INTERNATIONAL SCHOOL, VIETNAM NATIONAL UNIVERSITY, HANOI

**Vietnam National University, Hanoi (VNU)** is a leading multidisciplinary and multi-sectoral training and research center, playing a key role in Vietnam's higher education system. **International School, Vietnam National University, Hanoi (VNU-IS)**, formerly Vietnam – Russia International School, was established in July 2002. Since its inception, VNU-IS has rapidly developed in many aspects. Starting with a single training program in Russian, VNU-IS successfully developed ten undergraduate programs, five graduate programs with various training models (i.e., joint training, double degree, dual degree). VNU-IS is also pioneering the implementation of training programs in all English at undergraduate and graduate levels.

VNU-IS allows students to obtain degrees from prestigious regional and international universities. More importantly, the extensive studies and extracurricular activities at VNU-IS help students to get familiar with the global environment, encourages them to think creatively, ignites their passion for discovery, and facilitates the development of vital soft skills. VNU-IS is proud to be the crucible for students to mature and break the boundaries to **STUDY AND CREATE WITH THE WORLD.**
