institutional practice. Keeping this in mind Symbiosis International University (SIU), as a part of Institutional Social Responsibility launched Symbiosis Community Outreach Program and Extension (SCOPE) activities in July 2012 and adopted 14 villages and 9 hamlets (n=23) around its campus at Lavale.

In line with the SCOPE initiative, Family Doctor Clinic at Sus village (FDC) and Mobile Medical Unit (MMU) were launched in the Mulshi block of Pune district. It is catering to 15 villages and 9 hamlets in Mulshi block and 2 construction sites in Walhekarwadi and Kalakhadak areas of Pimpri Chinchwad Municipal Corporation (27 sites) covering around 30,000 populations. FDC & MMU conducts a variety of preventive, promotive and curative services for poor, mostly rural, needy and marginalized population based in access-compromised areas. Activities like outpatient services, health talks, celebration of national and international health days, etc. are conducted. SCOPE has increased networking with government and private health care sector to undertake variety of activities like monthly immunization of pregnant & lactating mothers and children, monthly antenatal care (ANC) check-ups and treatment camps, specialist camps, patient referral, support to private/ government health programmes. FDC and MMU teams also conduct health awareness and research/survey related activities in collaboration with sister institutes / departments of SIU.

We firmly believe that our role as a university goes beyond imparting of knowledge and skills to our students and, as active agents of change, we are supporting initiatives related to health, nutrition, water and sanitation, banking and finance and legal literacy. This initiative has been widely accepted and appreciated by community. We are committed to defending the ideals, responsibilities and objectives of a socially responsible academic institution. Our future plans are in line with expansion of services, connecting with corporate donors, setting up a Health & Demographic Surveillance System and promoting research in the catchment area.

Symbiosis Centre for European Studies (SCES):

Symbiosis CES is based upon a three-fold mandate of teaching, training and outreach to foster progressive insights on EU integration, locally, nationally, and internationally.

It promotes the interdisciplinary understanding of European languages, history, politics, economy and societies. SCES will:

- Foster the study of and innovative research on Europe among SIU faculty as well as graduate and undergraduate students.
- Facilitate the training of new generations of scholars and experts in European studies.
- Work as a host unit for researchers and multi-disciplinary research projects.
- Serve as a forum for vibrant discussions on contemporary affairs in Europe and its impact on the global economy which will nurture the exchange of ideas across disciplines, sectors and generations.

Its purview includes all European countries and the European Union.

Symbiosis has been actively working with European partners for exchanges, Study in India Programmes and Erasmus+ projects. In addition, our Symbiosis Law School offers a specialized certificate programme in European Union Legal Studies.

Since European integration encompasses economic, legal, political, social, environmental disciplines, it was felt to have a Centre that caters to its interdisciplinary nature and scope. The Centre not only liaisons with Symbiosis Institutes which run Academic Programmes but lay emphasis on encouraging people-to-people connections with Europe and bringing the best of the expertise to India and encourage Symbiosis Students, Faculty and Staff mobility to Europe. SCES encompasses all activities and programmes engaging with Europe under its umbrella.

SIU’s Engagement with Europe

Symbiosis has partnered with European Universities in different consortiums under the Erasmus+ Program with an intention to enhance cooperation for facilitating students, faculty mobility and Strategic Partnerships for capacity building exchange of best practices. Partnerships with Universities in Germany under the DAAD - DIES (Dialogue on Innovative Higher Education Strategies) and DAAD-A New Passage to India have facilitated mobility and workshops for promoting internationalization of higher education. In addition, we have organized Annual Leadership Series & Conferences on the contemporary issues focusing on the European Union and its relationship with the world. These forums have witnessed think tanks, diplomats and Ambassadors share their insights with our students and faculty.

Admission Process for Indian Students:

Symbiosis Entrance Test (SET) for Symbiosis Under Graduate Programmes.

A. Registration process:

Symbiosis is a leader in providing world-class education with many of its Institutes ranked amongst the best in the country. Under the umbrella of SIU, 15 constituent Institutes / Departments, across the cities of Pune, Noida, Hyderabad & Nagpur, offer 21 undergraduate programmes.

For over four decades, Symbiosis has been imparting quality education to students across the globe. With a wide range of futuristic multi-disciplinary programmes, industry-oriented curriculum, globally acclaimed faculty, state-of-the-art infrastructure, Symbiosis leads to the holistic development of students.

ENTRANCE TEST 2020 (SET A / SET B / SLAT / SITEEE)

This year Symbiosis will conduct four entrance tests [namely Symbiosis Entrance Test - A (SET A) /
Symbiosis Entrance Test - B (SET B) / Symbiosis Law Admission Test (SLAT) / SIT Engineering Entrance Exam (SIT EEE) for admission to its undergraduate programmes in Management, Law, Engineering, Mass Communication, Economics, Liberal Arts, Computer Studies & Culinary Arts.

Candidates aspiring to join an undergraduate degree programme offered by Symbiosis International (Deemed University) must appear for one (or more) of the three above-mentioned test(s). Refer the chart below to decide which entrance test(s) you need to take, depending on the programme(s) that you wish to pursue:

- For SSCA, SSLA, SSE, SMC, and SICSR – Symbiosis Entrance Test - A (SET A)
- For SCMS Pune, NOIDA, and Nagpur - Symbiosis Entrance Test - B (SET B)
- For SLS Pune, Noida, Hyderabad and Nagpur – Symbiosis Law Admission Test (SLAT)
- For SIT Pune – SIT Engineering Entrance Exam (SITEEE)

A candidate needs to register for SET / SLAT / SITEEE 2020 and also register for the Institutes offering her/his choice of programmes by paying separate programme registration fees. If shortlisted, s/he would then need to attend the further admission process conducted by each of these Institutes individually.

Candidates can complete the SET / SLAT / SITEEE 2020 as well as programme registrations in the same portal (set-test.org).

Admission to programmes in Medical Technology, Radiotherapy, Nursing, Photography & Architecture are through specific admission process of the respective constituent Institute / Department. For further details, aspirants may visit the website of the concerned constituent Institute / Department.

Candidate should note that SET / SLAT / SITEEE is only the first step. Each Symbiosis Institute has its subsequent independent selection process.

- The SET-2020 has three (3) different tests: (SET) SET-General, SLAT (SET-Law), SITEEE (SET-Engineering)
- A candidate may take more than one test. However, s/he will have to choose and register for one test from the morning session and/or one test from the afternoon session (SET / SITEEE).

- In order to minimize the impact of COVID19 related issues, keeping social distancing norms and your safety in mind, SIU has split the Symbiosis Entrance Test (SET-General) into two: SET A (Applicable ONLY for applicants of SSE, SCMC, SSLA, SICSR and SSCA) and SET B (for applicants of SCMS-Pune, SCMS-NOIDA & SCMS-Nagpur)

**Note:**
Even after closing of the payment for SET/SLAT/SEED/SITEEE 2020, a candidate may still pay through website till the last date of payment for the programme(s). An institute may offer more than one programme. A candidate should ensure that the preferred programme(s) is / are selected and paid before the last date.

Indian nationals and NRI candidates shall have to apply under SET 2020 to seek admission to the select Undergraduate programmes of Symbiosis International (Deemed University).

A student is eligible to apply as a Non Resident Indian (NRI) if he/she has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for NRI students who have appeared for their 10th standard exam outside India and 12th in India to appear for SET/SLAT/SEED/SITEEE as applicable.

However, OCI/ PIO/ Foreign Nationals are exempted from appearing for SET/SLAT/SEED/SITEEE 2020 and have to apply through Symbiosis Center for International Education (www.scie.ac.in). For details regarding OCI/ PIO/NRI/FN admission process, please refer to Sub Section I: Process for International Candidates.

After declaration of the SET/SLAT/SEED/SITEEE 2020 result, the institute (offering the programme(s) for which you have paid) will conduct further selection processes for short-listed candidates. The schedule for the same will be published on the website of the respective institute(s).

Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all UG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.

**F. Reservation Policy of SIU**

As per the UGC guideline 2006, the reservation policy for all the institutes under the University is as follows:

**a. Within Sanctioned Intake**

- Scheduled Caste (SC) : 15%
- Scheduled Tribes (ST) : 7.5%
- Differently Ablled # : 3%
- Children/wards of Defence Personnel : 5 % for SLS-Pune, SICSR.
* The definition for Children / Wards of Defence Personnel is:
The term Defence Personnel would mean only those serving / retired Defence personnel from Army, Navy, Air Force. Retired defence personnel are those who fall in the category of ex-servicemen as laid down in Ministry of Defence letter no 36035/5/85- Estt (SCT) dated 14 April 1987. It includes children of defence personnel who died while in service or after retirement.

b. Over & Above Intake

- Kashmiri Migrants and Kashmiri Pandits/Kashmiri Hindu Families (Non-Migrants) living in Kashmiri Valley: 2 seats per programme
- International Candidates: 15%

Note:
- Candidate applying for the above mentioned categories will be required to submit the supporting documents at the time of PI-WAT/ST-PI.
- Candidates applying for Children/wards of Defence Personnel other than above mentioned two institutes (SLS-Pune and SICSR) will be considered as candidates in OPEN Category.

# Differently Abled (DA) candidate means a candidate having any of the disabilities in accordance with the Persons with Disabilities Act – 1995 and as per revised Gazette of India Registered no: DL – (N)04/0007/2003-16 dated December 28, 2016. The candidate will have to get the disability authenticated from Symbiosis Centre of Health Care (SCHC). The admission may be considered as regularized only after due authentication by SCHC.

A candidate applying under any of the reserved category (Scheduled Caste/ Scheduled Tribes/ Differently Abled/ Kashmiri Migrants/ Children/wards of Defence Personnel) are mandatorily required to submit relevant document issued by competent authority. Any participation at any stage of admission process by such candidate is purely provisional and always subject verification and authentication of such relevant document. In case a candidate falls under more than one of the above categories (eg. Scheduled Caste as well as Differently Abled or any other combination), he would need to select any one Category (i.e. Either Scheduled Caste OR Differently Abled in the case of example mentioned above) at the time of filling up the registration form. The category selected by the candidate at the time of filling the registration form will be considered to be his category for the entire admission process and his benefits and entitlements shall be according to such selected category. He will not be able to claim benefit under the other category/s at any stage of admission on any account whatsoever.

Please also note that if any information provided by the candidate in respect of his category is found to be incorrect, the University shall have right to cancel the candidature of such candidate.

G. Reservation of seats for Nagpur Domicile (SLS, Nagpur and SSPAD, Nagpur):

- 25% (Twenty-five percent) seats are reserved for candidates domiciled in Nagpur.
- Meaning of 'Nagpur Domiciled' Candidates for admission to UG programme only.
- UG programme 'Nagpur Domiciled' means persons, who are domiciled in Nagpur for a period of 5 (five) years as on the date of commencement of the academic year, and who have class XII from Maharashtra State Board or equivalent exam or Degree certificate or are appearing for the qualifying examination of Nagpur University before admission to the programme. For more information visit institute website.

Please carry your following documents at the time of PI-WAT if shortlisted. Please note that if you do not have both these documents, you will not be allowed to appear for the PIWAT process and will be marked as ineligible for admission. No communication will be entertained in this regard.
• Domicile certificate issued by the competent authority (Collector’s office)
• Standard XII Marksheet. Applicants appearing Standard XII can submit Bonafide certificate from the current institution and Standard Xth Mark sheet.
• In case a candidate falls under more than one of the above categories (eg. Scheduled Caste as well as Differently Abled or any other combination), he would need to select any one Category (i.e. Either Scheduled Caste OR Differently Abled in the case of example mentioned above) at the time of filling up the registration form. The category selected by the candidate at the time of filling the registration form will be considered to be his category for the entire admission process and his benefits and entitlements shall be according to such selected category. He will not be able to claim benefit under the other category/s at any stage of admission on any account whatsoever.

Please also note that if any information provided by the candidate in respect of his category is found to be incorrect, the University shall have right to cancel the candidature of such candidate.

DETAILS REGARDING SET A (APPLICABLE ONLY FOR APPLICANTS OF SSE, SCMC, SSLA, SICSR AND SSCA)

DETAILS REGARDING SLAT (FOR APPLICANTS OF SLS-PUNE, SLL-NOIDA, SLA-HYDERABAD AND SLS-NAGPUR) SET B (FOR APPLICANTS OF SCMS-PUNE, SCMS-NOIDA & SCMS-NAGPUR) AND SITEEE (FOR SIT)

SLAT, SET B and SITEEE will be held in an Internet Based Online Proctored Mode.

SLAT, SET B is a qualifying phase. So, in effect, you can participate in PI ONLY if you have been shortlisted for the same based on your score of SLAT and SET B.

You will be required to respond to a subjective, essay-type question in a span of 30 minutes. This section will be evaluated only if you have been shortlisted for further admission process.

PERSONAL INTERACTION (PI)

- Personal Interaction (PI) will be conducted separately for each Institute/ Programme after each Institute has declared a shortlist for each programme.
- Online slot booking for PI will be available on the website of individual Institutes for individual Programmes.
- PI will be conducted online over a video chat application.
- Merit Lists for individual programmes will be declared thereafter.

IMPORTANT

- SET A and SET B are NOT interchangeable. So if you miss SET A and take SET B you will not be eligible for admission to, say, BA-Liberal Arts.
- If you have applied to Institute(s) / Programme(s) falling under SET A and SET B, you will need to appear for both tests.
- If you have not applied to any Institute(s) / Programme(s) and have only paid for SET, you will be considered for SET B.

NOTE

- There is no negative marking for wrong answers.
- All sections are mandatory.
The Symbiosis entrance exam for design (SEED) will not be conducted this academic year for more details visit (www.sid.edu.in).

There is no WAT for SITEEE.

The section of WAT will be evaluated only if the applicant has been shortlisted for further admission process. WAT will include subjective essay questions.

All DA candidates will get extra 20 min per hour

SET A Test Instructions

SET A (SSE, SSLA, SSCA, SICSR AND SCMC) INSTRUCTIONS

About SET A Online Test (For admissions to SSE, SSLA, SSCA, SICSR and SCMC programmes for AY 20-21)

1. This test is a non-proctored test to be taken by the applicant from home or anywhere using good Internet connectivity.

2. The test portal will be enabled ONLY 5 minutes before the start time of the test; until then it will state that 'no test has been allocated'.

3. This test should be taken using a desktop / laptop only with good Internet connectivity.

4. This test works best with google chrome and Firefox browsers. It is recommended that the applicant takes the test using one of these browsers ONLY.

5. Applicants should refrain from indulging in any sort of malpractice throughout the duration of the test.

6. The test will be a timed one and the system will capture all movements and navigation of the users during the entire test duration.

7. By taking this test, admission to a programme of SIU is NOT assured. Admission is dependent on the comparative performance of a particular applicant and subject to fulfilling all the norms of the admission process. Applicants should also appear for the PI process that will be conducted by the respective institutes. Final merit list of the programme will be based on the following: SET A score: Scaled down to 20

PI: Out of 50
WAT: Out of 20
10th standard marks: Out of 10

8. This test is a mandatory part of the admission process.

9. Applicants abstaining from taking this test shall be treated as “absent” and marked as ineligible for admission.

10. As this an online test, it is dependent on the Internet, browser and the type of system where the test is being taken.

11. The possibility of interruptions or issues arising out of external factors is possible. In such an event applicant(s) will have to immediately report to the University about the issue encountered. Help Desk Nos. 7200495273 / 9962027165 / +91 44 40492210-11.

12. SET A consists of 5 sections:

- English
- Quantitative
- General Awareness
- Analytical & Logical Reasoning
- Written Ability Test (WAT)

The first 4 sections shall have 7 questions each of MCQ type. Each question in sections will carry 1 mark. There is no negative mark for wrong answers.

The last section (WAT) will have two questions from which the applicant will have to answer any ONE only. WAT is subjective (Essay type) of 20 marks. If an applicant has answered both the questions in the WAT section, then only the first one among them shall be considered for evaluation.

Total time allocated for the entire test is 40 minutes. The total test paper shall be 48 marks.

13. Moving between questions and sections during the test session is allowed.

14. The "END TEST" button will appear in an active mode in the last question of last section only.

Scholarships:
Symbiosis is keen to offer scholarships* to foreign students to give them the opportunity to take advantage of the educational programs available at Symbiosis. The scholarships are offered preferably in conjunction with the education ministries / embassies of participating countries. Close cooperation with these foreign governments will assist in ensuring the scholarships are awarded to the most deserving candidates.

Under this policy, the following scholarships are available for each Afro Asian country:

- One Partial (50%) Academic Scholarship for a Post Graduate Program at any Institute of SIU
- One Full (100%) Academic Scholarship for an Under Graduate Program at any Institute of SIU
- One Partial (50%) Academic Scholarship for an Under Graduate Program at any Institute of SIU
- Two Partial (25%) Academic Scholarships for an Under Graduate Program at any Institute of SIU.

Apart from these scholarships, Symbiosis would offer 30% concession/scholarship on academic fees for all African students who wish to pursue any course at any institute of Symbiosis International (Deemed University). The student must also bear all additional costs including hostel fees, mess fees application fee, administrative fees, IELA, exam fee, etc.

This scheme has been initiated under the ‘Educate Africa’ programme with a view to strengthening relations between India and Africa. Based on its strong past connection with the continent and its people, Symbiosis believes it can positively assist in the capacity building of the African nations by offering a world-class education to African students. These students will be future Ambassadors of Goodwill.
EXAMINATIONS:

Programme: A programme means a set of pre-defined courses selected from the Course Catalogue and approved by the Academic Council of the University, successful completion of which will lead to the award of a Degree or Diploma e.g. Master of Business Administration. Relative grading: The grading of student's will be done based on the relative performance of the students compared to the class.

Continuous Assessment: Term-end examination and Practical (if any) will be separate heads of passing.

Passing in a course means securing 40% of absolute marks in each of the heads.

Separate grade points will be calculated for continuous and term-end examinations and the weighted average of both will be the grade point for the course.

Re-evaluation: In case of re-evaluation, the scores obtained will be fitted as per original range of marks of the grades.

Backlog Examinations: In case of students appearing for Backlog examination, the marks secured in the subsequent attempt will be fitted back into the earlier distribution i.e. Original range of marks of the grades.

Calculation of GPA for Semester and Overall CGPA:

The Grade Point Average for the semester will be calculated by taking the weighted average of the course Grade points.

The weights will be defined as per the credit points they carry. Similarly the CGPA for the programme will be calculated by taking the weighted average of the semester grade points where the total credit for the semester will act as the weight.
The formula is as below:

\[ CGPA = \frac{(GPA \text{ of Sem. I}) (Credit Points of Sem. I) + (GPA \text{ of Sem. II}) (Credit Points of Sem. II) + (GPA \text{ of Sem. III}) (Credit Points of Sem. III) + (GPA \text{ of Sem. IV}) (Credit Points of Sem. IV) + (GPA \text{ of Sem. V}) (Credit Points of Sem. V) + (GPA \text{ of Sem. VI}) (Credit Points of Sem. VI)}{\text{Total Credit Points}} \]

CGPA will be calculated up to two decimal points

**Conversion of CGPA to percentage marks:**

Percentage = \( CGPA / 10 \times 100 \)

**Standard of Passing:** A student has to pass both internal and term end examination separately i.e. obtains minimum GP of 4.00/5.00\(^\text{\textsuperscript{\textregistered}}\). A GP less than 4.00/5.00 will be treated as grade F (fail).

A student will be awarded the degree only if he/she has a CGPA of minimum 4.00/5.00\(^\text{\textsuperscript{\textregistered}}\) on the completion of programme and has cleared Integrated Disaster Management Programme.

The University will award degree to the student who as achieved a minimum CGPA of 4.00/5.00\(^\text{\textsuperscript{\textregistered}}\) out of maximum of 10.00 for the programme.

\(^\text{\textsuperscript{\textregistered}}\) for Symbiosis School of Planning \& Architecture (SSPAD)

**Allowed To Keep Terms (ATKT) Rules:**

A student will attend classes of all the years with his / her batch. The following rule will be applicable as per the total number of semesters in a programme:

He/she cannot appear for end Semester-5 exams if he / she has CGPA less than 4.00 up to Semester-2 irrespective of number of backlogs in Semester-1.

He/she cannot appear for end Semester-6 exams if he/she has CGPA less than 4.00 up to Semester-3 irrespective of number of backlogs up to Semester-2.

He/she cannot appear for end Semester-7 exams if he/she has CGPA less than 4.00 up to Semester-4 irrespective of number of backlogs up to Semester-3.

He/she cannot appear for end Semester-8 exams if he/she has CGPA less than 4.00 up to Semester-5 irrespective of number of backlogs up to Semester-4.

He/she cannot appear for end Semester-9 exams if he/she has CGPA less than 4.00 up to Semester-6 irrespective of number of backlogs up to Semester-5.

He / she cannot appear for end Semester-10 exams if he she has CGPA less than 4.00 up to Semester-7 irrespective of number of backlogs up to Semester-6.

**Validity of Terms for Under Graduate Degree programmes:**

The students admitted to all the under graduate programmes of the University will be allowed to keep terms for a period of Two year from the date of admission beyond the normal period of the programme, i.e. the students joining the three years programme must complete the programme in five years from the date of admission.

**Expiry of Validity**

The students who are not able to complete the programme within the stipulated period will have to take fresh admission to the programme as per the prevalent rules and his / her performance at the examinations and the terms earlier kept will be treated as null and void

**Term Not Granted / Course Not Granted (TNG/ CNG)**

**Institute/ Department shall declare attendance every month.**

Institutes shall declare a list of students as Terms Not Granted/ Course Not Granted (TNG/ CNG) to those who do not fulfill minimum attendance requirement. Institutes should announce the cut-off date for calculation of the attendance of students well in advance and should communicate TNG/ CNG list to the University at least one week prior to the commencement of term-end examination.

All those students who are granted TNG/ CNG will be appearing the examinations in next season as a backlog. However, the candidate will not have to pay backlog examination fees for the immediate subsequent attempt.

**Course Not Granted (CNG):** Minimum 75% attendance is mandatory for a student to be eligible to appear for the term end examination of a particular course. If the course attendance is below 75% then the student will not be granted the permission to appear for the examination of the concerned course. If cumulative attendance for all courses of the semester is more than 75%, CNG should not be given.

**Term Not Granted (TNG):** Minimum 75% attendance in aggregate is mandatory for all the students to be eligible to appear for the term end examination of all courses of the term. If the aggregate attendance is below 75% then the student will not be granted the permission to appear for the term end examination.

CODE OF CONDUCT

Article I: PREAMBLE

The student code of conduct [Code] is established to foster and protect the core missions of the Symbiosis International University, Pune, to foster the scholarly and civic development of the University’s students in a safe and secure learning environment, and to protect the people, properties and processes that support the University and its missions. However, the establishment and maintenance of a community where there is freedom to teach and to learn is dependent on maintaining an appropriate sense of order that allows for the pursuit of these objectives in an environment that is both safe and free of invidious disruption. Rules and regulations are necessary to mark the boundaries of this needed order.

Article 2: APPLICABILITY

The Code is applicable to all students, which includes all persons taking programmes at various constituent institutes / departments of the University, either fulltime or part-time, pursuing undergraduate, graduate, professional studies. Persons who withdraw after allegedly violating the Code, who are not officially enrolled for a particular semester or term, but have a continuing relationship with the University, or who have been notified of their acceptance for admission are considered as “students”. The Code applies to all locations of the University.

Article 3: JURISDICTION

The Code applies to the on-campus conduct of all students at all the location / campus of the University. The code also applies to the off-campus conduct of students in direct connection with:

A. Academic course requirements or any credit bearing experiences, such as internships, field trips, study abroad / student exchange;

B. Any activity supporting pursuit of a degree, such as research at another institution or a professional practice assignment;

C. Any activity sponsored, conducted, or authorized by the university or by registered students organizations;

D. Any activity that causes substantial destruction of property belonging to the university or members of the university community or causes serious harm to the health or safety of members of the university community; or

E. Any activity in which a police report has been filed, a summons or indictment has been issued, or an arrest has occurred for any act or omission. Students continue to be subject to the laws of the land while at the University, and violations of those laws may also constitute violations of the code. In such instances, the University may proceed with University disciplinary action under the code independently of any criminal proceeding involving the same conduct and may impose sanctions for violation of the code even if such criminal proceeding is not yet resolved.

Article 4: RESPONSIBILITIES OF STUDENTS

Students are members of the University community and citizens of the state. As citizens, students are responsible to the community of which they are a part, and, as students, they are responsible to the academic community of the University. Admission to the university carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of enrollment, all students assume responsibility to observe standards of conduct that will contribute to the pursuit of academic goals and to the welfare of the academic community. They are expected to practice high standards of academic and professional honesty and integrity and also to respect the rights, privileges, and property of other members of the academic community and the Society. They should refrain from any conduct that would interfere with university functions or endanger the health, welfare, or safety of other persons. As a citizen of State, a student should not discriminate on the basis of race, color, creed, age, religion, gender,
national or ethnic origin, marital status, sexual preference, physical disability, or any other legally protected status. They should at all times conduct themselves in a manner, which is not prejudicial to any law of the land. Their conduct should aim to achieve the meaning, mandate and manifestation as enshrined in the Constitution of India.

**Article 5: DISCIPLINARY MISCONDUCT**

Any student found to have committed or to have attempted to commit the following misconduct is subject to appropriate disciplinary action under this Code. The instances of misconduct are not to be interpreted as all-inclusive of situations in which disciplinary action will be invoked. These instances are illustrative, and the University reserves the right to take disciplinary action in appropriate circumstances not set out in this article. The illustrative list of misconduct is as follows (Not exhaustive):

About the SCHC

Symbiosis International University offers medical facilities for all its students and teaching and non-teaching staff through Symbiosis Centre of Health Care (SCHC). The Symbiosis Centre of Health Care (SCHC) was established in 1997, with the mission of addressing the healthcare needs, primarily of the students & staff of Symbiosis, envisioning a state of ‘Positive Health’ in them. It is the “In-house Health Care Unit” of Symbiosis which provides preventive, promotive and curative health care services. The healthcare services are rendered to students & staff through standardized healthcare setups and quality NABL accredited lab services. The SCHC collaborates closely with campus community to provide a comprehensive health services, promotion and prevention effort that cares for the physical and mental health of Symbiosis students, striving for excellence in student services and to support and sustain a healthy campus community. With a team of qualified healthcare professionals, the SCHC has implemented a unique ‘Health Insurance Program’ for staff & students and has utilized Information Technology in healthcare & maintenance of Electronic Health Records (EHR), thereby achieving the status of a ‘paperless’ office

The SCHC also has the state of art recreation and wellness facility on campus. We are committed to empower and inspire students and staff members to choose a healthy life style. Fitness professionals strive to offer recreation and wellness services that encourage healthy and active lifestyle to fulfil its mission of enhancing the culture of wellness on campus.

The following primary health care services are provided by the Symbiosis Centre of Health Care (SCHC):

Promotive health care facilities:

• Access to state-of-the-art recreational and wellness centres at all campuses which include gymnasium, aerobics studio, swimming pools, and yogashala with meditation halls.
• Health awareness lectures on various healthcare related issues.

• Online counselling on health, diet and lifestyle related issues.
• Campus Health Advisory Committee (CHAC) established at each campus reviews the student communications strategy for evaluating health care services, health care policies and makes recommendations to the management on aspects relating to health care facilities.

Preventive health care facilities:

• Annual health check-up of the students of Symbiosis is conducted and a detailed record is maintained electronically on web based, HIPAA compliant software and hosted on Microsoft Azure Cloud in Asian data centre. Consultants/ Specialists from different disciplines (Physician, Ophthalmologist, ENT specialist & Dentist) conduct the Annual Health Check-up including Lab investigations (Haemogram & Urine examination).
• Inspection of campus & eating establishments on campus.

Curative health care facilities:

• A health centre with a full time medical officer and nurse is available at all campuses. An ambulance is stationed at Lavale Hilltop campus considering the location of the campus and nearby hospitals. At other campuses in Pune and outstation campuses such as Nashik, Noida, Bengaluru and Hyderabad, 108 (Emergency number of concerned state) number is dialed for ambulance services. Patients needing specialized care are referred to or shifted to local hospitals without loss of time. This is critical for parents to feel confident that their children are secure and safe.
• Outpatient Department (OPD) services including Emergency Medical Services (EMS) phone number for medical assistance is prominently displayed at all institutes and hostels. The EMS & Insurance Cell number is also printed on the identity cards issued to students, faculty and staff.

SYMBIOSIS UNIVERSITY HOSPITAL AND RESEARCH CENTRE (SUHRC)

SUHRC is a teaching hospital attached to SMCW. SUHRC is currently a 300 bedded hospital (scalable to 900 beds), and is located within the SIU campus at Lavale, Pune. Besides, Medicine, Surgery, Obstetrics & Gynaecology, the SUHRC also has other departments viz. Paediatrics with Neonatology (including an NICU), Orthopaedics, ENT, Ophthalmology, Gastroenterology, Urology, Nephrology with dialysis beds, Pulmonology (chest medicine), Critical Care Medicine, a full-fledged Pathology lab and a Blood bank. There is also a Cardiology Dept. (with a Cath lab). There are 21 ICU beds with 6 High Dependency Unit (HDU) beds. SUHRC has 5 large Operation Theatres, which cater to all the surgical disciplines, including one exclusively for Obstetrics & Gynaecology. All theatres are ‘modular’ with 2-way data transfer facilities. The hospital currently draws an Out Patient load of close to around 800-1000 patients per day and around 250-270 admissions daily. About 10 – 12 major operations are performed daily.

The SUHRC provides top quality clinical services, which are protocol driven and evidence based. ETHICS with transparency of operations are accorded topmost priority.

The hospital caters to the population in a radius between 25-50KM from SUHRC. It also provides healthcare services to the large community of students and faculty currently residing at the University campus (around 4000). The efforts of Symbiosis Community Outreach Program & Extension (SCOPE) team have created awareness about Symbiosis among the villages around the University campus, which the university has adopted under the SCOPE initiative.

Every human being has a fundamental right of access to physical education and sports, which are essential for the full development of his/her personality. The freedom to develop physical, intellectual and moral powers through physical education and sports must be guaranteed both within the educational system and in other aspects of social life. Symbiosis today is already known for its excellence in education and we aim to transform the same in sports.

University Sports Board, SIU has been entrusted with twin objectives of promoting health and wellness amongst student, staff and community and promoting sports, achieving sporting excellence at the National and International level. Apart from being a means of entertainment and physical fitness, University Sports Board have also played a great role in generation of the spirit of healthy competition and bonding within the community. Sports play a key role in development of personality of the youth. In fact, sports should be a way of life. I call upon the youth to make sports an integral part of their life.

The role of the University Sports Board is to create the infrastructure and promote capacity building for broad-basing sports as well as for achieving excellence. Keeping in view the growing demands for advanced infrastructure, equipment and scientific support, University Sports Board has taken several initiatives and is providing the necessary assistance to sportspersons by way of training and equipment support as well as sports scholarship / cash incentives for boosting student’s morale.

**Objective:**

- To promote excellence in sports by encouraging participation in National and International championships in large numbers.
- To create a culture of sports by imbibing higher moral and ethical values, spirit of comradeship and the desire to excel.
- To annually organize inter institute competitions in specified games and sports for the students
- To organize annual events for mass participation of students and staff with a focus on health and wellness
- To provide equal opportunities and encouragement to all students and staff for participation in physical activity and sports at all levels.
- To offer sports scholarship, prizes and other awards to outstanding athletes and sportsmen and women
- To create, develop and maintain sports infrastructure
- To get associated and affiliated to recognized Sports Associations and Federations

Institute Profile:

Symbiosis Law School, NOIDA (hereinafter referred as SLS-NOIDA) in just tenth year of its inception has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional legal education. It holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International (Deemed University), it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India. SLS-NOIDA is strategically located in the industrial hub of
NCR thereby opening up a plethora of opportunities for the budding lawyers.

SLS-NOIDA strives towards supplementing reforms in the field of law; to groom students to become the unified face of our legal fraternity, to produce knowledge disseminators and to produce individuals who are the torchbearers of the legal system of the country. Our effort is aimed at producing an intellect that believes in reforming rather than punishing and has the potential of hoisting the flag of truth and justice in an unfailing manner.

SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells including Research & Publication Cell, Moot Court Society, Legal Aid Center, Training & Placement Cell, Entrepreneurship Cell, Social Responsibility Cell, Cultural Cell, Sports Cell, Debate Society, Literature Society and International Law Students Association (ILSA) Chapter. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

SLS-NOIDA believes in orienting the student's intellect towards the attainment of their goals by creating assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA (To know more visit https://www.symlaw.edu.in/events).

SLS-NOIDA organizes weekly lectures under the banner of ‘Seminar Series’ delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their career.

SLS-NOIDA also makes an ample use of technology for the benefit of its learners. Called The Curiosity Project, it is the first of its kind where online systems have been used for meaningful administrative automation and improved learning methodologies.
Programme Profile:

Name of the Programme:

Bachelor of Arts and Bachelor of Laws (BA. LL.B):
The close connection between social sciences and law hardly needs to be articulated. A lawyer needs to be conscious of the intricate and complex problems of the society. Our integrated Bachelor of Arts and Bachelor of Law programme provides a deep insight into the historical perspective of development of law, political factors influencing policies culminating into law and the intricate relationship between legislations and social problems. This Programme aims at creating socially sensitive sentinels of justice.

Bachelor of Business Administration and Bachelor of Laws (BBA. LL.B):
The use of word ‘multi’ is indeed multiplying in today’s world, multi-nationals, multi-tasking, multi-dimensional, and why not multi-disciplinary’. The sweeping changes in the global economic scenario have necessitated a strong demand for a breed of youngsters with the potential knowledge of law coupled with the core essentials of management and business to enhance productivity. With the object of catering to this demand unfolding before the students, and to enable them to explore these vistas of opportunities that lie ahead, we have commenced an integrated Bachelor of Business Administration and Bachelor of Law degree programme (BBA. LL.B). Here we impart exhaustive knowledge to the students not only to survive but also to excel in the increasingly competitive world.

Duration:

- Bachelor of Arts and Bachelor of Laws (BA. LL.B) : 5 Years, Full Time
- Bachelor of Business Administration and Bachelor of Laws (BBA. LL.B) : 5 Years, Full Time

Intake:

- Bachelor of Arts and Bachelor of Laws (BA. LL.B) : 180 Students
- Bachelor of Business Administration and Bachelor of Laws (BBA. LL.B) : 120 Students

Eligibility:

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

Candidate needs to register for Online Symbiosis Law Admission Test (SLAT) 2019 & also register for SLS-NOIDA offering his/ her choice of programmes by paying separate programmes registration fees. If shortlisted, he/she would then need to attend the further admission process conducted by SLS-NOIDA either at NOIDA or Pune.

Selection is done in two phases: Candidates will be short listed on the basis of the SLAT score; & the short listed candidates will be invited for Personal Interview (PI) and Written Ability Test (WAT). Final Merit list shall be drawn on the basis of SLAT Score (50%) and PI-WAT performance (50%). In other words, it will be based on the
cumulative marks scored on the scale of 100 marks wherein SLAT score will be scaled down to 50 marks i.e. 50% weightage and the remaining 50% weightage will be assigned as follows: Personal Interaction (PI) - 30 marks i.e. 30% and Written Ability Test (WAT) - 20 marks i.e. 20%.

Orientation & Pedagogy:
SLS-NOIDA has introduced a new era of innovative learning, inter-disciplinary knowledge and industrious environment with unique orientation and methodology of legal pedagogy in place. Classes are highly interactive, delivered not only by the best academicians but also by the legal luminaries of the field. It strongly believes that law students should stick not only to theoretical teaching but also inculcate and improve the court room etiquettes (environment), research experience and advocacy skills through court room and related exercises such as moot court, mock trials, trial advocacy, pre-trial preparation, drafting of pleadings and client counseling. Research is an integral part of studies including interdisciplinary research involving collaboration between academic fraternity, students, and industry. SLS, Noida’s efforts are shared by the contribution of members of the bar and bench, corporate sector and international experts (agencies).
SLS-NOIDA also makes ample use of technology to entertain and benefit natural curiosities of its learners. Called The Curiosity Project, it is the first of its kind where online systems have been used for meaningful administrative automation and improved learning methodologies. It includes The Library, an application where learners including teachers and parents can share and access teaching plans, session plans, class notes, presentations, sample question papers and interesting online videos or articles for further study under each of their subjects; The Banyan Tree, an application that employs the Flipped Classroom concept regularly where doubts, questions for general debate, and polls are posed on; The Amphitheatre, an application that tracks official notices and events at the campus; Attendance and Evaluations, an application that assists learners and parents to keep close track of their performance in attendance and tests to keep improving.

The Cumulative Grade Point Assessment (CGPA) method of assessment is followed. In addition to the constant internal assessments, external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and minimum two of the above (following): Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. Internal Assessment involves Open Book Examination, which aims at evaluating understanding of the subject than the recalling and memorization.

### Orientation and Pedagogy:

At SLS Hyderabad, teaching methodology is essentially learner centric and research-oriented, inculcating and strengthening the student’s reflective and critical thinking skills. Modern teaching methods are used in a convergent manner along with the lecture method. These include the class Room Presentations, Group Discussions, Seminars, Case Studies, Socratic Method, Project-based method, and computer assisted learning and experiential learning.

To provide research-based education to get the practical understanding in various fields of the law, to enhance knowledge of particular sub-fields based on the interest of the students and to utilize the leisure time of the students productively, there are twenty active centres functioning under the able leadership of the faculties of Symbiosis Law School, Hyderabad. In the last academic year, more than 100 academic events such as seminars, conferences, competitions, debates, and workshops were conducted by these Centres of specialization in various fields.

The curriculum and pedagogy are designed, keeping in mind the latest Quality Initiatives in legal education. These efforts are bolstered by the participation of all the stakeholders including the members of the bar and bench, corporate sector, govt. and international experts.

**Institute Profile:**

Symbiosis Centre for Management Studies, Pune, was set up in the year 2004 and is a Department of Symbiosis International (Deemed University).

The Institute offers a unique course curriculum which provides a stimulating academic environment and offers the student the luxury of choosing subjects from across disciplines which is known as the Cafeteria Approach.

Over the past years, the Institute has attracted students not only from different parts of India but also from other countries. As of now, there are students from 25 different countries on campus. The rich diversity provides an extremely varied and multi-cultural exposure to all students.

The learning experience is further enriched by a multitude of clubs like – dramatics, music, business games, entrepreneurship and social initiatives, which are all run by the students themselves and cater to the collective need for individual expression of creativity and well-being and also organically prepare students to take on bigger roles and responsibilities for the future.

The Institute also provides opportunities for International Exposure through the University’s Global Immersion Programme (GIP). Students during the course of the six semesters at SCMS can also choose to undertake courses for twelve credits in any one of the University’s partner Universities abroad. This year we also initiated COIL (Collaborative Online International Learning) where students from SCMS co-worked on a project with students...
of another foreign University.

The track record for placements has been rising over the years. Students can choose from Multinational Companies to Startups; SCMS-Pune is the place to be in the placement season. PWC, KPMG, Grofers, MGH, Wipro, Credit Suisse and ICICI Bank are some of our recruiters. The college has a dedicated Placement Division which hand holds the students right from the start from CV building to the final selection process.

Quoting, Mr. Shreyas Petkar, Director, Risk Assurance Services, PWC “We at PWC Risk Assurance Services have been associated with SCMS-Pune for over 8 years now. We have been happy with the candidates we have hired and they too have delighted us with their hard work and sincerity. We look forward to our continued association with SCMS and hope to recruit bright, young students to be a part of our team."

Students of SCMS are not just academically brilliant but also develop a sensitivity and respect for the community around them. SCMS was awarded the Guinness World Records Certificate of participation for being a part of the largest adolescent Health Awareness lesson.

Over the years, the College Festival, Sympulse which started off as humble celebration of the campus spirit and bonhomie has grown into spectacular extravaganza which draws thousands of students from across India and abroad. It is one of the much awaited college festivals not only because of the scale at which it is held but because of the activities, experiences and the way it is organized. The festival is managed by the students, which also gives them the live experience in management lessons.

The Institute also offers the students opportunities for research. There are both funded and non-funded corporate research projects that students can take up. SCMS-Pune offers all students’ opportunities to learn, develop skills, grow and expand their horizons. We provide our students the bridge that helps them cross over from schools to either the Corporate World or to Higher Education in prestigious institutions.

A few student achievements to mention are:

- Mr. Vinayak Sharma (batch 2016-19) was awarded the ‘Chancellor’s Gold Medal’ for the Best Outgoing International Student in Under Graduate Programme from Symbiosis International (Deemed University) in the 16th Convocation of Symbiosis International (Deemed University) Shri. M. Venkaiah Naidu, Hon’ble Vice President of India was the Chief Guest for the Convocation.

- Two students of SCMS won the Young Reporters for the Environment (YRE)- Foundation for Environmental Education (FEE) International Competition. Mr. Taha Joher (batch 2017-20) won the 1st Prize in Article Category (Age 19-25) and Ms. Nidhamarthy Aruna (batch 2017-20) won the first prize in Article Category (Age 15-18) in the YRE-Litter less Campaign Category – International.

Programme Profile:

Bachelor of Business Administration - (BBA)

The BBA program is a full-time, three-year graduation program spread over six semesters which aims at transforming a student into a socially responsible global corporate citizen. This program with its intensive and updated syllabus and a wide range of additional modules would indeed enable the student to aspire for higher studies in premium business schools in India and abroad or join the corporate world.
**Cafeteria Approach:**

The Institute follows a cafeteria curriculum which was successfully launched from the Academic Year 2011-12. The Cafeteria curriculum has been designed to allow flexibility to the students to take up courses of their choice resulting in the award of a general BBA or BBA with single or dual specialization. The program is of 150 credits having a combination of core courses and elective courses. The cafeteria approach encourages and allows students to choose elective courses from various Specializations.

The Institute offers six specializations from the Academic Year 2013–14:

- b. Marketing Management
- c. Accounting & Finance
- d. International Business
- e. Environment Management
- f. Entrepreneurship Management

Orientation and Pedagogy:
Learning at SCMS happens both inside and outside the classroom. The medium of instruction for all the courses (except foreign languages) is English. The curriculum is designed to ensure that classroom learning is interspersed with Case Studies, Project work, Role Plays, Simulation, Presentation, Article Reviews, Assignments, Business Games, and field trips, wherever necessary.
MOOCs from other premier bodies are an integral part of classroom certifications and hence are woven in the curriculum.
All this ensures that by the end of the course the students get a strong theoretical base and the ability to link theoretical concepts with prevalent Management Practices.

Institute Profile:
Symbiosis Centre for Management Studies, (SCMS) NOIDA, an off campus Institute of Symbiosis International (Deemed University), Pune began its operations in 2010. Based in the National Capital Region, it facilitates imparting of quality management education at the graduate level and aims to be one of the best Management Education Providers in the region, providing relevant, contemporary and practical experiences along with core conceptual inputs. Since commencing operations, it has made a name for itself in offering a very contemporary, progressive program structure, leading to a real time professional degree, the Bachelor of Business Administration.

The Institute focuses on the “R”s of Business Education: Relevance, Research, and Re-Invention, and has found wide acceptance in industry and academia for its commitment to professional education. The Institute has several firsts to its credit, in teaching / learning and innovative pedagogy, and lays great stress on internships and industry connect, with a strong belief in application based education. The Institute encourages student
participation in research and other allied activities and believes in producing relevant, skill-equipped graduates, with a social conscience. The Institute believes in holistic education, and in producing students with an all-round personality, ready to take up the challenges of the real world on passing out. In fact, the Institute believes its objective is to produce "employable" graduates with a social conscience. This has been comprehensively proven on numerous occasions when SCMS – N students won various awards and laurels at Start-Up Competition and other tournaments at various institutes of repute like IIMs. The Institute, in keeping with its forward-looking reputation, has a breakthrough specialization in Business Analytics from the last Academic Year.

The Institute is housed in an impressive academic building, with air-conditioned classrooms and excellent on-campus facilities. It also has excellent qualified faculty with all of them being UGC qualified. A strong, robust corporate connect ensures real-time and state of the art, application-based education to students. Internships are an integral part of the course curriculum as are real-time projects and assignments. A strong industry representation on the Program Review Committee ensures that the program structure is forward-looking and futuristic. Research is highly encouraged in the Institute and students are encouraged to publish in journals.

Our motivated students are at the forefront of organizing 5 inter-institute events every year. "Symaroh" – our Inter-Collegiate Cultural Fest, "Symphenia" our Inter School Cultural Fest, "Symperia" – our Inter Collegiate Sports Fest, "SyMUNC" – Our Model United Nations Conference and "SymCharcha" – our Inter Collegiate Debate Competition. Students representation is encouraged on all major Committees of the Institute and is mandated on all statutory Committees. Students are extremely active in ISR activities under our Institute Social Responsibility Cell as well. The Institute also conducts regular Management Development Programs for Corporates and is also active in corporate commissioned research activities. More details are given below.

**Programme Profile:**

**Name of the Programme:**

**Bachelor of Business Administration - (BBA):**

At the Graduate level, the Institute currently offers one 3-year full-time BBA degree programme. The same is divided into 6 semesters and offers the following specializations: Marketing, Human Resource Management, and Financial Management, International Business, and a breakthrough specialization in Business Analytics. The First Year is used as a Foundation Year, and specializations commence from the Second Year (Semester III). The Program has a total of 150 credits and the students have to qualify the Integrated Disaster Management program for the award of degree. The degree is granted by the Symbiosis International (Deemed University), Pune, of which the Institute is a Constituent Unit.

Orientation and Pedagogy:
SCMS NOIDA has a strong faculty base with a unique blend of experienced and youthful faculty. It also has a very good faculty to student ratio. Using a variety of adult learning based pedagogy, SCMS NOIDA utilizes a learning rather than teaching approach. A dynamic, continuous evaluation system ensures that students are kept abreast of relevant contemporary happenings in the market, as well as in line with the syllabus. Projects, assignments, live projects, experiential learning market research are part of the normal academics. The Institute is a strong believer in Application Based learning and Practical Projects are also a regular feature. A strong industry connect and regular guest lectures with some of the best names from the corporate world ensures that students are up to
date with the latest in the business world. Stringent evaluation norms, aided by anti-plagiarism software ensures that student project reports are of the highest calibre. The Institute follows a continuous evaluation system with the number of components determined by the number of credits assigned to a course. Students are encouraged to take up addition courses, apart from their regular opted course curriculum, as a Certificate Course. Additional workshops with Certification from reputed organizations like KPMG, IBM, ICICI, Indian Institute of Financial Markets etc are organized.

The Institute regularly organizes Seminars and Research Conferences to bring the best of the professional and academic world to students. Cultural activities and evenings are a regular feature of the Institute.

Students can choose between 5 specialization verticals: Marketing, Human Resource, & Financial Management, International Business and Business Analytics. The Institute is amongst the first in the country to introduce Business Analytics as a full specialization at graduate level. They also will be given advice by industry speakers, on career paths available in the corporates for each of these verticals, so also they will be counselled to find out their suitability for the same. The Institute offers floating credits as per University norms, and this year has offered International Exchange Programs for students. Students regularly attend summer schools abroad, as well as semester abroad programs. Students in the past have gone to Deakin University, London School of Economics, Dauphine University, Arizona State University, University of British Columbia.

Infrastructure / Facilities:
The Institute has a new state of the art academic building, with spacious classrooms, fully equipped with all necessary teaching aids in this Academic Year. All the classrooms, the computer labs and the library are air conditioned. The Institute is wi-fi enabled.

Hostel Facility:
An excellent hostel is available on campus for only girl students. The hostel is air conditioned. Dedicated hostels, about 10 minutes (2 kms) away from the campus have been identified and arranged, on an outsourced basis, for boys separately.

Computer Laboratory:
2 Computer Labs, each with 70 PCs, are available and are fully equipped with relevant software.

Library and Reading Room:
The well-equipped, spacious and air conditioned library houses a variety of Management and Course specific books, periodicals, journals and newspapers, along with AV CDS and DVDs. Digital library facility as well as Internet facility is available in the library for e-access to journals and databases.

Canteen facility:
A Canteen / Cafeteria facility is present in the campus with a variety of food items at reasonable prices, in a clean and hygienic environment. This also serves mini meals for students wishing to avail of the same at very reasonable rates.
Reprography Facility:
A small store is also available in the campus for stationery items as well providing reprography facilities.

Internships & Placements:
The Institute has enjoyed an excellent placement season, almost all the students who requested for placement assistance were provided the same. The average package offered to the students at the time of this publication is around 4.50 lakhs CTC p.a.

Dr. Rajiv Yeravdekar  
Director, SIHS  
Dean, Faculty of Health & Biological Sciences.

Director Profile:

Dr. Rajiv Yeravdekar, Director, SIHS has been a merited student throughout. Recipient of the National Merit Scholarship, he graduated from the prestigious B. J. Medical College, Pune in 1985, securing top honours in General Surgery, Obstetrics & Gynaecology. He completed his Masters in Obstetrics & Gynaecology in 1989 & was awarded the Gold Medal by Pune University for his outstanding academic performance. He has completed his Ph.D. from University of Pune. Dr. Rajiv topped the list of successful candidates of the Maharashtra Public Service Commission and joined the B. J. Medical College & Sassoon General Hospitals, Pune as faculty in the Department of Obstetrics, Gynaecology and Family Welfare. He was invited by the Ministry of Health, Sultanate of Oman from 1992–1996, where his work was highly appreciated. On completion of this assignment, Dr. Rajiv conceptualized & set up the Symbiosis Centre of Health Care (SCHC), the healthcare unit for the staff & students of the Symbiosis family. Besides ensuring delivery of quality health care services, the Symbiosis Institute of Health Sciences (SIHS), offers a number of unique, innovative, need based and career oriented academic programmes pertinent to the health care sector. Dr. Rajiv is a former Member of Board of Governors, Medical Council of India (MCI), Central Supervisory Board-PCPNDT, Govt. of India, Maharashtra Medical Council (MMC) & Maharashtra Nursing Council (MNC) Govt. of Maharashtra, Member, Governing Council of Consultancy Development Centre (CDC), DSIR, Ministry of Science & Technology. Dr. Rajiv is associated with various other professional organizations like FICCI, CII, IMA, FOGSI, ISCCM, SEMI, IHCQF, MCCIA, etc. He has presented a number of original research articles both at the National and International level. Dr. Rajiv has also contributed a number of articles in many of the leading newspapers and magazines.

Institute Profile:

Symbiosis Institute of Health Sciences (SIHS) has conceptualized and offers need based, non-conventional, innovative & competency driven academic programmes & initiatives designed to raise a cadre of professionals who would facilitate delivery of optimum health care services. It is a conscious response to the growing concern of healthcare education and management across the rapidly growing healthcare sector. SIHS endeavours to create a health momentum towards the ultimate objective of creating a healthy world. Recognitions and accolades from various National & International bodies are a testimony to the contribution of SIHS.

In continuation of these endeavours following sister concerns will play a vital role in giving interdisciplinary healthcare management education.

Symbiosis University Hospital & Research Centre (SUHRC) - Symbiosis University Hospital & Research Centre (SUHRC) is currently a 300 bedded hospital (scalable to 700 beds), located within the SIU campus at Lavale, Pune. The SUHRC provides top quality clinical services, which are protocol driven and evidence based. The nomenclature of a 'University hospital and Research Centre' conveys the thrust on academics and research, which
would be both interdisciplinary as well as translational.

The Symbiosis Medical College for Women (SMCW) is located in the scenic campus of the Symbiosis International University at Lavale. The annual intake will be 150 students. The medical college and its attached Symbiosis University Hospital and Research Centre will have state-of-the-art infrastructure and facilities. The Symbiosis Centre for Health Skills (SCHS) is a multidisciplinary educational facility that strives to provide high-tech simulated and virtually created hospital set-up for teaching, training & assessment for all health care professionals in clinical and related management skills. The broad objective is to align with the National Agenda of Skill Development to create robust and vibrant eco system for quality education and skill development in healthcare sector in the country. To address the healthcare needs further, SIHS is in the process of developing a Health Sciences & Technology Park (HSTP) comprising of a paramedic training institute, a centre for complementary and alternative therapy, all contributing to a whole new world of healthcare.

Programme Profile:
Name of the Programme:

• **Bachelor of Science (Medical Technology)**

**Objective:** As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic modalities are on the rise. The ever changing & ever expanding horizon of the health care sector demands formal training programmes in all its allied areas. The diagnostics sector, today is witnessing a tremendous growth in terms of volume and sophistication. With increasing advances and super specialization, the scope for tomorrow’s technologists does not remain limited to just routine tests. Advanced complex instrumentation & equipment require technocrats not only to operate but also to care & maintain them as well. These experts have to possess a strong scientific foundation & be able to perform at a much higher level than the traditionally trained technicians of the past. The students thus trained in the technological aspects of medical care with a good scientific foundation will be in a position to competently assist the Physician or Surgeon, especially in high-tech medical procedures to cater to the health care industry globally.

**Specializations**

The programme offers specializations in the following areas:

**Cardiac Care Technology:** The Cardiac Care Technologist is responsible for direct and indirect patient care, hemodynamic monitoring, equipment set up and operation. They assist the physician during cardiac procedures and assume responsibility for completion of other cardiac lab functions.

**Respiratory Therapy:** The Respiratory Therapist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.

**Dialysis Technology:** Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies & technical skills necessary in the field of dialysis.

**Imaging Sciences Technology:** Imaging Sciences Technologists are health professionals who facilitate diagnosis and management through the creation of medical images using modalities like X-ray, Ultrasound, Magnetic Resonance and Computed Tomography.
Clinical Lab. Technology: Clinical Lab. Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory Technologists perform a full range of laboratory tests, the information of which influences the medical treatment a patient will receive.

Operation Theatre and Anaesthesia Technology: The Operation Theatre and Anaesthesia Technologist is responsible for direct and indirect patient care, equipment set up, Pre, Intra & Post-operative procedures.

Laparoscopy & Endoscopy: Technologists learn the fundamentals & skills required to assist the Surgeons conducting Laparoscopy procedures and Physicians in Endoscopy procedures at various clinical establishments.

Ophthalmic Sciences: Technologists pursuing Ophthalmic Sciences specialization deal with the technical aspects of ophthalmic procedures required for diagnosis and treatment of eye disorders & diseases. The technologists so trained would be in a position to competently assist the Ophthalmologists.

Neurosciences Technology: The students will acquire skills to assess the patient, plan various electro-diagnostic procedures, and implement them in the neurosciences field.

- Bachelor of Science (Radiotherapy)
  This program is approved by Atomic Energy Regulatory Board (AERB).

Objective: To train students in Radiotherapy techniques with specific objective driven learning such as Radiation safety, Special patient preparation before the study to obtain the most accurate result in radiotherapy procedures and handling the machines used for the procedures effectively. These students would be in a position to competently assist the Physician, to cater to the branch of Radiotherapy globally.

Duration:
- Bachelor of Science (Medical Technology) : 4 Years, Full Time
- Bachelor of Science (Radio Therapy) : 3 Years, Full Time

Intake:
- Bachelor of Science (Medical Technology)  - 120 students
- Bachelor of Science (Radio Therapy)  - 06 students

Eligibility:
- Bachelor of Science (Medical Technology)
  Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority
• Bachelor of Science (Radiotherapy)
  Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

Important: It is the responsibility of the Candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Admission Procedure:
STEP I: Online registration to B.Sc. Medical Technology programme: Complete the online registration by filling the online registration form and making online payment of registration charges of Rs.1250/-
STEP II: Eligible candidates will be called for Entrance Test, Personal Interaction and Written Ability Test (PI-WAT).
STEP III: Selected candidates for provisional admission will be intimated through email.
STEP IV: Provisional Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of the academic fees.

Reservation of Seats: As per University norms

Orientation and Pedagogy:

• Bachelor of Science (Medical Technology)

The program is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time in tertiary care hospital related to their specialization where they are exposed to actual “hands on” practical training. Various Academic visits will be organized related to the specialization. The students will participate actively in number of co-curricular & extra-curricular activities in developing self-confidence and ability to realize his/her full potential.

Eminent guest faculty further enriches the course content. Innovative teaching methods and sessions contribute to all round personality development in addition to academic excellence and practical competencies.

#### Semester: I
**Core Courses**
- Anatomy I
- Physiology I
- Basic Biochemistry
- Basic Pharmacology
- Hospital Practices and Patient Care I
- Basic Sciences
- Medical Ethics and Legal Aspects
- Communication Skills for Allied Health Professionals - Foundation

**Electives**
- Psychology
- Sociology
- Computer Skills

#### Semester: II
**Core Courses**
- Basic Microbiology & Parasitology
- Pathology
- Anatomy II
- Physiology II
- Hospital Practices & Patient Care II
- Communication Skills for Allied Health Professionals - Advanced
- Medical Physics

**Electives**
- Computer Language
- Nutrition & Dietetics
- Applied Mathematics

#### Semester: III
**Core Courses**
- Research Methodology
- Principles and Practices of Management
- Personality Development for Allied Health Professionals - I
- Basic Patient Assessment
- Core Environmental Studies

**Electives**
- Clinical Nutrition
- Understanding of Basic Investigations - I
- Basics of Epidemiology

• Respiratory Therapy Technology II

Electives: Imaging Sciences
• Operations of Computed Tomography
• Physics and Instrumentation of Computed Tommography

Electives: Clinical Laboratory
• General & Clinical Biochemistry
• Bacteriology
• Introduction to Equipment & Instruments (Clinical Laboratory)
• Diagnostic Parasitology

Electives: Dialysis
• Introduction to Medical Devices and Instruments (Dialysis)
• Principles of Hemodialysis II

Electives: Operation Theatre & Anaestheisa
• Introduction to medical Devices and Instruments (Operation Theatre & Anaesthesia)
• Procedures Prior & During Anaesthesia

Electives: Laparoscopy & Endoscopy
• Introduction to Laparoscopy Instruments
• Endoscopy Setup & Patient Preparation

Electives: Ophthalmic Sciences
• Introduction to Medical Devices & Instruments (Ophthalmic Sciences)
• Ocular Pharmacy and Pharmacology

Electives: Neurosciences Technology
• Introduction to Medical Devices & Instruments (Neurosciences)
• Electroencephalography II
• Vestibular Myography

Semester: V
Core Courses
• Summer Internship Programme
• Basic Life Support
• Soft Skills for Allied Health Professionals - I

Electives
• Quality in Healthcare
• Understanding Basics of Investigations-II
• Hospital Information System
• Home Health Care

Electives: Cardiac Care
• Clinical Cardiology
• Applied Management in Cardiac Care Unit
• Echocardiography Techniques

Electives: Respiratory Therapy
• Mechanical Ventilation II
• Applied Management in Respiratory Therapy Unit
• Mechanical Ventilation I
Electives: Imaging Sciences
- Operations of Magnetic Resonance Imaging
- Applied Management in Radiology Unit
- Physics and Instrumentation of Magnetic Resonance Imaging

Electives: Clinical Laboratory
- Blood Banking - Basic
- Applied Management in Clinical Laboratory
- Diagnostic Microbiology - Basic

Electives: Dialysis
- Principles of Peritoneal Dialysis & Other Procedures
- Applied Management in Renal Care Unit
- Water Treatment in Dialysis

Electives: Operation Theatre & Anaesthesia
- Advanced Sterilization Techniques & Infection Control in Operation Theatre
- Applied Management in OT and Anaesthesia Unit
- Assistance in Perioperative Complications

Electives: Laparoscopy & Endoscopy
- Basic principles of Laparoscopy Technique
- Infection control & Sterilization in Laparoscopy set up
- Applied Management in Laparoscopy & Endoscopy Unit

Electives: Ophthalmic Sciences
- Investigative Ophthalmology & Refraction
- Ophthalmic Procedures
- Applied Management in Ophthalmic Unit

Electives: Neurosciences Technology
- Neurobiology
- Nerve Conduction Study
- Applied Management in Neurosciences Unit

Semester: VI

Core Courses
- Project
- Soft Skills for Allied Health Professionals - II

Electives
- Biomedical Waste Management
- Continuous Quality Improvement
- Research Proposal Writing

Electives: Cardiac Care
- Cardiac Catheterization - Basic
- Advanced Cardiac Life Support (ACLS)
- Nuclear Medicine Technology

Electives: Respiratory Therapy
- Advanced Cardiac Life Support (ACLS)
- Infection Control in Respiratory Care
- Neonatal and Pediatric Respiratory Care – Basic
- Pulmonary Rehabilitation and Home Care

Electives: Imaging Sciences
- Nuclear Medicine Technology
- Interventional Radiology
- Latest Developments in Imaging

Prof. Sanjeevani Ayachit is currently the Officiating Director at Symbiosis Institute of Design. With a Master’s degree in Clothing and Textiles (M. S. University of Baroda), she has vast experience in the field of design and design-related education and consultancy. On completing her Masters education, she took up employment at the prestigious men’s apparel company Raymond Apparel Ltd. (RAL), Thane, where she oversaw their finishing and quality control departments. After spending a few years at RAL, she took up a temporary teaching position at the S. N. D. T College of Home Science, Pune. This was soon followed by a three-year period of teaching fashion design at a private institute. She has also worked as Manager – Quality Control at a Pune-based apparel brand, Sleepins Apparel Pvt. Ltd.

Prof. Sanjeevani Ayachit was heading the departments of Fashion Design and Fashion Communication from 2014 until May 2019 and has previously served as Deputy Director at the Symbiosis Institute of Design for almost 4 years.

She has presented her research at conferences in Pune, Huddersfield, UK and Mexico City and has Scopus indexed research papers to her credit. Her book highlighting the historic clothing, textiles and accessories in the collection on the Raja Dinkar Kelkar Museum, Pune was published in 2018 and is available on Amazon. She is pursuing her PhD at Symbiosis International University examining cross-cultural subtleties of costumes of the Peshwas of Pune.

Institute Profile:

Constituent of Symbiosis International (Deemed University), Symbiosis Institute of Design (SID) creates an enabling atmosphere for students with a right bent of mind to hone their skills and capabilities to turn them into competitive professional designers. The unique multidisciplinary campus offers opportunities to students of different streams to share ideas, brainstorm solutions and catalyse each other’s thinking. The work ambience enables one to build on one’s conventional skills and complimented with modern tools and techniques allows the student to be on the cutting edge of Design.
Programme Profile:

Name of the Programme:

• Bachelor of Design (B. Des):

  Specializations:
  1. Graphic Design (GD)
  2. Video Film Design (VFD)
  3. Animation Film Design (AFD)
  4. User Experience Design (UED)
  5. Product Design (PD)
  6. Interior Space Design (ISD)

  8. Fashion Communication (FC)

  The specializations mentioned from 1 to 4 above fall under the discipline Communication Design (CD) and 5 to 6 falls under Industrial Design (ID).

  The programme is aimed at creating professionals who can contribute to the highly dynamic and competitive world of design. Our approach to design education is entirely project based. The institute puts high emphasis on evaluating the students on the basis of continuous performance and projects.

Duration: 4 Years, Full Time

Intake: 180 students

Eligibility:

❖ Essential:

• A candidate must have passed 10+2 (any stream; e.g. Science, Commerce, Arts, etc.) or equivalent OR 10+3 diploma approved by State Board of Technical Education with minimum 50% aggregate marks obtained in the final examination to be eligible for the above-mentioned program.

• A candidate appearing for the final examination of 10+2 grade or 10+3 Diploma program may also apply provided the results of the examination should have been declared by June of the admission year or prior to be eligible for the above mentioned program.

• A candidate failing at 12th Standard examination but has appeared and passed at the immediate compartmental examination held in the same year, in first attempt will be eligible for provisional admission.

❖ Desirable:

• The candidate should possess Creative Aptitude & Skills necessary to pursue Design Education as well as adaptability to the situations, which the profession demands.

• Candidates with the relevant portfolio would be preferred.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.
Admission Process:

Under normal circumstances, SID’s admission process comprises of Symbiosis Entrance Exam for Design (SEED) followed by Studio Test and Personal Interaction after which the merit list is generated. Considering the Corona Virus situation, it was decided to cancel SEED for Admissions 2020. A revised Admission Procedure was formulated as under:

The admission process for 2020:

<table>
<thead>
<tr>
<th>Step 1:</th>
<th>Online submission of digital Portfolio</th>
</tr>
</thead>
<tbody>
<tr>
<td>Step 2:</td>
<td>Online Portfolio Review and Personal Interaction</td>
</tr>
</tbody>
</table>

Final selection is based on the cumulative performance of the candidate in Portfolio Review and Personal Interaction as well as on the basis of the information provided by the candidate in the application form and his/her first preference of the disciplines offered.

Reservation of Seats: As per University norms.

Orientation & Pedagogy: Design is an intuition, an outcome of a subconscious thought that leads one to a deeper sense of knowing. Intuition is akin to an elongated insight that tells us we are on to something dynamic to face the competitive world of design and address real time problems. Design also involves reasoning that assesses the problem and analyses the possibilities for solution. It is the analytical process that relies on method and logic to assess, refine, and verify its various hypotheses. At SID, it reflects the same by evaluating the student’s project based assignments on the basis of daily performance.

Design pedagogy or design education may be defined as the set of practices and systems for training in the field of design; the ways and methods of teaching for the acquisition of necessary knowledge and skills in order to practice design profession. Design schools all over the world follow an “art and design” pedagogy. SID uses a combination of Lecture, Studio and Practical sessions in combination with Demonstrations, Film Screenings, Industry Visits, Cultural Visits, Case Studies, Master Classes and Group Discussions. This variety of learning techniques enhances the learning experience of students making them better equipped to undertake design assignments and projects. Projects, and participation in co-curricular and extra-curricular activities provide students with hands on training and experience to handle design based tasks of the future.

Institute Profile:
Widely acclaimed as India’s premier mass communication college, Symbiosis Centre for Media & Communication (SCMC) has been successful in carving a niche for itself in the field of media and communication education since its inception in 2008. SCMC is a department of Symbiosis International University (SIU), under the Faculty of Media Communication (FoMC). Through our programme, Bachelor of Arts (Mass Communication), we offer a comprehensive learning experience through traditional academics & research, as well as cyber & experiential learning. We are the only media education institute in India to offer specialisation/courses at the undergraduate level supported by extensive coursework, academic sessions by professionals with years of industry experience, immersive internships and projects. Our intake process is highly competitive with acceptance rate of 7-8% and a multi-level and multi task competence through a screening procedure that includes an entrance test and personal interviews. Our mission is to nurture their natural talents and aptitudes; equip them with technical knowledge and skills; and prepares them for the media industry or further education, whichever they choose, post their graduation.

The SCMC core faculty possesses years of industry, academic and research experience, while our visiting and guest faculty are active media professionals. Together, they help the students gain an understanding of real world scenarios and of the changing demands of the industry, and to create networks within the media community.

We also ensure that we have the resources and infrastructure to back up classroom learning with practical, hands-
on experience needed for each of our programme specializations. Several of our classrooms are acoustically sealed mini-auditoriums, with state-of-art projection and sound systems. We have a professional-grade AV studio and pre- and post-production audio and video laboratories, journalism labs, along with a photo studio and computer lab equipped with the latest software. SCMC has a robust placement record and our alumni are spread across the media sector in India and around the world. Many have gone on to pursue higher education or research; and are excelling in their chosen fields.

The definition of media has undergone a radical change in recent times. The shift is not merely technological, but that of perception of society about media. The media industry needs leaders and change makers and we pride on ourselves as leaders in media education and our core mission is to create exceptional communicators and future ready professionals, capable of understanding, responding to and actively engaging with global issues that need attention.

Besides this she keenly studies and follows trends in International Development Cooperation – South-South Cooperation and Sustainable Development Goals. She has steered and focused the activities at the Symbiosis School of Economics in this direction. To this effect, various courses and a Masters Specialization in Urban Development has been introduced at the school. Besides writing a couple of textbooks on International Trade, she has jointly edited a book with Ramanath Jha on 'Perspectives in Urban Development: Issues in Infrastructure, Planning, and Governance.' She has written a number of research papers and has been working on a number of research projects and consultancies, working towards enhancing engagements with multiple stakeholders.

Institute Profile:
Founded in 2008, Symbiosis School of Economics is a vibrant and rapidly growing institution, with a decade of demonstrated success. SSE is a niche institute seeking to develop intellectual discipline, critical and analytical assessment which will result in rational thinking along with an understanding of the need for constrained optimization and a strong urge to strive towards achieving equilibrium. We at SSE, achieve these goals in an educational environment committed to excellence and academic freedom.
Higher education is critical to successful economic development and quality of life. To this effect, SSE offers graduate and postgraduate programs in Economics within which students develop the intellectual and professional competencies for successful life, work and leadership. The course content is rigorous and the approach is descriptive as well as investigative; it connects the students with every aspect of economics through various facets – the micro, the macro and the global scenario. It is our endeavour to create a class of future ready resource persons, who will be capable of including innovations and pragmatism into problem solving in varied spheres. With its interdisciplinary flavour, the curricula prepare students for careers in banks, financial institutions, corporate, media and communication, Government, academia and so on. Despite a demanding environment at the school, there is lot of opportunity and scope for our students to put to test their creativity, originality through the plethora of extra and co-curricular activities and initiatives they are encouraged to take up. It is indeed a journey of academic pursuits, which is ever evolving, incorporating different perspectives from varied stakeholders, making our courses increasingly relevant and meaningful and resulting in lifelong learning.

Orientation and Pedagogy:

Other than the standard discourse method, case based learning, collaborative learning, formal and informal discussions, flipped classroom and colloquium oriented methods are also employed as pedagogical methodology. Apart from this, various workshops, conferences and guest lectures are organized from time to time, to enhance the student’s understanding and sharpening of the required academic and industrial skill-sets. The students are expected to read related matter and come to class so that each session becomes more interactive. The aim is to create a dynamic learning environment and enhancing the analytical and application capability of the students.

In order to encourage students to learn as much as they can, they are encouraged to opt for Double Majors / Double Minors, Extra courses and Audit courses with specific minimum academic prerequisites / requirements.

Duration: 4 Years, Full Time

Intake: 100 students

Eligibility:

Student Activities: SIU Football Girls Championship
Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:
The Admission to the 2020 batch to Symbiosis School for Liberal Arts can be done in two ways:
Option A: SET (Symbiosis Entrance Test)
Option B: SAT (Scholastic Assessment Test)

First Round:
Students choosing Option A must follow the procedure mentioned below:
Candidates must register for the General Paper of the SET (Symbiosis Entrance Test).

How to register:
• Go to www.set-test.org to register for the examination
• After successfully creating your username and password, please fill in your personal information in the web portal
• Choose SET General paper in order to be eligible for application to SSLA
• You may now complete your registration by making a payment of Rs 1750/- towards the SET fee and Rs 1000/- towards the SSLA registration fee. Payment can be made either online or offline.
• Admit cards can be downloaded from this portal in April 2020.

Students choosing Option B must follow the procedure mentioned below:
SSLA now offers admission via SAT Scores. Students who have appeared for the SAT exam must follow the process mentioned below:

How to register:
Candidates who have given the SAT exam must mandatorily fill in the SET application. For this:
• Go to www.set-test.org to register for the examination.
• After successfully creating your username and password, please fill in your personal information in the web portal.
• In the application form, you will be requested to provide your SAT Scores in a designated place. Once you fill in the SAT Scores, DO NOT choose SET General and center. SAT Students are exempted from SET Exam.
• Once you have filled in your SAT Scores, please complete your registration by making a payment of Rs 1750/- towards the SIU registration and Rs 1000/- towards the SSLA registration fee. Payment can be made either online or offline.
• In addition to the two points above, Students MANDATORILY must send their SAT Scores to us via College Board Platform.
• DI Code for SSLA in the College Board is 7840 which will help you to find SSLA on the College Board Platform.
• After sending scores to us via College Board, your application will be treated as complete.
Important:
If we do not receive your SAT scores from College Board, your application form will be treated as incomplete/invalid and there will be no refund of fees paid.

Second Round:
- Once the shortlist of first round (SET/SAT) is declared, SSLA will declare its shortlist of candidates eligible for the second step - PI. The PI (Personal Interaction) will be conducted at SSLA, Pune only. SSLA does not conduct PIWAT anywhere else.
- The Personal Interaction will be followed by a Writing Ability Test, which is a short subjective-answer based test.
- Based on the combined scores of SET/SAT and PI, the Merit Lists will be published.

Reservation Seats: As per University norms.

Orientation and Pedagogy:
Symbiosis School for Liberal Arts offers an education that weaves together various disciplines that are not traditionally or typically offered at the undergraduate level. With changes in the economy and employment sector, the trans/interdisciplinary combinations’ and multi-disciplinary skills are much valued for future career growth, personal and professional success. The programme finds its footing in the Social Sciences such as Psychology, Anthropology and Sociology; Humanities such as History, English and Philosophy; Sciences such as Biology, Physics, Mathematics, and Statistics, Computer Studies; and Professional courses in Business and Media. SSLA’s distinctive programme structure is offered with mandatory or core courses that help in developing research,
thinking and critical skills; and electives such as Greek Philosophy, Calculus, Diversity Studies, World Music, or The Idea of Art, which complete a true liberal arts education.

At SSLA, the system of education integrates knowledge, skills, and attitude (i.e. a way of contextualizing the world as critically conscious citizens) into the curriculum and co-curricular activities. This holistic framework is the hallmark of SSLA’s programme structure, which is a break from a more traditional educational curriculum.

To achieve this at SSLA, we aim to:

- Remove any barriers that limit a student’s access to a broad range of courses by offering courses across all disciplines, and encouraging them to explore combinations that are conventionally viewed as being ‘academically incompatible’.

- Introduce innovative pedagogies, interactive seminars and group discussions, interactive audio-visuals, lectures and guest speakers/experts, visits and workshops, team learning through projects and assignments, and self-learning through library reference and internships. These experiential activities and multifaceted teaching methods engage different learning styles of students.

- Facilitate learning for students by providing them with opportunities to interact with leading experts in various fields who are associated with SSLA as its knowledge partners.

Institute Profile:
Symbiosis School of Culinary Arts (SSCA) is a constituent of Symbiosis International University, founded in 2016, and is the first school fully dedicated in offering niche qualifications in culinary science and arts in the country. SSCA was established with a view to cater to the need of the Food Industry to train and develop specialized culinary professionals. Our flagship Bachelor’s degree in Culinary Arts has been one of the most sought after culinary degree in the country.

In order to cater to growing demand of well-trained hospitality professionals, SSCA is will be commencing a specialized Hospitality Management bachelor’s degree from 2020.

The Indian tourism and hospitality industry has emerged as one of the key drivers of growth among the services sector in India. The forecasted 8% growth of Indian tourism industry for the next 10 years* along with the global market trends of ever increasing number of travels for business and leisure, the long term outlook for the hotel & hospitality industry is indeed positive. Hospitality sector has now become a significant industry in India. It is a sun rise industry, an employment generator, a significant source of foreign exchange for the country. The booming tourism industry has had a cascading effect on the hospitality sector with an increase in the occupancy ratios and average room rates.

Hospitality and Food service is among the fastest developing sector in the world. The projected growth is expected to throw open many opportunities for Indian students to pursue career in both hospitality and food service industry. During the last decade, culinary has emerged as a preferred career option in the food service industry.
Keeping in view the increasing demand for specialized programs both in Culinary and Hospitality field, SSCA offers two unique three-year, full-time bachelor’s degree programmes- BSc (Culinary Arts) and BSc (Hospitality Management). Both our programmes are designed to prepare students for a wide range of career options in Culinary and Hospitality fields.

Symbiosis believes in industry and academia interaction at all stages of student development and as a part of our curricula, the students undergo well planned and monitored internship in collaboration with leading hotel and food industry organizations.

Innovation in culinary field, adaptability, business ethics and social responsibility are emphasized to develop students into becoming leaders as well as responsible citizens.

Orientation and Pedagogy:

The study of fact, theory and concept is not sufficient to educate a culinary and hospitality professional. The individual must have the opportunity to see the skills, processes and ingredients in action, and to practice them. Culinary and Hospitality involves high level of motor and interpersonal skills learning. The profession requires a great combination of the art and science and these skills can only be learned in practice.

Pedagogy at SSCA, Pune is largely based on this principle and is a mix of many learning methodologies. Apart from the usual chalk-n-talk, there is a conscious effort to make the sessions interactive by using case studies and references of latest developments in the culinary and hospitality field. The pedagogy at SSCA is designed to incorporate the appropriate practical components to have a thorough grounding in the art and science of practical learning.

In addition, students are encouraged to undertake multiple hands-on projects to hone their research and analytical skills. Latest state-of-the-art equipment and techniques are used wherever possible. Ample guest lectures are organized by inviting Industry leaders, managers, specialists Chefs and Leading Celebrity Chefs for classroom inputs and demonstrations. Field visits to relevant areas of culinary and hospitality skills are also a regular feature. SSCA also offers an opportunity to the students to get a first-hand feel in managing food events, outlets and pastry shop.
Methods of Instruction
The Institute strongly believes in interactive learning through lectures, practical’s, workshops, industrial visits, case studies, project work and field trips, research projects, internships and simulations.

Profile of our Students
An important principle at Symbiosis is commitment to diversity. Students joining our programmes come from all over India. Being a highly skilled niche programme, students who are passionate and keen to make career in culinary filed join this course. The pedagogy has been designed to ensure holistic learning. The differences in opinions, convictions, economic background, gender, colour and nationality brings life to our campus community and fosters tolerance. The professional environment causes intellectual churning and therefore brings out the best in our students.

Career Prospects
SSCA degree program is the path to an exciting career in the amazing world of food and hospitality. We offer a Bachelor's degree in the culinary arts and hospitality Management (B.Sc. – Culinary Arts) and (B.Sc. – Hospitality Management) respectively.

B.Sc. (Culinary Arts) - Our culinary graduate program helps you explore the real aspects of a role in an industry kitchen through a classroom setting that is a replica kitchen — your exploratory space! You can develop a strong foundation of foodservice, operations, management skills and knowledge that can directly transfer to day one in the field. Most of your time is spent side-by-side with your peers and our Chef Educators, who offer one-on-one mentoring opportunities as you prepare complete meals and experience each station in our state-of-the-art kitchen setting. Students from diverse academic background. With the projected growth of the industry there is a crying need for skilled and trained employees and graduates of culinary arts will find placements in:

- Starred hotels around the world
- Stand Alone restaurants
- Flight Kitchens and Cruise liners
- Quick Service Restaurants
- Industrial and institutional Catering

If you are creative, you love food and feeding people interests you; if you are passionate about foods of the world and are keen to explore this domain, SSCA is the place for you to be.

B.Sc. (Hospitality Management) - Upon successful completion of Undergraduate studies, students will aspire for different management positions within a wide range of organizations – from more traditional management positions – initially departmental management roles such as Restaurant Manager, Events Coordinator, Banqueting Manager, Front Office Manager and Head Housekeeper to specialist positions such as HR Manager, Sales and Marketing Manager, Food & Beverage Controller and Purchasing Manager. Some will aspire to senior management positions, Hotel General Manager or Regional Manager of a restaurant group but those with a strong element of entrepreneurship will be looking to start up their own enterprise, be it a restaurant, lodging facility, catering company, training provider or event Management Company.

A researcher - teacher of Deep learning, his interest areas are Artificial Intelligence, Computer Algorithms, Machine Learning, Deep Learning Higher Order Thinking Skills, Critical Thinking and Ethics & Values.

His research work can also be seen at https://scholar.google.co.in/citations?user=ONIE0gMAAAAJ&hl=en
He has more than 100 papers published /presented at international conferences around the world, to his credit and 3 patents filed. He is Guide to doctoral students working on the various field of Computer Engineering and especially in Machine Learning for PhD/MTech Degrees. His insightful articles on varying topics are also published in news dailies; CSI magazine; AIU University newsletter etc.

He was keynote speaker for events (recent ones) such as ACMA Technology Summit 2019, Pune; international conference on “Flexible Learning Pathways: Asia-Europe Conference on Lifelong Learning and the 2030 Agenda for Sustainable Development”, Hanoi, Vietnam; Artificial Intelligence & Data Analytics in Decision Making” at the 14th FICCI Higher Education Summit 2018. He was also a member of FICCI higher education delegation to S Korea in May 2019. He has also delivered a talk on Research directions for Artificial intelligence at various forums including at IIT Bombay. Dr Kotecha was founding Provost of Gujarat’s largest private university- Parul University. He was Director – Academic Development and Research Cell, Nirma University, Ahmedabad, where he also served as the Dean and Director of the Institute of Technology, Nirma University.

He was Governing Council Member of the USA based Global Engineering Dean’s Council -India Chapter and is also a member of National Advisory Council for Confederation of Indian Industry’s (CII) Engineering and Management Curriculum Restructuring Task Force. He is the member of Governing Council of various universities and member of Academic Council at few Universities. He was a Member of the Technical Advisory Committee of BRTS, Ahmedabad and is also a member of Metro-Link Express for Gandhinagar.
Dr. Kotecha is also an independent Director of Gujarat Informatics nominated by Government of Gujarat. A recipient of Erasmus + faculty mobility grant from European Union, Dr. Kotecha was invited by Wroclaw University of Science and Technology and Poznan University of Technology, Poland for delivering sessions on Machine learning. He was a visiting expert to University of Pretoria, S. Africa. He was also invited and visited various countries like USA, Canada, Singapore, Hong Kong, S. Africa, Spain, Poland, Germany, Cz Republic, Switzerland, Argentina, China, Vietnam, and South Korea.

Dr. Kotecha is a pioneer in Education Technology, and believes in drastic and needed curriculum reforms and innovative teaching-learning practices as call of the hour. A voracious reader, he is passionate about travelling and indulging in good food.

Recipient of -
- Erasmus + faculty mobility grants from European Union
- LEAP (Leadership for Academicians Programme) grant from MHRD Govt. of India in collaboration with IIT Kharagpur and University of Cambridge UK, November 2019 - Jan 2020.
- DUO- INDIA Professor fellowship under Asia - Europe Meeting (ASEM-DUO) with Brunel University, UK, 2020
- Two Research grants worth INR 1.66 crores under Promotion of Academic and Research Collaboration (SPARC) scheme by MHRD, Govt of India, in collaboration with Arizona State University USA and University of Queensland, Australia.
- Invite and sponsorship from Embassy of the United States of America to participate in US-India Higher Education Collaboration Workshop to be held in Washington D.C on April 2020 for establishing international partnerships for research and academic collaborations with India and USA.

Institute Profile:
Symbiosis Institute of Technology, being the flagship Institute of the prestigious Symbiosis International University has set high standards for itself. The Institute endeavours to provide quality education in line with the requirements of today’s competitive industry and rapid developments in technology. The Institute provides an environment conducive for harnessing the potential of faculty and students through systematic and effective learning, both within and outside the classrooms. The roadmap developed for the Institute envisions it to acquire the status of a prestigious Institute of Technology at National level.

Among the initiatives taken to make SIT one of the most sought after Institutes of technical education in the country are:
- Recruitment of highly qualified and experienced faculty and their continual professional growth through attending conferences and publications of research papers
- Regular revision of curriculum in line with fast changing needs of industry
- Employing innovative methods of teaching and providing ample opportunities for learning outside the classroom through projects, technical fests and cultural programmes.

The Institute offers B.Tech programmes in Civil Engineering, Computer Science & Engineering, Electronics & Telecommunication Engineering, Information Technology and Mechanical Engineering. Admission to the B.Tech programme is carried out through Symbiosis Entrance Test (SITEEE), JEE (Main) and Any State Government Engineering Entrance Examination. The Institute also offers M.Tech programmes in Computer Aided Design and Manufacture, Electronics & Telecommunication Engineering, Computer Science & Engineering and Geoinformatics and Surveying Technology.
Programme Profile:

Name of the Programme:

B. Tech Programme

- B. Tech Civil Engineering
- B. Tech Computer Science & Engineering
- B. Tech Electronics & Telecommunication Engineering
- B. Tech Information Technology
- B. Tech Mechanical Engineering

Duration: 4 Years, Full Time

Intake:

B. Tech Programme

- B. Tech Civil Engineering : 60 Students
- B. Tech Computer Science & Engineering : 180 Students
- B. Tech Electronics & Telecommunication Engineering : 120 Students
- B. Tech Information Technology : 60 Students
- B. Tech Mechanical Engineering : 120 Students

Eligibility:

Indian Students

- Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject.
- Obtained at least 45% marks (40% in case of candidate belonging to reserved category) in the above subjects taken together.
- Good score in an entrance examination like SIT Engineering Entrance Examination [SITEEE], Any State Government Engineering Entrance Examination or JEE-Main conducted in the year 2020.

International Students (Foreign Nationals /Non Resident Indians/PIO)

- Passed 10+2 examination with Physics, Mathematics as compulsory subjects along with one of the Chemistry / Biotechnology / Biology / Technical vocational subject.
- Obtained at least 45% marks (40% in case of candidates belonging to SC/ST category) in the above subjects taken together do not have to appear for entrance exam (SITEEE /JEE-Main or Any State Government Engineering Entrance Examination) in India.
- International student’s eligibility as per SCIE norms.
Important: It is the responsibility of the candidate to ascertain whether he/she possesses the requisite qualification(s)/eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservations of Seats: As per University norms.

Important Dates:
The admissions of the eligible candidates to First Year of B. Tech program of the Institute will be based on merit in any one of the following entrance exams (SIT EEE, JEE (Main), Any State Government Engineering Entrance Examination) through open counselling/admission, in which the candidate has to be physically present on the date of counselling/admission along with his/her original certificates. The details of the counselling/admission procedures and documents required will be available on the Institute website.

All the above dates have been decided based on the announced dates of the respective entrance examinations and declaration of their results. However, the counselling dates are liable to change as a result of a change in the date of entrance exams and/or declaration of results. All applicants are requested to visit the Institute website for any update on counselling/admission dates.
Only registered candidates will be able to participate in the counselling for admission. Candidates can register without their entrance exam rank/score. The entrance exam rank/score can be provided after the declaration of the result.

**Disclaimer:** These dates are tentative and are subject to change. Any changes will be reflected on institute website: [https://www.sitpune.edu.in/](https://www.sitpune.edu.in/)

**Orientation and Pedagogy:**

1. **Method of Instruction**

   The Institute employs a very effective and interactive teaching-learning process using most recent teaching aids including multimedia. The curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare detailed presentations, lab manuals and course files to ensure the effectiveness of teaching-learning process. A salient feature of the curriculum is a six-month project semester, totally devoted to carrying out projects in the industry. Students of all undergraduate programmes spend six months in the industry, other organizations, renowned institutions and universities, both in India and abroad, as part of their curriculum. They are encouraged to undertake projects in various areas of the industry to augment their theoretical learning. The emphasis during the ‘Project Semester’ is to expose the students to real life problems in their chosen field of work and find their solutions, using a systematic and logical approach employing latest tools, techniques and technologies.

   The Civil Engineering Department of Symbiosis Institute of Technology offers the Certificate Program in Infrastructure Engineering and Management.

   - The program is developed in response to the growing need for engineers with advanced knowledge of the characteristics and significance of infrastructure, including its technological, economic and social impact.
   - The Computer Science Engineering Department and Information Technology Department offer Certification Courses on Artificial Intelligence and Machine Learning (AI ML) and Cyber Security.
   - **Artificial Intelligence and Machine Learning (AI ML) Certification Course** is the industry driven course especially crafted for the SIT students. This course is driven by industry experts and cover all the important topics related to AI and ML technologies. SIT students who participate in this course will get the opportunity to opt for an internship at the collaborated industry firms.
   - **The Certification Course on Cyber Security** fosters entrepreneurship and employability skills to students. Cyber security is applied across all disciplines and has tremendous opportunities in the market.

   All students of SIT can opt for and qualify a special Diploma in Business Management from the Symbiosis Institute of Business Management, Pune a premier Institute of Management in the country. This arrangement gives the students an insight into basic functions of management like marketing, finance, human resource and operations, in addition to polishing their communication and interpersonal skills. The students are exposed to these aspects at an early age as compared to the students of other management programmes. This helps...
a great deal in making the theoretical concepts and techniques of management become a part of students’ personality and their normal way of life. The students of SIT interact with and share the experiences of eminent personalities who visit the Institute from time to time. B.Tech Degree with Honours has been introduced from the academic year [2019-20].

b. Industry Interface

Symbiosis Institute of Technology aims to get associated with Industry and support to develop Strategy for creating a future talent pool for the industry. It is necessary to reduce the gap between the Institute and Industry and to offer real time exposure on projects and other developments that would benefit both, Institute and Industry. It is necessary to give students an insight into the practical aspects of theory taught in the Institute. The Institute, right from its inception, has ensured industrial participation in curriculum development, guest lectures, student trainings and internships. We encourage industry experts to address the student community about industry trends and opportunities through guest lectures, Projects and workshops etc. In addition to these, several industrial visits are also arranged for students in order to give them a clear picture of the industrial environment. Visits were made to some renowned companies like SPARK MINDA, KPIT, Philips, Volkswagen, ARAI, Bharat Forge, KraftPowercon, Persistent, Maker’s Lab [Tech Mahindra], Mapro Industry, 512 Army Base workshop, GE, Tata Motors, etc.

c. Research and Development

SIU started Ph.D programme in Engineering from the academic year 2010-2011. Presently 178 research scholars are pursuing their research from Faculty of Engineering. Research equipment and facilities have been established at SIT to carry out high quality basic and applied research. Faculty members regularly send proposals to funding agencies for sponsored R&D projects in emerging areas of research. They also have a large number of publications in referred journals and are actively engaged in publications. Many papers were presented by the faculty and students in conferences held in India and abroad. Faculty and students have published 81 papers in refereed journals in the academic year 2018-19, out of which fifty-two journal papers were SCOPUS indexed journals. The undergraduate and graduate students also get an opportunity to work on some sub-areas of larger research problems as their major or minor projects. The Institute is in the process of augmenting necessary equipment and facilities in the identified research areas.

SIT has received six government funded research projects worth 137.9 lakhs and five SIU funded projects worth 48.53 lakhs.

d. International Initiatives

Global Immersion Programmes for students

The Global Immersion programme (GIP) accords students an opportunity to study abroad. The students get the opportunity to participate in the following programmes:

• Semester Abroad Programme
• Winter School/Summer School Programmes
• Research Internship
• Internships in reputed companies/NGOs abroad
• Industrial visits abroad
Presently SIT has collaboration with

- BSEL, Leibniz, Hochschule Mainz - University of Applied Sciences, Ingolstadt University, Germany
- University of Adelaide and University of Queensland, Australia
- King Mongkut’s University, Thailand
- University of Malaya, Malaysia
- Ritsumeikan University, Japan
- University of Leeds, University of Wolverhampton, UK
- RUDN University, Russia
- North China University of Technology, China
- Indiana University–Purdue University Indianapolis, USA

Our students regularly visit some of these universities and their students have been with us on Semester Abroad Programme and Study India Programme.

**Placements:**

The Institute has a very well organized placement and training cell. All the students of final year are prepared for campus interviews through special programs on technical and soft skills, which help them get prestigious jobs. Leading companies from a multitude of sectors participate in final placements offering sought after profiles with competitive packages. The recruiter portfolio comprised a healthy mix of recruiters from Core engineering, Software, IT, Finance, Digital marketing and fast growing start-ups. Further some students, with their superlative efforts during internship were awarded PPOs by highly coveted companies.

Year 2018-19 marked the presence of more than 80 companies which include top IT recruiters like Dell, Microsoft, IBM India Pvt Ltd, Symantec Corporation, Persistent Systems Pvt Ltd, Hitachi Consulting Software Services Pvt Ltd, Miniorange Security Software Pvt Ltd, Netcracker Technology Solutions (I) Pvt Ltd, Continuum Managed Solutions Pvt Ltd, Mathworks, Other recruiter companies of repute includes Cummins India, Renishaw Metrology Systems Pvt Ltd, Spark Minda, General Electric, Media.net, PTC Software India Pvt Ltd, Rail Bombardier, Vodafone India Services Pvt Ltd, Spark Minda, Merkel Sokrati Technologies, Tresvista, Ernst and Young recruited students from SIT.

The Placement process of 2020 batch of B.Tech and M.Tech students has been initiated and is in progress. Several companies of repute like Microsoft, Google, Bookmyshow, Tiaa Global Business Services (I) Pvt Ltd, Siemens PLM, Directi, HDFC Bank, Hitachi Consulting Software Services Pvt Ltd, KPIT Technologies Pvt Ltd, IBM India Pvt Ltd, Persistent Systems Pvt Ltd, Valuelabs, PTC software India Pvt Ltd, Renishaw Metrology Systems Pvt Ltd, Vodafone India Services Pvt Ltd, Idea–vodafone, Amazon, Gomo group, eClerx, Vanderlande, Worley, Schindler India Pvt. Ltd, Cummins, Merkle Sokrati Technologies, and international companies like SOU Japan, Crowd works Japan, Yahoo Japan had already been a part of the process.

Bachelor of Technology (Civil) [B.Tech (Civil)]

Semester: I
Core Courses
• Engineering Mathematics -I
• Basic Electrical and Electronics Engineering
• Basic Electrical and Electronics Engineering Lab
• Chemistry
• Chemistry Lab
• Engineering Mechanics
• Engineering Mechanics Lab
• Engineering Graphics Lab
• Programming and Problem Solving
• Programming and Problem Solving Lab
• Critical Thinking

Electives
• Basic German I
• Basic French I
• Basic Spanish I

Semester: II
Core Courses
• Engineering Mathematics -II
• Physics
• Physics Lab
• Basics of Civil Engineering
• Basics of Civil Engineering Lab
• Communication Skills
• Communication skills lab
• Environmental Science
• Tinker Lab
• Software Tools
• Creative Thinking

Semester: III
Core Courses
• Building Construction Technology
• Building Construction Technology Lab
• Engineering Mathematics-III
• Hydrology and Water Resource Engineering
• Introduction to Solid Mechanics
• Introduction to Solid Mechanics Lab
• Computer Aided Civil Engineering Drawing
• Introduction to Fluid Mechanics
• Introduction to Fluid Mechanics Lab
• Integrated Disaster Management

Electives
• Foundation of Ethics
• Introduction to Indian Philosophy

Semester: IV
Core Courses
• Service Learning
• Statistics, Probability and Numerical Methods
• Structural Analysis-I
• Geology and Soil Mechanics
• Geology & Soil Mechanics Lab
• Open Channel Flow
• Open Channel Flow Lab
• Advanced Surveying Lab
• Project Based Learning -I
• Entrepreneurship Venture
• Fitness for Life

Electives
• Soil Mechanics II
• Soil Mechanics II Lab
• Bridge Engineering
• Green Building Technology
• Airport Planning and Design
• Introduction to Remote Sensing and GIS
• Environmental Systems
• Environmental Systems Lab
• Smart Cities and Future Urbanism
• Glass Facade Engineering
• Foundation Engineering
• Pavement Design

Semester: V
Core Courses
• Environmental Engineering I
• Environmental Engineering I Lab
• Flexi-Credit Course
• Structural Analysis-II
• Structural Design-I
• Structural Design I Lab.
• Design Thinking
• Project Based Learning-II
• Quantity Based Learning and Valuation
• Principles of Economics

Semester: VI
Core Courses
• Environmental Engineering II
• Flexi-Credit Course
• Structural Design-II
• Capstone Course
• Flexi-Credit Course

Electives
• Soil Mechanics II
• Soil Mechanics II Lab
• Bridge Engineering
• Green Building Technology
• Airport Planning and Design
• Introduction to Remote Sensing and GIS
• Environmental Systems
• Environmental Systems Lab
• Smart Cities and Future Urbanism
• Glass Facade Engineering
• Foundation Engineering
• Pavement Design
• Integrated Water Resource Management
• Computer Applications in Construction Management
• Urban Transport Engineering
• Smart Cities Planning and Development
• Advanced Structural Analysis
• Advanced Structural Analysis Lab
• Design of Hydraulic Structures
• Design of Hydraulic Structures Lab
• MATLAB
• Introduction to Robotics
• Renewable Energy Systems
• Introduction to Image Processing
• Smart Urban Planning
• Water Resource Planning and Management
• Java
• Introduction to Data Science
• Introduction to AI and Machine Learning
• Quality Management Techniques
• Electrical and Electronics Materials
• 3D Printing and Prototyping
• Project Management
• Nanotechnology
• Computer Based Statistical Packages

Semester: VII
Core Courses
• Project
• Cyber Security

Electives
• Organizational Behaviour
• History of Science and Technology
• Port and Harbor Engineering
• Water and Air Quality Modelling
• Advanced Concrete Technology
• Geoinformatics Application for Emergency Response Management
• Professional Practices in Construction
• Project Management in Smart Cities
• Rock Mechanics
• Sustainable Construction Methods
• Introduction to Finite Element Methods
• Environmental Geotechniques
• Environmental Impact Assessment
• Traffic Engineering
• Optimization in Civil Engineering
• Water Power Engineering
• Water Power Engineering Lab

• Prestressed Concrete Structure
• Prestressed Concrete Structure Lab
• Waste Management Systems
• Waste Management System Lab
• Introduction to Mathematical Modelling
• GIS Applications
• Intelligent Transportation Management
• Printed Circuit Board (PCB) Design
• Six sigma
• Smart Materials
• Basics of Database
• Fundamentals of Automotive Technology
• Machine Learning
• Open Source Technologies
• Introduction to BIGDATA

Dr Ketan Kotecha, Director SIT, at the inaugural ceremony of EAD on 4th Oct, 2019

The Entrepreneurship Promotion & Innovation Cell (EPIC) of SIT in association with IIT Kharagpur organized a one-day Entrepreneurship Awareness Drive (EAD) on 4th October 2019. EAD is a mammoth nationwide drive of IIT Kharagpur to make the students aware of the startup ecosystem and kindle an entrepreneurial spirit among them.

Students engaged in Project Based Learning activity during Induction Programme for AY 2019-20.

The first year B. Tech (Semester I) had a three-week induction program organized for students. Many engaging, enriching and holistic activities were conducted for students.

Director Profile:
Dr. Nandini Kulkarni, Professor, Officiating Director and Director in charge at Symbiosis School of Planning Architecture and Design, Nagpur is an Architect and Urban Planner. She has done her specialisation in Urban Planning from VNIT, Nagpur and received a Doctorate in Architecture and Planning from Nagpur University. Dr Nandini Kulkarni has experience of more than twenty-five years. The “Yuva Ratna” awardee at Regional and National level. She has authored a book titled “The Urban Edges”. The book is an effort to evolve and present a humane approach for planning urban fringes / peri urban areas in Indian cities.

Institute Profile:
Symbiosis ponders on our journey of imparting ‘true education’ with the value of “Vasudhaiva Kutumbakkam – the whole earth is family”. The challenges are to preserve the values and heritage, to make adaptable for today and to modify for an unknown future. This has to be nurtured to the batch passing by to create a better future. Our students, staff, and stockholders together forms a family that helps reduce the distance between profession and Academics. Our Vision is to strive and think for a changed future through Architecture and Design. With this pioneer batch and the batches to come the two valuable gifts that students get are roots and wings. Wings to show you what they can become and roots to show you where they are from.

Programme Profile:
Name of the Programme:
• Bachelor of Design
• Bachelor of Architecture

Duration:
• Bachelor of Design : 4 Years, Full Time
• Bachelor of Architecture : 5 Years, Full Time

Intake:
• Bachelor of Design : 40 students
• Bachelor of Architecture : 40 students
Eligibility:

**Bachelor of Design**
- A candidate must have passed 10+2 (any stream; e.g. Science, Commerce, Arts, etc.) or equivalent OR 10+3 diploma approved by State Board of Technical Education with minimum 50% aggregate marks obtained in the final examination to be eligible for the above-mentioned program.
- A candidate appearing for the final examination of 10+2 grade or 10+3 Diploma program may also apply provided the results of the examination should have been declared by June of the admission year or prior to be eligible for the above mentioned program.

**Bachelor of Architecture**
- Qualify in NATA or JEE paper II.
- Passed in the 10+2 level of examinations with 50% marks in Physics, Chemistry and Mathematics and also 50% in aggregate at the 10+2 level examinations.
  OR
- Passed 10+3 Diploma Examination with Mathematics as a compulsory subject and 50% marks in the aggregate.

**Important:** It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

**Admission procedure:**
Considering the unpredictable Covid 19 situation unfolding around us and the uncertainty about the end of the lockdown, SIU assured all its applicants and had taken complete precautions in coming up with a safer alternative to the Entrance Process for Symbiosis School of Planning Architecture and Design, Nagpur.

Symbiosis Entrance Exam for Design (SEED) had been cancelled this year and the remaining admissions process was carried out online in which the candidates participated from the comfort of their homes.

The revised admissions process was conducted consisting of a portfolio and Personal Interview (PI) over video conferencing/skype interview from 20th May to 25th May, 2020.

The scores of the Portfolio Review and Personal Interview were combined to generate the Merit list. The merit lists were displayed on the SSPAD website for admission to B. Design programme.

After second merit list the standalone admission process is being carried out for remaining vacant seats.

**Reservation of Seats:** As per University norms.

**Orientation and Pedagogy:**

Symbiosis School of Planning Architecture and Design (SSPAD) is an institution which brings together a perfect blend of three streams namely planning, architecture and design under one roof. We offer a five year degree programme in Bachelor of Architecture (B.Arch), a four year Bachelor of Design (B.Design) undergraduate degree and a two year Master of Design (M.Design) degree wherein, the students opting for these programmes choose their discipline of choice and will engage for four years honing the skills that will allow them to be industry ready at the end of it.

Director Profile:

Prof. (Dr.) Shrirang Altekar holds a Ph.D. in Consumer Behaviour. He is also an alumnus of the Symbiosis Institute of Business Management, Pune, a top 10 B - School in India, from where he did his Master’s in Business Administration, with Marketing as his area of specialization.

He has extensive knowledge of technical and non-technical areas of business and has been involved in running businesses at the strategic level. He comes with an industry background of 23 years. He has worked in a consulting, advisory and learning and development capacity with several corporates in the FMCG, Insurance, Manufacturing, Chemical, Pharmaceutical and Aviation Sectors. His love for academics and a desire to give back to his Alma Mater coincided with a planned shift to academics in 2006. Dr. Altekar also holds a degree in Law, and was the Chairman of the Curriculum Evaluation Committee and the Academic Audit Committee of the Symbiosis International (Deemed University) for 2 years. He is the Editor in Chief of the Journal of General Management Research.

Prof. Altekar has served on several Committees of Symbiosis and the Symbiosis International (Deemed University). He is a member of the Academic Council as well as the Board of Studies of the University. He Chairs the Board of Studies Sub – Committee on General Management. In the past he has also been nominated on the Departmental Promotions Committee and the Post Membership Academic Committee of the Institute of Company Secretaries of India, a statutory body formed under an Act of Parliament. He has also been nominated on a Task Force Committee by the Ministry of Youth Affairs and Sports for driving Excellence in Sports Universities. Prof. Altekar has also been nominated on the Higher Education Committee of the Indo French Chamber of Commerce and Industry, supported by the Embassy of France. He has been instrumental in bringing to his students some of the best practices in industry, to enhance and supplement their academic inputs, and is highly acknowledged as a Teacher and a Learning and Development expert. He was the Director of SCMS Noida for 8 years, and is widely credited with having brought it up to feature in the top 25 BBA Institutes in India in 2018.

Today, he heads Symbiosis Institute of Business Management, (the flagship brand of Symbiosis) in Nagpur. He also holds additional charge of Symbiosis Centre for Management Studies, Nagpur as Officiating Director till such time as the new Director is appointed. He also holds charge of Symbiosis Centre for Corporate Education and Symbiosis Centre for Skill Development.

Institute Profile:

Symbiosis Centre for Management Studies, (SCMS) Nagpur, an off campus Institute of Symbiosis International University, Pune began its operations in 2019. Based in the heart of India, it facilitates imparting of quality management education at the under graduate level and aims to be one of the best Management Education
Providers in the region, providing relevant, contemporary and practical experiences along with core conceptual inputs. Since commencing operations, in a very short period it has made a name for itself in offering a very contemporary, progressive program structure, which will lead to a real time professional degree, the Bachelor of Business Administration.

The Institute focuses on providing a holistic, value based, yet contemporary education, and its progressive program structure has found wide acceptance in industry and academia for its commitment to professional education. The Institute strongly believes in using the best teaching / learning and innovative pedagogy, and lays great stress on internships and industry connect, with a strong belief in application based education. The Institute encourages student participation in research and other allied activities and believes in producing relevant, skill - equipped graduates, with a social conscience.

The Institute believes producing students with an all - round personality, ready to take up the challenges of the real world on passing out. In fact the Institute believes its objective is to produce “employable ‘graduates with a social conscience. The Institute has a very active ISR Cell, which is contributing to the overall healthy engagement with the local community. Sports and Extra cultural activities play a major role in the Institute, and the campus boasts of superb recreational and wellness facilities for the students. The first year itself saw an overwhelming response with all seats being oversubscribed.

Orientation and Pedagogy:

SCMS Nagpur has a strong faculty base with a unique blend of experienced and youthful faculty. It also has a very good faculty to student ratio. It is interesting to note that all faculty members are Ph.D. Using a variety of pedagogy, SCMS Nagpur utilizes learning rather than teaching approach. A dynamic, continuous evaluation system ensures that students are kept abreast of relevant contemporary happenings in the market, as well as in line with the syllabus. Projects, assignments, live projects, market research will be part of the normal academics. Students can choose between 3 specialization verticals: Marketing, Human Resource, & Financial Management. A minimum of 25 students are required to offer the specialization vertical. Specializations commence from the second year in Semester III, to allow students sufficient time to understand their aptitude for a stream and choose specializations accordingly. They also will be given advice by industry speakers, on career paths available in the corporates for each of these verticals, so also they will be counselled to find out their suitability for the same. The Institute offers floating credits as per University norms, and this year has offered international exchange programs for students. Students will be offered summer school opportunities abroad, and from 2020-21, we have proposed semester abroad programs as well.
The Institute follows a highly engaging and interactive pedagogy, with use of case studies, projects and assignments. Flipped classrooms have been introduced as well.
