

USQ Undergraduate Guide 2021

usq.edu.au

UNIVERSITY
OF SOUTHERN
QUEENSLAND

‘Our graduates have the highest starting salary in the country.

We enable this by providing a quality, workplace-ready education which is tailored to the needs of our students in a flexible and supportive learning environment.’

**Professor Geraldine Mackenzie
Vice-Chancellor**

On the cover: Learn from leading researchers and benefit from world-class facilities, like USQ’s Mt Kent Observatory, Queensland’s only professional astronomical research facility.

Become more with USQ

USQ acknowledges the Giabal and Jarowair peoples of the Toowoomba area, the Jagera, Yuggera and Ugarapul peoples of Ipswich and Springfield, the Kambuwal peoples of Stanthorpe, and the Gadigal peoples of the Eora nation, Sydney, as the keepers of ancient knowledge where USQ campuses and hubs have been built, and whose cultures and customs continue to nurture this land. USQ also pays respect to Elders – past, present and future.

Why USQ?

We are a regional university with a global outlook and a reputation for research excellence, delivering degrees that are future focussed to ensure you're career-ready.

Build your career from day one

Be prepared for your future career with USQ, #1 in Australia for graduate starting salary.*

We don't just offer degrees producing industry-leading career outcomes, but from your first year USQ is here to support you to enhance your employability and remain competitive in today's job market.

Industry mentoring

USQ's Career Mentoring Program connects you with an experienced industry professional to build your employability skills and prepare you for the transition from university to employment. This program is available online, allowing our students and mentors from across Australia and the world the chance to participate.

Internships and work experience

Continue to grow your professional experience with the Industry Experience program. Engage in volunteering, internships and work experience across various sectors from Australia's largest construction materials and building products supplier, Boral; to media companies broadcasting at Olympic Games, such as NEP.

Personal brand

Personal brand is a crucial part of what makes you stand out when the time comes to apply for a job. We'll work with you to help you understand your personal brand so that you're prepared for career success.

Entrepreneurial skills

Develop an entrepreneurial mindset and prepare for graduate recruitment with our online webinars and workshops. Networking assists in building entrepreneurial skills and, simply put, by increasing the number of people you know, you'll increase the number of job opportunities you can explore.

01 Access modern study facilities **02** Social sport at USQ **03** Create and craft in our ceramic studio **04** Join an array of clubs
05 Making new friends and seeing familiar faces **06** On-campus living at Residential Colleges **07** Experience multimedia productions
08 Enjoy local cafes and restaurants **09** Explore vibrant city life **10** Connect and feel supported **11** Participate in on-campus events

Our campuses

Toowoomba

Enjoy the full on-campus experience with residential college accommodation, where you can choose from three different colleges, each with different living arrangements, such as meals provided, or shared kitchen facilities. Access sporting and social clubs, a 24 hour-access gym and a world-class tennis centre to complement your academic degree. Additionally, enjoy free and ample parking to make your campus experience easy.

Toowoomba is a thriving community, with award-winning parks and gardens, modern and expansive facilities, a vibrant café scene, and is surrounded by national parks home to towering forests.

USQ Toowoomba is located in one of Australia's largest inland cities, just a 90-minute drive west of Brisbane, and a two-hour drive to world-famous Gold Coast beaches.

Springfield

USQ Springfield is a vibrant, modern campus, with ample car parking, just 20 minutes from the Ipswich CBD, 35 minutes from Brisbane city with connecting public transport, and 50 minutes from the Gold Coast.

A hub for digital production and performance, the campus includes a state-of-the-art television studio, radio station and rehearsal spaces, as well as collaborative teaching rooms, laboratories for science and engineering, and fitness and recreation centres.

USQ Springfield's world-class flight simulator, supporting our aviation degrees, is the first of its kind in Queensland.

Ipswich

USQ Ipswich is located approximately 45 minutes from Brisbane and just over an hour from the Gold Coast. Ipswich is one of the fastest growing areas in Queensland, offering an ideal lifestyle, combining heritage charm with the benefits of a modern and exciting metropolitan living.

USQ Ipswich offers degrees in paramedicine, sport and exercise, nursing, psychology, counselling and other health-related careers, in addition to a thriving campus with a café, library and ample parking.

Home to USQ's Health degrees, USQ Ipswich includes custom-built paramedical training facilities, clinical nursing laboratories, a midwifery simulation centre, and a sport and exercise clinic.

‘To receive the Chancellor’s Scholarship means all the hard work has paid off and I now have security and reassurance as I pursue my university study.

This will be a real driving force for me to do my best and excel.’

Matthew
USQ Chancellor’s Scholarship recipient

Scholarships

At USQ, we are about people following their dreams.

We offer scholarships to outstanding students who have demonstrated academic excellence, leadership and contributed to the wider community.

Scholarships are also available to students whose ability to experience a university education is affected by financial hardship.

A scholarship may be able to help you with textbook, practical experience, accommodation and living expenses. Some scholarships will be one-off payments, while others will continue for the length of your degree.

The best part? You can apply for more than one, so be sure to apply for all that you're eligible for.

- To reward and support the most outstanding school-leavers, USQ automatically offer academic merit scholarships to Year 12 students who receive an ATAR 85 and above. Students do not have to apply for academic merit scholarships as long as they have placed their USQ chosen degree as their first preference via QTAC.

- USQ's Future Community Leader scholarships recognise our students' leadership and roles they play within the wider community.
- USQ Residential College scholarships assist with accommodation expenses at USQ Toowoomba Residential Colleges.
- A range of scholarships for Aboriginal and Torres Strait Islander students are available to cover education and accommodation costs.
- Scholarship recipients have the opportunity to participate in a leadership and development program, as well as the USQ Student Ambassador Program. At USQ, we want every student to have a chance to reach their potential – a scholarship may just help you get there a little easier.

Find your scholarship at
usq.edu.au/scholarships

Study abroad to set you apart

Studying abroad not only allows you to experience the personal benefits and wonders of travel, but adds another dimension to your resume.

In today's competitive job market, employers will look for your point of difference beyond the technical skills the role requires. Often they will look for strength in interpersonal skills, problem-solving and independence – all areas that develop exponentially when travelling!

USQ students can spend a few weeks as part of a short-term program or placement, or a semester or a year studying overseas with our Study Abroad and Exchange Program, anytime between your second year and your final semester. Gain a new perspective and a competitive edge in your career whilst you travel, experience new cultures and make friends from all over the world.

Why study abroad?

- Learn about another culture
- Develop your confidence
- Enhance your network
- Develop language skills
- Discover career opportunities
- Impress future employers

Partner universities around the world

- China
- France
- Germany
- Denmark
- Italy
- Netherlands
- USA
- UK
- Canada
- Russia
- Indonesia
- South Korea ... and many more!

Need help with the cost of study abroad?

OS-HELP is a loan that helps eligible Commonwealth-supported students to study a short-term program or semester overseas. The OS-HELP loan can help you with airfares and accommodation.

Bachelor of Engineering (Honours)

ATAR 73.30

Entry requirements

- 2019 ATAR: 73.30 | Selection Rank: 75
- Subject pre-requisites: English (Units 3 & 4, C), and Mathematical Methods (Units 3 & 4, C), or equivalent
- Recommended prior study in: Physics (Units 3 & 4, C), or equivalent

Degree overview

Plan, design and implement change in the infrastructure of land development and rehabilitation, water and soil management, or create innovative engineering solutions to agricultural problems. You will undertake practical work experience, access professional facilities, and embark on an exciting final-year research project, allowing you to become industry-ready, with the Bachelor of Engineering (Honours).

February, July

Toowoomba, Springfield, external

4 years or part-time equivalent | 32 units

Majors

Study mode

Agricultural Engineering	T, E
Civil Engineering (p.71)	T, S, E
Computer Systems Engineering (p.71)	T, E
Electrical and Electronic Engineering (p.71)	T, S, E
Environmental Engineering	T, E
Instrumentation Control and Automation Engineering (p.71)	E
Mechanical Engineering (p.71)	T, S, E
Mechatronic Engineering (p.71)	T, S, E
Power Engineering (p.71)	T, E

Professional accreditation

Graduates will be eligible to apply for membership with Engineers Australia as a graduate professional engineer. With the experience you will gain from working in the field, you may apply for chartered status as a professional engineer. You will also have the opportunity to work overseas, with your accreditation recognised in those countries that are signatories to the Washington Accord.

Bachelor of Engineering Science

ATAR 66.45

Entry requirements

- 2019 ATAR: 66.45 | Selection Rank: 70
- Subject pre-requisites: English (Units 3 & 4, C), and Mathematical Methods (Units 3 & 4, C), or equivalent

Degree overview

Make an impact in the future of sustainable agriculture engineering solutions while learning from lecturers with renowned research backgrounds. The Bachelor of Engineering Science will equip you with highly sought-after technical skills, as well as academic and professional knowledge to practise as a graduate engineering technologist.

February, July, November¹

Electrical and Electronic Engineering (p.73)	T, S, E
Environmental Engineering	T, E
Infrastructure Management Engineering (p.73)	T, S, E
Mechanical Engineering (p.73)	T, S, E

Professional accreditation

You will be eligible to apply for membership with Engineers Australia as an engineering technologist. After gaining experience from working in the field, you can apply for chartered status as an engineering technologist.

Study abroad

Placements

Residential school

¹ November (Semester 3) intake is only available via external study.

Study with the only university in Australia to offer an Agricultural Engineering degree, and help forge the future of agricultural advancement.

Associate Degree of Engineering

ATAR 59.40

Entry requirements

- 2019 ATAR: 59.40 | Selection Rank: 66
- Assumed knowledge in: English and General Mathematics
- Recommended prior study in: Mathematical Methods (Units 3 & 4, C), or equivalent

Degree overview

With highly practical and relevant coursework, you'll be prepared to work with machinery, soil and water management in areas, including sustainable agricultural production and hydraulics, which will allow you to apply engineering solutions to agricultural problems. The Associate Degree of Engineering will give you the freedom of choice to start your career, or set a stepping-stone for further study.

Mining Engineering (p.74)	T, E

Professional accreditation

The Agricultural Engineering major is provisionally accredited with Engineers Australia. Upon graduation, you may apply for membership of Engineers Australia as an engineering associate (officer). With the experience you will gain from working in the field, you may apply for chartered status as an engineering officer.

Placements

Residential school

¹ November (Semester 3) intake is only available via external study.

Bachelor of Science

ATAR 63.15

Entry requirements

- 2019 ATAR: 63.15 | Selection Rank: 68
- Assumed knowledge in: English
- Subject pre-requisites: Animal Science, Environment and Sustainability, Food Science, Plant Agricultural Science, and Wine Science majors: General Mathematics (Units 3 & 4, C)
- Recommended prior study in: Environment and Sustainability, Food Science, Plant Agricultural Science, and Wine Science majors: Mathematical Methods (Units 3 & 4, C), or equivalent, plus one of Biology, Chemistry or Physics (Units 3 & 4, C), or equivalent

Note: Additional pre-requisites and prior study requirements may apply for other majors within this degree, see pages 42, 62, and 75.

Degree overview

Do you often wonder how the world around you works, and are curious about understanding why certain phenomena occur in nature? Perhaps you have a passion for problem-solving? The Bachelor of Science will expose you to different areas of science, before narrowing into one aspect that interests you, and develops your skills as a career-ready, independent thinker.

Diploma of Wine

ATAR 63.15

Entry requirements

- ATAR: 63.15 | Selection Rank: 68
- Assumed knowledge in: English and General Mathematics

Degree overview

Swirl, sniff, sip, spit and study the fundamental concepts of wine science with USQ's Diploma of Wine. In addition to the core courses, you can broaden your skills with a minor in Grape Growing, Wine Making or Wine Business Management, for an opportunity to work in the vineyard, the winery, or both.

Residential school

February

External¹

1 year or part-time equivalent | 8 units

¹ All residential school courses are held at the Queensland College of Wine Tourism, in Stanthorpe, Queensland.

Bachelor of Science (Honours)

Entry requirements

- 3-year bachelor degree, or equivalent, in the area of honours study from a recognised institution, with a minimum GPA of 5.0 (credit) completed a maximum of 3 years prior to application

Note: Additional entry requirements apply for the Psychology major within this degree, see page 65.

Degree overview

Do you have a passion for environmental science, biodiversity conservation, or natural resource management? Grow and extend your knowledge and research skills from your previous bachelor degree, by undertaking a research project with an expert in one of these fields.

Majors

Aviation Management

Bachelor of Aviation

ATAR 59.40

Entry requirements

- 2019 ATAR: 59.40 | Selection Rank: 66
- Assumed knowledge in: English and General Mathematics

Degree overview

USQ's Bachelor of Aviation will give you a broad understanding of the aviation industry, with studies in project management, airline and airport operations, flight training, international aviation law, and safety management systems. This degree includes professional development workshops where you can build your resume and learn from airline and air force instructor pilots and managers.

The Qantas Group Future Pilot Program is open to USQ Aviation students, and provides access to experienced pilots during their degree. Selected students will be invited to complete an intensive 12-week Airline Transition Course.

Professional accreditation

For Flight Operations major students, once you have completed your year of flight training with a registered training organisation flight school, the Australian Civil Aviation Safety Authority will issue your Commercial Pilot Licence², an Instrument Rating, Multi-engine endorsement.

Upon successful completion of the Qantas Group Future Pilot Program, graduates can transition to employment with QantasLink to complete their training and become qualified as first officers.

Placements

- 1 You will have the option to study courses online after completing your first year of this degree.
- 2 Employers from certain countries and airlines may require an Australian Commercial Pilot Licence to be converted or transferred, and may prescribe other requirements or qualifications as necessary.

Launch into your aviation career with Flight Operations at USQ. State-of-the-art flight simulators will land at both USQ Springfield and USQ Toowoomba in 2020.

Bachelor of Business and Commerce

ATAR 59.40

Entry requirements

- 2019 ATAR: 59.40 | Selection Rank: 66
- Assumed knowledge in: English and General Mathematics

Degree overview

Tap into an industry with global demand by studying the Aviation Management and Safety major within USQ's Bachelor of Business and Commerce. Graduates will be equipped to enter a career within business and management speciality areas, such as aviation operations, logistics, safety, marketing, human resources within the aviation industry, or other graduate positions in the aviation regulatory or investigative areas of government.

Professional accreditation

Accounting graduates will meet the educational entrance requirements of CPA Australia, and Chartered Accountants Australia and New Zealand. This will allow you to apply for Associate membership of CPA Australia, eligibility to study the CPA Australia professional exams, and eligibility to study the CAANZ professional exams. Students can also qualify for exemptions from the Fundamental level (nine papers) of the Association of Chartered Certified Accountants (ACCA) exams.

The **Accounting** major is accredited by the Chartered Institute of Management Accountants (CIMA) and the Association of International Accountants (AIA).

Accounting major students who also complete a Finance minor will meet the educational entrance requirements of the Financial Services Institute of Australasia (FINSIA).

Graduates of the **Accounting (Extended)** major will be eligible to apply for membership to the Tax Practitioners Board.

Finance major graduates will meet the educational entrance requirements to become a member of the Financial Services Institute of Australasia (FINSIA).

The **Human Resource Management** major is accredited by the Australian Human Resources Institute (AHRI) and satisfies the educational requirements for professional membership of AHRI.

The **Information Technology Management** major is accredited at professional level by the Australian Computer Society and is recognised in other countries through the Seoul Accord.

The **Marketing** major is accredited by the Australian Marketing Institute (AMI), and students are eligible for credit towards becoming a Certified Practising Marketer (CPM) upon completion.

Bachelor of Education (Early Childhood)

ATAR 63.15

Entry requirements

- 2019 ATAR: 63.15 | Selection Rank: 68
- Subject pre-requisites: English (Units 3 & 4, C), General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C), and a General science subject (Units 3 & 4, C), or equivalent
- A 1000-word statement addressing suitability criteria

Degree overview

Through USQ's Bachelor of Education (Early Childhood), you will be prepared and practised to play a valuable role in education settings catering for children from birth to 8 years. This degree enables you to work expertly in child care centres, kindergartens and primary schools. Already have an early childhood qualification from TAFE or another recognised provider? USQ may be able to offer you credit/RPL to help you finish your degree faster.

Professional accreditation

Graduates are eligible to apply for teacher registration through the Queensland College of Teachers. This degree is also recognised by the Australian Children's Education and Care Quality Authority (ACECQA).

 **Study abroad**  **Placements**

 **4 years or part-time
equivalent | 32 units**

Bachelor of Early Childhood

ATAR 59.40

Entry requirements

- 2019 ATAR: 59.40 | Selection Rank: 66
- Subject pre-requisites: English (Units 3 & 4, C), General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C), and a General science subject (Units 3 & 4, C), or equivalent

Degree overview

USQ's Bachelor of Early Childhood will give you the attributes required in the early childhood education and child care sector. Receive practical career experience with 80 days of targeted professional experience placements, 50% of which can be undertaken overseas, and be well positioned to work with children and families in an array of early learning environments.

Note: This degree does not qualify you for teacher registration with the Queensland College of Teachers. If you are looking for teacher registration, we recommend studying the Bachelor of Education (Early Childhood).

Professional accreditation

Graduates from the Bachelor of Early Childhood will have met the requirements of the Australian Children's Education and Care Quality Authority (ACECQA) and can apply for recognition of being an early childhood teacher in prior-to-school.

Bachelor of Education (Primary)

ATAR 63.15

Entry requirements

- 2019 ATAR: 63.15 | Selection Rank: 68
- Subject pre-requisites: English (Units 3 & 4, C), General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C), and a General science subject (Units 3 & 4, C), or equivalent
- A 1000-word statement addressing suitability criteria

February, July

Toowoomba,
Springfield, external

4 years or part-time
equivalent | 32 units

Degree overview

Focusing on the Primary years (from Prep to Year 6), this degree offers you the opportunity to gain the unique knowledge and expertise needed to educate young learners. You have the opportunity to experience working as an educator in a variety of locations, including rural placements and with students who study via the School of Distance Education.

Professional accreditation

Graduates are eligible to apply for teacher registration through the Queensland College of Teachers.

Study abroad

Placements

Want to be a teacher and already have a bachelor degree in another discipline?

USQ's Master of Learning and Teaching enables those with a bachelor degree in a field other than education to become a teacher, providing they meet all other entry requirements.

Professional experience placements will allow you to connect your studies with the practical side of teaching. Check out usq.edu.au/education for more information.

Bachelor of Education (Secondary)

ATAR 63.15

Entry requirements

- 2019 ATAR: 63.15 | Selection Rank: 68
- Subject pre-requisites: English (Units 3 & 4, C), General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C), or equivalent
- A 1000-word statement addressing suitability criteria

Degree overview

Are you looking for a degree that gives you industry engagement, professional development and, most importantly, a lot of confidence? USQ's Bachelor of Education (Secondary) is designed to produce graduates who are 100% prepared to teach students in Years 7 to 12. Choose from over 20 Teaching Areas, and become a flexible and desirable educator in the Secondary School environment.

Professional accreditation

Graduates are eligible to apply for teacher registration through the Queensland College of Teachers.

Law & Criminology

**Criminology and
Criminal Justice**

Law

Bachelor of Laws

ATAR 75.70

Entry requirements

- 2019 ATAR: 75.70 | Selection Rank 77
- Assumed knowledge in: English

Degree overview

USQ's Bachelor of Laws is one of only a few Law degrees which can be completed in 3 years. Your studies will prepare you for practice as a solicitor or barrister in Queensland, or a legal practitioner elsewhere in Australia, but a law degree also prepares you for many other careers in business, commerce and government.

Professional accreditation

The Bachelor of Laws has been accredited by the Legal Practitioners Admissions Board, Queensland, and the Chief Justice of the Supreme Court of Queensland, as an approved academic qualification under the Supreme Court Admission Rules 2004 (Qld). This will partially satisfy the requirements to practise as a solicitor or barrister in Queensland, or as a legal practitioner elsewhere in Australia. Intending solicitors and barristers must also complete an approved practical legal training course in order to become admitted to practise law.

Note: USQ does not offer practical legal training, but you can receive advice on practical legal training programs by contacting study@usq.edu.au

Study abroad

Placements

**February, July,
November**

**Toowoomba,
Springfield, online**

**3 years or part-time
equivalent | 24 units**

At USQ, a Law degree can be completed in only three years which means you'll be able to take to the courtroom sooner, empowered by the expertise and experience our lecturers provide.

Associate Degree of Criminology and Criminal Justice

ATAR 57.25

Entry requirements

- 2019 ATAR: 57.25 | Selection Rank 65
- Assumed knowledge in: English

Degree overview

Discover the nature and causes of crime and criminal behaviour by studying Criminology and Criminal Justice at USQ. Choose to study topics you're passionate about, including youth and juvenile justice, victimology, domestic and family violence, and green criminology. Learn about current crime intervention and prevention strategies through the criminal justice system and external agencies, and benefit from opportunities to engage with professionals working within the criminal justice sector.

February, July

Toowoomba,
Springfield, online

2 years or part-time
equivalent | 16 units

Practice hands-on investigation skills like fingerprinting and evidence collection when you study Criminology and Criminal Justice at USQ.

Bachelor of Laws (Honours)

Entry requirements

- Bachelor of Laws degree from the USQ, or other bachelor degrees in law from a recognised university, with a pass at either:
 - a credit level (grade point average of 5.0/7), that is 71.4% in the entire degree, and permission of the relevant Program Coordinator
 - a grade point average of 5.2/7 (75%) in the third level of the degree, including an 'A' or better level pass in at least 1 course

Degree overview

If you would like to enhance your employment opportunities, advance your knowledge in a specialist area of law and build valuable research skills, USQ's Bachelor of Laws (Honours) is the only graduate honours program for a law degree in Australia. Explore a career in the public service, government, politics, non-government organisations and private enterprise with your skills gained at USQ.

Professional accreditation

The Bachelor of Laws (Honours) articulates from the Bachelor of Laws. The Bachelor of Laws has been accredited by the Legal Practitioners Admissions Board, Queensland, and the Chief Justice of the Supreme Court of Queensland, as an approved academic qualification under the Supreme Court Admission Rules 2004 (Qld). This will partially satisfy the requirements to practise as a solicitor or barrister in Queensland, or as a legal practitioner elsewhere in Australia. Intending solicitors and barristers must also complete an approved practical legal training course in order to become admitted to practise law.

Nursing & Allied Health

Midwifery
Nursing
Paramedicine
Sport and Exercise

Bachelor of Midwifery (Graduate Entry)

Entry requirements

- Be a registered nurse (Division 1) with a bachelor degree in nursing, or equivalent, with AHPRA registration
- Additional requirements apply for placements

Degree overview

Our Bachelor of Midwifery (Graduate Entry) is taught for registered nurses seeking to become midwives, and will include 50% clinical practice preparing you for work within hospitals, family planning clinics and community health. Develop industry-ready skills in USQ's Midwifery Simulation Centre, replicating scenarios, from the birth of a baby, to obstetric and neo-natal emergencies.

Professional accreditation

This degree is accredited with the Australian Nursing and Midwifery Accreditation Council (ANMAC) and upon successful completion, you will be eligible to enter onto the Register of Practitioners as a midwife within the Australian Health Practitioner Regulation Agency (AHPRA).

Bachelor of Psychology (Honours)

ATAR 66.45

Entry requirements

- 2019 ATAR: 66.45 | Selection Rank: 70
- Assumed knowledge in: English
- Additional requirements apply for placements

Degree overview

USQ's Bachelor of Psychology (Honours) is developed specifically for those of you who wish to become practitioners. You will develop research and professional skills, including a deep understanding of the ethical principles that inform psychological practice. Graduates will have had exposure to treatment regimens and experience in the interpretation of psychological tests.

Note: Entry into the fourth or honours-year of the degree is only available to students who have completed the first three years of the degree and, in the Psychology courses, maintained a GPA of 5 or above.

Professional accreditation

The Bachelor of Psychology (Honours) is fully accredited by the Australian Psychology Accreditation Council as a four-year sequence of study. Graduates are eligible to apply for probationary registration as a Psychologist with the Australian Health Practitioner Regulation Agency. Those who complete the four-year Honours program are also eligible to go on to complete further studies at the Masters level with the aim of registration as a clinical psychologist.

Study USQ's Bachelor of Psychology (Honours) and gain relevant experience with professional placements, where you will have the opportunity to put your theoretical skills into practice and prepare for industry.

Diploma of Human Services and Development

ATAR 57.25

Entry requirements

- 2019 ATAR: 57.25 | Selection Rank: 65
- Assumed knowledge in: English

Degree overview

Open opportunities to challenging and rewarding jobs in the social and community services industry by studying the Diploma of Human Services and Development. Influence the welfare of communities, and analyse the social, economic, cultural and political life of communities in order to make informed and effective decisions.

Residential school

¹ November (Semester 3) entry is only available part-time.

February, July, November¹

Toowoomba, Ipswich, external

1 year or part-time equivalent | 8 units

Bachelor of Health (Honours)

Entry requirements

- Bachelor degree, or equivalent, in health or related discipline from a recognised institution, with a minimum GPA of 5.0

Degree overview

Are you a Health graduate who wants to delve deeper into your area of health specialisation? The Bachelor of Health (Honours) provides you with research skills developed by undertaking a research training-based courses in your specialist relevant area of health, to understand more about the cause and effect of diseases, best-practice, or expected health demands of the future.

Note: This research degree does not qualify you for clinical accreditation or registration.

Bachelor of Science (Honours)

Entry requirements

- 3-year bachelor degree, or equivalent, in psychology with a minimum GPA of 5.0 (credit). It must be an approved degree by the Australian Psychology Accreditation Council (APAC) and completed a maximum of 3 years prior to application.

Note: Additional entry requirements apply for other majors within this degree, see pages 23, 43 and 77.

Degree overview

The Bachelor of Science (Honours) gives you the opportunity to extend your knowledge and research skills in professional areas of psychology, such as ethics, assessment and intervention. Graduates will be eligible to apply for provisional registration as a psychologist with the Psychology Board of Australia. However, there is a requirement to complete a further two years of supervised practice, or an approved masters degree, after initial registration.

Majors

Bachelor of Biomedical Sciences

ATAR 63.15

Entry requirements

- 2019 ATAR: 63.15 | Selection Rank: 68
- Assumed knowledge in: English and General Mathematics
- Recommended prior study in: one of Biology, Chemistry or Physics (Units 3 & 4, C), or equivalent

Degree overview

Become prepared for a career in medical research, biotechnology, pharmaceutical and diagnostic companies, and public health laboratories. You will study human anatomy and physiology, microbiology, immunology, cell and molecular biology, nutrition and biochemistry.

This degree is also a perfect stepping-stone for students wanting to undertake the Graduate Australian Medical Schools Admissions Test (GAMSAT), to enter professional courses, such as medicine, dentistry, pharmacy, physiotherapy, and veterinary science; or for further study in research higher degrees such as PhD and masters degrees.

Professional accreditation

You will be eligible to apply for membership to professional organisations, including the Australian Society for Microbiology, Australian Society for Biochemistry and Molecular Biology, and the Australian Society for Medical Research.

Study abroad

Placements

Residential school

February, July¹

Bachelor of Medical Laboratory Science

ATAR 63.15

Entry requirements

- 2019 ATAR: 63.15 | Selection Rank: 68
- Assumed knowledge in: English and General Mathematics
- Recommended prior study in: one of Biology, Chemistry or Physics (Units 3 & 4, C), or equivalent

Degree overview

Medical laboratory scientists perform analyses on blood and other body fluids and tissues to provide information that is vital in the prevention, diagnosis and treatment of human disease. USQ's Bachelor of Medical Laboratory Science prepares graduates for employment in private and hospital pathology laboratories, medical research institutions, blood banks and forensic science laboratories.

Professional accreditation

You will be eligible to apply for membership to professional organisations, including the Australian Institute of Medical Scientists, Australian Society for Microbiology, Australian Society for Biochemistry and Molecular Biology, and the Australian Society for Medical Research.

Diploma of Science

ATAR 63.15

Entry requirements

- 2019 ATAR: 63.15 | Selection Rank: 68
- Assumed knowledge in: English and General Mathematics

Degree overview

Kick-start your career in science. The Diploma of Science is perfect if you are unsure about studying at university and would like to start with a bite-sized portion. The diploma is a qualification in its own right, but it is also a pathway to a bachelor degree, which means the eight courses you have studied can count towards your next degree.

Majors

Study mode

Biology¹	T, O
Computing/IT	T, O
Environment and Sustainability (p.22)	T, O
General Science	T, O
Mathematics	T, O
Physical Sciences	O

Residential school

¹ The Biology major has highly recommended on-campus residential school courses.

February, July

Springfield, external

2 years or part-time equivalent | 16 units

Degree overview

Start your career in the construction profession, or pave the way for further study. Through practical courses, develop skills in built environment, quantity surveying and building services design, as well as foundation skills in problem-solving, analysis, engineering design and construction, and management.

Major

Construction Management

Study mode

S, E

Professional accreditation

Graduates of the Associate Degree of Construction meet the Queensland Building and Construction Commission's technical qualification requirements to hold a Builder Open class of licence and a Builder Project Management Services licence, subject to demonstrating the required level of industry experience.

Placements

Residential school

There are likely to be around 54,000 job openings over 5 years for construction managers.*
Be prepared for this skills demand with USQ.

Bachelor of Spatial Science (Honours)

ATAR 75.70

Entry requirements

- 2019 ATAR: 75.70 | Selection Rank: 77
- Subject pre-requisites: English (Units 3 & 4, C), and Mathematical Methods (Units 3 & 4, C), or equivalent
- Recommended prior study in: Physics (Units 3 & 4, C), or equivalent

Degree overview

Gain a competitive edge by studying at one of Australia's leading spatial science education provider. Our practical degree will give you expert skills and knowledge in Global Navigation Satellite Systems, surveying, remote sensing and project management, and more. Choose a research project in your final year to investigate specialist topics of interest.

Majors

Study mode

Geographic Information Systems	T, E
Surveying	T, S, E

Professional accreditation

Graduates are eligible to apply for membership with the Surveying and Spatial Science Institute Australia. The **Surveying** major is fully accredited by the Surveyors Board of Queensland and is recognised in every Australian state and in New Zealand through reciprocal arrangements. With relevant industry experience, you will be enabled for registration and/or licensing as a cadastral surveyor with the Boards of Surveyors in Australia and New Zealand.

 Study abroad

 Residential school

Bachelor of Spatial Science Technology

ATAR 69.35

Entry requirements

- 2019 ATAR: 69.35 | Selection Rank: 72
- Subject pre-requisites: English (Units 3 & 4, C), and Mathematical Methods (Units 3 & 4, C), or equivalent

Degree overview

USQ is one of Australia's leading providers of spatial science courses. Combine practical and theoretical learning to develop skills in geographic information systems or the surveying profession. Work with sophisticated technology and tools, including satellite imagery and laser measurement systems for 3D mapping and visualisation of the natural and built environment, and develop practical experience alongside technical, analytical and leadership skills. Graduates will have the practical skills to work in a range of projects, including land development, construction, transportation, and mining.

February, July

Toowoomba,
Springfield, external

3 years or part-time
equivalent | 24 units

Majors

Study mode

Geographic Information Systems

T, E

Surveying

T, S, E

Professional accreditation

As a graduate, you'll be eligible to apply for membership with the Surveying and Spatial Science Institute of Australia. The **Surveying** major is fully accredited by the Surveyors Board of Queensland.

Study abroad

Residential school

Associate Degree of Spatial Science

ATAR 59.40

Entry requirements

- 2019 ATAR: 59.40 | Selection Rank: 66
- Assumed knowledge in: English and General Mathematics
- Recommended prior study in: Mathematical Methods (Units 3 & 4, C), or equivalent

Degree overview

Our Associate Degree of Spatial Science will arm you with the technical and analytical skills needed to prepare yourself for a career in one of Australia's most rapidly changing industries. Career possibilities are available in local and state government agencies in areas, including transport, primary industries, mining, commercial and retail developments, rural and regional planning, and environmental projects.

Majors

Study mode

Geographic Information Systems	T, E
Surveying	T, S, E
Urban and Regional Planning	T, E

Professional accreditation

Students who have successfully completed the **Geographic Information Systems** and **Surveying** majors can apply for membership with the Surveying and Spatial Science Institute of Australia. Graduates from the **Surveying** major are eligible for Associate registration with the Surveyors Board of Queensland.

Residential school

February, July

Toowoomba, Springfield, external

2 years or part-time equivalent | 16 units

USQ Surveying students learn with the latest technology, including modern satellite based Global Navigation Satellite Systems and computer mapping technologies, with 93.2% of Surveying graduates employed full-time four months after completing their degree.*

Bachelor of Urban and Regional Planning (Honours)

ATAR 66.45

Entry requirements

- 2019 ATAR: 66.45 | Selection Rank: 70
- Assumed knowledge in: General Mathematics
- Subject pre-requisites: English (Units 3 & 4, C), or equivalent

Degree overview

As the only university in Queensland that offers a fully online planning qualification, your studies will cover both the Queensland and New South Wales planning legislation, and equip you to be a planner and designer of the future for cities, regions and rural areas. Graduates can specialise in residential, commercial or retail developments, urban renewal and greenfields projects, transport planning, social planning, regional and rural planning, or environmental planning.

Professional accreditation

The Bachelor of Urban and Regional Planning (Honours) is provisionally accredited by the Planning Institute of Australia (PIA) and graduates may seek Planner registration with the Planning Institute of Australia (PIA).

Residential school

February, July

Toowoomba, external

4 years or part-time equivalent | 32 units

February, July, November¹

Toowoomba, Springfield², online

5 years or part-time equivalent | 40 units

¹ November (Semester 3) intake is only available via online study.

² Not all majors and courses are available at USQ Springfield.

Bachelor of Arts and Bachelor of Science

ATAR 63.15

Double & combined degrees

Entry requirements

- 2019 ATAR: 63.15 | Selection Rank: 68
- Assumed knowledge in: English
- Additional pre-requisites and prior study requirements may apply, depending on your chosen major within the Bachelor of Science, see pages 20, 42, 62 and 75

Degree overview

Study a combination of different disciplines enabling you to have a career as diverse as your interests. Combine your love of the arts and science and, depending on your chosen majors, use your skills in STEAM (Science, Technology, Engineering, Arts and Mathematics) to work on multidisciplinary problems.

Majors

ARTS

Anthropology, Anthropology and Archaeology Extended, Archaeology, Contemporary International Studies, Contemporary Media Studies, Creative and Critical Writing, English Literature, English Literature Extended, History, History Extended, Indigenous Studies, International Relations, Journalism Studies, Journalism Extended, Legal Studies, Public Relations Studies, and Social Justice Studies.

SCIENCE

Animal Science, Astronomical and Space Sciences, Biology, Computing, Counselling, Environment and Sustainability, Food Science, Human Physiology, Information Technology, Mathematics, Mathematics and Statistics, Physical Sciences, Plant Agricultural Science, Psychology, Psychology Extended, Statistics, and Wine Science.

Professional accreditation

Please see Bachelor of Science on pages 42 and 62.

Residential school

February, July, November¹

Toowoomba, external

4 years or part-time equivalent | 32 units

¹ Not all courses are available in November (Semester 3); therefore, full-time students may not be able to complete in four years if commencing in November (Semester 3).

Bachelor of Business and Commerce and Bachelor of Information Technology

ATAR 59.40

Entry requirements

- 2019 ATAR: 59.40 | Selection Rank: 66
- Assumed knowledge in: English and General Mathematics
- Additional pre-requisites and prior study requirements may apply, depending on your chosen major within the Bachelor of Information Technology, see page 41

Degree overview

This double degree provides knowledge and practical experience across the business and IT sectors, and gives you an advantage within the workforce. Your qualifications will bring a competitive edge in the eyes of possible employers who are increasingly needing digitally savvy employees.

Majors

BUSINESS AND COMMERCE

Accounting, Accounting (Extended), Aviation Management and Safety, Business Administration, Business Economics, Business Law, Finance, General Commerce, Human Resource Management, Information Technology Management, International Business, Management and Leadership, Marketing, Sustainable Business, and Tourism Management.

INFORMATION TECHNOLOGY

Applied Computer Science, Data Analytics, Information Systems Development, Information Technology Management, and Networking and Security.

Professional accreditation

Please see Bachelor of Business and Commerce on page 33 and the Bachelor of Information Technology on page 41.

February, July, November¹

Toowoomba, Springfield, online

4 years or part-time equivalent | 32 units

¹ Students starting in November (Semester 3) can only study at USQ Springfield (limited courses) or online.

Bachelor of Business and Commerce and Bachelor of Laws

ATAR 75.70

Entry requirements

- 2019 ATAR: 75.70 | Selection Rank: 77
- Assumed knowledge in: English and General Mathematics

Degree overview

Gain multiple skill sets and employment opportunities in the dynamic business, commerce or law industries. The Bachelor of Business and Commerce and Bachelor of Laws combines theoretical knowledge with practical experience to help you become successful in whichever career pathway you choose.

Majors

BUSINESS AND COMMERCE

Accounting, Accounting (Extended), Aviation Management and Safety, Business Administration, Business Economics, Finance, General Commerce, Human Resource Management, Information Technology Management, International Business, Management and Leadership, Marketing, Sustainable Business, and Tourism Management.

Professional accreditation

Please see Bachelor of Business and Commerce on page 33 and the Bachelor of Laws on page 45.

February, July, November¹

Toowoomba, Springfield, online

5 years or part-time equivalent | 40 units

¹ Students starting in November (Semester 3) can only study at USQ Springfield (limited courses) or online.

Shape your studies to your desired outcome
in less time than if you were to complete
two separate degrees.

Completing a double degree will mean you
receive two testamurs (official certificates)
when you graduate – one for each of
the degrees you complete.

Bachelor of Business and Commerce and Bachelor of Science

ATAR 63.15

Entry requirements

- 2019 ATAR: 63.15 | Selection Rank: 68
- Assumed knowledge in: English and General Mathematics
- Additional pre-requisites and prior study requirements may apply, depending on your chosen major within the Bachelor of Science, see pages 20, 42, 62 and 75

Degree overview

Pair your interest in business with the perfect platform to explore your curiosity in the sciences. With a diverse range of majors to select from within this double degree, you will be able to enhance your expertise across disciplines to be a more rounded graduate. Why not shape your degree to suit where you want to go in life?

Majors

BUSINESS AND COMMERCE

Accounting, Aviation Management and Safety, Business Administration, Business Economics, Business Law, Finance, General Commerce, Human Resource Management, Information Technology Management, International Business, Management and Leadership, Marketing, Sustainable Business, and Tourism Management.

SCIENCE

Animal Science, Astronomical and Space Sciences, Biology, Computing, Counselling, Environment and Sustainability, Food Science, Human Physiology, Information Technology, Mathematics, Mathematics and Statistics, Physical Sciences, Plant Agricultural Science, Psychology, Statistics, and Wine Science.

Professional accreditation

Please see Bachelor of Business and Commerce on page 33 and the Bachelor of Science on pages 42 and 62.

Residential school

- 1 Students starting in November (Semester 3) can only study at USQ Springfield (limited courses) or online.
- 2 Not all majors in this degree are available on-campus.

February, July, November¹

Toowoomba², external

4 years or part-time equivalent | 32 units

Bachelor of Engineering (Honours) Bachelor of Business and Commerce

ATAR 73.30

Entry requirements

- 2019 ATAR: 73.30 | Selection Rank: 75
- Subject pre-requisites: English (Units 3 & 4, C), and Mathematical Methods (Units 3 & 4, C)
- Recommended prior study in: Physics (Units 3 & 4, C), or equivalent

Degree overview

A combined degree in Bachelor of Engineering (Honours) and Bachelor of Business and Commerce offers graduates the skills needed to become a successful engineer in the workforce, combined with a strong background of business principles and practice. Students will receive a single testamur (official certificate) after graduating with this combined degree.

Majors

ENGINEERING

Agricultural Engineering, Civil Engineering, Computer Systems Engineering, Electrical and Electronic Engineering, Environmental Engineering, Instrumentation Control and Automation Engineering, and Power Engineering.

BUSINESS AND COMMERCE

Accounting, Aviation Management and Safety, Business Administration, Business Economics, Business Law, Finance, General Commerce, Human Resource Management, Information Technology Management, International Business, Management and Leadership, Marketing, and Sustainable Business.

Professional accreditation

Please see Bachelor of Engineering (Honours) on page 71 and the Bachelor of Business and Commerce on page 33.

Residential school

¹ Not all majors are available on-campus.

February, July

Toowoomba¹,
Springfield¹, external

5 years or part-time

Bachelor of Engineering (Honours) Bachelor of Information Technology

ATAR 73.30

Entry requirements

- 2019 ATAR: 73.30 | Selection Rank: 75
- Subject pre-requisites: English (Units 3 & 4, C), and Mathematical Methods (Units 3 & 4, C), or equivalent
- Recommended prior study in: Physics (Units 3 & 4, C), or equivalent

Degree overview

Gain a competitive edge in engineering by combining studies in Computer Systems Engineering and Applied Computer Science. Design, develop and implement both the hardware and software components of computer systems in today's technological world. You will receive a single testamur (official certificate) after graduating with this combined degree.

Professional accreditation

Please see Bachelor of Engineering (Honours) on page 71 and the Bachelor of Information Technology on page 41.

Placements

equivalent | 40 units**

Bachelor of Engineering (Honours) Bachelor of Science

ATAR 73.30

Double &
combined degrees

Entry requirements

- 2019 ATAR: 73.30 | Selection Rank: 75
- Subject pre-requisites: English (Units 3 & 4, C), and Mathematical Methods (Units 3 & 4, C), or equivalent
- Recommended prior study in: Physics (Units 3 & 4, C), or equivalent

Degree overview

A combined degree in engineering and science will enable you to carry out in-depth study of technical problems and devise practical solutions. Become a qualified engineer with a strong background in your selected field and prepare for a multitude of careers in technical industries. Students will receive a single testamur (official certificate) after graduating with this combined degree.

Majors

ENGINEERING

Agricultural Engineering, Civil Engineering, Computer Systems Engineering, Electrical and Electronic Engineering, Environmental Engineering, Instrumentation Control and Automation Engineering, Mechanical Engineering, and Power Engineering.

SCIENCE

Animal Science, Biology, Computing, Environment and Sustainability, Food Science, Human Physiology, Mathematics, Physical Sciences, Plant Agricultural Science, Statistics and Wine Science.

Note: Students cannot combine and study the Mechanical Engineering and Computing majors within the duration of 40 units.

Professional accreditation

Want to know more?

For more details on any of
our degrees, please visit
usq.edu.au/study

How to apply

Find your degree

1

- Browse this guide and visit our website for more info.
- Make the most of tools such as the Career Explorer quiz to help you discover the study areas that best suit your talents and interests at usq.edu.au/career-explorer

Check the entry requirements

2

- It's important you meet the entry requirements for your chosen degree. Read the information relevant in this guide, and visit usq.edu.au/study for more details.
- Find out if you're eligible for any adjustment factors, which may increase your ATAR or Selection Rank, through the allocation of additional points in certain circumstances, such as where you live, and subjects you passed at usq.edu.au/adjustment-factors

Remember, if you need any help along the way, visit usq.edu.au/apply

Apply

3

- Apply via QTAC (Queensland Tertiary Admissions Centre) at **qtac.edu.au** or in some cases you may be able to apply directly to USQ. Visit **usq.edu.au/apply** for more info.
- Check if you need any supporting documentation for your application (e.g. official academic transcripts, resumes, portfolio etc.).

Receive and accept your offer

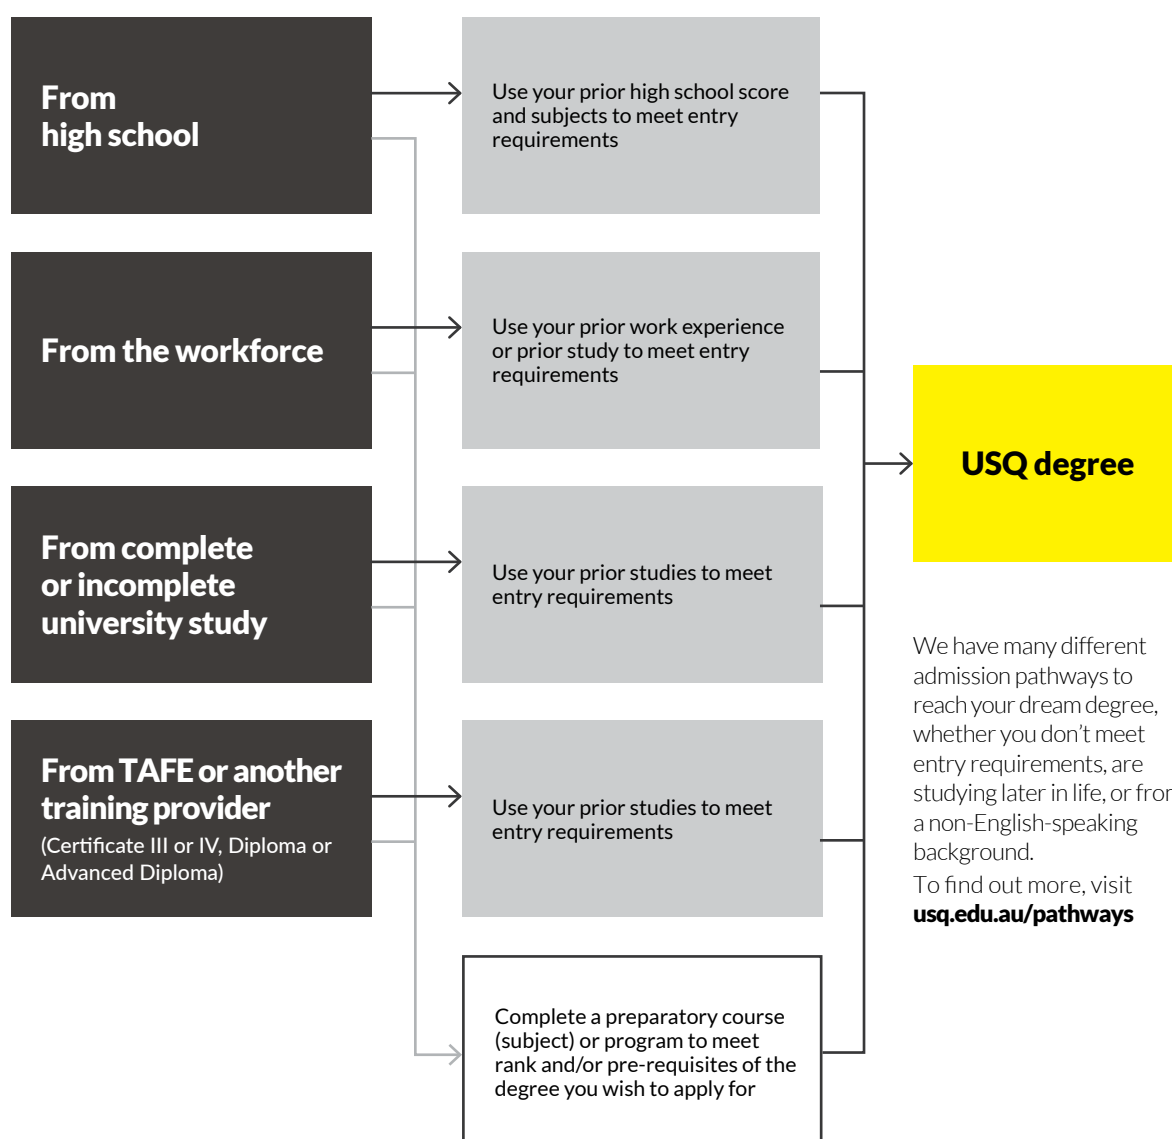

4

- Once you receive an offer, usually accepting is as simple as clicking the link in your offer email from either QTAC or USQ.
- Applied through QTAC and didn't get an offer? Perhaps you need to change your preferences. Remember, you get three free preference changes.
- Applied directly to USQ and not eligible for an offer? USQ will consider a suitable pathway option to allow you to work your way toward your preferred degree.

Admission information

We understand the path to university is different for everyone. The following information will assist you in understanding the ways you can start your USQ degree, whether you're coming from high school, the workforce, from university study or TAFE. We've also explained the definition of phrases and words associated with entry requirements and costs.

Entry requirements

ATAR and Selection Rank

The Australian Tertiary Admission Rank (ATAR) will replace the OP for Queensland students who graduate from high school from 2020. Visit qtac.edu.au/atar-my-path/atar

If you haven't got an ATAR or Selection Rank score, we can derive a rank based on your prior study, work experience or professional qualifications. You may be eligible for a number of ranks, depending on your experience, however; USQ will use your highest rank for entry.

Assumed knowledge

The phrase we use to explain which subjects we assume you have studied in Year 12 and have sound knowledge in, in order to be successful in your first year of university study. If you don't have this knowledge, you may wish to study relevant preparatory or introductory courses prior to, or during, your first year. Visit usq.edu.au/assumed-knowledge

Subject pre-requisites

These are subjects (or their equivalent) you will need to have passed in Year 12 to be accepted into USQ.

If you start your studies in 2021, the format of subject pre-requisites will change slightly from previous years and list for example, 'Units 3 & 4, C' in addition to the subject. This means you must have successfully completed that subject, i.e. English, and achieved a grade of C or higher in Units 3 & 4 (typically studied in Year 12). Completion of units 1 and/ or 2 only (typically studied in Year 11) will not be sufficient to meet entry requirements.

Recommended prior study

In some degrees, we recommend you have studied subjects in order to study a degree at USQ successfully. These subjects are not entry requirements, and if you did not study these subjects it will not affect your application.

English Language proficiency

All of USQ's degrees have an English Language Proficiency Requirement and all applicants must provide evidence of this. Read more about requirements for each degree at usq.edu.au/study

Auditions, interview and portfolios

Some degrees require you to present a portfolio of work, attend an interview, or with Education degrees for example, complete an online questionnaire to demonstrate key competencies for effective teachers. To find out what's relevant for your degree, please see usq.edu.au/study

Early Offer Guarantee

The Early Offer Guarantee allows graduating Year 12 students to receive an early offer and guaranteed place at USQ based solely upon a recommendation by their school principal. The Early Offer Guarantee enables students to secure a place as early as November - which is well before ATARs and final results are released. For more info visit usq.edu.au/early-offer

Costs

Degree fees

Tuition fees vary, depending on the degree or courses you are enrolled in. Eligible students can access student loans to help cover costs.

Student Services and Amenities Fee

The Student Services and Amenities Fee (SA Fee) aims to provide you with access to a range of non-academic services, such as learning support, sporting and recreational activities, as well as employment and career counselling services, both online and on-campus.

You may be eligible to defer your Student Services and Amenities Fee. For more information, visit usq.edu.au/fees

Fee assistance

HECS-HELP is a loan that helps eligible Commonwealth-supported students (Australian citizens and students holding permanent humanitarian visas) to pay their tuition fees. You can choose to pay some or all of your fees up front. With a HECS-HELP loan, you can make repayments via the tax systems when your income reaches a certain level.

For more information about degree fees at USQ, please visit usq.edu.au/fees or visit the Study Assistance website studyassist.gov.au

Textbooks and additional costs

You will most likely need a prescribed textbook for each course (subject) you study at university. Textbooks can cost between AUD 30 and AUD 200. Additional costs may apply for some degrees and courses, e.g. uniforms and special equipment required for Nursing. You can find out more about textbook and clothing expenses at bookshop.usq.edu.au

	Bachelor of Communication and Media (Journalism Extended)	1, 2, 3	T, O	3	63.15	Assumed: English	50
	Bachelor of Arts (Honours) (Journalism Studies)	1, 2	T, O	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0	52
	Bachelor of Arts (Contemporary Media Studies)	1, 2, 3	T, O	3	59.40	Assumed: English	49
Media Studies	Bachelor of Communication and Media (Communication and Media Studies)	1, 2, 3	T, O	3	63.15	Assumed: English	50
	Bachelor of Arts (Honours) (Contemporary Media Studies)	1, 2	T, O	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0	52
	Photography	Bachelor of Communication and Media (Professional Photography)	1, 2, 3	O	3	63.15	Assumed: English
Public Relations	Bachelor of Arts (Public Relations Studies)	1, 2, 3	T, O	3	59.40	Assumed: English	49
	Bachelor of Communication and Media (Public Relations)	1, 2, 3	T, O	3	63.15	Assumed: English	50
	Bachelor of Communication and Media (Public Relations Extended)	1, 2, 3	T, O	3	63.15	Assumed: English	50
	Bachelor of Arts (Honours) (Public Relations Studies)	1, 2	T, O	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0	52

AREA OF INTEREST	DEGREE	START	STUDY MODE	DURATION (YEARS)	ENTRY REQUIREMENTS		PAGE
					2019 ATAR	PRE-REQUISITES	
Nursing & Allied Health							
Midwifery	Bachelor of Midwifery (Graduate Entry)*	1	E	2	N/A	Registered nurse (Division 1) with an approved bachelor degree, in the relevant area of study, with AHPRA registration	55
	Bachelor of Health (Honours) (Midwifery)	1, 2	T, I, O	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0	59
Nursing	Bachelor of Nursing	1, 2	T, I, E	3	63.15	English (Units 3 & 4, C) Recommended: General Mathematics (Units 3 & 4, C), one of Biology, Chemistry or Physics (Units 3 & 4, C)	56
	Bachelor of Health (Honours) (Nursing)	1, 2	T, I, O	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0	59
Paramedicine	Bachelor of Paramedicine	1	I	3	63.15	Assumed: English Recommended: one of Biology, Chemistry or Physics (Units 3 & 4, C)	56
	Bachelor of Health (Honours) (Paramedicine)	1, 2	T, I, O	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0	59
Sport and Exercise Science	Bachelor of Sport and Exercise Science (Honours) (Clinical Exercise Physiology)	1, 2	I, E	4	73.30	Assumed: English	57
	Bachelor of Sport and Exercise Science	1, 2	T, I, E	3	63.15	Assumed: English	58
	Bachelor of Health (Honours) (Sport and Exercise)	1, 2	T, I, O	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0	59
Psychology & Human Services							
Counselling	Bachelor of Human Services (Counselling)	1, 2, 3	I, E	3	63.15	Assumed: English	61
	Bachelor of Science (Counselling)	1, 2, 3	I, E	3	63.15	Assumed: English, General Mathematics	62
Human Services	Bachelor of Human Services (Child and Family Studies)	1, 2, 3	I, E	3	63.15	Assumed: English	61
	Bachelor of Human Services (Community Development and Indigenous Studies)	1, 2, 3	T, E	3	63.15	Assumed: English	61
	Bachelor of Human Services (Health and Social Wellbeing)	1, 2, 3	I, E	3	63.15	Assumed: English	61
	Diploma of Human Services and Development	1, 2, 3	T, I, E	1	57.25	Assumed: English	64
	Bachelor of Health (Honours) (Human Services)	1, 2	T, I, O	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0	64
Psychology	Bachelor of Psychology (Honours)	1, 2, 3	I, E	4	66.45	Assumed: English	63
	Bachelor of Science (Psychology)	1, 2, 3	T, I, E	3	63.15	Assumed: English, General Mathematics	62
	Bachelor of Science (Psychology Extended)	1, 2, 3	T, I, E	3	63.15	Assumed: English, General Mathematics	62
	Bachelor of Science (Honours) (Psychology)	1, 2	T, I, E	1	N/A	Completion of an APAC-approved bachelor degree constituting the first 3 years (or equivalent) of study in psychology, with a minimum GPA of 5.0 (credit) and completed 3 years prior to application	65

⁴ This degree includes mandatory on-campus residential school components.

AREA OF INTEREST	DEGREE	START	STUDY MODE	DURATION (YEARS)	ENTRY REQUIREMENTS		PAGE
					2019 ATAR	PRE-REQUISITES	
Sciences & Engineering							
Animal Science	Bachelor of Science (Animal Science)	1, 2, 3	T, E	3	63.15	General Mathematics (Units 3 & 4, C) Assumed: English	75
Agricultural Engineering	Bachelor of Engineering (Honours) (Agricultural Engineering)	1, 2	T, E	4	73.30	English (Units 3 & 4, C) Mathematical Methods (Units 3 & 4, C) Recommended: Physics (Units 3 & 4, C)	71
	Bachelor of Engineering Science (Agricultural Engineering)	1, 2, 3	T, E	3	66.45	English (Units 3 & 4, C), Mathematical Methods (Units 3 & 4, C)	73
	Associate Degree of Engineering (Agricultural Engineering)	1, 2, 3	T, E	2	59.40	Assumed: English, General Mathematics Recommended: Mathematical Methods (Units 3 & 4, C)	74
Agricultural Sciences	Bachelor of Science (Plant Agricultural Science)	1, 2, 3	T, E	3	63.15	General Mathematics (Units 3 & 4, C) Assumed: English Recommended: Mathematical Methods (Units 3 & 4, C), plus one of Biology, Chemistry or Physics (Units 3 & 4, C)	75
Astronomical and Space Sciences	Bachelor of Science (Astronomical and Space Sciences)	1, 2, 3	E	3	63.15	Mathematical Methods (Units 3 & 4, C) Assumed: English Recommended: one of Biology, Chemistry or Physics (Units 3 & 4, C)	75
Biology	Bachelor of Science (Biology)	1, 2, 3	T, E	3	63.15	General Mathematics (Units 3 & 4, C) Assumed: English Recommended: Mathematical Methods (Units 3 & 4, C), plus one of Biology, Chemistry or Physics (Units 3 & 4, C)	75
	Diploma of Science (Biology)	1, 2	T, O	1	63.15	Assumed: English and General Mathematics	76
	Bachelor of Science (Honours) (Biology)	1, 2	T, E	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0 (credit), completed 3 years prior application	77
Biomedical Sciences	Bachelor of Biomedical Sciences	1, 2	T, E	3	63.15	Assumed: English, General Mathematics Recommended: one of Biology, Chemistry or Physics (Units 3 & 4, C)	67
	Associate Degree of Biomedical Sciences	1, 2	T, E	2	59.40	Assumed: English, General Mathematics Recommended: one of Biology, Chemistry or Physics (Units 3 & 4, C)	69
	Bachelor of Health (Honours) (Biomedical Science)	1, 2	T, I, O	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0	70
Chemistry	Bachelor of Science (Honours) (Chemistry)	1, 2	T, E	1	N/A	Completion of an approved bachelor degree, in the relevant area of study, with a minimum GPA of 5.0 (credit), completed 3 years prior application	77
Civil Engineering	Bachelor of Engineering (Honours) (Civil Engineering)	1, 2	T, S, E	4	73.30	English (Units 3 & 4, C), Mathematical Methods (Units 3 & 4, C) Recommended: Physics (Units 3 & 4, C)	71
	Bachelor of Engineering Science (Civil Engineering)	1, 2, 3	T, S, E	3	66.45	English (Units 3 & 4, C), Mathematical Methods (Units 3 & 4, C)	73
	Associate Degree of Engineering (Civil Engineering)	1, 2, 3	T, S, E	2	59.40	Assumed: English, General Mathematics Recommended: Mathematical Methods (Units 3 & 4, C)	74
Computer Systems Engineering	Bachelor of Engineering (Honours) (Computer Systems Engineering)	1, 2	T, E	4	73.30	English (Units 3 & 4, C), Mathematical Methods (Units 3 & 4, C) Recommended: Physics (Units 3 & 4, C)	71

					2019 ATAR	PRE-REQUISITES	
Double & Combined degrees							
Double degrees	Bachelor of Arts and Bachelor of Business and Commerce	1, 2, 3	T, S, O	4	59.40	Assumed: English, General Mathematics	91
	Bachelor of Arts and Bachelor of Laws ⁵	1, 2, 3	T, S, O	5	75.70	Assumed: English	92
	Bachelor of Arts and Bachelor of Science ⁶	1, 2, 3	T, E	4	63.15	Assumed: English, General Mathematics	93
	Bachelor of Business and Commerce and Bachelor of Information Technology ^{5,6}	1, 2, 3	T, S, O	4	59.40	Assumed: English, General Mathematics	94
	Bachelor of Business and Commerce and Bachelor of Laws ⁵	1, 2, 3	T, S, O	5	75.70	Assumed: English, General Mathematics	95
	Bachelor of Business and Commerce and Bachelor of Science ⁶	1, 2, 3	T, E	4	63.15	Assumed: English, General Mathematics	96
Combined degrees	Bachelor of Engineering (Honours) Bachelor of Business and Commerce ⁵	1, 2	T, S, E	5	73.30	English (Units 3 & 4, C), Mathematical Methods (Units 3 & 4, C) Recommended: Physics (Units 3 & 4, C)	97
	Bachelor of Engineering (Honours) Bachelor of Information Technology	1, 2	T, E	5	73.30	English (Units 3 & 4, C), Mathematical Methods (Units 3 & 4, C) Recommended: Physics (Units 3 & 4, C)	98
	Bachelor of Engineering (Honours) Bachelor of Science ⁵	1, 2	T, S, E	5	73.30	English (Units 3 & 4, C), Mathematical Methods (Units 3 & 4, C) Recommended: Physics (Units 3 & 4, C)	99

Note:

Degrees listed are subject to change at the discretion of the University.

Not all courses in a degree are available in every semester.

The November (Semester 3) intake mainly offers courses (subjects) via online study.

The Australian Tertiary Admission Rank (ATAR) will replace the OP for Queensland students who graduate from high school from 2020. Visit qtac.edu.au/atar-my-path/atar

If you haven't got an ATAR or Selection Rank score we can derive a rank based on your prior study, work experience or professional qualifications. You may be eligible for a number of ranks depending on your experience or qualifications however; USQ will use your highest rank for entry.

If you start your studies in 2021, the format of subject pre-requisites will change slightly from previous years and list for example, 'Units 3 & 4, C' in addition to the subject. This means you must have successfully completed that subject, i.e. English, and achieved a grade of C or higher in Units 3 & 4 (typically studied in Year 12). Completion of units 1 and/or 2 only (typically studied in Year 11) will not be sufficient to meet entry requirements.

⁵ Not all courses and majors in this degree are available at USQ Springfield.

⁶ Additional entry requirements may apply depending on your chosen major/s.
