

# PROMOTING CUTTING-EDGE RESEARCH IN BASIC AND APPLIED SCIENCES

## KEY LABORATORIES

- Key Laboratory of Enzyme and Protein Technology (KLEPT)
- VNU Key Laboratory for Bio-Energy Development
- VNU Key Laboratory for Multiscale Simulations of Complex Systems
- VNU Key Laboratory for Advanced Materials for Green Growth
- VNU Key Laboratory for Analytical Technology for Environmental Quality and Food Safety Control
- VNU Key Laboratory of Geo-Environment and Climate Change Response

## RESEARCH CENTERS

- Center for Environmental Technology & Sustainable Development (CETASD)
- Center for Environmental Monitoring and Modeling
- Center for Environmental Fluid Dynamics
- Center for Sea and Island
- Nano and Energy Center (NEC)
- Center for Development of Analytical Sciences and Application
