Notes: Graduate destination data are drawn from the Destinations of Leavers from Higher Education Survey 2013-14. Completion data are drawn from Higher Education Statistics Agency performance indicators for 2013-14. Student satisfaction scores are drawn from question 22 of the 2015 National Student Survey, which asks about overall level of satisfaction with course quality. The overall benchmarked TEF score is based on the distance from benchmark in each of the three categories, weighted equally.
