Tran Nhan Tong Institute (TNTI) was established in 2016 as follow up the Decision No. 1717 / QĐ-TTg signed by Vietnam Prime Minister as a member of Vietnam National University, Hanoi (VNU). The primary objective of TNTI is to conduct research the glorious heritages and career of King Tran Nhan Tong; the ideological and cultural values of the Tran Dynasty and related issues. The Institute also focuses on postgraduate education for masters and PhDs who major in Buddhist studies.

TNTI plays a role of an effective policy advisor on developing, preserving and promoting the heritage, cultural values of King Tran Nhan Tong and traditional culture of the nation. Moreover, the Institute organizes social activities to connect the human’s compassion and cultivates a greater sense of moral responsibility for the people; organizes cultural exchange, meetings, seminars domestically and internationally to enhance the friendship between countries.
