More than

fields of study and  
1,500 courses

**80%**

of students pursue multiple  
majors or minors.

**67%**

of WashU students participate  
in community service, contributing  
ideas and leadership to their efforts.

Our faculty members are distinguished in their scholarly, creative, and research achievements, but they remain completely down-to-earth and approachable.

# Support, flexibility, and *opportunities* abound

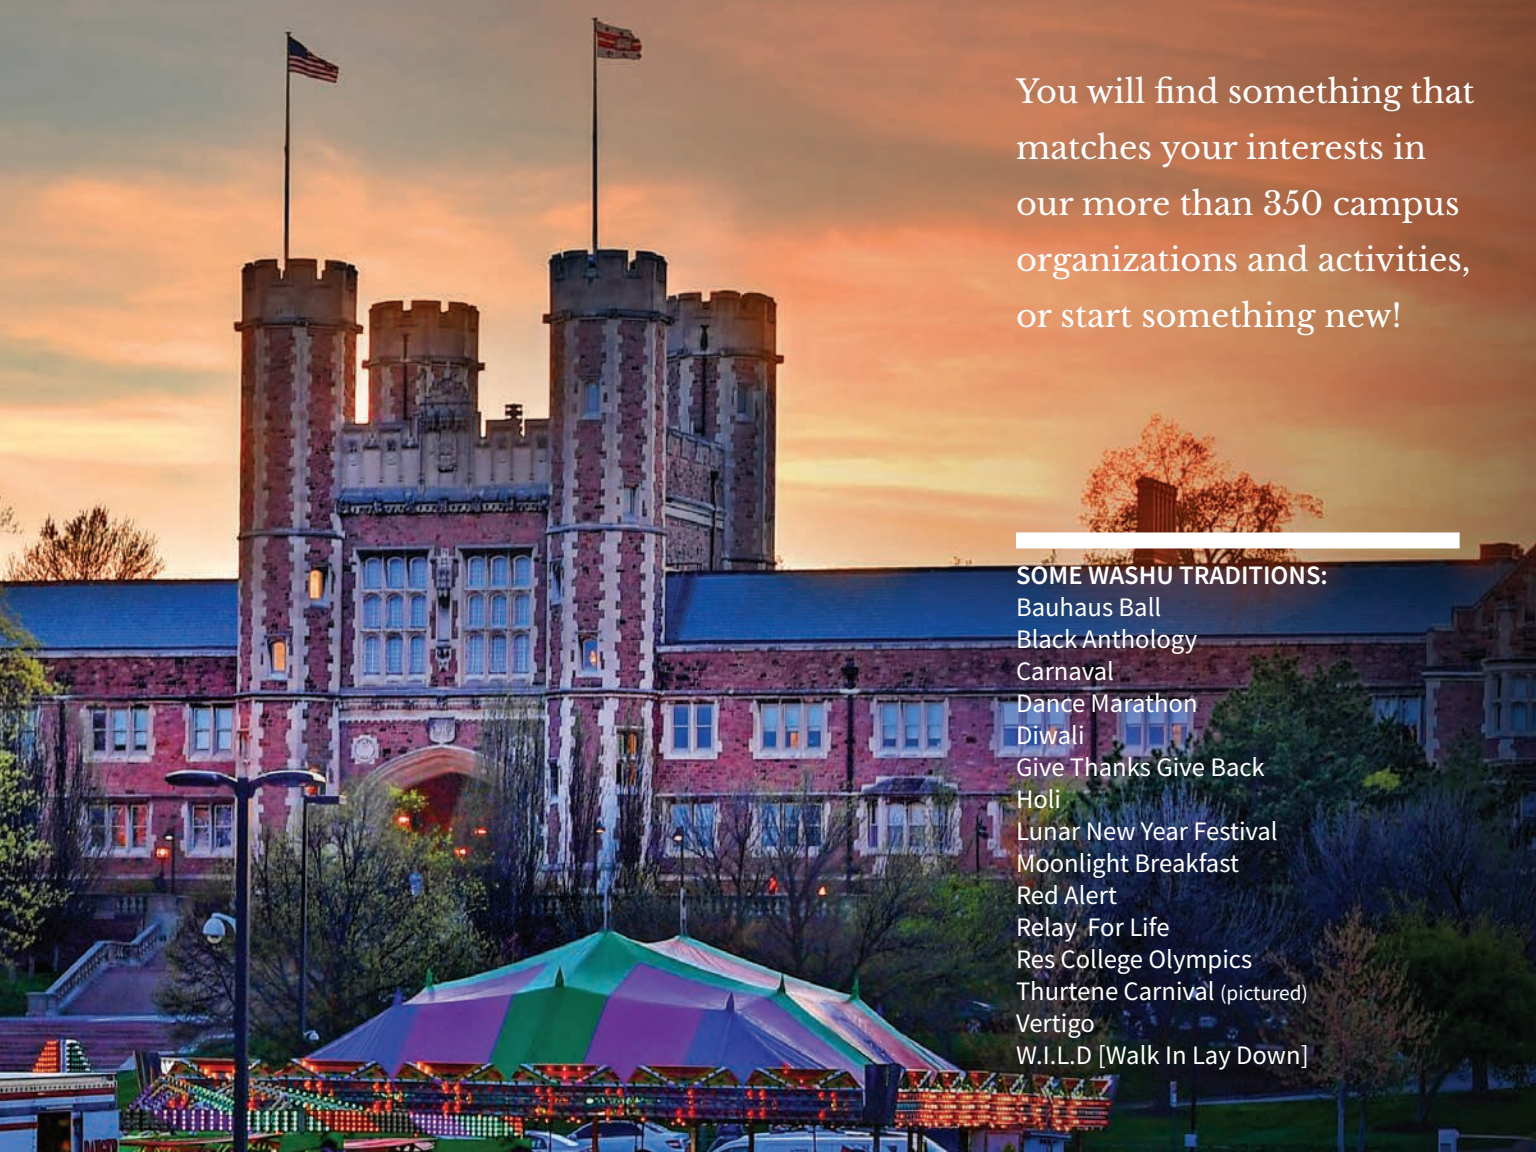

Work side by side with your professors on research projects, independent studies, or other projects in our state-of-the-art facilities. Explore your passions — and find new ones — in an environment filled with unparalleled support from students, faculty, and staff.

A large Ferris wheel is the central focus, its metal structure and passenger cars clearly visible against a twilight sky. The sky transitions from a pale blue to a warm orange and yellow near the horizon. In the foreground, a large tent with a green, red, and blue striped canopy is partially visible, adorned with a row of bright, warm-toned lights along its edge. To the left, a portion of a colorful, illuminated sign is visible. The background is filled with the silhouettes of large, leafy trees, and a few distant lights suggest a park or fairground setting.

*Get Involved*

You will find something that matches your interests in our more than 350 campus organizations and activities, or start something new!
