Northwestern Polytechnical University (NPU),
Xi'an, China

#201-300

GLOBALLY RANKED

Spellbinding Xi'an: Where Ancient & Modern Collide

Xi'an, a city that holds the origin of Chinese nation and oriental civilization; is one of three international metropolises in China with refreshing & mountainous country side and high-life of metro city. A hospitable multicultural place offers diversity of culture, religion and appetite. With its substantial industrial system, mature urban growth and scenic tourism based on tradition, science and technological strength, Xi'an has become a key research, education, technology, industrial and tourism base of China.

Xi'an experiences year round pleasant weather ranging from a blooming spring, a bright summer, a crisp autumn to a shivery winter with moderate rainfalls and occasional snowfall. With its massive shopping centers, delicious food streets, spacious parks, historical monuments and colossal mountain ranges; the exquisiteness of Xi'an will mesmerize you to build memories of a lifetime.
