INTERNATIONAL RELATIONS
Faculty of Social and Political Sciences

The Faculty of Social and Political Sciences offers an undergraduate program in Social and Political Sciences, with a focus on social and political analysis of contemporary issues. The program provides students with a comprehensive understanding of global and local social and political processes. Students are trained to critically analyze social and political problems and to develop solutions based on evidence and theoretical knowledge.

1. GOVERNANCE AND PUBLIC POLICY
   - Focus on governance, decision-making, and public policy formulation.
   - Study of political systems, institutions, and governance structures.
   - Development of skills in policy analysis, evaluation, and implementation.

2. PUBLIC MANAGEMENT AND INNOVATION
   - Focus on public management, administrative reform, and innovation.
   - Study of public administration, management theory, and innovation processes.
   - Development of skills in public management, administrative reform, and innovation.

3. INTERNATIONAL DEVELOPMENT AND POLICY
   - Focus on international development, policy formulation, and implementation.
   - Study of international relations, development economics, and policy analysis.
   - Development of skills in international development, policy formulation, and implementation.

The program is designed to prepare students for careers in government, international organizations, non-governmental organizations, research institutions, and consulting firms. Graduates of the Faculty of Social and Political Sciences are equipped with the knowledge and skills necessary to address complex social and political challenges in the contemporary world.
### CHEMISTRY

Faculty of Mathematics and Natural Sciences

**About Us**
The Department of Chemistry, UGM, after international undergraduate accreditation by the Commission on Accreditation of Science and Technology (COMACAS) in 2001, has been carrying out scientific research work with international standards and has been a signatory body of the Network of Chemistry Education in Indonesia (JNEK). The Department of Chemistry has also worked together with the Faculty of Chemical Technology in the development of a Chemistry Education Program that is accredited by the Accreditation Agency for Degree Programs in Engineering, Computer Science, Industrial Technology, and Chemistry (A4TEKNIK) in 2010.

**Facilities**
- A level of research and research equipment such as UV-VIS, TLC Scanner, Gas Chromatography-Mass Spectrometry (GC-MS), High Performance Liquid Chromatography (HPLC), and NMR-MRI equipment is available.
- The chemistry laboratory is also available for students to conduct research and experiments.

**International Partnerships**
- Nagoya University (Japan), Australian National University (Australia), and the Open University (UK).

**Contact Information**
Phone: (+62) 274 542156
Fax: (+62) 274 542156

### BIOLOGY

Faculty of Biology

**About Us**
International Exposure
- Students are required to complete 3 credit hours in an internship, science communication, or an opportunity to study and obtain their Bachelor’s degree in Biology at another university.

**Facilities**
- Modern and comfortable classrooms, laboratories, libraries, and modern equipment.
- Students are given the opportunity to have international exposure at several universities such as the University of Vienna (Austria), University of Hull (UK), and the University of Hokkaido (Japan).

**International Partnerships**
- University of Toulouse 1 Capitole, Charles Darwin University, etc.

**Contact Information**
Phone: (+62) 274 541586 / +62 274 512781 Ext 2114
Fax: +62 (274) 550436

### COMPUTER SCIENCE

Faculty of Mathematics and Natural Sciences

**About Us**
- The Department of Mathematics and Computer Science has been an educational institution in the Faculty of Mathematics and Natural Sciences, which focuses on providing education in Mathematics and Computer Science.
- The Department offers undergraduate and graduate programs in Computer Science and Mathematics.

**Facilities**
- Modern and well-equipped classrooms, including teleconference facilities.
- State-of-the-art equipment and software packages for students.

**Contact Information**
Phone: (+62) 274 542156
Website: http://computer-science.ugm.ac.id

### ACCOUNTING BUSINESS ECONOMICS

Faculty of Economics and Business

**About Us**
- The International Undergraduate Program in Accounting, Business, Economics, and Finance (IUP FEB UGM) is designed to meet the needs of students who wish to pursue careers in accounting, business, economics, and finance.
- The program is accredited by the Accreditation Agency for Degree Programs in Engineering, Computer Science, Industrial Technology, and Chemistry (A4TEKNIK) in 2010.

**Facilities**
- State-of-the-art classrooms, laboratories, and computer facilities.
- Access to online libraries.

**International Partnerships**
- Audencia Nantes Business School (France), Stockholm School of Economics (Sweden), and University of Hull (UK).

**Contact Information**
Phone: (+62) 274 559347
Fax: +62 (274) 541586 / +62 274 512781 Ext 2114

### LAW

Faculty of Law

**About Us**
- The International Undergraduate Program (IUP) offers a unique opportunity for students to pursue a Bachelor’s degree in Law at Universitas Gadjah Mada.
- The program is accredited by the Accreditation Agency for Degree Programs in Engineering, Computer Science, Industrial Technology, and Chemistry (A4TEKNIK) in 2010.

**Facilities**
- Modern and comfortable classrooms, laboratories, and computer facilities.
- Access to online libraries.

**International Partnerships**
- Universiti Tun Hussein Onn Malaysia (Malaysia), University of Birmingham (UK), University of Hull (UK), and the Open University (UK).

**Contact Information**
Phone: (+62) 274 541586 / +62 274 512781 Ext 2114
