**Distance to central Bendigo: 3 km (1.86 miles)**

**Student population: 5071**

This vibrant and progressive regional city maintains strong links to its past. As one of the centres of Australia's 1850s gold rush, Bendigo is filled with a rich sense of history and heritage. Beautifully restored buildings line its wide streets, which also feature many fantastic restaurants and cafés. All major forms of transport – rail, road and air – link Bendigo directly to Melbourne and other major regions of Victoria.

The Bendigo Campus, La Trobe's second largest campus, is spread over 33 hectares (81 acres) of native Australian bushland and is a 1.5-hour drive from Melbourne. The compact size of the Campus makes it easy to find your way around, establish new friendships and feel part of the University community. Students at Bendigo have access to a full range of services and facilities.

Buses run between the University, city, train station and other locations on a regular basis.
